

Andrew Young Tests Carter's True Views on Public

Young's Stand for Communism

America's U.N. Ambassador Andrew Young has publicly supported communist troops being sent to Africa. He has urged the destruction of Western civilization. This is fully documented in the article below. The real significance here is that Andrew Young is not just a maverick voice in our government. When he speaks, he is actually delivering the true views of President Jimmy Carter!

In Young's interview in *Playboy* magazine he admitted that he was a "point man" for Carter. In other words, he is not simply running his mouth, but these radical views are "feelers" for Carter. It determines just how far he can go to the left without incurring the wrath of the American people.

U.N. Ambassador Andrew Young gets together with Carter to see just how they can move America to the left.

If Young were actually embarrassing the President, he could easily be removed tomorrow. Remember when Maj. Gen. John Singlaub of our South Korean Military Command declared that the withdrawal of U.S. troops from that nation would invite a communist invasion by North Korea? Carter immediately removed him from his post. On the other hand, the daily press has deliberately downplayed several statements by Carter that Young does indeed represent administration policy.

The Young - Carter Stand

The following are significant stands taken by Andrew Young which support communist victory and destruction of American liberty and freedom:

1) Young first shocked the nation with his statement that communist Cuban troops "bring a certain stability and order to Angola." Carter's response was: "I do agree. They obviously stabilized the situation."

Asked if U.S. forces might be used if the Reds seemed on the verge of overrunning Rhodesia, Young replied that our army is now almost 30% black and he predicted that such a love would result in a black revolt that would become a "civil war at home." Here Young has actually incited rebellion and high treason within our military. When asked about this, the whimpering Jimmy Carter replied: "Young is the finest public servant I have ever known."

2) When Young was asked about Cuban forces moving into Ethiopia's capital in the midst of the present civil war, he said that this was good because "they might bring an end to the killing." Young went on to declare that the American people "have a kind of paranoia about communism and the Russian presence in Africa." He said that the U.S. should send foreign aid to needy black African nations regardless of their form of government.

Further, Young added: "Most colored peoples of the world are not afraid of Communism. Maybe that's wrong, but Communism has never been a threat to me...It's never been a threat. Racism has always been the threat -- and that has been the real enemy of all of my life." (sic)

Destroy Western Civilization

Andrew Young's even more violent views were revealed before he was elected to Congress. In 1970 on an ABC-TV show Young was asked about his views on the Black Panther Party and he replied: "Western technology and Western militarism so interfered with the right of real freedom in Africa and Asia that it may take the destruction of Western civilization to allow the rest of the world to really emerge as a free and brotherly society. And if the White West is incapable of brotherhood with colored peoples, then this small body of colored peoples -- black people within the White West -- may be the revolutionary vanguard that God has ordained to destroy the whole thing."

Canal Treaty A Sell Out!

SAVE THE PANAMA CANAL

When Jimmy Carter was campaigning for President he gave the American people his solemn pledge he would "never surrender" the Panama Canal. He even attacked President Ford for bargaining away our rights over the Canal. Now Carter has presented to the U.S. Senate an agreement which will turn over full control of the Panama Canal to a Cuban run Marxist regime by the year 1999. On top of this sell-out of sovereign American territory, Carter has agreed to the blackmail demands of Panama's communist dictator, General Torrijos. Torrijos has a Jew wife. This is what Carter's proposed new treaty would do:

1) Immediately upon ratification of the treaty we turn over to Panama 60% of the 648 sq. mile Canal zone.
2) We must phase out all 14 military bases by 1999 but must allow the Panamanians to take over operation of the Canal company by 1990. **That is just 13 years off.**

3) We will even pay the Panamanians to take our Canal away from us! For the few years we have left operating the Canal, the U.S. will raise our current payments to Panama from \$2.3 million to \$70 million per year. We will also guarantee them \$300 million in loans from our Export-Import bank. We will also build up their army.

If we should agree to this extortion it would be far cheaper for the poor American taxpayer for us to step out tomorrow and pay the Panamanians nothing! We have just lost our second war in history in Vietnam. This cost us 55,000 U.S. lives and billions of dollars plus enormous loss of prestige around the world. Over 20,000 men died building the Canal and we can not afford to let the Communists take this too! Now we are preparing to turn over the world's most important waterway to a dictator who is under the personal control of our arch enemy, Fidel Castro.

