Four Zionists Named To Cabinet

CIA Head Sorensen, a draft evader.

Below from "Parade Magazine" before Jew Schlesinger was promoted to Secretary of Defense.

JAMES SCHLESINGER

DANIEL ELLSBERG

Q. James Schlesinger, the new head of the Central Intelligence Agency—isn't he a close friend of Daniel Ellsberg of Pentagon Papers fame?—E. L., Santa Monica, Calif.

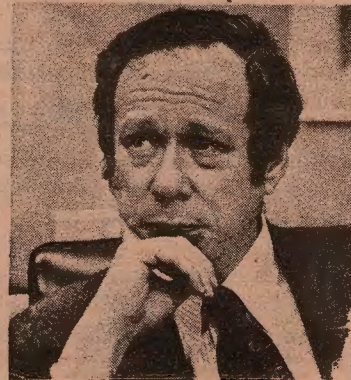

A. Dr. Ellsberg and Dr. Schlesinger are both out of Harvard. They were colleagues at the Rand Corporation, the think factory for the Air Force, in Santa Monica, Calif. As a matter of fact it was Ellsberg who recommended Schlesinger for a job at Rand when Schlesinger was teaching economics at the University of Virginia. Schlesinger's wife, the former Rachel Mellinger, was a "Miss Radcliffe" at Radcliffe College when Ellsberg's first wife, Carol, was there. The Schlesingers and the Ellsbergs have been friendly.

Theodore Chaikin Sorensen, anti-war resister, heads CIA.

Harold Brown, ADL member, heads Defense Dept.

Mike Blumenthal controls nation's money.

JEW'S GRAB TOP CABINET JOBS

The daily press has suppressed the story that Jews, who make up only 3% of our population comprise 25% of the top Cabinet posts in the Carter Administration. Their positions pose grave threats to the security of the nation because all four are ardent Zionists and place their loyalty to Israel over that of the U. S. as the following documentation proves. These are the Carter Jewish appointees' new Cabinet posts:

Harold Brown — Defense Secretary is a member of the radical Jewish Anti-Defamation League.

Mike Blumenthal — Treasury Secretary, imposed job quotas for minorities as head of the Bendix Corp. and works for trade with Russia.

Theodore C. Sorensen — Chief of the C.I.A. is a former war resister who refused to fight for his country during the Korean War.

James Schlesinger — Head of Energy Research which will control nuclear development. He was brought into government by pro-communist Daniel Ellsberg. Schlesinger was Defense Secretary under Nixon and ordered the stripping of U. S. Armed Forces in Western Europe so that said equipment could be rushed to Israel to aid that country in its build up after Egypt seized back the Suez Canal.

JEWISH CABINET MEMBERS BACKGROUNDS

Harold Brown, Secretary of Defense, is a Jew of Russian Khazar descent. His father's real Jewish name is not known at this time but his mother's name is Gertrude Cohen. Brown received publicity in California when he allowed the extremist "Jewish Anti-Defamation League of B'nai B'rith" to use his name in a "test case" to break down the "Christians only" rule of the exclusive "California Club." This just happened; his membership approval is still pending. The daily press has suppressed both the fact that he is a full blooded Jew and also that he is a Zionist activist. In his vital position as Defense Secretary Brown is known to be a "dove" when it comes to preparing the nation against a surprise Soviet attack. He is working to bring the Marxist Jew physicist Benjamin Levich to America. Brown has come out against the cruise missile. This is considered by most experts to be our most promising weapons system, and a deterrent to Russian aggression that has been developed in recent decades.

At the same time Jew Brown is known to be a "hawk" for Israel and would not hesitate to follow James Schlesinger's policy of shipping Israel everything she might want in our military arsenal. Harold Brown is a member of the super-secret "B'nai B'rith" Jewish businessmen's fraternity which accepts no Christian members. Brown is of Russian Khazar descent and grew up in the Bronx Jewish Ghetto. He worked under the Jew intellectual Edward Teller before taking over as president of California Institute of Technology.

Brown was under Robert McNamara in the Defense Dept. and briefly was Air Force Secretary under Lyndon Johnson. He is a loud advocate of SALT disarmament agreements with Russia. Even liberal AFL-CIO leader George Meany has warned Carter that Brown is "soft on communism." The New York Times unintentionally informed us of the danger in this appointment by stating that Brown's "selection is welcomed by the leaders of the arms control community . . . he will be more amenable to a strategic arms agreement."

Mike Blumenthal is the new Jewish Secretary of the Treasury and holds a position this tribe has long coveted. Blumenthal, like Kissinger, was born in Germany. He and his

COMMUNIST TAKE OVER POSSIBLE

Winston S. Churchill is the grandson of Britain's wartime leader and today a member of Parliament. The young Conservative Party leader is one of the few voices holding elective office in England who constantly issues warnings against the "sinister, totalitarian forces of the Soviet Union." Young Churchill says;

"Detente is a disaster — just another word for appeasement." He adds that the Communist Russian armies are "always in attack formation facing Westward." Churchill says; "Here we have a totalitarian dictatorship bent on a course not only of internal repression, but more seriously bent on a path of world dominance. Their economy is geared to a war footing and what are we to do about it?"

Churchill charges that Russia is boldly moving to take over Southern Africa and "I don't think liberal and left-wing senti-

WINSTON S. CHURCHILL

ment on either side of the Atlantic would permit a level of aid to Southern Africa equal to what the Soviet Union will put in on the other side."

Churchill charges that Russia will hold on to its control of Angola just as they have in Somalia and that Soviet naval and air bases will be built in Angola.

He further charges that it is the "total apathy and demonstrated feebleness of the West which encourages the communists. Those who argue that

the Blacks can boot the Russians out of Africa after White rule has ended offer the most preposterous and facile argument that can be deployed. Today some 200 million people live in captive nations with no foreseeable hope of freedom. If we allow Russia to colonize and dominate Africa they will ultimately do the same to Europe. If foreseeable there is to be no real detente then there should be no more grain, no more technology, no more Western help of any kind for Moscow. Instead the West should massively rearm."

family were among the 6 million Jews who fled to riches in the new world before WWII. Both Time and Newsweek report that Blumenthal was once a professional gambler. They state that he acted as a "shill" in a crooked gambling house at Lake Tahoe where he played with house chips to lure in the suckers.

Blumenthal was a Geneva East-West trade negotiator under both Kennedy and LBJ. As head of the giant Bendix Corp. (36,000 employees) he earned his reputation for hiring more minorities into Bendix and saw to it that they were given preferential treatment in promotions and chopped bonuses for managers who did not act "fast enough." Blumenthal is a member of the Council on Foreign Relations and a trustee of the Rockefeller Foundation. He quit the Johnson Administration because of his opposition to the Vietnam war.

Fortune magazine, in 1972, reported that Blumenthal visited Communist Russia to try and win sizable contracts for Bendix. He is to the far left on all political matters and favors recognizing Castro Cuba. He also favors the relinquishing of American sovereignty over the Panama Canal. In a recent interview Blumenthal states that he sees the main aim of the Carter Administration as the "eradication of ghettos and slums, the revival of moribund cities and the enactment of National Health Insurance."

All in all one can put Blumenthal in the far-out Marxist column, one who would turn America into a socialist state and wreck the White working middle class with increased taxation and inflation.

DRAFT EVADER HEADS CIA

Theodore C. Sorensen has absolutely no qualifications whatsoever to enable him to run the CIA for the protection of America's defenses. Sorensen was an ultra-liberal Jewish speech writer for Pres. Kennedy. He also wrote the dishonest, evasive, and misleading speech Teddy Kennedy made on TV alibing his decision to let Mary Jo Kopechne stay at the bottom of a pond for nine hours while he and his aids met in emergency conferences on ways to save his "reputation."

The man who heads the Central Intelligence Agency has the responsibility to provide the President and armed forces with the information which will form crucial foreign policy and defense decisions. The trouble is that Sorensen is opposed to the use of armed force, fighting for one's own country, and against fighting to win against communism.

During the Korean War Sorensen was a "war resister." He first registered as a conscientious objector on Dec. 31, 1948. This was again continued as his classification as I-AO on Jan. 8, 1952 when he objected to being drafted to fight for his country during the Korean War. Sorensen's mother was a leading pacifist and feminist in New York City and had a great influence on her son.

Theodore Sorensen received widespread publicity in Jewish publications when he went to Russia to search out relatives of his Jewish mother. Her name is Anna Chaikin and was born in Russia. He said he wished to learn more about his ancestry. Chaikin is Sorensen's middle name. The daily press never carried this news. Sorensen is credited with influencing Kennedy's decision to not use the U.S. Navy and Air Force to back up the anti-communist Cuban "Bay of Pigs" invasion. Sorensen explained that it was better to allow Castro to win than to harm our reputation in this hemisphere. Sorensen was lying because all the governments of any consequence in South America wanted the downfall of the Cuban communist dictator. Jew Sorensen has backed "massive defense cuts" and actively supported Sen. McGovern for President. He also opposed any Kennedy effort to try and win the Vietnam War.

More recently Sorensen, as a lawyer, has represented the interests of several African governments opposed to Rhodesia and South Africa. It is obvious that Sorensen is an anti-war pacifist (at best) and will restrain the CIA from issuing any reports that would alert our Armed Forces to an enemy threat. His strong consciousness of his Jewish blood line would make him a strong supporter of Israel in opposition to future needed moves to restore a free Palestinian state. Carter could not have chosen a more dangerous individual to head this vital agency and the military security of the nation has now been imperiled by his appointment.

James Schlesinger is Carter's selection for energy czar. It was Schlesinger who went all out as Secretary of Defense under Nixon to ship U. S. military equipment to Israel which enraged Gen. George Brown, the head of our Joint Chiefs of Staff. On Oct. 18, 1973 speaking at Miami Beach, Schlesinger pledged American military support to Israel. It was Parade magazine which revealed for the first time that Schlesinger is a close friend of the Jew Daniel Ellsberg who stole the now famous "Pentagon Papers" which revealed some of our highly secret plans for the Vietnam war against the communists.

Do Americans Owe Jews Reparations?

Rep. "Mo" Udall
Went All Out For
Jew Vote

Everyone is aware of the extremes to which Sen. Henry Jackson went in order to try to

win the Jewish vote. He went so far that his tactics backfired against him. Congressman "Mo" Udall reminded several Jewish groups how he once introduced a bill in Congress to have American taxpayers pay reparations to a wealthy Jewish rabbi because he had to leave the island of Rhodes in 1938. Rabbi Breger has become rich as the head of the Congregation Anshei Israel in Tucson.

Still he figures Christians owe him a total of \$156,000 for his "persecution." Instead of going back to Rumania where he was a citizen, Breger came to the U.S. and became very successful financially. Still Rep. "Mo" Udall leaped at the opportunity to ingratiate himself with the Jews. Udall then introduced a bill in Congress which would for the first time force American taxpayers to pay reparations to the Jews!

Rabbi Breger A Communist Fronter

Rabbi Breger was once a member of the communist "National Committee To Secure Justice For Morton Sobell." Sobell was convicted of conspiracy to steal U.S. atomic secrets and giving them to Russia. He was associated with Ethel and Julius Rosenberg who were electrocuted for being communist spies in the same case. Rabbi Breger issued published appeals and petitions asking for freedom for Morton Sobell who was a communist Jew.

Since Rabbi Breger is such a strong advocate of communism, why did he not return to Communist Rumania where there is a large Jewish community which strongly supports the Red regime there? Instead he chooses to come to America and spread the germ of Marxism here. Rabbi Breger and his friend Mo Udall make a fine pair — BOTH ARE PRO-COMMUNISTS.

Outrageous Act

South African Airways' office on Fifth Ave., New York City, was wrecked in broad daylight during business hours. Two negroes entered the office and without saying a word destroyed the ticket reservation computer and threw a chair smashing out the large plate glass window. Then they left, jogging up Fifth Ave. Police arrested no one but felt this was some kind of "protent." Under New York anti-gun laws, the blacks knew they were safe because none of the White employees would be armed. In this day and age, all Whites should carry guns as they do in Rhodesia and South Africa. Darkest Africa is already turning our central cities into wild, lawless jungles.

Udall Bill To Compensate Rabbi Refugee Of Fascists

By BEN COLE

Republic Washington Bureau

WASHINGTON—A Tucson rabbi's claim to compensation for loss he suffered fleeing Axis persecution would be helped under a bill introduced yesterday by Rep. Morris K. Udall, D-Ariz.

Udall said special legislation is the only means he can devise for helping Dr. Marcus Breger of Congregation Anshei Israel in Tucson.

Dr. Breger, a distinguished Hebrew scholar, was driven out of the Island of Rhodes by Mussolini's Fascists in 1938.

The Fascists ordered all Jews who had entered Italy after 1919 out of the country on six months' notice. The Bregers, after unsuccessful efforts to get even transit visas, at last were given asylum in America and sailed from Genoa in December 1938 to the United States.

Italian authorities have declined to honor his claim because he held Romanian citizenship when he lived in Rhodes.

