## Eizenstat — Not Carter — Runs U.S. Government

### New York Blackout

#### "NIGHT OF THE ANIMALS"

David Brinkley said it on NBC news. "When the lights went out, the animals were turned loose." He was quoting the most common description of the orgy of looting, burnings, robbings and armed gang attacks which swept New York City as soon as the lights went out.

It was acknowledged that negroes, by the hundreds of thousands were the social element which sought to tear the city apart. In White neighborhoods people sought to help each other during the crisis.

Here are the facts which the daily press suppressed.

- 1) Over \$1 billion in damages were incurred.
- 2) Police were ordered not to shoot or club looters. Demoralized they arrested only 3,700 looters.
- 3) Negroes set over 1,037 fires, causing far greater damage than the Martin Luther King riots of 1965.
- 4) Over 400 police & firemen were injured when they sought to put out fires or arrest looters. Snipers fired from the dark and rocks were hurled down upon the forces of law & order.

Andrew Young, Carter's pro-communist UN Ambassador, exclaimed that blacks rioted because they were hungry. If that were the case why did they steal TV sets and drive 50 new Pontiacs right out of showroom windows? You can't eat merchandise!

One black "civil rights" leader sought to justify the carnage stating that it was just another "Christmastime" for poor people.

What all this proves is that civilization in America is hanging together by a thin thread. As the minorities grow in number, & the White population drops because we are not reproducing our own

Jimmy Carter figurehead President.

STUART EIZENSTAT Shadowy White House Ruler.

"Newsweek Magazine" quotes Carter as stating, "Eizenstat is my brains!"

### Private School For Amy

#### AMY CARTER QUIETLY TAKEN OUT OF NEGRO SCHOOL

Remember all the fanfare when Pres. Carter announced that he was going to place his

Amy Carter — saved from blackboard jungle school.

own daughter Amy in a Washington, D.C. negro public school? Well, Amy did survive with the protection of up to 6 Secret Service agents right in the classroom with her. The only trouble is that she did not learn anything.

Typically the classroom was constantly disrupted and the teachers still had to spend most of their time trying to maintain discipline. Without fanfare, and with the cooperation of the daily press, Amy Carter has been enrolled in a private school which is mostly White.

We are happy for Amy but what about the hundreds of thousands of other White children who are forcibly integrated with blacks in jungle type schools? They don't even have Secret Service body guards!

If mixed schools are not good enough for the President's daughter, then they are not good enough for our children either. What's good for the goose is good for the gander. The time has come for our "leaders" to recognize the facts of life and give us back our SEGREGATED White schools for Whites and black schools for blacks!

The murderous life which exists in darkest Africa, such as the mass killings in Uganda and Ethiopia, could easily engulf America when the backward races become a physical majority.

Stopping all immigration & enforcing birth control programs on the hordes of coloreds reproducing like mice in our midst is our only chance of survival.

#### Eizenstat — The Real President

The Atlanta Journal's Washington Bureau has published a document which reveals the identity of the real President of America. Written by Andrew J. Glass, it reports that the highly publicized Hamilton Jordan and Jody Powell are mere window dressing as White House aides. The Jew Stuart Eizenstat is the man making the decisions of government behind the scenes.

Mr. Glass reports that Hamilton Jordan even admits that the press has "vastly underrated Eizenstat." He reveals that: "if the President were permitted only one adviser, that aide would be Eizenstat."

Eizenstat, 34, was very active in Zionist activities back in his home town of Atlanta, Ga. He graduated from Harvard Law School and is considered to be a Marxist. The Atlanta Journal article states that Eizenstat is "intensely serious, highly disciplined... with a deep bond (with Carter), one that is grounded in a nearly identical outlook toward many vital social questions."

Eizenstat supervises some 32 people making his the largest single staff in the White House. The Journal article states that Eizenstat sits in on all Cabinet meetings as well as those of the National Security Council. It further states that "Eizenstat advises the President freely, candidly and methodically... his memos are a vital guide in the shaping of decisions that affect billions of dollars in federal spending as well as the lives of millions of Americans."

Eizenstat has been Carter's right hand since 1970 when he handled "campaign issues" during the Georgia governor's race. He again was "issues director" during the Presidential race. This means that he decided what stand Carter would take on the issues and masterminded Carter's staged routine of taking BOTH sides on all controversial issues. This made it possible for Carter to appeal to all people because most like to feel that a candidate really believes as they do. It was one of the slickest campaigns in history when it comes to straddling the fence.

The Andrew J. Glass article only appeared in the Atlanta newspapers. Others suppressed it because they realized that herein is revealed the REAL president of America. Glass noted that Eizenstat has a "firm grip on

the flow of paper into the Oval Office as more functions come under his wing."

In other words all correspondence, congressional reports, and CIA security papers must first go through Eizenstat's hands as well as those of his mostly Jewish staff. Jimmy Carter has an extremely low I.Q. and cannot utter two sentences without pauses and mental lapses in his talk. One can easily see that Carter must have an aide who can do the detail work and make decisions. It is obvious that the actual President of the America is not Jimmy Carter but the Jew, Stuart Eizenstat.

Further decisions regarding the security of the nation and our one-sided commitments to Israel place the fate of this nation in great danger.

Negro New York looters hauled away everything in sight.

## Interracial Romance Leads To Disaster

CASE OF TWO  
BEAUTY QUEENS —  
ONE MURDERED —  
ONE DISGRACED

Miss Terri Wilson, 18, was a beautiful brown-haired June graduate of Bangor

Terri Wilson

Beauty queen murdered by her negro date.

Miss USA, Didi Ansett, weds one of the ugliest blacks she could find.

CARL LEE JOHNSON

Her killer was a sports "star".

(Mich.) High School. She had just been crowned queen of Bangor's 100th anniversary and presided over the Fourth of July parade. Hours later she slipped away from friends for a rendezvous with negro Carl Johnson. He was a basketball and football "star" at Bangor High in 1976.

They met at a South Haven bar where they were seen dancing together. Later that night her body was discovered tied up in the trunk of her car. She had been sexually assaulted and stabbed to death. Johnson had tried to destroy her body with a gasoline fire but the fuse he lit went out. He is now charged with first degree murder. Another White girl is dead because she fell for the "Big Lie" of racial equality.

### BEAUTY AND THE BEAST

Bill Russell, 43, was once a basketball "star." He has become wealthy from his commercials for the Bell Telephone Co. (Why does the phone company monopoly have to advertise in the first place?) Russell would be a

Bill Russell's wealth comes from your phone bills!

"has been" if it were not for the phone company. He is paid huge sums for senseless ads just because the phone company wishes to ingratiate itself with the blacks and force race mixing on the people.

During the filming of one such commercial, Russell met Didi Ansett, 29, of Mercer Island, Wash. She is a former Miss U.S.A. and also a victim of interracial propaganda. At their wedding Bill Russell had his three negro children with him from a previous marriage. Any children from this unnatural union will also be predominantly negroidal because negro genes are dominant over White genes at a 4 to 1 ratio. What this means is that negroes can breed us down into a race of mulattoes but we cannot breed them up into White people.

Steven Willis, called "sub-human" by police.

Johnny Randolph. His "wolf pack" specializes in attacking the defenseless elderly.

### COURTS OBSTRUCT JUSTICE

The U.S. Supreme Court ruled last month that a Mexican conviction for murder in Texas should be overturned because he had not been indicted by a Grand Jury which proportionately represented his race. His county is 79% Mexican but the Grand Jury was "only" 39% Mexican.

In Lancaster Penna., negroidal Puerto Rican L. S. Tirado had his murder conviction overturned by the State Supreme Court because "ethnic personality traits" were voiced during the trial.

L.S. Tirado

A police officer that Tirado's "machismo" trait contributed to the murder he committed. The term means that he would kill to "save face" or to save his pride.

Judge Louis Manderino's decision held that "appeals to racial or religious prejudice are especially incompatible with the concept of a fair trial."

Asst. Dist. Atty. declared: "As I recall there was not anything said that could be called an appeal to race prejudice."

Again justice is thwarted in order to insure the so-called "civil rights" of the criminal.

### DAILY PRESS CONTINUES TO SUPPRESS NEGRO CRIME NEWS

Individual crimes committed by blacks are sometimes carried in a local newspaper where many residents have learned of such outrages by word of mouth. Even the most hideous crimes are not carried by the news wire services even to nearby cities.