Communists Ready to Take Canal

In January of 1976 Panama's Gen. Torrijos flew to Cuba for a tumultuous reception organized by Fidel Castro. After a five day visit, Castro increased the number of his embassy staff in Panama to 225. Cuban communist "advisors" were placed in charge of the Panamanian National Guard. The only political party al-

lowed in Panama is the Communist "People's Party." His Marxist regime is patterned after that of Castro's one party rule in Cuba.

Castro and Torrijos plan the future takeover of the Panama Canal

Just as the finishing touches were being placed on the surrender treaty, the Soviet Union sent its chief Trade Administrator, Nikolai V. Zinoviev, to Panama. An ominous new trade pact was concluded with Panama. It calls for the Soviets to purchase

Sol Linowitz negotiated the giveaway of the Canal. He is a director of Marine Midland Bank, which does business with Panama. This is a direct conflict of interest.

50,000 tons of sugar from Panama at a price much higher than the world market price. The Soviets agreed to build the Panamanians a factory to repair heavy equipment used in the sugar industry. They would also build a hydroelectric plant for Panama. In return, part of our Canal Zone would be given to the Russians for the construction of a "duty free"

zone where they could process Soviet goods for shipment throughout South America.

So, as we step out of Panama, the Communist Soviets and Cubans step in to take our place. Remember that we are going to have to rely on the Panama Canal as the only means to transport Alaskan oil to the industrial heartland of our Eastern States. Congress will be going back into session the day after Labor Day. That will be Sept. 7, 1977. Make sure your views are on the desk of your U.S. Senator. Let them know that you do not want another Vietnam-type sellout to the communists. We know that Panama is under communist control and we must never stand for this treasonous GIVEAWAY. SUCH A SURRENDER OF SOVEREIGN AMERICAN TERRITORY TO THE ENEMY IS TANTAMOUNT TO HIGH TEAS-SON!

Please ask your Senator exactly where he stands on this vital issue and then send a copy of his reply to The Thunderbolt. We can print his answer. If it is negative, perhaps our large number of readers can help change his mind.

Write Your Senator Today

Please remember that the House of Representatives does not vote on treaties - only the United States Senate. (This includes the Carter proposed Genocide Treaty.) Therefore, we want you to express our deep outrage and concern to your two Senators. It would not hurt to write Senators from other states also.

It takes a two-thirds vote of the Senate to adopt a treaty. In other words, it takes a total of 34 Senators to block ratification of a treaty. Already Sen. Barry Goldwater and Sen. S.I. Hayakawa have switched their votes in favor of the Carter giveaway of the Panama Canal. (How many times has the Jew Goldwater sold out at the last, critical moment?)

The polling organization, "Opinion Research," recently revealed that 78% of Americans favor keeping the Canal and only 14% want to give it away. Our original 1903 Canal treaty gave America "in perpetuity" control over the canal as "if it were the sovereign of the territory".

Young Carter's Voice (from page 1)

The interviewer was visibly shocked and asked Young: "Would you support the destruction of Western civilization if you were convinced that the rest of the world would thereby be liberated?" Young replied: "I probably would."

It was three years earlier when Thunderbolt editor Dr. Fields debated Andrew Young on the "Chicago Tomorrow" TV show. Young again raised eyebrows when he stated that "the best of our black youth are in the jails and prisons of America." When Dr. Fields asked if he meant robbers, rapists and killers, Young replied: "Yes, they are in revolt against White society."

This is not a former theme of Young, but one he repeated this June before 400 black graduates of the Medgar Evers College (a division of the City University of New York). He addressed the black graduating class stating they should become "revolutionaries" in their chosen professions if they hope to change America at all.

"I would hope that in your own way each of you would consider yourselves in some sense a revolutionary."

Even some blacks questioned the radicalism of Young when his Playboy interview quoted him as stating that the death of Martin Luther King "was a blessing." He explained that because of King's death another civil rights act was passed.

Not Too Radical for Carter

When questioned about such assertions, Young has always been backed all the way by Carter: Just recently Carter stated: "Well, I know of no instance when Andy Young has violated the policy described."

Thus, Young stands as our representative in the U.N., with all the power and prestige of the U.S. government, and represents communist countries and anti-White African nations.