The United States cannot pay his claim from the foreign funds

Dr. Breger has calculated he is due \$6,000 a year from 1938, approximately \$150,000, plus \$200 to \$300 a month for the remainder of his life.

because the law providing such compensation applies only to American citizens who suffered losses.

Udall's bill for relief of Dr. Breger will be submitted for study to the foreign claims settlement commission and to the Treasury Department for comment. If they agree that no other means of settling the claim is open, Udall will press for enactment of the bill.

"Parade Magazine" reported that Ellsberg first brought Schlesinger into government. It reported that their Jewish wives were friends and Ellsberg got Schlesinger a job with the Rand Corp. "Think Tank" for the U. S. Air Force. There, the two worked as colleagues on the same projects for some time. Jew Schlesinger is another pro-Zionist who will not place the best interests of America first.

President Carter has taken the most vital posts in the Cabinet, those of Defense, Treasury, C.I.A., and Energy Development and given them to Jews! This means a group with "Dual Loyalty," actually a clique, who will place Israel First instead of America first. They are in actual control of our government. Carter is a very shallow and indcisive individual who will lean heavily on these Jews and they will run their departments as they see fit. It is an outrage that a man named Harold Brown (not his real Jewish name) will now sit in power over Gen. George Brown who places the defense of America first. There can be little doubt that the Jew Brown will move quickly to either remove or isolate Gen. Brown. The CIA will become impotent under Kennedyite Sorensen who is opposed to any type of policy that will stop the spread of communism.

James Schelsinger has already proven himself a Zionist and Blumenthal will use the powers of the Treasury for the benefit of the minority political machine which elected Carter to office. He has already proven his attitude on this subject in statements and actions taken as the head of the giant Bendix Corp. The Thunderbolt believes that there are too many Jews in high positions of power in the Carter Administration.

There are even more in secondary posts which will be listed in future issues of this newspaper. We believe that by exposing these individuals in advance, and placing their future activities under close public scrutiny, we may well be able to galvanize opposition by the public and the Congress. We feel certain they will act to the detriment of the security of the nation and the White Christian majority. We still have the opportunity to take back control of this great Republic for the destiny of our own race for the future.

Carter Owes Victory To Black Bloc Vote

GROWING BLOC VOTE now Balance of Power.

BLACK BLOC VOTE ELECTED CARTER Negro Leaders Demand Political Payoff

There can be no doubt that the organized negro community gave Jimmy Carter his margin of victory in key states which carried him into office. On this page is a chart which proves conclusively that Carter would have lost Pennsylvania, Ohio, Missouri, Texas, Louisiana, Mississippi and Maryland if it were not for his massive black vote.

Incomplete figures show that the black vote most likely delivered North Carolina, South Carolina and Florida to Carter. Without total negro support Carter would have only carried his home state of Georgia, Tennessee and Arkansas in the South which would have meant a disastrous defeat.

How They Elected Carter

Negroes were organized. With the use of the Lyndon Johnson Civil Rights Voting Act of 1965, negro organizations were able to add over a half-million more Black voters to the rolls in 11 Southern States. Tax exempt foundations poured millions of dollars into John Lewis's Voter Education Project, the NAACP and the Urban League. (Note: most Community Chest Fund drives give money to the Urban League.)

Texas and Tennessee have voter registration by mail and blacks were gathered together in their churches where such forms are filled out for them and mailed by paid voter registration workers. In Georgia special booths were set up in negro shopping areas and other places where they gather so that specially assigned voter registrars could sign blacks up to vote. There was no similar drive to register Whites to vote. In fact there actually was a drop in total White voter registration. This was due to Whites who moved and did not re-register and deceased voters.

A government study showed that the smallest number voting were White working class citizens between the ages of 18 and 30. This means that lowering the voting age to 18 has benefited mostly young blacks who have been herded to the polls by the millions. This is no

exaggeration because over 70% of all registered blacks voted. (A little over 53% of registered Whites voted.) Jimmy Carter received 94 percent of the black vote. Nationally Carter won by fewer than 2 million votes over Ford, but received over 6.6 million black votes.

This growing BLACK POWER is a threat to be reckoned with when you consider the fact that only 60% of blacks voted in 1972 and Sen. McGovern received 87% of their vote.

Negro Vernon E. Jordan, Jr., who formerly headed the Urban League, properly called their new political clout the "Second Reconstruction." It should be recalled that immediately after the Civil War, Confederate veterans and their families were disfranchised, (not allowed to vote or hold office.) Carpet-baggers and scalwags took control of the South. Blacks became Senators, Congressmen and took over state legislatures. Public drunken orgies took place in the seats of government. White people's property was confiscated for failure to pay exorbitant taxes. Black troops and black police occupied a prostrate South. Negro crime and rape held our people in a grip of terror. Years of struggle passed before our White kinsmen were able to throw off the yoke of this federally imposed oppression.

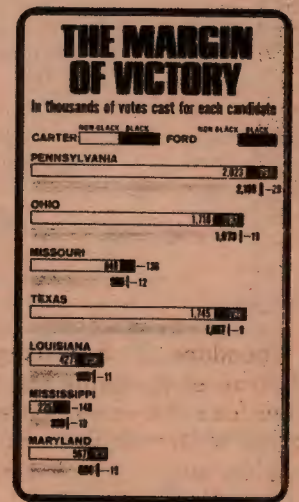

What The Negroes Want Today

Vernon Jordon of the Urban League outlined what the blacks expect from Carter in the Nov. 22 issue of Newsweek magazine. His article was headlined; "Blacks Have A Claim on Carter."

Jordon explains that Carter would be a nobody without his black supporters. He says that they expect jobs under a "Marshall Plan" aid program along the lines of the Humphrey-Hawkins Bill which would cost \$40 billion a year. Jordan says they want socialized medicine, more welfare, and public housing. Jordan arrogantly says that blacks will not listen to any more "mythmaking about balanced budgets and belt tightening." He says they expect Carter to raise the money by taxing the rich (meaning White workers) and cutting defense spending. On November 29 Pres.

Carter flew to Denver for a meeting of the National Black Caucus. Honored at a banquet were Roy Wilkins of the NAACP and his successor, Benjamin Hooks. Carter told the black leaders "you have been instrumental in electing me to the highest office in the land. I will not disappoint you in any way. Your assistance will never be forgotten. I share your dreams for the future."

Thus the "Reconstruction" of the South under Carter has become an expanded reconstruction program to place the entire nation under the heel of minority rule.

Blacks Won for Carter

Washington (AP)—Blacks gave Jimmy Carter 94 per cent of their votes in the presidential election and provided him with the margin of victory, a new study says.

The Joint Center for Political Studies estimated that 6.6 million blacks voted for Carter and provided his winning margin in at least seven states.

In a survey of 500 sample ward precincts in 23 states the center found that black votes gave Carter an edge over President Ford in Missouri, Pennsylvania, Ohio, Louisiana, Texas, Mississippi and Maryland. Those states have a total of 117 electoral votes. Carter received 27 electoral votes more than the 270 needed to win.

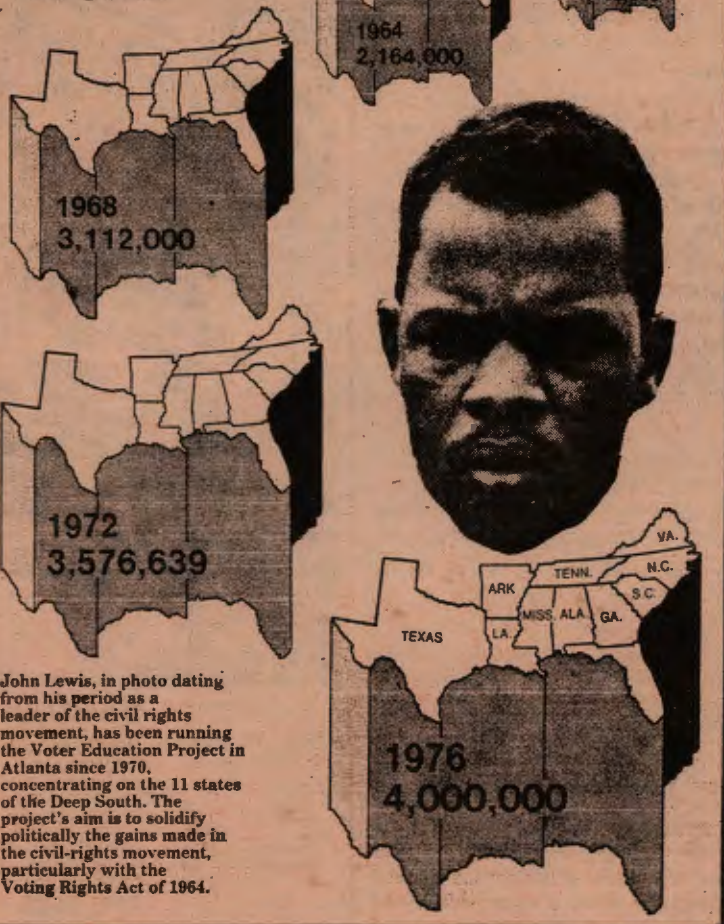

About 70 per cent of all registered blacks went to the polls.

Here's how the center says the black vote made a difference in seven states:

- Carter won by 71,510 votes in Missouri, where he received 135,000 black votes.
- Carter received about 298,000 votes from blacks in Pennsylvania, where he defeated Ford by 123,372 votes.
- In Ohio Carter won by 7,586 votes and received 285,000 votes from blacks.
- Carter won 295,000 black votes in Texas, where his margin of victory was 207,334.
- Black support for Carter in Louisiana totaled 274,000 votes and gave him a 77,153-vote edge.
- Only 11,537 votes separated Carter and Ford in Mississippi, where 135,000 black voters supported Carter.
- Carter won Maryland by 86,638 votes after blacks cast 180,000 ballots for him.

The center's president, Eddie N. Williams, said Carter's support from blacks also was essential for his victories in North Carolina, South Carolina and Florida.

The Rising Black Vote in The South

John Lewis, in photo dating from his period as a leader of the civil rights movement, has been running the Voter Education Project in Atlanta since 1970, concentrating on the 11 states of the Deep South. The project's aim is to solidify politically the gains made in the civil-rights movement, particularly with the Voting Rights Act of 1964.

JOHN LEWIS, pictured above, is a candidate for Congress to take Andy Young's seat, who in turn will become our black ambassador to the U. N.

Blacks Dominate Southern Politics

BLACK VOTER REGISTRATION DOMINATES SOUTH, 1,944 MORE NEGROES ELECTED TO POWER

The Lyndon Johnson Civil Rights Voting act was the move which pushed the nation officially into the "Second Reconstruction Era." This law enables federal courts, at the request of the Justice Department, to order all redistricting along gerrymandered lines only so long as it INCREASES black voting power.

In effect this decreases White voting strength and gives negroes the voting edge so that more of them will be elected to office. This is how the Fifth Congressional District was gerrymandered in Atlanta, thus giving the radical negro Andrew Young national office. Now this pro-communist black has been made American Ambassador to the United Nations. No greater affront to the White majority could have been undertaken by Carter than his appointment of Young to represent us before the world.

Since 1965 negro voter registration has almost doubled from 2,164,000 to over 4,000,000. The effect of this has resulted in 27 times more negroes being

elected to public office since 1965. The total numbers 1,944 black elected officials ruling over White people. Suffering the most are many rural Southern communities where the blacks have taken over as mayors, sheriffs, county commissioners, etc.

John Lewis heads the so-called "Voter Education Project" and when Carter enacts his promised voter registration by post card law negroes will be able to seize many more public offices. Lewis, chosen by Atlanta's black leadership to take Andrew Young's Congressional seat, says that 60 percent of all negroes of voting age are registered in the state of Georgia and this is one third higher than that of Whites.

We should stress that there are no similar voter registration drives being conducted to add more Whites to the voter rolls. Money from Washington, the Ford Foundation, Community Chest and other tax exempt groups finances negro voter registration drives thus building black political power. There are no White church groups or White political leaders organizing our people to register and vote. The time has come when the disastrous consequences of this trend must be fully realized and countered.

Black Police Break Down Law & Order

OUTRAGEOUS ACTS BY NEGRO POLICE

From time to time in the past we have read of isolated incidences of police corruption by some White officers. Most such cases concern small bribes. Today, with growing numbers of negroes on city police departments, we face a totally different type of crime which is only committed by negro police. This includes rape and indiscriminate shooting of White people.

Atlanta, Georgia's ultra-modern Hyatt Regency hotel (a Jewish owned chain) had negro police officer Jesse Lee Spear in the lobby as a security guard. He saw an attractive girl in the lobby and approached her telling her that she was under arrest for loitering. The 21 year old woman said that she was waiting for her boyfriend. Spear took her to his police car and then drove to his apartment at 4555 Washington Rd. in College Park, Ga. There the woman was subjected to unnatural sex acts and raped. Spear then robbed her of \$60. He drove her to a bus stop and released her, stating that should she tell anyone of the attack, he would "rearrest her again."