A headline in the San Francisco Chronicle of July 8 stated: "Sub-Human Crimes in Oakland." It reports on a series of assaults against elderly East Oakland residents so vicious that veteran police investigators termed the suspects "sub-human."

The report stated that blacks form so-called "wolf packs" and prey upon the elderly. They break into homes, rob and torture victims. Negroes Steven Willis, 17, and Johnny Randolph, 20, have been arrested in the murder of Mrs. Birdie Virginia Hall, 88, who was savagely beaten and then burned to death on June 26 in her home. They only found \$20 in cash and took her TV set. Another 80 year old woman and her 66 year old boarder were beaten and terrorized in the same neighborhood by another

"wolf pack."

Police state that often the negroes will stay in the houses for hours just to torment their victims. Capt. John Lothrop of the Oakland Police Dept. stated that there are racial overtones to such crimes "because all the victims are White." As neighborhoods become racially mixed, the terror begins. Louis Duran, 83, has been robbed twice. He states that his block was almost crime free until the blacks moved in. Police state that they have arrested 16 different wolf packs in Oakland since 1975 and all were blacks.

### OHIO MAN TORTURED & MURDERED

One of the typical vicious killings not carried by the wire services was that of Joseph Delisio, 44, of Youngstown, Ohio. Negro Clyde Neely, Jr., 19, headed this "wolf pack" and has been charged with murder. This victim's death was through torture which was so brutal that only an animalistic sub-being could commit such a fiendish crime. So that readers will not think that we are exaggerating, we reproduce the article below from the "Youngstown Vindicator" of June 23rd printed by shocking details below, but no other paper carried this news!

## Heinous Atrocity Committed

DeLisio's battered and stabbed body was found in the ball park at Glenwood Avenue and Broad Street shortly before 6 a.m. last Thursday by a man walking his dog. Detective Joseph Fajack, police juvenile division chief, and Patrolmen Robert Hudak and John Scavina rounded up three 16-year-old youths and a 17-year-old after learning their identities.

Capt. Richard Kennedy of the detective bureau said Philip and Santillo will file a warrant for the arrest of the alleged ringleader, a 19-year-old North Side youth, charging him with the murder and kidnapping.

Kennedy said the other three will be turned over to juvenile court to determine if they will be charged as adults.

The 19-year-old reportedly placed a gun at DeLisio's head and took his car keys from his pocket.

The youths got into the car with DeLisio, one of them driving up Myrtle to the side of the Electric Equipment Co. where they made the victim get out of his car and walked him to the rear of an abandoned house.

The 19-year-old ordered his companions to come to the field where he and one of the youths removed the victim's clothes and started beating him.

Killer Clyde Neely, Jr.

The ringleader struck DeLisio repeatedly on the back of the head and one youth forced the victim to commit a sexual act.

They went through DeLisio's pockets and found a switchblade knife. One youth used the victim's T-shirt to tie his hands. Then they took his shirt and belt, placed them around his neck and started pulling DeLisio and choking him. The ringleader said, "This isn't going to work." The ringleader and two of the others took turns then stabbing DeLisio in the chest.

It was also reported that the ringleader not satisfied took the knife and tried to cut DeLisio's throat. Then one of the others took the knife and attempted to emasculate DeLisio.

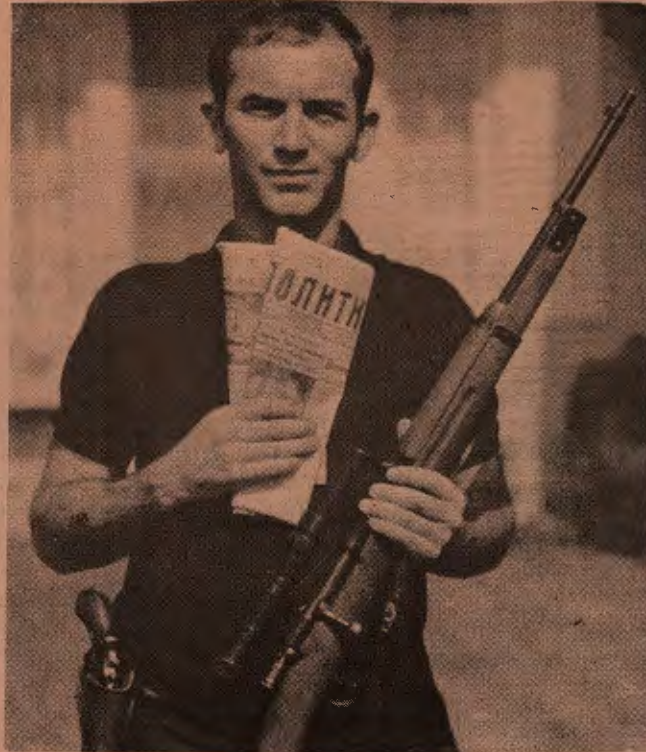

During the stabbing and beating, one youth jumped on DeLisio's stomach before they all entered the car.

# T.V. To Make Oswald Appear 'Right Wing'

## JEW POLITICAL POWER IN NEW JERSEY

There are over 2 million Jews in the New York City area. Because of the negro problem huge numbers of Jews have moved into neighboring Connecticut and New Jersey. Northern New Jersey's Bergen County has over 130,000 Jews and Essex County has over 115,000 Jews. They all vote in a bloc.

Despite the fact that State Senate President Matthew Feldman (a Jew) pled guilty to making an illegal bribe payment he still holds office and is considered second in line for the governorship of New Jersey. On April 24, 1977 the "New York Times" stated that the Jew Harry Lerner, head of the Essex County Democratic organization, is the most "important county leader in the state." What all this means is that as a Jewish settlement grows in any given area their political influence far out paces their numbers. Jews have the highest voting percentage of any ethnic group in America and are willing to spend their own money to buy political power.

John Pleshette portrays Oswald in the new TV "docudrama" produced by the Jew Lawrence Schiller. Here Pleshette holds a copy of "Izvestia". In the real photo Oswald held "The Militant," organ of the Jew dominated "Socialist Workers Party."

## OSWALD — WAS AN FBI PIMP

The best kept secret of the Kennedy Assassination was recently revealed by J. Lee Rankin who served as general counsel for the Warren Commission. Mr. Rankin states that on Jan 27, 1964, The Warren Commission met behind closed doors to discuss evidence that Oswald had been hired by the FBI and paid \$200 per month plus expenses to act as an informant on dissident Cuban groups. He turned in reports to the FBI on both pro-Castro and anti-Castro Cuban organizations and individuals.

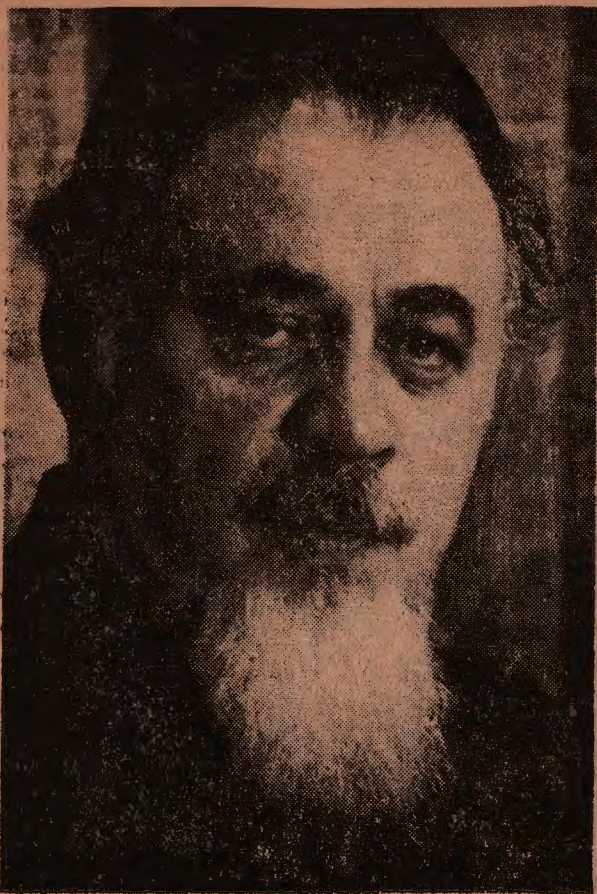

Mr. Rankin said that this information came from two "independent and reliable sources." To date this information has continued to be withheld from the public because it would "embarrass the FBI bureau" if it became generally known that a paid FBI pimp had assassinated the President. Rankin said that this is the reason the Warren Commission decided

that "they would not pursue this evidence."