When Andrew Young went to Africa, he told the press repeatedly that his statements represent Carter's own position. After visiting with the pro-communist President Nyerere of Tanzania, he returned to the U.N. and called in South Africa's Ambassador R.F. Botha. He told Mr. Botha that the "problem of Rhodesia was being solved by military means. Total victory for black nationalists will come." He warned that South Africa must peacefully turn over the reins of government to the blacks in order to avoid a bloodbath.

When asked by the press if such statements had the support of the President, Young replied: "Every time I speak to Jimmy Carter, he tells me, 'keep speaking out, Andy. Don't let the criticism bother you.'"

Young is the voice of the President and this certainly should be nightmares to the American people. The strings of our government are in the hands of men who are pro-communist. They want victory for communism and destruction of Western Civilization. The public should not just oppose Young, but Carter, the man who appointed him. Carter intends to make all Young's extremist statements a reality in the future.

"Son of Sam" David Berkowitz Avoided Harming Blacks

"Son of Sam" or "The .44 Caliber Killer"

David Berkowitz is the Jewish killer who was known nation-wide as the "Son of Sam". This was the name on the notes he left at the scene of his vicious crimes. As soon as he was arrested, we instantly noted that NBC-TV news began calling him the ".44 Caliber Killer!" Then others in the kept news media joined in with this term.

It quickly became obvious that this was another attempt to fire up the anti-gun campaign to disarm law abiding citizens. NBC-TV in cooperation with the ATF sought to trace the purchase of the gun from Texas to New York City. They stated that New York City had all but

David Berkowitz

banned handguns but the danger lies in their importation from other states. In other words, the Jews say that guns should be banned everywhere. Fortunately the "Son of Sam" name stuck to Berkowitz and the TV networks were not successful in changing it to the ".44 Caliber Killer," a term which had never been used before his arrest.

It should also be noted that Berkowitz lived in a mostly black apartment building. He was very friendly with blacks. None of the 13 young people he shot were negroes (six died). His last victim was Miss Stacy Moskowitz. She was Jewish, but with her hair dyed blonde she could pass for a White Christian. Of course the man was demented but race played a part in his murder spree, especially since the area where he lived has many negroes, but none were ever his victim!

Young's Communist Record

Andrew Young (right) marching through Selma, Ala. with Martin Luther King. Young is now the U.S. Ambassador to the Red-run United Nations

YOUNG'S STAND FOR COMMUNISM

We in Georgia have long known how dangerous an African Andrew Young actually is. To the rest of the nation, he is a newcomer most never heard of before his appointment as American U.N. Ambassador by Pres. Carter. Here is Young's "Red Record" in brief.

1) Andrew Young lived in Queens, N.Y. from 1957-61 and was on the staff of the Marxist "National Council of Churches".

2) He returned to Atlanta as a United Church of Christ minister. This is one of the most extreme left churches next to the Unitarian.

3) In 1968 Young became the chief lieutenant to Martin Luther King in the SCLC and participated in the Selma march, Memphis strike, and was at King's side when he died.

4) In the early 1960's Young became a student at the Communist Highlander Folk School at Monteagle, Tenn. That is where he was trained to become a street agitator.

5) In 1971 Young joined the "Gulf Boycott Coalition." This was a group seeking to force Gulf Oil Co. to aid communist guerrillas when they were fighting to seize Angola. Young demanded that communist leader Angela Davis be made a member of Gulf's board of directors.

6) As a Congressman, Young kept the two children of communist guerrilla Robert Sobukwe in his home in Atlanta. Sobukwe heads the outlawed "Pan Africanist Congress" whose terrorists are right now killing White people in South Africa.

The summation of Young's Communist record calls for his dismissal from the U.N. Ambassadorship. The U.S. Senate approved his appointment and should have the right to impeach him. At the same time we must consider the fact that he is indeed the "point man," or voice of Pres. Carter and this means that the President is ultimately responsible for the great damage Young has inflicted upon the foreign policy of America.

Rhodesian Leader Calls Young "Black Power Fanatic"

Rhodesia Hits Back At Young

Young is a "Black Power Fanatic", charged Rhodesian Minister of Operations, Roger Hawkins. He added that Young posed a threat to White people throughout the world. Hawkins charged that Carter, in appointing Young to the U.N., "has given him open license to operate on behalf of the United States using the U.N. as a world forum."

Hawkins further said: "American use of Mr. Young as an official mouthpiece is a threat to White people throughout the world as black power surgery can only result

in a terminal prognosis for the White man. Young has an uncontrolled hate of White skin which permeates every statement he makes regarding Southern Africa."