Spear had been on the Atlanta police force for two years and is now in jail.

Negro Michael Spilgis, 24, a New York City policeman for three years has been convicted of raping two White women. One girl, 19, was caught in the lobby of her apartment building and taken to the roof-landing, forced to commit unnatural sex acts and raped. Two weeks later, a 44 year old woman was accosted in the hallway of her apartment building. She also was taken to the roof landing and raped by Spilgis.

St. Louis, Missouri was the scene of a black police officer named Taylor who shot a White youth to death after he had locked the youth in the back seat of his patrol car. The St. Louis press reported that other White youths in the area shouted hostile racial epithets at Taylor and other officers for the senseless killing during a block party. Later neighborhood White youths picketed the police station when a coroners jury refused to recommend grand jury action against the negro police officer.

Scandal In Detroit Police Dept.

Detroit has the most crime ridden and corrupt police department of any large city in America. National news broke when that city's negro Deputy Police Chief, Reginald Harvel, 47, committed suicide. At the time he was being investigated by Detroit Police Chief Philip Tannian who is White.

Tannian had learned that Harvel's sister, Annie, was once married to convicted gambler and dope king Clyde Volsan. It seems that Negro Mayor Coleman Young was once co-owner of a night club with Volsan. Because of this investigation Mayor Young fired Chief Tannian and replaced him with his close cohort, negro

DEPUTY Police Chief Reginald Harvel killed himself when implicated in drug probe.

William Hart. The firing of Mr. Tannian ends the investigation of dope peddler Volsan and his connections with Detroit Mayor Young.

Typical Negro Police Crimes

Negro officer Johnnie Flannigan, 26, of San Francisco has been arrested for robbing a White prostitute. The five year police veteran paid the girl \$100 for her services and then demanded the money back at gun point afterwards. She got his license number and he was arrested. Later Flannigan was released under \$3500 bail and suspended from the force.

New York City Detective, Negro Robert B. Davis, 39, with 17 years on the force was hired as a "hit man" for only \$5,000. The victim was a Jew named Harold Levine of Denver, Colorado. It seems Levine made the big mistake of siphoning off funds from the U.S. Hamel Corp. which well known gangster Annunzio F. Saccone, 56, was a partner.

Saccone had Levine take out personal corporate insurance amounting to \$5.2 million. Underworld figures then hired Detective Davis for the small amount to fly out and do the job. Davis entered the home and shot Levine once in the head killing him instantly. He then went into Mrs. Levine's bedroom and shot her three times. Surprisingly she survived with the loss of an eye and brain damage. All involved were arrested and held without bond.

More Negro Police Notes

Two negro women have been dismissed from the Savannah Police Department. One was Jacqueline Hudson, 24, who was said to have shot her husband, Tommie Hudson, 24, in the leg with her service pistol. He did not press charges.

The other negress was Miss Carole Smiley, 26. She was with a White officer named M.C. Geary when they responded to a domestic call. Upon entering the house Melachi Bacon wrestled officer Geary's gun from him and began firing. He turned the service revolver upon his wife, shot her, and then himself.

Miss Smiley ran and hid in the bathroom during the disturbance. This is yet another example of negro police failure to back up the White officers during crisis situations. The same com-

plaint was heard many times during the Vietnam war when studies found that negro troops often never fired their weapons during enemy attacks and were the first to run, and retreat leaving White soldiers alone to do the fighting.

Racial integration does not work and both races are much better off under a system of Apartheid (or Segregation.) South Africa's plan to isolate blacks in their own communities has at least cut down the number of White victims of negro crime. Of course, black murder of their own kind continues on in a massive slaughter both here and in Africa.

NEGRO POLICEWOMAN FIRED TWICE

Flint, Michigan was the site of the outrageous shooting of a White police officer by his negress partner. Madeline Fletcher, 20, was hired by the Flint police department under a court ordered "affirmative action" hiring program. She was one of 14 children of an Arkansas negro who moved to Michigan to work in an auto factory.

The incident began when veteran officer, Walter Kalberer, 34, told her to slide over because he was going to drive. It is customary that the senior officer decide who will do the driving, but she insisted she was going to drive! An argument ensued and Ms. Fletcher attempted to hit Kalberer with

Negro Juries Convict Innocent White Police

INTEGRATION WRECKING JUSTICE

There has never been any trouble in the past in having White juries render verdicts based upon the evidence in a case regardless of the race of the defendant. Today we find that blacks are becoming ever more militant in their stand on convicting Whites who are obviously innocent and releasing blacks who are obviously guilty. The following are but fragments of such cases which are destroying our jury system and encouraging blacks to commit even more violence because they believe that their organized community will come to their aid and get them out of trouble.

Newark, N.J. was the scene of a trial of White police officer Robert Tanfield. Unfortunately the young officer, age 30, had an all black jury in this mostly black city. Mr. Tanfield was convicted of manslaughter and given 10 years in prison. He is free on bond pending an appeal.

The facts in the case show that negro Derek Humphrey, 18, had narrowly missed hitting officer Tanfield's father's car in front of his home as he backed out of the driveway. The young negro got out of his car and cursed James Tanfield who is an elderly fireman. His son, Bob Tanfield, ran to aid his father as the black youth pushed the older man around. Humphrey jumped back into his car and grabbed a gun but officer Tanfield shot first.

Humphrey's father is head of a local poverty aid project and demanded prosecution on first degree murder charges. This was rejected by the indicting grand jury. The prosecutor, Jew Glenn Goldberg, told the jury that Tanfield killed the young negro and then planted a gun on his body. There was no corroborative proof of this charge which was vehemently denied by officer Tanfield. Again in this case the

her billy-club. She then got out of the car and fired her service revolver three times at the White officer. He was wounded in the thigh but got off 4 shots in return, one hitting her in the chest. Some five other officers rushed to his aid and more shots were fired.

No charges were placed against Kalberer but Ms. Fletcher was charged with "Assault with intent to do great bodily harm." A jury which was mostly black found her innocent. Negro groups then demanded that she be rehired by the police department. This was done over the objection of police officials. Now the latest news is that Fletcher was fired from the force again last month. This time for threatening behavior. It is obvious that forced hiring of unqualified blacks, just because they are black, is breaking down the morale and efficiency of our police departments.

OFFICER Robert Tanfield convicted for doing his duty.

courtroom was packed with negro spectators which aids black defendants in intimidating both witnesses and jurors.

Miscarriage Of Justice In New York

Harlem Mosque No. 7 was the scene of a street race riot by blacks four years ago. A White police officer, Philip W. Cardillo, entered the mosque to arrest someone who had been firing from the building at police. He was then shot to death.

Negro Lewis 17X Dupree was charged with the murder. There was much controversy at the time over the trial. Mayor Lindsay (who held office at the time) gave police orders not to enter negro "religious" buildings. In other words they would thus become sanctuaries for killers, making them immune to arrest. This dispute sparked bitter criticism within police ranks and resulted in the resignation of a high-ranking police commander. He refused to be part of any police department which refused to arrest killers just because they are black.

Four years later, after one of the longest and most expensive trials in New York history, the case was declared a mistrial after 10 days of deliberations.

The jury was hung 10 to 2 for conviction and the two who held out were negroes. We do not know of any case where Whites would hold out for a fellow White when 10 other jurors felt him guilty when all the evidence pointed in that direction. Once again the courtroom was jam packed with black Muslim spectators who cheered at the outcome. Dupree remains free under \$15,000 bond. One juror said he was "ashamed" at the outcome because it indicates what little regard some people have for true justice when they base their decision upon anti-White feelings.

Media Smears Anti-Communist Nations

LEFTISTS ATTACK ALL OF AMERICA'S ALLIES

America is being turned against itself. With each passing day the news media and leftist politicians intensify the propaganda war against all of America's allies. The countries constantly being condemned include South Korea, Formosa, Rhodesia, South Africa, Spain, Argentina, Chile, Uruguay, Brazil, Paraguay and Bolivia. All of these countries are charged with being either "racist or dictatorships." Aid and even friendly relations should be cut from these nations scream the leftist radicals who have become so all-powerful in America today.

This becomes an even more dangerous situation because President Carter stated during his campaign that he wanted to withdraw U. S. forces from South Korea and "normalize" relations with Red China. This means scrapping our defense treaty with Formosa (Nationalist China) because this is the prerequisite demanded by the Red Chinese.

It is very interesting that the leftist daily press always refers to anti-communist countries as "dictatorships." At the same time, Red China is politely called the "Peoples Republic of China." The leaders of communist countries are called "Premier" Brezhnev or "Leader" Mao. At the same time South Korean President Park is "dictator Park" and Rhodesia's elected Prime Minister is referred to as the "Ian Smith regime." When the anti-communist forces ruled Greece it was always called "the Greek colonels' regime." These same biased CODE words are used against the White majority who the news media call WASPS!

Communist countries are never under this type of verbal attack. All we hear about is "Detente" with our Soviet ally, recognition of Castro, and normalization of relations with Red China. At the same time the "contract is out" to get the anti-communist countries so that there will be no true allies left for us to unite with in time of future crises with the growing worldwide Red menace.

Jewish writer Seymour Hersh of the New York Times says that since the liberal government of Thailand has fallen to anti-communist military rule, we should withdraw U. S. support. He does not mention that Viet Cong guerrillas are at this very moment fighting in the jungles to bring down that remaining Southeast Asian ally of America.

The Associated Press recently carried a story published in daily papers nation wide by Marxist Jew writer Mort Rosenblum. He actually wrote that "left wing violence was curbed years ago," but "South American military leaders have condoned murder, torture, secret arrest and other flagrant abuses of human rights."

Rosenblum lists as the guilty nations, Argentina, Chile, Uruguay, Brazil, Paraguay and Bolivia. Then, note his following charge: "In the worst of cases, suspects are burned alive, dumped at sea or tortured to death by such methods as pouring gasoline in their ears and using dental drills on good teeth."

Rosenblum must have seen the Jewish produced movie, "Marathon Man," starring Jew actor Dustin Hoffman. In this ridiculous story so-called "Nazi war criminals" hiding in America use dental drills to torture those trying to find them.

CHARGES CALLED FABRICATIONS

Alejandro Orfila, secretary general of the Organization of American States, has just completed a visit to prisoners in Chile. On a televised program broadcast throughout South America he declared that prisoners told him that no such torture was taking place. Mr. Orfila said such reports were deliberate "distortions of the truth."

Even the New York Times has to admit the charges of torture in Chile by Dr. Sheila Cassidy which were given wide publicity were not supported by any proof. The same article went on to state "large amounts of exaggeration, invention, and imported emotion," have been used in charges against Chile.

South Korea cannot be too dictatorial because they allowed Marxist Jew Prof. Jerome Cohen of Harvard Law School the right to visit political dissidents there. Cohen did not return same in kind and viciously attacked the government which allowed him to visit their country. From Seoul, at a press conference, Cohen charged that the "United States should bear a good share of guilt for the deterioration of human rights in South Korea."

According to UPI, Cohen even had the nerve to openly demand that the American government denounce South Korea. He charged that sending aid to South Korea was like helping the anti-communist Cubans in the "Bay of Pigs" attack. He said such acts are "impermissible." Cohen said America had a "moral responsibility" to guarantee the "civil rights" of dissident political elements in South Korea.

What we would like to know is why don't Jerome Cohen and his brethren go to communist North Korea and denounce them for their suppression of everyone's freedom. Would such a speech be allowed there? Why does not Cohen go to Israel and condemn their suppression of the Palestinian people and other non-Jewish groups living in the Holy Land? It is obvious that the attacks are only aimed at the anti-communist nations of the world.

TROUBLE MAKERS IN ARGENTINA

Everyone knows that there has been a desperate fight by the anti-communist government of Argentina to defeat communist guerrilla forces trying to take over their nation. Recently Gen. Adel Vilas announced the arrest of 17 professors at the national university at

BELOW REPRINTED from Communist "Daily World" of meeting of all-Jewish Miami Beach City Council.

Miami Beach Council urges no U.S. aid to Chile junta

Special to the Daily World

MIAMI BEACH, Fla., Dec. 6—The City Council of Miami Beach has unanimously voted to denounce the junta government of Chile as "an oppressive and dictatorial regime."

The resolution, adopted by all six Councilmen, was presented by Abe Marcus, long active progressive resident.

It deplored the U.S. contribution of \$1 billion to this "oppressive military government, in military and economic aid in the past year when many American cities are on the verge of bankruptcy and could better use this money."

The junta government of Chile, it declared, "is in violation of all democratic principles, and of the UN Declaration of Human Rights."

"The City Council of Miami Beach," it concluded, "stands unalterably opposed to any further military and economic aid to the present government of Chile, pending the restoration of full democracy to Chile; and it further urges that copies of this resolution be sent to the President of the U.S. and the U.S. Secretary of State, and to the heads of the appropriate Congressional committee."