The present House Assassination Committee has sought to use evidence to the effect that Oswald was in contact with some Anti-Communist Patriots to insinuate that the Right-Wing had Kennedy shot. The truth is that Oswald was a fanatical Marxist and the only reason he got in touch with any Right-Wing people was to gain information for the FBI. It should also be mentioned that Oswald sent a letter to his FBI Liaison agent in Dallas which included a threat of violence if the FBI ever visited his wife. They immediately obeyed Oswald's demand because they did not wish to blow his cover and usefulness as an FBI informant. This is also the reason why Lee Harvey Oswald's name was not on the "security index list" the FBI furnished the Secret Service. This is a list of supposedly "dangerous" persons to be watched whenever a President is in town.

## Romanian Rabbi Praises Regime

Herald-Examiner photo

Rabbi Dr. Moses Rosen, chief rabbi of Romanian Jewry, at Los Angeles press conference.

It is better to live under an antireligious, Communist regime that gives Jews human dignity than under religious governments that kill Jews and burn synagogues, said Rabbi

Dr. Moses Rosen, chief rabbi of Romania, in a press conference here.

Rosen, a member of the Rumanian Parliament and the spiritual leader of 100,000 Jews

in Romania, said, "it is possible for me to collaborate with the antireligious, materialistic governor although I am an idealist because they have saved our (Jewish) lives and are giving us human dignity."

"Before World War II the Rumanian government was religious but they killed Jews and put us in concentration camps and burned our synagogues," he added yesterday.

He said the climate of relative freedom for Romanian Jews is under one condition: "that we will not work against the government."

Those desiring to emigrate to Israel may do so, he said, adding that for those who stay the government permits organized Jewish life in 70 communities. Bucharest, the Rumanian capital, has 19 synagogues, he said.

During a two-day stay in Los Angeles, Rosen will address Rabbi Maurice Lamm's congregation at Beth Jacob in Beverly Hills.

He also will speak to the Board of Rabbis of Southern California, the board of the Jewish Federation-Council of Greater Los Angeles, and volunteers of the United Jewish Welfare Fund and Israel Emergency Fund Campaign, before flying to New York where he will address other congregations.

Rabbi Moses Rosen is a member of the Rumanian Communist Party and a member of their Parliament. While Jews are free to practice their religion in all communist countries, most all Christian churches have been closed down. Thus Jews enjoy a privileged status.

## Communist Rumania Example Of Jewish Power Behind Iron Curtain

### GERMAN VS. JEW IMMIGRATION IN RUMANIA

Much has been written about how "liberal" the communist regime is in Rumania. There are some 400,000 Germans living in Transylvania which makes up the Western part of Rumania. They are descended from the Saxons who settled there 200 years ago. Many have requested the right to immigrate back to West Germany. None have been allowed to leave the communist state.

On the other hand we have 100,000 privileged Jews who mostly live in the capital Bucharest. They are the only group which is freely allowed to practice their religion. A number of synagogues flourish, kosher butcher shops are common along with other aspects of Jewish community life. Bucharest's Yiddish theater is the oldest Yiddish theater in the world. Many Jews serve in high positions in the Rumanian government.

It is estimated that about 20,000 Jews are dissatisfied and would like to immigrate to America for economic

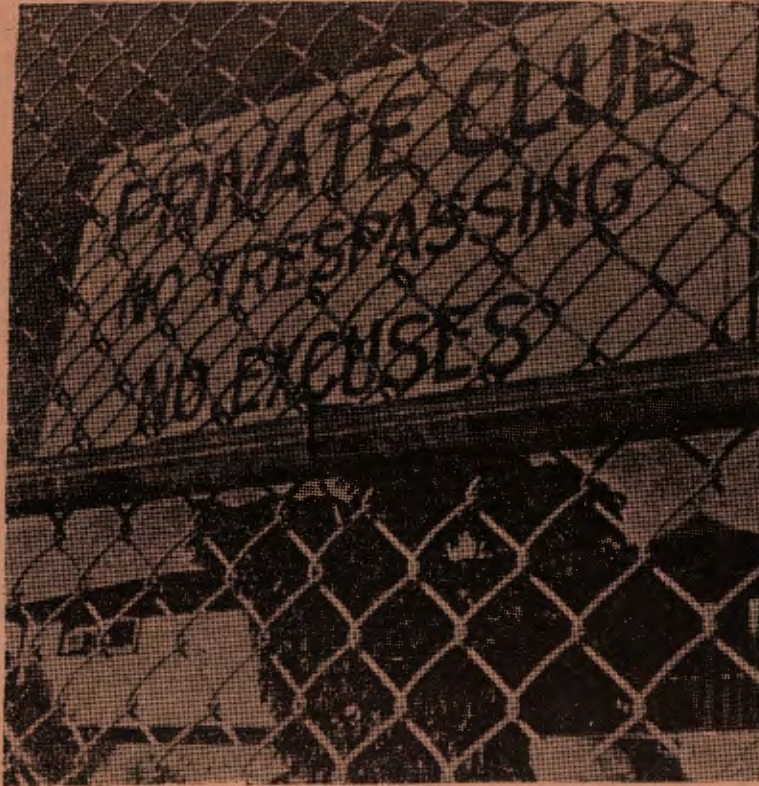

reasons. The U. S. signed a favored tariff and credit agreement with Rumania last year. This was based on their liberalizing rules for the emigration of Jews, and some 2,000 left Rumania last year. At the same time practically ALL of the 400,000 Germans want to leave and our government has done absolutely nothing to help them!

Thus Jewish influence in Washington continues to guide our foreign policy. Every move in economic relations with Russia is twisted around so that the wishes of the Jews are met. Russia and its satellites receive all the aid they so desire and the Jews are allowed to come and go as they please. It should be noted that Rumania has always maintained formal diplomatic relations with Israel and Russia is about to resume same. At the same time all Soviet military aid has been cut off from Egypt. The Moscow, Tel Aviv, Washington axis continues to run smoothly over the rights of oppressed Arabs in the Middle East, as well as over the desires for freedom of Gentiles locked behind the Iron Curtain.

# Integrate Christian—But Not Jew Clubs

By Dr. Edward R. Fields

The Jewish Anti-Defamation League is carrying on a nationwide campaign to force private Christian Country Clubs to accept Jews and colored minorities as members. At the very same time the Jews continue to maintain strictly Jewish country clubs for their own race. Ira Gissen holds the lengthy title of "Director of Discrimination Department of the Anti-Defamation League of B'nai B'rith." He states that the reason Jews want to join Christian clubs is that "major policy decisions are made at these clubs affecting business and government." In other words the Jews want "in" on all Christian business and political decisions but bar Christians from learning about plans initiated at Jewish private clubs which no-doubt would run counter to the best interests of Christians. Therefore, Jews make sure their plans be held in the strictest secrecy by Jews.

Miami's "Bay Yacht Club" still keeps Jews out, but they are under tremendous pressure to accept negroes and Jews.

that Carter's "White House Counsel," Jew lawyer Robert Lipshutz is a member of two Jewish clubs. They are the Standard Club and Progressive Club of Atlanta, and they admit no Gentiles.

The daily press headlined the charges against Griffin Bell and made a major issue of the matter. Little or nothing was said about Lipshutz' membership in the exclusive all Jew clubs.

## ATTACK ON CHRISTIAN CLUBS

In Miami, Fla. negro David Fincher and the Jew Harold S. Golden filed a suit demanding the White Christian "Bay Yacht Club" accept them and their kind as members. The 5th U. S. Circuit Court of Appeals in New Orleans ruled against their suit by a 9 to 5 vote. The negro-Jew couple stated that they would appeal the ruling

to the U. S. Supreme Court.

The Communist "Daily World," on April 2, 1977, reported that the state of Maryland, under orders from its corrupt Jew Gov. Mandel, filed suit against the Bethesda Country Club. Mandel demands this sum for back property taxes on the basis of the club's rejection of seven Jews who recently applied for membership. The Daily World hailed this new method of attack upon Christian Clubs as the "first action of its kind" to penalize private White clubs. It should be noted that the editor of "The Daily World" is the Jew Carl Winter and its owner is the Jew Herbert Aptheker. What more proof do we need to prove that Communism has not turned against the Jews?