Pres. Carter has certainly betrayed the American people by making such an appointment. Young is helping to bring the communists into power throughout Africa! He speaks for Russia, Israel, and Cuba but never for America. The time has come for us to begin a massive letter writing campaign demanding that Young be dismissed as U.S. Ambassador to the U.N.

Black's Not Beautiful

Ft. Lauderdale, Florida's civic center announced it would present the well-known play "Guys and Dolls." Some 8,000 tickets were sold. Then it was revealed that an all-black cast would perform in the show.

Liberals were dismayed when 5,600 people demanded their money back. The Broward Times charged that "bigots abound in Ft. Lauderdale." We say that White racial pride and self-respect abound in Florida.

Congressman Demands Young Resign UN Post

Congressman James G. Martin of N.C. has formally requested the resignation of Andrew Young as U.S. Ambassador to the U.N. because of his pro-communist activities and his attacks upon our allies.

Rep. Martin said that Young has "terrified our allies, incited revolution in South Africa and Rhodesia. He has called the government in South Africa illegitimate while endorsing the Cuban occupation in Angola. Enough is enough, he needs to resign."

James G. Martin

Congressman Not Afraid to Speak Out

The next day Young was in Atlanta to attend so-called "Holocaust Day" ceremonies commemorating the myth of the 6 million dead Jews of W.W.II. (A total anti-German fabrication.) Young said that "I don't think Martin really represents the true feelings of the people of Charlotte. He has no business telling me what to say or do."

No poll has ever been taken by the national polling organizations on the "popularity" of Andrew Young. Most likely it is because they are afraid that the results would be disastrous for Young.

World Government?

month at Black Mountain, N.C. In 1947 they organized with the goal of turning the United Nations into a world government which would be dominated by communist and colored nations. If their goals are eventually achieved, then all American freedom and liberty would be dead.

North Carolina readers will be interested in learning that their State Senator, McNeill Smith, a candidate for the U.S. Senate, attended the three-day World Federalist convention. Sen. Smith bragged that he introduced a resolution in the North Carolina legislature in 1941 calling for a world government. Joe Felmet, another candidate for the U.S. Senate, attended and pledged his support for World Government. The World Federalists have chapters in 30 major U.S. cities.

Bauman Sells Out

Congressman Robert E. Bauman of Maryland has come out for a negro takeover of South Africa. Bauman is the former head, and present mentor of the "American Conservative Union." In the past he has supported South Africa, but now that he has been elected to office, he advocates the same policy as the liberals, which would destroy the civilization that Whites have built in South Africa.

Robert E. Bauman

Recently Rep. Bauman issued a report that he had visited South Africa with a private group called the "Foreign Affairs Association." He said it was "composed of both blacks and Whites who are interested in bringing about internal changes in that country."

Bauman went on to state that "I, as well as most Americans, cannot accept segregation (Apartheid). It should be obvious to the Nationalist Party leaders who govern South Africa that drastic strides have to be made toward political rights for blacks, coloreds, and other groups."

Bauman then demanded that the Whites set up a "timetable" for giving the blacks what he called "full citizenship." He ended the statement with: "We in the U.S. should encourage peaceful changes

as soon as possible."

It was hard for us to believe our eyes, that Congressman Bauman, who many thought to be on our side, sounds just like Andrew Young! It is unfortunate that false leaders and opportunists like Robert Bauman have fooled so many of our people for so long. They talk like Patriots, but once they get in office they often join the left-wing establishment. They want to be accepted as part of the Washington cocktail circuit and quickly forget about their constituents back home.

Perhaps we should insist that "Right-Wing" office-seekers identify their true stand more clearly. Being "conservative" is not enough! They will have to declare themselves to be loyal "White Racists" before we will give them out support.

British Waking Up

"ROOTS" FLOPS IN ENGLAND

The David Wolper Company quickly made arrangements for the showing of "Roots" in England. Negro Alexis Williams, an officer of the "Afro-Caribbean Asso." in England said they hoped it would have a

good effect on Whites in that country. He said that Roots would bolster racial pride in black children in England and added: "I hope Roots becomes a textbook in British schools and colleges, just as it is in America."

Well, Roots is only in a few U.S. schools, and we will fight to

BILLY GRAHAM

Why was his huge fund kept secret?