Bahia Blanca. A majority of them were Marxist Jews. Vilas declared; "Until we cleanse the teaching area and professors are all of Christian thought and ideology, we will not achieve the triumph we seek in our struggle against the revolutionary left."

Gen. Vilas charged that the faculty members at universities apparently constitute the most severe problem of subversion which Argentina faces. The General stated that the arrested professors "are responsible for indoctrinating students in Marxist revolutionary ideas which has led to the organization of guerrilla forces."

(Note: Is this not what we face here in America with so many of our college professors teaching Marxist revolution to students? Are not Berkeley, Columbia and Harvard perfect examples of such indoctrination in America?)

At almost the same time the Third Army Corps in Cordoba, Argentina, announced the arrest of 8 Jews, including two Israeli nationals. The Israeli government formally requested the circumstances for their detention. Military authorities said that three of them were working for the World Zionist Organization.

Jack Anderson never ceases his propaganda attacks against the anti-communist countries of the world. In a recent column he charged that the CIA was responsible for maintaining right-wing governments in South America because we have, as he calls it, "squandered \$2 billion worth of arms and military training in Latin America over the past 30 years."

That is nothing when you consider that America gives Israel \$3.2 billion every year so that they can maintain their actual dictatorial control over the Arabs living in the occupied lands. Why does not Jack Anderson ever complain about this outrageous give away to Israel? The reason is that Anderson is nothing but a mouthpiece for the "Jewish Anti-Defamation League." It is of further interest that Jack Anderson in his recent column stated that Jewish Congressman Edward Koch of New York "would like to cut off military aid to Argentina as a gesture of U. S. concern over right-wing parapolice tactics."

Patriots must continue to urge their Congressmen to support all anti-communist governments worldwide and that includes the Arab nations which have ALL banned the communist party. At the same time let us continue to call for the stopping of aid to Israel as the quickest way to force them to give back occupied Arab lands and return peace and stability to the Middle East.

CHICAGO MARQUETTE PARK CASE

The Martin Luther King Movement has held any number of marches into all White Marquette park in Chicago. This is an all-White neighborhood which thus far has successfully resisted negro blockbusting efforts. For this reason it is still a safe and clean area for Whites to walk the streets.

During one negro demonstration, which was supported by the Communist Party, Sheila Heitzman was arrested for throwing a stick at the demonstrators. This White girl was arrested and charged with "mob action." Most

shocking of all was the sentence handed down by Jewish Judge Saul A. Epton. He ordered Sheila, age 20, to spend the next six Sundays working at the Salvation Army's skid row mission at 506 N. Des Plaines St. This filthy area is crawling with winos, drug addicts, and criminals, most of whom are negroes.

Perhaps Saul Epton obtains perverted kicks out of degrading White Christian girls. No doubt this low vermin would have liked to have ordered the poor girl to perform in a porno flick with some black.

Save The Panama Canal

BISHOPS OUT OF LINE ON PANAMA CANAL

If there is one item which irritates the American people more than anything else, it is church leaders issuing political statements seeking to pressure foreign policy. The Conference of U. S. Catholic Bishops voted 170 to 61 for a resolution asking that the U. S. turn the Panama Canal over to the so-called nation of Panama. They did not take into consideration that the director of Panama is a pro-Castro communist.

The resolution claimed this was a "moral" issue and that our presence there was an extension of U. S. military "influence into Latin America through programs of the U. S. Southern Command." Actually those forces are available only to help South American countries who might request aid. The bishops called the treaty of 1903 "an anachronism" which infringes upon Panamanian sovereignty. The truth is that America created the nation of Panama when we separated it from Columbia because they had opposed our plans for the building of the Canal. Also, practically no one lived in that disease ridden malaria area at the time, and what development has occurred as a result of jobs provided by the Panama Canal.

The anti-American resolution did not pass without vocal opposition. Patriot Cardinal Krol of Philadelphia objected to the statement and charged that there should be a condemnation of Soviet violations of sovereignty elsewhere throughout the world. It is good to note that there was a heated debate over the issue and several bishops said that the conference had no business even considering such a resolution. Our many fine Catholic readers should find out how their own bishop voted on the Panama Canal issue at this Washington, D. C. conference. Let them know how you feel and even more important let your Congressman and two Senators know that we do not want them to allow the Carter Administration to give away the Panama Canal.

Black Cong. For Cuba

Michigan Rep. Charles Diggs, Jr., says that he supports the presence of Cuban troops in Angola. He has just returned from a taxpayer financed "fact finding tour" of Africa. He says that the communist Cuban troops are helping to establish a stable government. He does not say this is accomplished by killing off all the anti-communists. Diggs said America should recognize Angola and begin an aid program to that country as soon as possible.

Christians Forced To Study Holocaust Myth

FBI Knew About Pearl Harbor

U. S. KNEW ABOUT PEARL HARBOR ATTACK

A number of historians have written about the subterfuge which took place in the tricky maneuvering which brought America into World War II. There was strong opposition to U. S. intervention into the war by leaders such as Charles A. Lindbergh and the America First Committee. President Roosevelt knew that there had to be some kind of disaster before the American people could be riled up enough to send their boys into a bloodbath to save the Jews and communist Russia. Roosevelt conspired with the British to cut off oil to Japan. They knew that this would incite Japanese retaliation. Before Pearl Harbor was attacked, U. S. Intelligence broke the Japanese diplomatic code and warned Roosevelt Pearl Harbor was about to be hit. Roosevelt held

up the news from military leaders and allowed 19 ships and almost 3,000 of our men to be needlessly slaughtered. This "Day of Infamy" actually lies upon the soul of one man, Franklin D. Roosevelt, who could have saved our fleet and our men.

Further information about this tragedy continues to leak out. On this page we reproduce a news report which documents a tape recorded statement by the late John A. Burns who was governor of Hawaii on Dec. 7, 1941. He says that the local head of the FBI warned him about the forthcoming attack. If you want the full factual story read the book, "The Final Secret Of Pearl Harbor" by Admiral Robert A. Theobald, who was there at the time and later learned the brutal story of betrayal. Hard cover, \$5.00 per copy, order from The Thunderbolt.

Edgar Hoover, who Burns believed was informed either by British intelligence officers or by sources in Washington who had broken the Japanese diplomatic code.

The late Gov. John A. Burns, who at the time was a 32-year-old police captain in charge of a four-man espionage bureau, makes the statement in his tape-recorded memoirs.

Burns recorded the tapes in January 1975, three months before his death, as part of a University of Hawaii oral history project. They were to be presented today to the University library.

Burns said that on Dec. 7, 1941, he looked out his kitchen window and saw Japanese planes overhead.

"Nothing I can do about it," Burns said on the tape. "It was not unexpected to me at all, because ...

CHRISTIANS FORCED TO STUDY PHONY JEWISH HOLOCAUST

"The Thunderbolt" and other Right Wing publications have sold thousands of copies of the sensational book entitled "Did Six Million Really Die?"

This documented book proves conclusively that only about 300,000 Jews died during World War II and the rest came to America and other Western nations. Despite factual statistics, organized Jewry is intensifying its campaign to make the nonexistent "Holocaust" a major course for study in our schools and churches. "The Jewish Press" announced that the "National Conference of Christians and Jews" will begin holding annual "scholars' conferences" to provide a specific role for church indoctrination of

congregations on the poppycock about the so-called "poor persecuted Jews."

There can be but one reason for this campaign and that is to instill guilt complex within all Christians for what the Jews are supposed to have suffered. Such indoctrination of our young people will leave them defenseless in opposing the continued "foreign aid" looting of America by the so-called State of Israel. The Jews admit that massive aid to Israel is all that keeps that corrupt and scandal ridden nation alive. We who oppose giving over 50% of all our foreign aid to this belligerent and aggressive nation are called "anti-Semites." Christians are told that this is the very worst thing that one can be called. (Here at Thunderbolt headquarters, we call this a badge of honor!)

February, 1976

Dear Friend,

The Center for Holocaust Studies was established in September 1974 by a group of dedicated individuals who understood the urgency to record systematically and extensively the oral testimonies of Holocaust survivors and the collection of all documents pertaining to the Holocaust. During the past thirty years many survivors have died. The twelfth hour has come for such a project, for even survivors do not survive forever.

Please join us in our efforts to record the past so that we may secure the future. Membership in the Center for Holocaust Studies entitles you to a choice of one of three books: "Anya", by Susan Fromberg Schaeffer, "Young Moshe's Diary", a Yad Vashem publication, or "One Generation After", by Elie Wiesel. You will be notified of all publications of the Center and will receive the Center for Holocaust Studies news bulletin. Your membership will entitle you to admission to the Center for Holocaust Studies Lecture series.

Thank you for your expression of support.

Sincerely yours,

Dr. Yaffa Eliach Director

HOLOCAUST TAUGHT IN SCHOOLS

The Jewish controlled New York City School System, (teachers are 40% Jewish and the Jew Morris Shenker runs this union), now requires that all students take at least one 8 week course in "Holocaust studies."

Just this past September this program was forced upon two communities across the river in New Jersey. Some 900 junior and senior high school students in Teaneck and Vineland now take a 4 week course studying the "holocaust."

It is prepared by the "Jewish Anti-Defamation League" which provides texts, accounts by victims, poetry and music of concentration camp victims, and other materials made to make one feel sorry for the "poor persecuted Jews."

Holocaust Centers Opening

Webster College in St. Louis, Mo., is opening a so-called "Holocaust Center" for the continuing study of the myth of the six million dead Jews. It will be headed by Prof. Jerred Metz. Dr. Franklin Littell of Temple University in Philadelphia praised the effort and stated that his school has already approved a Holocaust study center there. Then he added a most ominous statement: "The Holocaust remains a crucial problem for Christianity because Christian society produced Hitler and Nazism and co-existed with them."

In other words these newly established centers to study concocted stories of Jewish "sufferings" is explicitly meant to instill within all White Christians a Guilt Complex. They infer that we are all responsible and must spend the rest of our lives making amends to the Jews. This is indeed a direct contradiction to the Jews' defense against the charge that the Jews as a whole are guilty of the crucifixion of Jesus Christ. Pontius Pilate washed his hands of the crucifixion and blamed the Jews. The Jews themselves responded and denounced Jesus Christ and told Pilate: "Let His blood be on us and our children."

The Jews say that an entire racial group cannot be held responsible for what was done by their ancestors. yet, they not only hold all Germans responsible for imagined sufferings during W.W. II but hold all Christians throughout the entire world guilty. If you want to help put an end to this despicable hoax, then order today a copy of "Did Six Million Really Die?" only 75 cents per copy or 5 copies for \$3, available from The Thunderbolt and published by Historical Review Press, Surrey, England.

Jewish Trade With Red Nations — Proof Communism Has Not Turned Against Jews

Who Is Behind Massive Aid To Communist Countries?

Gigantic amounts of equipment have been shipped to Russia including complete factories along with sophisticated scientific instruments, and the technological knowhow to use it.

Many were shocked that one of former Pres. Ford's last acts in office was to sign his approval to the sale of computers and associated equipment to Red China which can aid radar and make calculations on nuclear tests. The Pentagon opposed this move. During the political campaign, Ford had stated that "I do not believe that we should give or transfer military hardware to Red China or any other Communist nation." Ford and Kissinger knew how to lie.

Military leaders say these new computers will give China a big boost in catching up with America in producing guidance systems for remote controlled nuclear missiles. It should be noted that the former Jewish Secretary of State, Henry Kissinger, personally approved of this new aid shipment to Red China.

Little publicity was given to another Kissinger-Ford approved deal to ship new ball bearings to the Soviet Union which now makes it possible for them to build more advanced multi-headed atomic weapons. We even gave Russia 1.4 million pounds of uranium. This is but a small part of the vast subsidized and taxpayer guaranteed loans we have allowed U.S. banks to make to Russia. The plants we are building there include the Kama River project which is the world's largest truck factory.

Who Is Behind Aid To Communists?

Armand Hammer, owner of Occidental Oil Co., is the Jewish braintrust behind the aid and loans going to Russia to tap their unlimited natural gas supplies in Siberia. Without American technical knowledge, the Soviets might never be able to utilize this natural wealth of their own nation.

It was the Jewish owned Edlow International Co. which handled the sale and made the profit from the uranium shipment to Russia. It should be remembered that this is a limited product and our uranium reserves are expected to last only until the 1990s. Still Russia's request must be honored first according to internationalists and pro-communists in Washington.

Those huge grain shipments which saved the U.S.S.R. economy two years ago were handled by Jewish grain traders, Continental Grain owned solely by Michel Fribourg, one of the world's richest men and the Louis Dreyfus Grain Co. and Cargil Grain Co., also Jew owned.

It was the Jew Col. Brown, owner of "General Dynamics" who shipped millions worth of aircraft, telecommunications, ships and microfilm equipment to Russia.

Mrs. Lee Sobin organizes business for Red countries.

George Weissman of Phillip Morris Inc. heads Trade with Red China.

Who Is Behind Aid To Red China?