Jonathan Club, and in New York the Maidstone Club of East Hampton, L. I., N. Y., the Meadow Club of South Hampton, L. I., N. Y., and the Larchmont Yacht Club in Larchmont, N. Y. The same dispatch quoted ADL official Ira Gissen to impress more self-hate upon Christians, he stated:

"I don't think many people can understand the heartrending nastiness of social discrimination unless they've been exposed to it themselves. These clubs have been the citadels of bigotry in the United States."

## NO CRITICISM OF "JEWS ONLY" CLUBS

There are private clubs for "Jews only" in every major city in America similar to Atlanta's Standard and Progressive Clubs. Newsweek magazine recently reported on the wealthy Jew community in Palm Springs, Calif. It noted that the Tamarisk Country Club was founded by successful Jew show business personalities such as Jack Benny and the Marx Brothers. It says that the club remains all Jewish. Why is it that Ira Gissen cannot include these clubs in his list of clubs described as "nasty . . . citadels of bigotry?"

The truth is that the Jews, as usual, want to be included in every Christian activity so that their influence can always be felt. This way no action can be taken which runs counter to Jew interests. At the very same time, they operate their own private all-Jew schools, Synagogues, (world's only religion which seeks no converts), and social clubs. Here they can secretly carry on their own plans for the promotion of Zionist rule over not only the Middle East but over America itself.

On this page we reproduce two articles, both from the "Jewish Telegraphic Agency," which is owned by the Israeli government. They viciously attacked Attorney General Griffin Bell for belonging to two private Christian clubs. Then, in a separate article they admit

## Two "JTA" Reports Reveal Hypocrisy Of Jew Attacks On Christian Clubs

### ADL upset at Bell's 'private' club tees

NEW YORK (JTA) — The Anti-Defamation League of B'nai B'rith said this week that it was "most troubled" to learn U.S. Attorney General-designate Griffin Bell is a member of two private clubs that exclude Blacks and Jews from membership and urged him "to immediately withdraw" from them.

Bell, belonged to the Piedmont Driving Club and the Capital City Club in Atlanta, Ga. He acknowledged, through the spokesman, that the Piedmont Driving Club did not accept Jews or Blacks for membership

In a statement issued here, Benjamin R. Epstein, national director of the ADL, said: "ADL is firmly opposed to clubs which discriminate on the basis of religion and race. Such practice is insulting and a degradation of American minority groups.

We strongly urge Mr. Bell to immediately withdraw from any discriminatory clubs in which he is a member."

### Lipshutz Member Of Jewish Clubs

WASHINGTON (JTA) —

President-elect Jimmy Carter said this week that his designated White House Counsel, Atlanta lawyer Robert Lipshutz, is a member of a Jewish club that "I don't think has any members who are Gentile or are blacks."

Carter's comment was made in an interview on the ABC-TV "Good Morning America" program in which the question of discriminating clubs was broached as a result of the complaints raised against Griffin Bell, another Atlanta lawyer designated to be the next U.S. Attorney General. Bell said he is resigning from two Atlanta clubs charged with barring blacks, Jews and women.

Lipshutz was not available for comment. His law office told the Jewish Telegraphic Agency that Lipshutz, who managed the financial aspects of Carter's presidential campaign, was with Carter in his island retreat off the Georgia coast.

Lipshutz is a member of Atlanta's two Jewish clubs — the Standard and the Progressive.

Robert Lipshutz

President Carter's White House lawyer. It is all right for him to be a member of private clubs for Jews only. Atty. Gen. Griffin Bell was denounced nationwide in the daily press for the same thing. Bell was publicly humiliated and forced to resign from his clubs.

## Judges Violate Anti-Busing Laws

### FORCED BUSING IS AGAINST THE LAW

Federal judges continue to issue orders requiring forced busing of pupils for the purpose of creating an artificial "racial balance." Congress has long opposed this and passed a law banning forced busing. It is Title 42 of the U.S. Code which clearly states that;

"Nothing herein shall empower any official or court of the United States to issue any order seeking to achieve a racial balance in any school by requiring the transportation of pupils or students from one school to another or one school district to

another in order to achieve racial balance."

This law is clear but ignored by federal judges. They have become dictators who hold office for life. They ignore the popular will of the people in a nation where the majority viewpoint is supposed to prevail! These judges should serve limited terms of not more than four years and be elected by the people of the judicial districts over which they serve. Only then will they begin to listen to the wishes of the people. This action is vital to bring tyrannical judges down off their haughty haunches and back to the world of reality.

# Goldwater In Arizona Crime Syndicate

## GOLDWATER LINKED TO ORGANIZED CRIME

Sen. Barry Goldwater's influence has long dominated the conservative movement in America. At the same time his vehement stand for Zionist causes and racial integration have undercut the right wing of the Republican Party. This has prevented our kind from winning any significant election victories. It is vital that we remember the fact that Goldwater is a Jew. Goldwater's disastrous defeat in 1964 took down more right-wing candidates fielded on the local level nationally than any similar attempt by Patriots to win office.

Since Goldwater first became politically active his mentor and fund raiser has been the Jew Harry Rosenzweig. A wealthy Phoenix jeweler, Rosenzweig, 69, was former Republican state chairman for 20 years. His influence was crucial in determining who would be appointed judges and prosecuting attorneys. His imprimatur was a virtual necessity in Arizona for those seeking city, county, state and federal office during Republican administrations.

Rosenzweig is connected with Jew criminals such as Herbert Lieb, 57, who came to Phoenix from Chicago to begin investing in local businesses with funds looted from the Teamsters Union Pension Fund. The money was funneled in by the notorious Allen Dorfman who has been charged with misuse of millions from the Teamsters Fund. Lieb also has been associated with the Bonanno crime family and with Aladena (Jimmy the Weasel) Fratianno, hit man, who is suspected in 16 gangland murders.

Sen. Barry Goldwater, his loyalty to Jewish underworld shocked supporters.

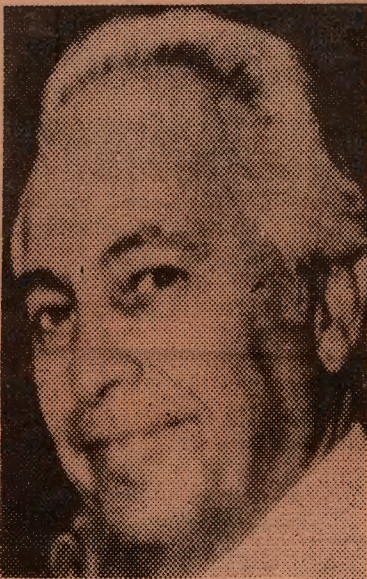

Rosenzweig and Lieb opened a popular discotheque called "Herb's Underground." Rosenzweig is listed in a Phoenix police report as having such a lock on local rackets and prostitution that even the Mafia dare not try and move in. Rosenzweig furnished prostitutes for Lieb's discotheque. In 1975 the Phoenix Chamber of Commerce named Rosenzweig "Man of The Year." In partnership with Lieb was William E. Saufley, a longtime executive in Sen. Goldwater's department store. Another of Lieb's partners is David Stevens, an interior decorator who has been in business with Robert Goldwater, brother of the Senator.

## GOLDWATER AND THE GREAT ARIZONA LAND FRAUDS

More Americans have been ripped-off by the sale of worthless desert property than were ever taken by sales of Florida swamp land. Rosenzweig and another Jew named David Rich set up Rose Garden Inc., and five

other land corporations. They purchased property at \$1,000 an acre. Then, for some mysterious reason, associates of another underworld Jew, Donald Singer, paid Rosenzweig \$5,050 an acre for the worthless land which netted Rosenzweig some \$215,000.

Rosenzweig then set up the ECS Corp. (a computer sales company.) Rosenzweig never sold a single machine but once again Singer purchased 1.7 million shares of ECS for his "Great Southwest Land Corp." Great Southwest was then able to sell lots which bilked the public out of an estimated \$5 million when the firm finally went into bankruptcy. Its President, Donald Singer, has fled the country with much of the firm's assets and has never

been found.

Rosenzweig then helped set up another rip-off deal called "Capital Management System." Rosenzweig was able to get a letter of

Ex-Rep. Sam Steiger Goldwater broke all precedents by endorsing this fellow Jew in ill-fated Senate race. They cooperated in a huge land fraud scheme.

recommendation written on U. S. Senate stationery from Sen. Barry Goldwater endorsing the property as a "good, sound, investment." Capital Management sent the letter out to tens of thousands of U. S. servicemen overseas who could not view the property. Actually it was arid, uninhabitable property, studded with cliffs. All who invested lost whatever was paid into the land fraud scheme. Confronted with the matter, Sen. Goldwater told reporters he signed the letter as a favor to Rosenzweig.

It is also of interest that Rosenzweig also was given a letter with identical wording from Arizona's Jew Congressman Sam Steiger. When the New York City born Steiger ran for the U. S. Senate against a fundamentalist Christian last year Sen.

Goldwater openly endorsed Steiger. This is the first time a senior Senator has ever endorsed a candidate for junior senator from his own state for the Senate. Goldwater even charged that Sam Steiger's opponent was an "Anti-Semite" for informing voters of his Christian beliefs as opposed to Steiger's Jew beliefs. Steiger won the Republican primary but lost to a Democrat in the general election. One can imagine the corruption which would have emerged from Arizona if we had TWO Jew Senators representing that state. It is already known as the crime capital of the Southwest.

Sen. Barry Goldwater is being investigated as a result of the murder of news reporter Don Bolles of the "Arizona Republic." Bolles was tracing underworld crime connections at the time he died as a result of a bomb connected to his auto ignition. The top crime figures in Arizona include Goldwater's close friend and long time state Republican Party chairman Harry Rosenzweig. Another Arizona crime chief was Gus Greenbaum whose funeral Goldwater attended. Goldwater later used his influence to obtain a light sentence for Greenbaum's successor, Mike Newman, convicted on a gambling charge.

Patriots often wonder what destroyed the Right Wing of the Republican Party which allowed the left wing to gain control under Nixon, Ford and Rockefeller. We place the responsibility for this demise of conservative influence squarely at the doorstep of that phony, kosher conservative, Sen. Barry Goldwater. We would like to remind our readers that back in 1964, when Goldwater ran for the Presidency, The Thunderbolt was one of the few Rightist publications to oppose him.

(Important — next issue: "Goldwater and His Importation of Illegal Mexican Immigrants into America.")

## MORE ABUSE FOR POLICE

A negro convicted of disorderly conduct for calling a police officer a "jiveass cop" appealed to the federal court. U. S. District Court Judge Gerhard A. Gesell overturned the conviction stating: "Such words do not create a substantial risk of violence and are in fact every day expressions that punctuate every day street language."

Of course this is confined to negroes who make up the element causing over 90% of all crimes of violence in our cities. No doubt this latest federal court decision will mean further hardship for law enforcement officers.

## How To Remember The NSRP In Your Will!

### YOU CAN FIGHT ON AFTER DEATH

We are all in this struggle for the preservation of the White Race because we are concerned not for ourselves but for what will exist here for our unborn generations of White children yet to come. If we only thought of ourselves we could enjoy the pleasures of life today and care not what we leave for our blood kin who will come after us. Therefore it is for the security of society and the future that we are working to insure for tomorrow. We owe this to our posterity!

You can continue to help in this work long after you have departed this life. Our life span in the eyes of God is but that of a falling star when one considers how long the White Race has existed on this earth. It remains a question of just how much we can accomplish for the White Race while we are on this earth. Will we leave our "mark" while we are alive or will our existence have been in vain? You can determine that by what you do now during this life, as well as what you do in the future even after you have departed this life.

All supporters of the National States Rights Party know that this is the oldest, largest, boldest and most effective White peoples organization in America standing up for maintaining the PURITY OF THE WHITE RACE! Therefore,

anything you do now, or in the future, to help this organization with its many projects will aid the great cause to which we have all dedicated our lives. Therefore all who are in a position to remember the NSRP in their will should give this their most serious consideration. The following are suggested forms of bequests which you can include in your will:

a) I bequeath to Attorney J. B. Stoner and/or Dr. E. R. Fields as trustees for National States Rights Party, with offices at 591 Cherokee St., Marietta, Ga. 30060, the sum of \$ \_\_\_\_\_ for its general purposes.

b) I bequeath to Attorney J. B. Stoner and/or Dr. E. R. Fields as trustees for National States Rights Party, Box 1211, Marietta, Ga. 30060, the following described property \_\_\_\_\_ for its general purposes.

Your will should be drawn by a competent attorney so that your wishes will be carried out as you so desire and not by a Probate Court. When you have made out such a will you should inform Attorney Stoner and let him know who the executor of your estate is. We are but one link in the mighty long chain which makes possible the continuation of the White Race and through such action you can insure that this movement continues on into the future.

### DR. FIELDS ADDRESSES "EUROPEAN CONGRESS" IN BELGIUM

On July 2 & 3, Dr. Edward R. Fields, Secretary of the National States Rights Party met in Diksmuide, Belgium with representatives of White Patriotic groups from all over Europe. They came from nearly every free Western country in Europe and the Congress was held on the same weekend that the Flemish people celebrated their "National Day" at the foot of the gigantic monument which stands in Diksmuide.

Dr. Fields was privileged in being named as one of the eight main speakers to address the Congress. The huge hall was packed and those in attendance applauded in agreement with our assertion that colored immigration into Europe is one of the greatest threats facing the survival of the White Race. Mr. Ray Reimer, NSRP Leader in the San Francisco Bay Area, joined us in Diksmuide and worked as our cameraman in filming the talks and other events. The NSRP will soon have a one hour movie of our speaking tour in Europe which will be presented at meetings of NSRP Chapters from coast to coast.

Diksmuide was better organized this year and all the credit must go to Mr. Roger Spinnewijn, one of the leaders of the Flemish Militant Order (V.M.O.d). More important than the speeches and parades was the invaluable contacts which we made that will insure mutual cooperation between White racist groups for years to come.

We must mention the deeply moving ceremony at the Landmark cemetery where over 42,000 young German student reservists lie buried from the carnage of World War One. Flemish, French, British and German groups merged to honor the youths who died and issued a pledge that White Europeans shall never, ever, fight one another ever again. A true spirit of White Racial Brotherhood was present at all of these proceedings.

### NATIONAL FRONT GAINS IN ENGLAND

Equally as important as

After the Belgium Drum & Bugle Corps play taps, a German Patriot reads eulogy to the thousands who perished here in that terrible, fruitless, war.

London's East End N.F. branch was jammed as Dr. Fields spoke. This is the meeting Mr. Ray Reimer made a movie of.

Dr. Fields' visit to Belgium were the four National Front meetings he addressed in England. The National Front (NF) has surged into prominence in England replacing the Liberal Party as the third most powerful political party in that country. Great Britain has been flooded with as many as 6 million colored immigrants. They are to be seen everywhere in this once beautiful all-White country. The very thought that this great nation, which gave civilization and democracy to so much of the world, might become a mongrel cesspool like Calcutta, India, is quite a shock.

The coloreds come from the West Indies and Africa, as well as India, Pakistan and Bangladesh. They are to be seen everywhere, even in the most far outposts of Great Britain. For this very reason thousands of Whites are joining the ranks of the National Front. This organization has literally "caught fire" and its membership has skyrocketed. There can be little doubt that the NF has become the largest White racist organization in the world which has the opportunity of achieving actual political power in the

## Pregnant Woman's Slayer Released

By Jonathan Neumann  
Inquirer Staff Writer

Winifred Ransom, who admitted that she bludgeoned a pregnant woman to death two years ago and removed the woman's unborn baby with a butcher knife, is free today, after 20 months of treatment in a mental institution.

A spokesman for Byberry State Hospital said yesterday that Mrs. Ransom, 38, who was acquitted of murder on the ground of insanity, had been released two weeks ago, after doctors determined that she was no longer insane. The doctors, who were compelled by law to release Mrs. Ransom at her request, did not inform the court or the district attorney's office of her release.

"She was released?" Joseph Murray, chief of homicide for the district attorney's office, asked in an interview yesterday. "How about that! That's unbelievable. Unbelievable. It defies the imagination. How could a woman that sick one day, be well the next day? I don't believe it!"

Common Pleas Court Judge Juanita Kidd Stout, who acquitted Mrs. Ransom in July 1975 after hearing testimony from several psychiatrists, said yesterday: "It's really a sad state of affairs. I was not notified (of her release), but it wouldn't do any good anyway. Under the law I can do absolutely nothing in the Ransom case at this point."

Mrs. Ransom admitted shooting and bludgeoning Mrs. Margaret Sweeney, 26, with whom she had become friendly, and then removing her unborn baby in a butcher-knife cesarean in ovember 1974.

# Fiendish Killer Serves 20 Months

"Philadelphia Magazine" in a 15-page story printed above sketch of what they called the city's "crime of the century." It depicts the Ransom woman cutting open Mrs. Sweeney's stomach to remove the unborn baby. Now she has been freed by a Jew doctor who claims to have "cured" her.