George Weissman, Jewish Vice Chairman of Phillip Morris Inc., is also an officer in the "National Council for U.S.-China Trade Association." Phillip Morris does not just make cigarettes but owns international subsidiaries which include advanced processing plants for raw materials. They also specialize in the pulp and packaging field. Weissman has made several trips to China and just closed a \$290 million contract for Pullman Kellogg, Inc., of Houston, for the design, organization and construction of eight ammonia plants in Red China.

Mrs. Lee Sobin, a Jewess, is called "Mrs. China" in the rapidly expanding trade with the country which sent the supplies that killed 55,000 American boys in the Vietnam war which ended only two years ago. Mrs. Sobin represents more than 40 clients who did over \$34 million in trade with China last year alone. She says this is just the beginning and her husband Julian Sobin's chemical plants are part of the consortium which represents firms ranging from Abbott Laboratories to the First National Bank of Boston which hopes to open a branch in Peking.

Sir Rudy Sternberg, millionaire Jewish businessman in England, owning plastics and chemical firms, is engaged in major trade efforts with Russia. "The London Daily Telegraph" states that Sternberg "devotes much of his energy to trade with countries behind the Iron Curtain, particularly in Communist East Germany."

Has Communism Turned Against The Jews?

During the 1930s international Jewry called for and initiated a world trade boycott against Hitler and Germany. This was before any anti-Jewish laws were enacted and before Jews left Germany. The boycott was called because the Nazi Party wished to break the financial hold the Jews had over Germany.

Therefore, a call was issued by

the leaders of World Jewry for an unceasing economic war against Germany. This was instrumental in eventually bringing about W.W. II.

Zionist propagandists in America continually try and hold on to America's financial support of Israel, claiming that Russia is persecuting Jews. They claim that Israel is America's "bastion against communism" in the Middle East. The U.S. press covers up for these false stories and fails to inform the people that Russia has not been successful in taking over one single Arab country. In fact, they are ALL anti-communist nations and all have outlawed their local communist parties. This is not the case with Israel which has a legal communist Party with elected representation in their Parliament. Not only that, but all political parties in Israel are self-proclaimed socialist parties, basing their economic philosophy on the founder of communism — the Jew Karl Marx. He was descended from a long line of rabbis and much of his book's ideas in "Das Kapital" came from the Jewish Talmud!

If Russia had actually "turned against the Jews," then millionaire Jew businessmen like Armand Hammer and Michel Fribourg would not be sending valuable aid which is boosting the communist economy. There is no call for any trade boycott against Russia. The opposite is the case. The Jews call for more and more trade and loans to Russia. What this all means is that the Jews know something that the American people do not know.

Russia allows over 1,000 Jews — all avowed Marxists — to leave the Soviet Union every month. Some 60% of these Jews immigrate to America instead of Israel. Once here, they go about their business promoting communism in this country. Remember that ALL Jews are to the LEFT of the political spectrum to one degree or another and most are extreme Marxists.

No other racial group is allowed to leave Russia. Also, there is a huge Jewish population in

Admits Jews Changing Christianity

JEWS TAKING CHRISTIAN CHARACTER FROM AMERICAN LIFE — CHARGES FELLOW JEW

Jew Emanuel Rackman writes in Jewish Week of December 19, 1976, that "It is Jews who are most visible in all undertakings to prevent Christian education." One way in which they are doing this, according to Rackman, is by separating church and state; and, Rackman claims: "... the greatest blow to religion came through public education which eliminated God from all textbooks as a partner in the development of human history."

Rackman warns the Jews that such prevention of Christian education through the separation of church and state and eliminating God from all textbooks, is sure to backfire on the Jews.

He goes on to warn those "vigilante" Jews, who preach separation of church and state, that they are sure to cause a "reaction" which would be particularly harmful to all Jews. He says that they "... ought (to) give some thought to the suicidal implications of that which they are doing."

Jew Rackman's reasoning goes as follows: Since the U.S. was once a "Christian" state, Jews were illegal. It was, therefore, necessary to make the U.S. secular (non-religious) in order for Jews (and other religions) to be legal. So, now, in order to make sure that Jews have it the same as Christians in all aspects of state and public life, the Jews

Russia of over six million. They report that no more than 300,000 want to leave Russia. They have not made it up the communist bureaucratic ladder to financial success and want to come to America. This amounts to an out-and-out communist invasion of this country. We must never forget that it was communist Jews such as Leon Trotsky and the half-Jew Lenin who overthrew the Christian Czar, using a \$20 million dollar gift from New York Jewish banker Jacob Schiff. (This is documented in our book "Behind Communism," \$1 per copy, available from *The Thunderbolt*.)

Russia has most definitely not turned against the Jews and that country is working hand in glove with Marxist so-called Israel to break the world down into two major spheres of influence. One is the West controlled by Israel; and, the other the East, controlled by Russia. Jewish bankers and international traders have all this figured out and they are working to build a Marxist society in the West. This is why we are gradually losing our liberty as more and more stifling socialist acts are implemented by our government further eroding our freedom.

are trying to make all aspects of public life secular — if religion is not a part of public life the Jews cannot be discriminated against. Not a bad deal, if you are a Jew. But there is a hitch, points out Rackman: to demand the total removal of religion from public life is fanatical, he claims, and "fanaticism evokes fanaticism." This fanatical secularization of the state, Rackman warns, "... has created a sense of alarm among Christians and they are fighting back."

Rackman goes on to state his case in such convincing and forceful terms that it is crystal clear to all who read it that the Jews themselves know that they are flirting with danger.

Rackman writes: "Before long it will be the Jew who will be identified as the real enemy. It is the Jew who is said to have crucified Christ in the first place. And it will be the Jew who will be accused of having taken away from America her Christian character."

It is Jews who are most visible in all undertakings to prevent Christian education. And one does not have to spell out what this will ultimately mean for the visibility of Jews in legislatures and in the judiciary and ultimately for the security of Jews generally in this land of the free.

No, one certainly does not have to spell it out! Despite the pleading of fellow Jews like Rackman, the Jews persist in destroying our culture. In an almost suicidal fashion they taunt us, as though daring us to stop them.

Rackman writes that "the success of democracy has always depended upon the degree to which different segments of the population accommodated unto each other." But the Jews, in their demand for a completely secular state, are not accommodating — they are fanatical; and we Christians are becoming alarmed, and we are fighting back. Let's take a stand... together! Join the ranks of the NSRP!

NEGROES VOTE COMMUNIST IN BOSTON

The U.S. Communist Party ran candidates for President and local office nationwide. Nowhere did they run up a significant vote except in the South End "Columbia Point" section of Boston. This is a predominantly negro-Puerto Rican area. Here Judith LeBlanc was the communist candidate for the State Senate. She received 2,000 votes which came to 20% in Columbia Point. This is indicative of the future trend in black politics as they become ever more stronger politically.

BLACKS PROJECTED A MAJOR

LET'S GIVE LIFE TO THE WHITE RACE

WE LOVE OUR CHILDREN

By Dr. Edward R. Fields

To those who say that children are a burden, interfere with personal pleasure, or are too costly to raise, I pray that you will ponder the other side of the story. As the editor of The Thunderbolt, I spend many long hours working on this paper as we are grossly understaffed. Many weekends are spent traveling which takes me away from my family. Despite all this, my greatest joy is in returning to my home and being greeted at the door by loving and adorable children.

My children are my happiness and I would be miserable without them. All of my work is dedicated toward building a racially safe and pure nation for my beloved children and grandchildren of the future. Those who for one reason or another cannot have children have an equal duty to struggle for the PRESERVATION OF THE WHITE RACE because we are all of the same seed and my children are also yours.

I can see myself in my children and know that I will live on in this life so long as the seed of the White Race exists on this earth. All of you are part of the great family of the White Race. Those who have joined us in this work are part of the

DR. FIELDS' favorite photo of his three children taken a few years ago, from left, Alan, Keith and Lorraine.

movement which is dedicated to the very SURVIVAL OF THE WHITE RACE.

To me life would be unbearable without my children. I do not believe that any person who deliberately flouts nature's instinct to reproduce his own kind can ever have inner peace or true happiness. Deep down inside he knows that he has missed out on the most glorious event in life and that is to reproduce your own self by bringing a new born babe into existence. What a glorious and fulfilling moment it is when the first cries of that new born baby ring throughout the delivery room!

Movie and T.V. actor Tony Randall, now in his 50s, recently stated that the greatest mistake of his life, and deepest heartache, was the decision he and his wife made years ago not to ever bear children. Mr. Randall says that he and his wife are filled with an inner torment

because they now have no children to be a part of their lives.

It should be noted that upper income people, professionals, and the better educated have the fewest children and most often none at all. THE POORER WHITES WHO HAVE CHILDREN ARE BY FAR THE HAPPIEST. Many surveys prove this. Propaganda misleads many into believing that children cost too much money and take up too much of your time. This is a repugnant and false theory designed to brainwash our young people into dedicating their entire lives to the pursuit of personal pleasure and abandoning the greatest satisfaction in life and that is the warm surroundings of a happy family. Children fulfill our natural desire to have a home, loving wife, and offspring in our own image to insure that our family line continues on into the

future — FOREVER!

I have never found my children to be a sacrifice or a burden of any kind yet we exist on a modest income. They are my sacred love and life would not be worth living without them. How lonely, how horrid, and unbearable life would be to me without my children. Vacations would be empty without happy children eagerly seeing the wonders this nation has to offer. I would not wish to visit a resort without being surrounded by my adorable children.

WE LIVE FOR OUR CHILDREN.

WE ARE BUILDING A NEW AMERICA FOR OUR DESCENDENTS.

THIS ENTIRE STRUGGLE IS FOR THE GENERATIONS OF OUR UNBORN YET TO COME.

Therefore, I urge all of our young supporters to seek out a suitable mate and marry. Work hard to establish a home and do not procrastinate in bringing your own children into this world. They will work for the cause along side of you and perhaps live to see the final victory for the everlasting preservation of the White Race. Those who cannot have children or are too old, should accept our children as yours because we are all brothers within the same genetic pool. United together we can awaken America to the dark threat which seeks to undermine and eliminate the very existence of the White Race on this earth. United we will win this struggle with the guidance of God and the fighting instinct of THE SURVIVAL OF THE FITTEST.

THEO AND AGNES ROHL have any children because pleasures. Many have adopted West Germany and England own kind.

By CRAIG R. WHITNEY

Special to The New York Times

BONN, Aug. 24—Theo and Agnes Rohl, both 35 years old and in perfect health, are childless. They work, take frequent vacations and are used to living well.

Now, Mrs. Rohl says, "we don't think we'll have children any more; we're used to our life style the way it is, and we like being independent."

The Rohls and millions like them, in deciding not to have any children or having only one or two, are part of a fundamental change in the way West Germans view life and the family in the mid-1970's.

Since 1972, for the first time since World War II, the country has been registering fewer births than deaths. The population is expected to decline from 57 million to fewer than 55 million in the next decade, largely because the birth rate has been falling

Want Poor Whites Sterilized

STERILIZATION FOR POOR WHITES

The Office of Economic Opportunity (OEO) has announced a new program to bring sterilization clinics into the "isolated Appalachian areas where poor people have not been accorded the latest birth control methods."

The report stated that some Whites had as many as 10 children in Appalachia and that something must be done about it. The anti-poverty agency will provide \$250,000 for vasectomies and tubal ligations (tying of the fallopian tubes.) This will be the largest government undertaking of its kind according to HEW.

What we want to know is why this program is not being introduced in the teeming crime ridden jungle of Harlem? There are no social problems in Appalachia which can even begin to match the catastrophic threat which is building in our inner cities. Why is it White people must be sterilized when there is such a great shortage of bright, inventive and industrious Whites?

The non-Whites are overrunning the nation both immigration wise and by having huge numbers of illegitimate children who are tax supported.

Is there an anti-White program designed to wipe out

our race and the great civilization which only White talent has contributed to the entire world? Is there a "self-hate" syndrome imbedded within the minds of some of our misguided people so that they do not wish for the White race to exist in the future?

The time has come for members of the White community to reassess these measures to limit the growth of our race. No other racial group on this planet has cut its birth rate down to that of ours. The very survival of the White Race is now at stake!

Why Blacks Oppose Birth Control

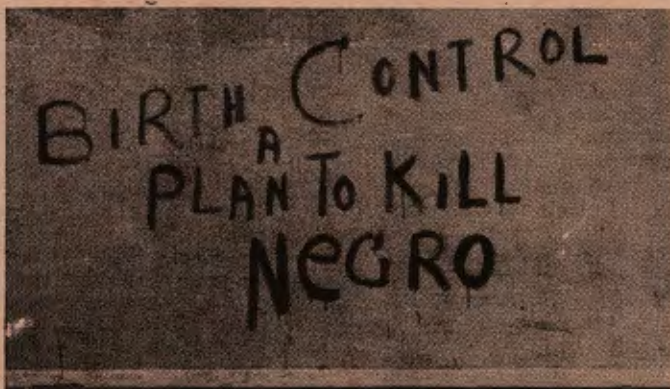

Dr. Mildred Jefferson,

explaining the poor's unwillingness to consent to abortion: "The poor are often more reluctant to kill their children than the rich or the middle class. Even in a rich country like America, the poor realize that their hopes and dreams will have to be carried out through their children. The poor lose too many children for reasons they cannot control to lose them deliberately in abortion."