## CAESAREAN KILLER SERVES ONLY 20 MONTHS

The brutal murder of a pregnant White woman, Mrs. Peggy Sweeney, and the removal of her 8½ month old unborn baby, was described as one of the most horrifying murders in Philadelphia history. "Philadelphia

Winifred Ransom

Free and Back on  
the Street!

Magazine" described it this way: "Without the benefit of medicine her pregnant body was butchered like a side of beef."

The killer, negress Winifred Ransom, could have no children and had read that Sharon Tate's unborn baby could have survived if her killers had properly taken care of her son when the Manson gang cut her stomach open. Amazingly, Peggy Sweeney's baby lived after the mother was buried under the negro woman's floor.

When arrested the court found Winifred Ransom legally insane. Soon, prosecution and court officials were aghast to learn that psychiatrists had proclaimed her "cured" after only 17 months at the hospital. Dr. Albert Soloman, a Jew, declared her sane and released the killer to return home. Shocked, the district attorney's office said they were opposed to the early release "due to the horrendous nature of the offense."

Thus, one of the most horrible murderers in the annals of crime is now free on the streets of Philadelphia where she may strike down another innocent White victim.

The Sunday "Atlanta Constitution-Journal" ran off a few thousand copies describing the murder of Mrs. Sweeney and then cut the article out because it might be embarrassing to the members of the black community. Thus, freedom of the press dies and vicious race killers are freed to roam the streets.

## Book Review —

# Best Seller—Truth On W.W. II

### NEW BOOK DEBUNKS ANTI-HITLER LIES

"Adolf Hitler" is the new bombshell by renowned author John Toland. This 1,000 page book, published by Doubleday, \$15 per copy, is available in all book-stores. Overnight the new Hitler book has become a national best seller. It debunks many of the vicious falsehoods which Jewish controlled Hollywood launched against Hitler before World War II and have continued on TV movie reruns through this day.

Some of the repetitious and spurious lies exposed by Toland include the fact that Hitler was never a paperhanger but was a competent artist who once earned a living selling skillful drawings. He never chewed rugs, led a normal sex life, and was not a deviate. These were oft repeated charges circulated mainly by the Jews.

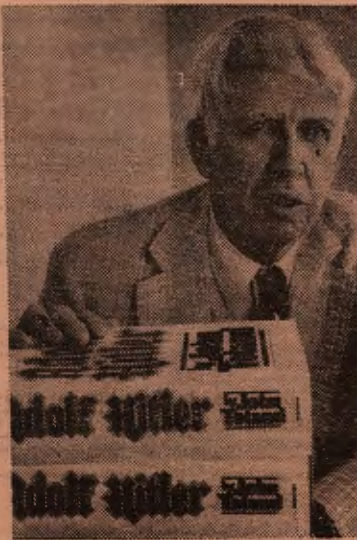

John Toland, a Pulitzer prize winning author, interviewed 150 of Hitler's closest living associates and relatives. He discovered that Hitler's grand-nephew, William Patrick Hitler, lives today on Long Island, N.Y. and proudly named his son

Adolf. Hitler had a normal childhood, he was popular with schoolmates, studious, adventurous, and displayed leadership ability.

During World War I Toland says Adolf Hitler displayed courage and staying-power and "deserved his Iron Cross award." He was considered an efficient soldier and a "good comrade." Hitler suffered temporary blindness from poison gas during the war.

Mr. Toland also found Hitler to be a dutiful son, sensitive and loving, which was displayed by his attentiveness to his mother. He maintained a tireless vigil over his mother while she slowly died of cancer.

Hitler's contributions toward today's improved living standards include his building of the famous autobahns after which our expressways and interstate highway systems are patterned. Hitler thought up the idea of an inexpensive "people's car," the Volkswagen, and approved its design. Today, 30 years later, his car is seen running in every nation in the world. Hitler pushed the development of the rockets

AUTHOR John Toland and  
his new best seller.

which were brought to Huntsville, Ala.; after the war. They were the same design of later types that Hitler's scientists developed which eventually carried man into outer space.

Toland says that Adolph Hitler was "not a crackpot who somehow stumbled onto the stage of world history." He found Hitler to be an "extraor-

inary and talented man." Toland's investigations found Hitler to be a "supreme orator whose performances were spellbinding and his psychology brilliantly perceptive." His decisions were "bold and imaginative."

Hitler was able to lift Germany out of the depression by dropping out of the international banking system and going to a barter system of trade. This is when international Jewish finance first declared war on Germany in 1933.

Other revelations by Toland which contradict past anti-German slanders include the truth that martyr Horst Wessel who was murdered by the communists was not a pimp for a prostitute. Hitler's own men never did burn down the Reichstag building. The Rotterdam bombing of 1940, which was a Luftwaffe mistake, never killed anywhere near the 30,000 people claimed by the allies. (Probably less than 1,000.) It was the British and not the Germans who first violated the agreement to limit bombing to military targets.

The truth in history always rises to the top with the passage of time. Adolf Hitler's attempt to strike down the twin evils of Marxist Communism and Marxist Zionism would have saved the entire world from the threat to peace that both ideologues now pose.

## Answer To America's Problem?

### PAY COLOREDS TO LEAVE ENGLAND

Member of Parliament Enoch Powell addressing the Conservative Club urged support for his new measure which would pay \$1,700 each to one million non-Whites in England if they would return to their native Asian and African homelands.

There are over 4 million coloreds in Britain and Powell stated that if this number is not reduced the alternative would be "catastrophic widespread violence entrenched in a divided community. The root cause is the existing magnitude of the Asian and African population."

If England could implement such a repatriation program it would also greatly alleviate her welfare costs and help reverse that nation's depressed economy. America's problems of crime and inflation can also be traced to the vast hordes of negroes living off our welfare and poverty aid programs. If you wish to study the National States Rights Party's "Back To Africa" program, (10,000 words, plus quotes from famous people on the subject), then send 25 cents for your copy to The Thunderbolt, Box 1211, Marietta, Ga. 30061.

# Jews Buy From Jews — Yet Attack Christians Who Do The Same Thing

## JEW'S FIGHT "BUY CHRISTIAN" YELLOW PAGES

The Jewish Telegraphic Agency reports that "two major Jewish organizations are engaged in combating anti-Semitism as well as in fighting discrimination. They are The American Jewish Committee and Jewish Anti-Defamation League." The Jews charge that ultra-conservatives and evangelicals are circulating

"Christian Yellow Pages" in 25 major cities.

The directory is distributed free through churches and religious bookshops. The Jew ADL says that more than 1 million Christian Yellow Pages are now in circulation. They charge that "Buy Christian" is the same as advocating a "boycott of Jews." The ADL says that the end result could be "disastrous" to Jew businessmen. They further

claim that this could spread to housing, employment and other areas of public life.

The Jews do not go into the subject of the two "Jewish Yellow Pages" directories informing Jews of firms selling kosher food products and other Jewish services. It is obvious such firms are Jew owned. Since this is the case why are the Jews so upset when Christians band together to support their own kind in business? Since Jews

buy only from fellow Jews why is it not right for Christians to buy from fellow Christians whenever possible?

It is also a well known fact that when Jews have direct competition from Christian businessmen they often band together so that they can either force the Christian businessman into bankruptcy or to his knees financially so that the Jews can then buy him out at a fire sale price.

"Christian Yellow Pages" are available in 25 cities including San Francisco, Oakland, Fresno, San Jose, Sacramento, Miami, Atlanta, Dallas, Ft. Worth, Portland, Ohio cities of Toledo, Columbus, also San Diego, Tucson, Phoenix, Minneapolis St. Paul and Chicago. Jews have been able to prevent "Christian Yellow Pages" in New York, Los Angeles, and all the cities of New England. They subtly have informed Christian businessmen not to participate in such Christian programs.

## CHRIST-CENTERED POLITICAL CANDIDATES

A "Vote Christian" drive was undertaken for the very first time during the last election. This greatly upset the American Jewish Committee. Rabbi Marc H. Tannenbaum closely monitored this Christian effort. He reported that of 21 Christian endorsed candidates offered by evangelical and fundamentalist groups 2 were elected to Congress.

The active "California Christians Active Politically" backed 10 "qualified Christians" for the state legislature. They were successful in electing 4 to office. Pat Matrisciana of Concord, Calif., stated that they "would not back anyone who does not put Christ first."

Patriots should not be intimidated by the threats by the Jewish ADL that they will smear you as an anti-Semite. We should make the "Buy Christian" and "Vote Christian" campaign a national battle cry. Remember that Jew businessmen pay much less in taxes than do Christians because they give enough to United Jewish Appeal and other Israeli fund drives to lower their taxes to a minimum. The time has come to elect Christians to office who will not work with Jewish groups in activities which undermine Christianity in America. This publication has documented hundreds of cases in which Jews have sought to neutralize Christianity. Jews have even stated that fundamentalists are the chief cause of anti-Semitism in America. As the move toward evangelical Christianity continues to grow in America so will the Jewish opposition to all that is Christ-oriented. The confrontation between the forces of Jesus Christ and those of the Anti-Christ is growing closer with each passing day. There can be little doubt on whose side the final victory will be tallied!

## Jews assail 'Christian Yellow pages'

By James Robison  
Religion editor

THE CIRCULATION of more than a half-million business directories—called "Christian Yellow Pages"—nationwide has met with stiff resistance from some in Jewish circles who view the publications as a "new twist in religious discrimination."

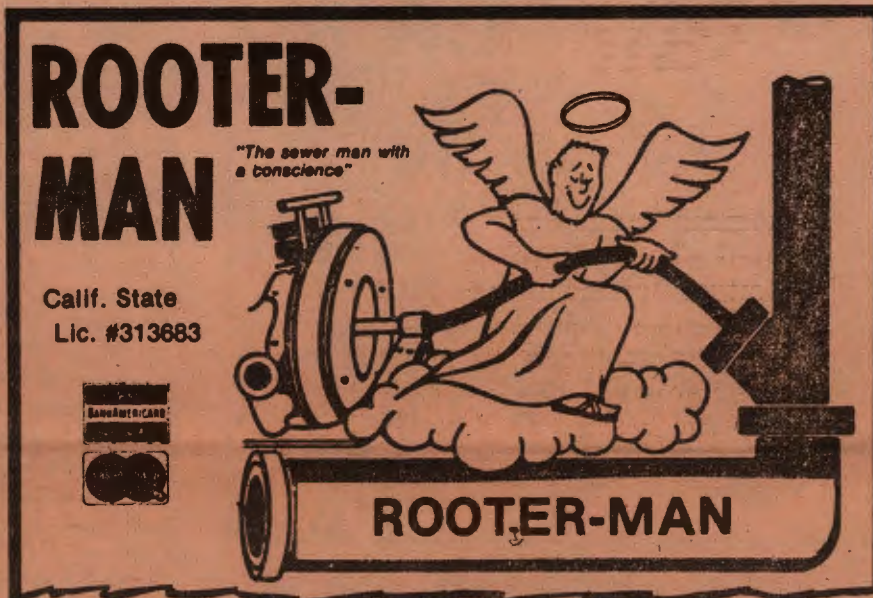

The Anti-Defamation League of B'nai B'rith says a "historic parallel" exists between the "buy Christian" directories that urge patronization of only Christian businesses wherever possible and "Hitler's campaign against the Jews [which] began . . . with a boycott of Jewish stores."

Irwin Suall, author of an ADL report on this latest spinoff of the "born-again" religious boom in America, says, "When consumers are urged to inquire into the religious beliefs of those with whom they do business and to practice discrimination on the basis of religion, the consequence inevitably will be religious division, resentment, and conflict in the business community."

JAMIE BUCKINGHAM, an influential leader of Christian evangelicals, counters the Jewish charges in a promotional brochure circulated by CYP publishers. "The Jews of America, who have always been a persecuted minority, have built financial empires by adhering to this principle [of buying from their own]," Buckingham says. "Now, in the midst of a rapidly expanding secular society Christians are also becoming a persecuted minority. We need to take a lesson from our Jewish friends."

Christian business directories, which look much like telephone company's yellow pages, are being circulated by two companies in more than 18 cities including Miami, San Francisco, Minneapolis, Chicago, Portland, Dallas, and Atlanta with plans for expansion into more than two dozen new markets.

ADVERTISING in the Christian Yel-

Christian Yellow Pages advertiser Rooter-Man tells Sacramento area residents he's "the sewer man with a conscience."

low Pages costs about a fifth of an ad in the telephone company pages, CYP publishers say. Space is limited to those businessmen who sign a statement attesting to their "born-again" status as Christians.

In addition to signing such statements, many of the advertisers carry their beliefs into their ad copy.

One realty company offers services "where dedication and prayer accompany each sale or listing." An upholsterer says his staff is composed of "all Christian employes," while a drain-cleaning service claims to provide "the sewer man with a conscience."

The CYP promotional brochure explains, "It is out of harmony with Kingdom principles for a Christian to give his business to those who are part of the anti-Christ system simply because he can get a 'better deal'. Christians should give their business to other Christians,

if at all possible."

The CYP concept apparently was developed by Portland businessman Paul Seely in the early 1970s. Now, most of the business has been turned over to W. R. Thomson of Modesto, Cal., who coordinates CYP publications in eight national regions.

"TO THOSE who still do not see, and hence still think us narrow or rude or un-American," says CYP founder Seely, "we can only say, 'We must obey our conscience. We must obey God rather than men.' We can only ask that you take no action and make no statutes prohibiting us the free exercise of our religion."

Nevertheless, Arnold Forster, the Anti-Defamation League's general counsel, says the group is studying the possibility of bringing legal action against the "buy Christian" directories on grounds on unlawful discrimination.

## Everything's A "Business" To The Jews

### "TEMPLE A BUSINESS," SAYS RABBI

Two thousand years ago Jesus threw the moneychangers out of the temple.

Today they are back.

Synagogues "have to be run like a business," declared the Rabbi of Temple Beth Jacob in Miami recently.

This comment grew out of a court case in which the temple sued Mr. and Mrs. Richard Kaufman for non-payment of

their synagogue pledge. The Kaufmans had been dues paying members until they were pinched in the 1974 recession. "It came to a choice between paying the synagogue and paying the mortgage," said Mrs. Kaufman. "We paid the mortgage."

"But we can't exist on people owing us money," whined Samuel Madanes, the congregation's vice president. Sheldon Mills, executive director of the temple, added: "Judaism

is not a business, but where it is housed."

Judge Edward Swanko (race undetermined) ordered the Kaufmans to pay \$90 to the temple for back dues. "Temple must exist," he said. "We must have religion."

Mrs. Kaufman's comment was: "They'll have to come and get it."

Mills told the press that he had received calls from several other synagogues all over the

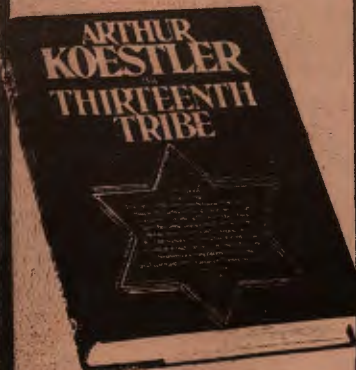

country asking him to keep them posted on the case and its outcome. Apparently the moneychangers are going to use the Kaufman case to ritually extract money from their backsliders.

It has been debated for hundreds of years whether the Jews are a race, a religion, or a nation. Now the truth is out in the open for all to see. Judaism is a business — and a very profitable one!

Some ministers have preached for years that the Zionist state is a Biblical plan for the Jews to return to their homeland. Now the new Jewish book, "Thirteenth Tribe," states Jews are of the Khazar's of Russia and not descended from the Israelites of the Bible.

## PRO-ZIONIST MINISTERS OUT ON A LIMB

For years many false preachers have been telling their congregations that the return of the Jews to Palestine was a part of Biblical prophecy. Thus many Christians were persuaded to support political Zionism which has turned out to be one of the most dangerous Marxist movements ever founded. True Christians know that white Christians are true inheritors of the promises made to Abraham in the Old Testament. Now many ministers are beginning to worry because their teaching that Jews, instead of Christians, are "God's Chosen People" is beginning to fall apart. The State of Israel itself is falling apart.

In order to prepare the people for what might be the final collapse of the Zionist State, both politically and financially, the Jews have allowed the circulation of the book, "The Thirteenth Tribe."

Some years ago, Benjamin Friedman, a Jew who converted to the Catholic Faith wrote a booklet entitled "Facts Are Facts." (Available from The Thunderbolt, \$1.50 per copy.) This book documented the fact that Ashkanazi Jews from Eastern Europe are members of the Asian-Turko tribe known as the Khazars. Their ancestors never lived in the Holy Land and are in no way related to those who did. The Khazars converted to Judaism about the year 800 AD. Because of this, Friedman was denounced as an "anti-Semitic Jew!"