Drop In Birthrate — Doomsday For White Race?

BIRTH CONTROL: DEATH

Countries with the lowest birth rates in the world are England, East and West Germany. These two nations are no longer reproducing their own kind and deaths outnumber live births. France and the Scandinavian countries are near population zero with fewer births each year.

Above we reproduce the distressing story about an average German couple. The Rohls have been married 12 years, have above average incomes, and every conceivable luxury afforded to an upper middle income family. They are still young enough to have children but have decided against it. All of their reasons are petty, selfish and destructive. When they become old and look upon the material wealth they have accumulated, who will they leave it to, the State? What if their parents had had such similar attitudes of greed? In that case, Mr. and Mrs. Rohl would not exist today. Because of such feelings against children, the German population is dropping rapidly. In a decade, their numbers have decreased from 57 million to under 55 million and the escalator points to an even sharper decline in the future as fewer and fewer couples bear children.

This population vacuum in West Germany is being filled by Turks and North Africans who are pouring into Germany as "foreign workers." Many now bring their large families with them and the German welfare system cares for their numerous children. Large Turkish neighborhoods now exist in West Berlin and many of the young

Will no more White angels like this beautiful girl be born to nurture our race.

Turks are marrying German girls. Their offspring will be predominantly Asiatic Turks and not Germans. Remember that non-White genes always dominate White genes at a 4-to-1 ratio which means their children will favor the non-White parent.

The German nation, like the English nation, is its people. If our people cease rebreeding their own kind, then the nation will no longer exist in the future.

THE PEOPLE ARE THE NATION AND THE NATION REPRESENTS THE WILL OF THE PEOPLE.

All of the world's greatest civilizations come from the wellspring of the White Race of Europe. This includes the Egyptian, India's Aryan Civilization, those in North Africa and even in Asia. Read the book "White America," 250 pages, for full documentation, available from *The Thunderbolt* at only \$1 per copy.

The time has arrived when we must counter this self-destruct and sick modernist propaganda that bombards our people on TV and in the daily press to the effect that overpopulation is the cause of the world's ills. This is true when applied to the rapidly breeding non-Whites in the backward countries of the world and the minorities in our midst.

It does not apply to White people because there is a vast shortage of our kind on this planet. If our race goes down, so will the rest of the world because their economies, medical assistance, and food supplies are dependent upon the industrious White peoples who represent the hand that feeds the non-Whites. The very future of civilization and freedom hinge on whether or not the White race is able to reverse its population downtrend and at the same time preserve its genetic line from fatal pollution through interbreeding with the non-productive low IQ sub-races! The White population is decreasing also in Eastern Europe and Russia as the Asiatic population in the Soviet Union increases.

BLACKS REJECT BIRTH CONTROL

Negro leaders unanimously oppose birth control for their own people. Gloria Horton, a black counselor for minority women, says that a "large majority of black people equate birth control with sterilization." Black militants call it "Genocide" and sterilization operations are almost totally rejected by negro males. Negro Dr. Nathan Wright, Jr., writing in the "Newark Sunday Star Ledger", states: "All black Americans and those of other disaffected or alienated minorities ought to oppose abortion . . . on strategic grounds."

What he means by this is that the "strategy" of building black political power in America is dependent upon negroes outbreeding Whites. On this page we reproduce a photo reproduced from "Jet Magazine" of a slogan painted on a wall in a Washington, D.C. ghetto neighborhood. Its message is clear to all Blacks: "Birth Control A Plan To Kill Negro!"

BLACK MAJORITY IN AMERICA BEFORE 2076

The White birth rate in America has dropped to under "Population Zero." This means that White people are no longer reproducing their own kind. The average family must have at least 2½ children per family just to maintain our present population level. The extra ½ child is to make up for those who have no children.

Today the actual figure is less than 2 children per White family. Housing experts predict that the home of the future will have two bedrooms because there will be only ONE child per White family.

In the meantime, the negro birthrate continues to skyrocket. Third generation welfare families are now common. In mostly black Washington, D.C. illegitimate children now account for over 50 percent of all live births. The welfare system pays blacks to breed, breed and breed.

Negro leaders have openly admitted that future Black Political Power in America depends on an ever expanding non-White population explosion.

Present figures show that Whites are practicing all forms of birth control and only 9% of married White couples today are actively trying to conceive a baby.

Grave Implications

These shocking figures pose a hellish future for our nation. Just think for a moment of the dire implications facing our posterity. Before the next Tricentennial in 2076, when most of our grandchildren will still be living, they will have become slaves of a black ruled America! Social programs will include "womb to the tomb" protection for negroes. Disease and famine along with intertribal warfare, which have in the past decimated the negro

SHOCKING POPULATION FIGURES

The U. S. Census Bureau states that the black population is increasing at a rate of 5 per cent while the White increase is 2 per cent. It should be noted that Mexicans and Puerto Ricans are classified as "White" which drastically lowers the true White birth rate figure.

Blacks have increased from 10% of the population in 1965 to a whopping 13% today! The medium age for blacks is 22, while it is 29 for Whites. This means a greater percentage of blacks will continue to be concentrated in the child producing age span.

Without breaking down figures by race the Census Bureau tells us that the birth rate for 1975 was 14.8 babies per 1,000 people and the death rate was 9.1 per 1,000 annually. When the non-White factor is subtracted from these figures, we can assume that more White people are dying each year than are being born in America. This means that our race has already dipped below the liberals, goal of obtaining "population zero growth."

population in Africa, do not exist in America today. Our White society has protected the negroes from the fate which historically has cut back their population in past and present years in Darkest Africa. Even today our law enforcement bodies do all within their power to keep blacks from slaughtering one another in the major cities.

With free medical care, welfare, public housing, and the coming Humphrey-Hawkins guaranteed income plans, the negro population will spiral as never before in all history. This will bring on a calamity of indescribable proportions. Crime will be uncontrollable and street murder a daily sight. Blacks will have long before inundated every White suburban neighborhood and their dominance will be protected by government forces. This means organized society will break down and individual liberty and freedoms will be abolished by the government in order to guarantee the "civil rights" of the minority which by 2076 will be the majority. Whites able to work will be forced to do so while all their earnings will be confiscated for redistribution to the great non-working negro mass. Social problems will overwhelm the nation and any remaining power on earth would be able to defeat or force a surrender of the mongrel polygot mass existing within America's borders.

The present population bomb is non-White. There are far too few White people in the world today. We are only 1 out of 10 and actually the world's smallest minority and our numbers are shrinking daily. All the non-White world looks to us for food, medical aid, technology, and military leadership to maintain world peace. As the White race diminishes in size, power and influence, we stand before a growing and eminent catastrophe — DOOMSDAY 2076!

URGES EVEN FEWER WHITE BIRTHS

Judy Senderowitz, a Jewess, and vice president of the "Zero Population Growth Organization" states that the birth rate in America is the lowest in 40 years. She said:

"We are witnessing a significant change in values and behavior patterns. People now realize that the ramifications of an increasing population include pollution, declining resources and open spaces, and greater restrictions on the individual."

"With current immigration levels, the fertility rate must drop below 1.7 children per family to achieve stability and then only after several decades will it be effective."

What Miss Senderowitz conveniently forgets is that 79 per cent of all immigration today is non-White. Also, she wants Whites to cut back further on having children to make room for the mushrooming negro population which is increasing at a calamitous rate. America is rapidly becoming a non-White nation.

CALL TO THE CAUSE

WANTED — MEN OF ACTION

Few people realize just how short their life span on this earth actually is. Most think and act as if they will be here forever. Our forefathers planned ahead for us and gave us the U.S. Constitution and Bill of Rights which are the greatest documents of Freedom ever written. They laid the foundation for the creation of the strongest bastion of liberty the world has ever known.

The question now is whether or not this great Republic will be standing by the next Tricentennial — in the year 2076? What are we going to do to insure that the dreams of our forefathers live on into the future? Are we participating in local politics and working to inform others that the White Race created every civilization in the history of the world worth mentioning that we now are in danger of being melted away through both interbreeding with lower elements and not breeding enough with our own kind.

Unfortunately the vast majority today live for "bread and circuses." The television hypnotizes the masses. Social services insure that even those who do not want to work have food. A Stanford University study found that the average American is "bored stiff." Despite the pursuit of pleasure and luxury, most find "little joy." Prof. Scitovsky says the Women's Lib movement has led both sexes toward the goal of concentrating on money as life's sole goal.

Despite comfort, money, modern shopping centers, more leisure time than ever before in history, STILL SOMETHING IS MISSING AND PEOPLE ARE UNHAPPY!

VISION DESTINY LIFE

We are on this earth for such a short period of time that if we could stand out in space and view the history of this planet earth with one sweeping glance, our moment of life would be as long as the blink of an eye! If we

want happiness, a sense of fulfillment, then we first of all must realize exactly why we were born. We are part of a race family. We are made up of the seed of our forefathers which goes back thousands of years. Through our genes our race has developed into the most advanced people on earth.

Dog breeders, horse breeders and cattle breeders know the importance of genetics. Pollution of a superior race with the inferior genes of a low IQ non-White race destroys the seed that has been developing within our racial line for thousands of years. One interracial marriage sets back the development of that racial family tree 200,000 years according to the view of most race scientists such as Jensen, Shockley and Herrnstein.

Therefore PRESERVATION OF THE WHITE RACE is the chief goal of all of us race conscious patriots today. When you sacrifice for this holy cause you will be happy. When you convert others to the truth that RACIAL PURITY is the basic value you will find satisfaction with life. When you join with your fellow White brothers and sisters in this God-ordained movement to insure the future SURVIVAL OF THE WHITE RACE for all time to come you will then have gained happiness by doing your part to insure the continuation of the Race!

Even if you have no children of your own you still live on in the seed of the race because all White people are brothers and sisters — are all related to one another since the beginning of time. Give light to the world by lighting the truth in the heart of an uninformed friend. Show them the way and bring them to us as this movement grows and builds for the day when White men and women once again are in control of the future and destiny of this great White Race.

Letters To The Editor

Plot Against The White Race

IS GENOCIDE A CRIME AGAINST THE WHITE RACE?

Genocide is described in the dictionary as the "Systematic measures for the extermination of a cultural or racial group." Genocide has been stated to be a crime against humanity!

When a man and woman mate they can conceive a child that at the moment of conception inherits the characteristics of the parents — that is the absolute law of genetics. At the instant of conception the child's potential has been irretrievably and unchangeably set — a child at the instant of conception inherits from its parents its heritage, character and capability — nothing can improve upon that inherited potential or heritage — environment can and does determine how much of that potential is realized. Environment can only expedite or retard the inherited potential — environment cannot create potential. The science of genetics has been proven to be absolute — final and totally unforgiving.

Like breeds like — unlike breeds mongrels — when two people of the same race mate and a child is conceived that child is of the same race as its parents and that child inherits the genetic pool and the genetic potential of and from the parents. This is true whether the parents are white, black, yellow, or? But when the parents are unlike — are of different races, then the children inherit not the racial inheritance of either parent, but it inherits a mixture of both unlike races. Such a child of such a mixed mating is called a mongrel. According to the dictionary a mongrel is an animal of mixed breed, mixed race, mixed

origin and nature. A mongrel, being the progeny of two distinct and different races, inherits some of the genetic pools of both races, part of each of the genetic pools of the two unlike parents. Thus the genetic pools of the two races of the parents is polluted and destroyed forever. The integration of — the merging of the genetic pools of two races destroys forever the genetic pool of both races and genocide — the death of both races — is committed.

THINK ABOUT THIS! Every mixed mating of unlike people destroys forever the purity of the White race. The White race ends at that instant of conception, the race dies, is killed, lost forever, and a mongrel is created. Every time a mongrel mates its children too are mongrels! The mating of different races is now called integration. Today integration means to mix — to intermix — and the result, the goal of integration, is mixed mating and mongrelization of the people. Integration means mixed mating which can only result in a mongrel people. The results of integration — mixed mating — is and can only be the producing of mongrel children. Therefore the integration of different races is genocide for the White Race. THINK ABOUT THIS! The forcing of integration upon the people of different races is GENOCIDE and GENOCIDE IS A CRIME AGAINST THE WHITE RACE. Integration is being forced upon the people of the U.S.A. and England by law — the governments and the courts. Genocide is the application of systematic measures for the extermination of a cultural or racial group. Forceable integration as being forced upon the

I would like to comment on your recent article "Cuba Set To Invade Rhodesia."