Today everything has changed and the Jews are admitting that they are indeed Russian Khazars just as Benjamin Friedman charged years ago. "The Thirteenth Tribe" documents the history of the Khazars and how they were dispersed over Western Russia, Poland, Germany, Hungary, Rumania, etc., by Genghis Khan and the hordes from Asia.

The author of this book is Arthur Koestler. He is considered one of the most influential Jew writers in the world. Those purchasing the book are mostly Jews. (It is available from The Thunderbolt in hard cover at \$9.00 per copy.) What the Jews seem to be doing is preparing their own people for an eventual change in the world position of Israel. Today over 60% of all Jews who leave Russia are coming to America and are not going to Israel. There are more Jews leaving Israel for America than entering the country from other nations. Most of the Jews leaving Israel are in their child bearing years, the 20's, and 30's. This is why the marriage in Israel rate dropped by 10% in 1976 from 1975. There are fewer young Jews in Israel — they are all over here.

Jews want fellow Jews to know that they have now decided that the U. S. A. and not Palestine is their real "Promised Land." Israel may be maintained as some kind of military outpost and symbol of the Jewish nation but most Jews have accepted the fact that parasites cannot exist upon other parasites and they have no intention of making that country their homeland.

This poses a surprise problem for pro-Zionist ministers in Christian churches. How are they going to explain this new turn in events to their congregations? Israel is no longer going to be the homeland for all Jews. They want to come to America because they can make more money here. This certainly will quickly destroy the Jew's BIG LIE that Israel is the destination of all Jews. The truth can be found in our Christian Identity literature list. Basically we believe that White Christians are God's truly "Chosen People" and the Jews are a clever and motley tribe of Turko-Asian Khazars who tripped upon the idea of deceiving Christians into worshiping Jews as "God's Chosen People." This is nothing but a diabolical hoax which has been promoted by many misguided Christian ministers and this is the cause of many of our problems and the reason the Jews have such great influence.

### NOTES

#### CENSURE FOR TELLING THE TRUTH?

The Black Congressional Caucus is demanding that Patriotic Congressman John Ashbrook be censured for a recent remark he made at a private meeting discussing the future of the House Assassination Committee. Ashbrook stated that he opposed the committee wasting time and money "investigating the murder of some nigger." He is right because most Americans do not care who killed M. L. King or why. They are just happy that he is gone!

... Jew Ben Greenberg heads the Advertising Council, Inc. which is the agency that coordinates so-called public service ads which are broadcast free by T.V. stations. Many of them have "brotherhood themes" encouraging race mixing. Rep. John Dingell charges Greenberg misspent much of a \$602,000 government contract for the "Don't Be Fuelish" conservation ads. Congressman Dingell says: "Much of the money actually went for expensive meals, first-class travel, tuxedo rentals and entertainment of girls." ...

# "C.B." Monitors Race Crisis

## CB RADIO REVEALS RACE PROBLEMS

American CB Radio Assn., president Mike McCormack of Columbia, Mo., states that racial animosity has surfaced nationwide on Citizens Band airwaves, Mr. McCormack stated:

"You can pass all the open housing laws you want to, but you can't force someone to talk to someone else on the radio. When a black tries to talk on a White channel, the result is often abusive language, ugly racial epithets, and outright promises of physical violence.

"These prejudices and confrontations are growing every day. You can detect who owns which channels by the articulation and language the people use. In Dallas I heard a black try to talk on Channel 19, which is primarily a White truckers' channel, and before he could even get a sentence out three

guys had made fun of him, made slurs about his color."

### WARNING — DO NOT SOCIALIZE WITH BLACKS OVER CB!

A reader in Legonier, Indiana reports that a young 17 years old White girl got friendly with a negro trucker over her CB. The next thing she knew he found out where she lived and one day knocked on her door saying "here I is!" The end result is that her life has been ruined because she now has a black baby to take care of.

The reader stated that anytime he hears a negro trying to get friendly with a White woman over CB, he breaks in and lets the negro know that he is overstepping his bounds and better watch his step. This CB'er also has used the airwaves to spread information about the negro problem. He also urges all those listening to write "The Thunderbolt", Marietta, Ga., for a free sample copy. That is all the address you

need and we will be sure to rush all inquiries a sample issue as soon as such letters arrive.

Send us reports on your CB experiences on the racial issue and your advice so that we can let others know. CB radio is a good way to reach new people and is always a good means of protection in times of emergency.

# Dr. Fields In Europe —

(Continued from Page 7)

Two youth activists from the French "Front Nationale" visit the British NF and help with the Brick Lane newspaper drive.

foreseeable future.

Hackney Branch of the NF was the scene of our first talk. The hall was jam-packed. Dr. Fields' message dealt with the history and accomplishments of the White Race and the fire consequences mongrelization posed to our future existence. The standing ovation at the end of the meeting was most heartening.

East London Branch was our next meeting and this area has been hit hard with negro and asian immigration. We were taken down one street and told that it was actually possible to smell the

immigrants in their apartments — to our surprise WE COULD! The stench was revolting. The hellhole of India has indeed penetrated the very heart of London.

The hall was crowded with many standing. Mr. Reimer filmed the meeting and it was an electrifying experience for us. These men are filled with dedication. They are determined that Great Britain shall not be destroyed through mongrelization of their race. Over half the audience was under 30 years of age. The National Front was in the

# How "Women's Lib" ERA Really Works

## ERA RESULT — BLACK GUARDS IN WOMEN'S PRISON

New York State adopted the Equal Rights Amendment daily news almost every day during our stay as the press sought to diffuse the popular response they have received from the public.

Dewsbury and Manchester were the scenes of two more meetings. Again the halls were filled to capacity and the reception we received was an overwhelming one. The NF people showed their deep appreciation for the support the NSRP has given them. We simply recognize that the NF has the leadership that has enabled a new movement to capture the spirit of a nation.

National Front leader, John Tyndall, kindly granted us an interview which Mr. Reimer recorded on film. It was an inspiring message to the American people. We hope to soon meet with you and let this movie give you the real feeling of the new wave of White Racism which is sweeping England and may well save that nation in this its truly darkest hour.

ment and Benjamin Ward, State Prison Commissioner, ordered that there be no "sexual identity of officers in their choice of prisons where they wish to work." As a result 47 women are now assigned to duty in men's prisons and 45 men are working at the women's prison at Bedford Hills, N. Y.

Many of the men at the women's prison are negroes. As a result 4 women prisoners have sued in federal court, in a class action, in behalf of the 400 women incarcerated there. They object to the posting of men guards in toilet facilities and clinics "where women are unnecessarily and involuntarily exposed in the nude to male guards."

The suit also states that the cell doors and windows are not permitted to have curtains and thus women "are continuously exposed to the uninvited gaze of men correction officers."

It should be noted that the voters of New York State soundly defeated ERA in a referendum by more than 2 to 1. Still this has not stopped the bureaucrats from imposing ERA on the people. If the ERA amendment is

adopted, the problem of men being stationed in women's prisons, and even sexually integrated prisons will be a reality in the communist slave state Marxists have planned for our future.

## INVESTIGATE ISRAELI LOBBY — NOT K.C.I.A.

The leftist news media continues to harp on South Korea because that is an anti-communist nation. Their KCIA may have made small financial gifts to political figures in this country who were friendly toward that nation. This is nothing more than U.S. big business and our own CIA has done in the past.

Those guilty of buying politicians wholesale are the Israeli Lobby and leaders of the Jewish community in America. For years Jews have paid exorbitant sums to those politicians supporting Zionism under the guise of "speaking fees." Free trips to Israel, and cash gifts have lavishly bestowed upon "goyim" (Jewstooge) individuals.

The Jewish community has been the deciding factor in many a U.S. election by throwing their votes and campaign donations to whichever politician stoops to being the most pro-Jewish.

### "Legacy Of The Melting Pot"

By Attorney Drew L. Smith

225 Pages

The only book giving the full story on the Kennedy Immigration Law of 1965 and how it has resulted in a flood of non-White immigration which is inundating America. Drew Smith shows how the White Race will end up being a minority in its own homeland unless this vast tide of blacks, Asians and South America mongrels are not stopped from pouring across our borders. Today two thirds of all arriving immigrants are non-White!