Contrary to implications conveyed, Rhodesia is not trapped or on the verge of "handing-over" to Black rule, as a result of the sell-out policies of Britain and other countries. Economically, the country has never been in better shape and has probably (among resident Europeans) the highest standard of living in the world. Militarily, the Security Forces have the situation well in hand and could handle an escalation of the soldier involving terrorist incursions from both Zambia and Botswana as well as Mozambique, with little strain on the economy and which manpower (though limited) could provide for.

Ever since UDI the foreign press has consistently distorted the situation here, producing in the minds of Americans an image of Rhodesia in its last death throes about to be steamrolled by Black Africa, when in reality that's not the case at all. This has been the situation for over ten years now, yet Rhodesia is still alive and flourishing, very independent and self-sustaining for the most part, and most importantly power still rests firmly in the hands of the White people that live here. This is likely to be the case for many years to come, despite world pressure.

Kissinger has advised those of us (American citizens) living in Rhodesia to make "contingency plans" to leave, and abandon the country in much the same way that the State Department has abandoned, among other countries, Vietnam, Cambodia, Laos, Cuba, Black African countries that have gone Marxist and Eastern Europe. But the important difference here is that Rhodesia is still a White country and above all WHITE interests are at stake, so consequently Kissinger's foreign policy is absolutely unacceptable.

At any rate, I've tried to give a clearer picture of what's happening here to you, and hope your periodical can reconsider when employing panic sensationalism with regard to Rhodesia and S. Africa in general, as there is nothing to be gained by this.

Thank you for your time in reading this.

people of the U.S.A., England and other nations is Genocide. All civilized nations abhor and denounce genocide, therefore all civilized nations must abhor and denounce integration BECAUSE INTEGRATION IS GENOCIDE. There can be no other interpretation or result. New "Keep Israel White" Plan

ONLY "WHITE" JEWS WANTED IN ISRAEL

In America the Jews have been the leaders in urging further liberalization of immigration laws making it easier for non-Whites to immigrate here. It is almost impossible for White Europeans to immigrate to America. Last year Whites made up only 21% of all immigration to America. Before 1965 our race made up 85% of all immigration.

There has been a small but steady stream of Jews from North Africa immigrating to Israel. Most have dominant negro blood and are called "Oriental Jews." Moshe Dayan has been traveling to countries with large Khazar Jewish populations urging them to immigrate to Israel to offset the growing number of Oriental Jews entering the country.

Jewry in Israel is divided into two main groups, the Sephardic (Spanish and Portuguese descended Jews) and the Ashkenazi (Khazar Jews from Russia.) The Khazars are today in the majority and hold all the major posts in government, commerce and the powerful Histadrut labor union.

Recently the Chief Rabbi of the Sephardi, Ovadia Yosef, declared that the Black Falasha Jews of Ethiopia are "descended from the lost tribe of Dan." This makes these full blooded negroes who practice some Jewish Jewish rituals eligible for the automatic return to Israel. There are some 25,000 of the

Below from press dispatches.

Israel wants 'white' Jews

GENERAL Moshe Dayan, former Israeli Defence Minister, appealed to South African Jews to emigrate to Israel to counterbalance immigration by 'Oriental Jews', during his visit to South Africa in September.

He said that one of the real problems facing Israel was that more than three out of five immigrants were 'Orientals'.

He told South African Jews that their help was needed in building 'a real Jewish nation.'

'What we have to try to do now' he explained 'is to be very attentive to try to help more newcomers from the Western countries'.

Falashas in Ethiopia. Ashkenazi Chief Rabbi Shlomo Goren disputes this and believes their Jewishness needs to "be established by Halachic experts."

The Khazars fight to keep negroes out of so-called Israel and refuse to allow Arab Palestinians who were born there to immigrate back home.

This is ironic when you read Jewish editorials urging an open door policy in America for all the races of the world to pour across our borders. Israel is without a doubt the most RACIST nation on earth but Whites in America are condemned as being "prejudiced" when we seek to preserve the identity of the White race.

ISRAEL REFUSES CALIF. EXTRADITION REQUEST

On Jan. 25, 1975 two Jewish Defense League members were arrested for the fire bombing of a car belonging to John Artukovic, brother of Andrea Artukovic. Jews call Andrea a "Nazi War criminal" because he was a leader in Croatia's fight against communism.

Those arrested were Jews Tuvia Schwartz, 23, and David Whitlaw. The latter is now in prison but Schwartz jumped bond and fled to Israel. There he has been granted asylum. All major political leaders in Israel

Anti-German Fiction

"DAIRY OF ANNE FRANK" A HOAX

No book or film has ever wrought so much sympathy from the public than the heart rending story of Anne Frank. The book was a best seller, its paper back going through 40 editions. The Hollywood film made a fortune. Viewers today can still recall the shrill screams of the German sirens as they roared through the streets to arrest Anne Frank and her family.

All of the story is supposed to have been taken from her personal diary hidden in the attic, where here they supposedly had been given shelter by a Christian family. The truth emerged when Jewish novelist Meyer Levin filed a suit against Frank demanding payment for his writing the "diary." On May 7, 1962 a New York court awarded him \$50,000 for his work in writing Anne Frank's diary.

If you wish to learn more about this part of the gigantic demanded that the California request for Schwartz' extradition be refused. Last month Justice Minister Haim Zadok returned the extradition request to California and apparently Schwartz and other such criminals will continue to be able to find a haven in Israel. At the same time they demand the extradition of Arabs who are fighting for a Free Palestine so they can murder them like they did Eichmann.

fraud which perpetuates the "Myth Of the Six Million" Jews the Germans were supposed to have killed during W.W# II, then order the book by the same name from The Thunderbolt for only 75 cents per copy. Do your part in breaking the back of the BIG LIE.

JEWS WERE FREE TO LEAVE GERMANY

The Jewish "Sentinel" of Nov. 18, 1976 states that Jews were free to leave Germany with most possessions up through 1941 and most did. There were fewer than 200,000 Jews left by the time war broke out. Propagandists have people believing that Jews were persecuted beginning in 1933 when Hitler took power. One more big lie exposed in the "Myth of The Six Million Dead Jews."

Low I.Q.—

Hereditary Problem

INTEGRATION BRINGS! LOWER SCHOOL STANDARDS

Race Scientists such as Dr. Jensen, Prof. Schockley, Dr. Kuttner and many others have long established the fact that negro I.Q. scores are always lower than Whites due to hereditary factors and not environment. Despite all the evidence that this is a genetic problem and not a social one, the federal courts and many school boards have continued to use busing and school integration to try and raise the negroes' educational standards.

The end result is that it quickly becomes obvious to the black students that they cannot keep up with the White children. To try and camouflage this inferiority they disrupt class and abuse White children so that no one can study.

The school system in Berkeley, California is the largest in the country to voluntarily bus children to raise non-White standards. Recently the Superintendent of Berkeley schools, Laval Wilson, revealed that the system had not helped the negroes or Chicanos. He found that the gap between the White and non-White children is small when they begin school but it greatly increases as the

years pass. By the time the children are ready to graduate the negroes and Chicanos are 3.6 years behind the Whites. Laval also said that race mixing is not working and that the three racial groups are separating and not integrating. This report totally contradicts the initial reports which stated that the Berkeley integration plan successfully helped the non-Whites.

BLACKS BEHIND IN NATIONAL STUDY

A new study by the National Assessment of Education Progress, conducted under government contract, finds negroes scoring below White students nationwide. Roy H. Forbes, director of the study, found "black students still lag significantly . . . 14.1 points behind Whites."

What all of this means is that Whites are being held back by being forced to associate with low I.Q. negroes and Chicanos in the same classroom. In the future this inferior education will produce Whites who will be unable to maintain the present standards required by America's business and industrial community. Separation of the races is a part of nature which the race mixers are trying to reverse and you cannot reverse nature.

Jewish Affairs Dinner Spurs Black-White Unity

By VICTORIA MISSICK

NEW YORK, Feb. 17 — The annual dinner of Jewish Affairs, magazine of the Communist Party, brought a lively crowd of 500. Young and old, last Sunday to the Statler-Hilton Hotel.

Black and white unity

Jarvis Tyner, chairman of the New York State Communist Party, noted the class conscious and fighting stance of the magazine

At the podium an array of freedom fighters were seated, including William L. Patterson, Hyman and Dorothy Lumer, Arnold Johnson, Fay and Herbert Aptheker, Gertude Decker and J. J. Johnson.

Hyman Lumer, editor of the magazine, stated that this fourth annual dinner of Jewish Affairs

had helped to mold the unity of the working class. Jewish-Black unity is of particular importance in New York State, Tyner said.

Gertrude Decker, of the Emma Lazarus Societies of the U.S., said that Jewish communities in the U.S. had a stake in the struggle to defeat S.I. in the movement to free Ben Chavis and the Wilmington 10 and in the hands-off-Angola movement as well as in a just peace in the Middle East.

Why Ford Lost

Jimmy Carter frightened most White voters and while Ford was rapidly closing in on Carter's early lead he suddenly blew the election. This is the analysis of pollster George W. Gallup, Jr. The Ford comeback lead, was "fatally stalled" during the second debate with Jimmy Carter. The decisive crucial moment came when President Ford stated that "there is no Soviet domination of Eastern Europe... each of these countries is independent and autonomous." Carter quickly attacked this statement as false. Several days later Ford again reaffirmed his belief that Russia

She also warned of the rise in anti-Semitism and racism in the U.S.

Danny Spector, international secretary for the Young Workers Liberation League, declared that the struggle for Black-white unity is central to the struggles of the Jewish people and hailed the first issue of the Black Liberation Journal as well as the contributions of Jewish Affairs. Spector is the new assistant editor of Jewish Affairs.

Entertainment was provided by Sylvia Newcombe and Amadeo Richardson.

Among the other speakers were Victoria Missick, member of the central committee of the YWLL; Esther Carroll, who made the appeal for funds, Alex Kolkun, veteran of the CP Jewish Commission, who opened the meeting, and J.J. Johnson, chief editor of the Daily World.

Seymour Schwartz was master of ceremonies.

did not control the Captive Nations as a result of his last visit to those countries. Ford had been "brainwashed" by his communist hosts who told him they were "free." How dumb can Ford be? Gallup said this crucial turn of events ended Ford's comeback. The average American remembers how Soviet forces crushed the workers' rebellion in East Germany in 1953, and the brutal destruction of the Hungarian freedom fighters in 1956, and the more recent occupation of Czechoslovakia in 1968 when that country sought to move toward freedom.

There can be no doubt that Ford was simply not very intelligent.

HOW JEWS REALLY FEEL TOWARD CHRISTIANS

The Jewish Defense League (JDL) is a militant organization which some Jewish publications have admitted actually represents the true inner feelings of the average Jew in America. The JDL does not hide its hostile attitude and when most Christians actually read about the real Jewish views, they are quite shocked.

On this page we reproduce a few paragraphs from the magazine section of the Philadelphia Sun Bulletin of an interview with Samuel Bortnick, 55, who is a national board member of the JDL. The reader will note that Bortnick is opposed to Jews intermarrying, believes that Christians could turn against Jews during a depression and "destroy" them, that they want to stop all Christian conversions of Jews and those who seek to win Jews to Jesus Christ are the "enemy." Show this article to your friends because it is a real eye opener to the secret attitude of the Jews toward Christians in America.

Interview With Jewish Defense League Leader

HANS KNIGHT questions
J.D.L. official Samuel
Bortnick.

SAMUEL BORTNICK
provides inside look at true
Jewish hatred for Christians.

Q: Does the JDL advocate something like separatism?

BORTNICK: We know that wherever antisemitism rears its ugly head, it's the non-Jew that's going to have to help us. We can't do it by ourselves. But we must let the non-Jew know that we're not going to turn the other cheek. Because, I've never met a Christian that's turned the other cheek. And it's not Jewish philosophy to turn the other cheek. It's what you do to me I'm going to do back to you. It's more practical and more sensible than this fairy tale. Some Christians want us to be better Christians than they are.

Q: Is antisemitism increasing in Philadelphia?

BORTNICK: Yes. When we picketed the home of two Eastern European immigrants who were known to be responsible for the killing of many Jews during the war, we were greeted by about 150 people carrying signs saying, 'Hitler didn't kill enough Jews.' Had the police not been there, there would have been bloodshed.

That's one reason I worry about another Depression. When men and women start fighting for jobs, the politicians are going to look for a scapegoat. And the Jew may be blamed once again. If you admit that possibility, you know what JDL is all about. We believe it is possible that the same white Christian who destroyed the Jew in Europe, the slave here, took the land from the Indian, is capable of destroying the Jew in America.

Q: Do many Jews feel this way?

BORTNICK: I believe they do, although they won't say it in public.

Q: Isn't the JDL's militancy on behalf of Judaism a form of racism?

BORTNICK: We don't insist on a pure Jewish race. As I told you, if a non-Jew becomes a Jew in intermarriage, we have no quarrel. But if the Jew becomes a non-Jew, the Jew is committing self-imposed genocide. We are a disappearing breed. Many Jews have just abandoned 4,000 years of tradition. They're traitors.

Q: But don't many Jews choose assimilation? Intermarriage, for example?

BORTNICK: Assimilation is destroying the Jew in America. Intermarriage is destroying Jews. Although I would say this: If the non-Jew converts to Judaism, there is no problem. But a Jew shouldn't be a stud for the goyim, which means that he shouldn't help produce non-Jews. Now that may sound crude and vulgar, but this is a position that we take. The other Jewish organizations won't say these things publicly.

Q: Is there a strong effort to convert you to Christianity?

BORTNICK: Yes. That's another thing that upsets us. Sometimes, after I've made a speech, a minister or priest will call and say, "If you'd only come to our church and listen to what we have to say. We love Jews. You should hear the word of the Lord." So I say, "You know, Hitler destroyed us physically. Your ultimate aim is my conversion. Therefore, that's again my destruction, the destruction of my seed. So you are my enemy. I don't trust you." Most of these ministers will say, "I've never heard such things before." You see, Jews think it, but they don't have the guts to say it. Many establishment Jews including rabbis create the illusion that everything's fine, yet they know it's not. No attempt should be made by the Christian to convert the Jew.

Jews Back Race Mixing

WHY JEWS SUPPORT INTEGRATION FOR WHITE CHRISTIANS

On Dec. 12, 1976 a monument for three dead "civil rights" agitators was unveiled in Philadelphia, Miss. besides the Mt. Nebo Baptist negro church. The three are today heroes of the cause of racial integration. They were two young Jews, Michael Schwerner and Andrew Goodman of New York City, and negro James Chaney. They were part of the COFO organization which was swarming all over Mississippi harassing Whites. When the three were executed by indignant White citizens fighting a real second Reconstruction invasion, the COFO leaders became frightened and left Mississippi. This resulted in the end of the COFO. Two Jews and a negro died together and there is much more here than this single incident. On this page we reproduce from the Communist "Daily World" newspaper an article about the annual "Jewish Affairs Dinner." This is an official communist front for Jews wishing to work for negroes in the civil rights fight. It should be noted that the Jew Herbert Aptheker, actual owner of the "Daily World," says that Jewish-Black unity is their chief goal.

Gertrude Decker, Jewish head of the avowed communist Emma Lazarus Societies, urged support for the new negro communist government in Angola. The Jew communist youth organizer Dan Spector stated that Black White unity is "central to the struggles of the Jewish people."

JACK GREENBERG
HEAD OF NAACP Legal Defense Fund.

RARE PHOTO of two past presidents of NAACP, Jew Kivie Kaplan, left and Jew Arthur Spingarn, right.

Back to the Mississippi affair. It was Jewish money, Jewish organizations, and Jewish agitators who led the civil rights attack upon White Segregation laws throughout the South. Segregation was established both legally and through tradition to prevent interbreeding between the races. Our forefathers knew that if the two races should socialize together, eventually interracial marriage and mongrelization would take place.

The reason we oppose Jack Greenberg, head of the NAACP

Legal Fund, and the followers of Martin Luther King, Jr. is because they have all worked to destroy the very vestiges of our traditions and heritage which were established by our forefathers to protect the seed of the White Race from being polluted by the seed of decadent Darkest Africa.

Few people realize that every president of the NAACP since 1929 has been a Jew. Not until last year when the last Jewish head of the race mixing group, Kivie Kaplan died, did the first negro get the job. The Jews finance the NAACP and continue to hold on to the leadership of the important NAACP Legal Fund. Jew Jack Greenberg has run this organization ever since 1954 and been the chief individual behind every major legal action which has resulted in tumbling down our protective laws of racial segregation.

It is a fact that Jews are always to the left of the political spectrum to one degree or another. While they support race mixing for White Christians with negroes and other non-Whites, Jews are vehemently opposed to interracial marriage for their own kind. This is why Jews have their own private schools. "B'nai B'rith" fraternity, community centers and private clubs. They have the only religion in the world which seeks no converts and hopes to restrict their members exclusively to the Jewish race.

The only conclusion we can reach over Jews opposing integration for themselves but go to great lengths to force it upon us is because they wish to weaken the individualistic spirit of our race to survive.

ILLINOIS DEFEATS ERA — AGAIN

Most newspapers did not carry the news that the Illinois legislature once again voted down the Women's Lib Equal Rights Amendment. The vote was 29 to 22, seven short of the required two-thirds majority needed for passage. Proponents had stated that they had to carry Illinois because it was the key state in their drive to secure adoption in other Mid-Western states.

President Jimmy Carter personally intervened with a telephone call to Cecil Partee of Chicago who is president of the Senate. Carter also sent his daughter-in-law to Springfield to lobby for passage of the ERA. This was a severe setback to the measure which needs four more states before it becomes a part of the Constitution.

Forces opposed to passage of the ERA amendment were furnished more ammunition by Sen. James Stennis of Mississippi. He has announced that the volunteer Army is a failure. It is now 26% black and negro enrollment during August was 30%. This means that in the future we will have an all black Army which will not be able to effectively fight a war anywhere in the world. Thus the army draft will soon return according to Sen. Stennis. ERA means that White women would be drafted and serve under black sergeants and officers. ERA advocates had maintained that the draft was gone for all time to come and should not be made an issue. Now that it is coming back, it should be enough to kill ERA in the remaining states considering the measure.

On page 79 of Gulag Two, Solzhenitsyn gives us the photographs of six top administrators of the Soviet slave-labor system during the 1930's — the only six Gulag commissars portrayed in the book. All six are Jews. Is Solzhenitsyn trying to tell us something?

WHO RAN RED DEATH CAMPS?

SOLZHENITSYN NAMES NAMES

Anti-communist writer Alexander Solzhenitsyn's book, "The Gulag Archipelago" Part 1 and 2 are masterpieces in regard to the detailed inside story of the Soviet penal system. It covers both the Lenin and Stalin eras. Estimates of the number who died in these brutal hellish camps range as high as 66 million people.

Solzhenitsyn explains that the Stalin slave camps were established by a Jew from Turkey named Nattaly Aronovich Frenkel. After he held a long meeting in 1929 with Stalin, the system of "work camps" was established. Frenkel had been a millionaire speculator in timber and knew what money could be profited by the use of slave labor in Siberia. The building of the Belomor Canal alone cost 180,000 lives under Frenkel.

Other slave camp bosses were Aron Solts, Yakov Rappoport, Marvei Berman, Lazar Kogan and Genrikh Yagoda — ALL JEWS. These are the only Gulag heads discussed in Solzhenitsyn's books and all their photographs appear on page 79 of Gulag book II.

Because of this the New York Times says they suspect that Solzhenitsyn may be anti-Semitic. On Nov. 13, 1975 in the Times book review section, critic Leonard Shapiro had the following report about the two volume Gulag books: "In the case of Soviet Jews Solzhenitsyn has expressed sympathy with those who genuinely seek a new home in Israel... Those who are determined to see Solzhenitsyn as an anti-Semite will no doubt be reinforced in their prejudices by the fact that in his rogues' gallery of Gulag torturers Jews play a very prominent part. Is he to be blamed for recording a fact of history, when the evidence shows that a very disproportionately large number of Jews... did indeed serve in the ranks of the Soviet secret police?"

It is no accident that Marxist movements the world over, from Marx, Trotsky, Lenin and others, down to today's communist type organizations are run in most part by JEWS! Polish Victim Not Avenged

NEGRO JURIES REFUSE TO CONVICT

The Thunderbolt continues to receive reports from around the nation concerning cases in which negroes are accused of crimes against White people. Last year we reported the case of Mr. Marian Pyszko of Detroit. He was born in Poland and came to America in 1958. He worked at a Highland Park bakery and unknowingly drove through a riotous negro neighborhood on his way home from work.

When Mr. Pyszko stopped at a light, young blacks dragged him from his car and kicked him to death on the street. It seems that they were "protesting" the shooting of another young black who was breaking into an auto not far away. Mr. Pyszko is survived by his wife Frances, sons

Robert, 15, and Stanley, 16. His wife fainted when she learned that her husband had been senselessly murdered. Marian Pyszko was a family man who always helped out his wife at home and spent all his time and money on his children.

Now we receive the news that a mostly black jury has refused to convict the accused young killers. Judge Joseph A. Gillis was forced to declare a mistrial FOR THE SECOND TIME in the Pyszko murder case. Nine blacks on the jury refused to convict despite what the press called overwhelming evidence. The accused black killers, Raymond Peoples, 19, Ronald Jordan, 21 and James Henderson, 23, were all sent back to jail to be held for a third trial by angry judge Gillis.

Relatives and friends who were spectators in the court-

room hurled filthy insults at the Judge for his refusal to grant bond. Even the attorney for the defendants, negro Hugh M. Davis, used a foul four letter word in denouncing Judge Gillis. Unfortunately, in the black ruled jungle city of Detroit, there is nothing a Judge can do and none were held for contempt. Whites would be given 6 months in jail for such behavior which was once unheard of.

Thus we see that black power rule means a lawless society in which law and order break down. Negroes have won their right to sit on juries but now obstruct justice by refusing to convict those of their own race who are obviously guilty. Our feelings of deep regret and frustration go out to the family of Marian Pyszko and we will do our part to keep his memory

In Memoriam

MARIAN PYSZKO

alive so that his death will not have been in vain. We hope that his murder and the miscarriage of justice in this case will help to awaken the American people to the fact that the race problem must be faced and acted upon before it destroys our civilized society.

BLACK STUDIES SHRINKING

A recent survey revealed that Black Studies programs have dropped from 500 to 200 on college campuses, and are still shrinking. It has been "discovered" that academically the courses did not prepare students for specific jobs. Sometimes they are used as a "racket" which enables negro athletes to enroll in a college without worrying about passing grades. When one considers how little black culture or black history there is to study about, it must have taken someone with an extraordinary mind to create a lot of fiction out of nothing.

December 13, 1933

TO THE PUBLISHERS OF ANGLO-JEWISH PERIODICALS

Gentlemen:

Scribner & Sons have just published a book by Madison Grant entitled "The Conquest of a Continent." It is extremely antagonistic to Jewish interests. Emphasized throughout is the "Nordic superiority" theory, and the utter negation of any "melting pot" philosophy with regard to America.

Scribners, in a sales circular concerning the book, points to Herr Hitler as the man who has demonstrated the value of "racial purity" in Germany. The author insists that American development depends upon the elimination of unassimilable alien masses in our midst. This book is considered by some as even more destructive than Hitler's "Mein Kampf." Mr. Grant also avers that "national problems are in the end racial problems."

We are interested in stifling the sale of this book. We believe that this can be best accomplished by refusing to be stampeded into giving it publicity. Every review or public criticism of a book of this character brings it to the attention of many who would otherwise know nothing of it. This results in added sales. The less discussion there is concerning it, the more sales resistance will be created.

We therefore appeal to you to refrain from comment on this book, which will undoubtedly be brought to your attention sooner or later. It is our conviction that a general compliance with this request will sound the warning to other publishing houses against engaging in this type of venture.

Sincerely yours,

Richard E. Gutstadt

FIRST RACIAL HISTORY OF AMERICA

The Conquest of a Continent traces the immigration of European stock to America's shores, and presents a sweeping panorama of the country's birth and settlement. Subtitled "the first history of any nation that has been written in terms of race," Conquest was destined to be controversial. Dr. Henry Osborn, former head of the New York Museum of Natural History,

At left is reproduced the actual ADL letter sent to hundreds of book dealers across the nation. In Orwellian fashion, the book disappeared from shelves and copies were made scarce. A used copy could command twenty-five dollars, if available at all. For over forty years "The Conquest of a Continent" has been a most difficult volume to obtain.

wrote: "I welcome this volume as the first attempt to give an authentic racial history of our country, based on the scientific interpretation of race as distinguished from language and from geographic distribution. I set great store by the great mass of documentary evidence assembled here. It explodes the bubble, of the opponents of racial values, that they are merely myths. I regard it as an entirely original and essential contribution to the history of the United States. . . the first racial history of America, or, in fact, of any nation. I stand with the author not only in nailing his colors to the mast but in giving an entirely indisputable historic, patriotic, and governmental basis to the

fact that in its origin and evolution our country is fundamentally Nordic."

"1984" In 1933

Despite the fact that Grant's previous books were best-sellers and distributed by a leading publisher, The Conquest of a Continent went through but one edition. Shortly after its appearance in late 1933, the book was suppressed. America was entering the "New Deal," and such a book presented a barrier to everything Roosevelt stood for. Private interest groups, such as the ADL, fought for the book's demise through a campaign of silence and pressure.

The Conquest of a Continent becomes even more important and revealing than when it was first published.

It is absolutely guaranteed to drop the toughest criminal in his tracks. It will spray a stream up to 12 feet and makes the attacker feel like he has had a skillet of hot grease thrown in his face. This is something that all Patriots and their families should have in their homes or auto glove compartment. Chemical Shield sells for \$5.00. (Pocket Unit) sprays up to 10 feet. Larger police unit is \$10. Sprays up to 12 feet. Or you can have both units for \$12.