Warning: False 'Judeo-Christian History' Manufactured

Jewish archaeologists have sought to use the highly questionable and untranslated "dead sea scrolls" to link Biblical stories to Jewish history. One highly touted claim was over the ancient stone tablets discovered in Tell Mardikh, Northern Syria.

Over 15,000 tablets were found. They are in the Sumerian language, which was the first written language of the White Race. Read the excellent book on the development of the Sumerian alphabet and its evolution into our English in "Aryan Origin of the Alphabet," only \$2 per copy. Order from "The Thunderbolt."

Dr. Pettinato gave a sensational interview concerning the tablets to the New York Times on Dec. 30, 1976. He claimed that he encountered the names of Abraham, Ishmael, Israel, Esau and David dozens of times on the tablets. Pettinato insisted this proved the existence of "Jewish" Patriarchs back at that time. Now Dr. James J. Megivern of the Religious News Service states that carbon testing has moved the dates of the writing of the Sumerian tablets back 2,300 years. This makes them 500 years too early for Abraham and 1,300 years before the birth of King David!

Thus we must not take too seriously the findings of Jewish "scholars" and their hired excavators' conclusions about "dead sea scrolls" and other discoveries, especially when they claim the Jews founded Christianity. For a true history of exactly who the Jews are and where they came from (it was not Palestine), order the book "The Thirteenth Tribe" at \$8 per copy from The Thunderbolt.

Money Hungry Preacher Has Secret Fund

The public was shocked to learn that Rev. Billy Graham maintains a secret \$23 million fund in a Dallas, Texas bank. The money was siphoned away from the "Billy Graham Evangelistic Association." Most of the funds came from appeals made to those who support his "Hour of Decision" radio program.

Last year this editor received a form letter from Billy Graham stating that his ministry was in desperate financial straits and that if they did not receive immediate aid there was danger that his huge Minneapolis office might close down. Later he announced that the "crisis" had been resolved and the required money raised. What we would like to know is why Rev. Graham didn't take a couple of million out of his secret Texas account to save his building.

This story was first revealed by the Charlotte (N.C.) Observer. Billy Graham reluctantly admitted that he had kept secret the existence of this fund to his 2 million contributors (who are mostly Southern Baptists). Graham owns 2,600 acres of prime land in North Carolina, worth over \$5 million, and has \$18 million in a portfolio of blue chip stocks and bonds. If his \$23 million fund brought only a 6% gain each year, he would earn a million and a half dollars every year, but, of course, it is earning much more than that.

Billy Graham's Political Stand

Has Billy Graham been misleading people? For a long time Billy Graham has been held up by the daily press as the leader of fundamentalist thought in America. But, at the recent Southern Baptist convention, a resolution was introduced commending the work of Anita Bryant. Billy Graham refused to cast his vote in support of her, citing his beliefs that there were "other sins" which are worse. The resolution was overwhelmingly adopted, despite Graham's wish that the issue be dropped.

We also remember Graham's statement of a few years back that "Jesus Christ was not a White man." Graham stated that Christ was a "brown man," like many

of the people who live there today. He ignored all historical facts that even the ancient Egyptians who built the pyramids were White. Some were even red-headed and had ruddy complexions, as unwrappings of ancient mummies have proven.

Billy Graham has also stated that his campus crusades are "ecumenical" and affiliated with the "National Council of Churches." This body, in turn, is part of the "World Council of Churches," which has given hundreds of thousands of dollars to black communist guerrillas who are murdering White men, women and children in Southern Africa. Graham has also stated that "Jews hold a special place close to God," insinuating that they are "God's Chosen People," when the Bible says those who are the "Chosen People" are the Israelites.

Billy Graham is indeed a false prophet. Believe it or not, Graham has a staff of 25 full-time solicitors who travel about calling upon Christians to make legacies to the Billy Graham Evangelistic Association. It is an affront to all Christians for this multi-millionaire to drain such huge sums away from truly needy causes into one which preaches false doctrine, and is part of the pro-communist National Council of Churches.

Groups such as the National States Rights Party are struggling just to stay alive, fighting against all the powers that be, barely able to make ends meet, and we discover Billy Graham raking in millions from poor people for a secret slush fund! It is disgusting! The Thunderbolt has many subscribers who are Southern Baptists. Some of you have phoned us your dismay because you have sent donations to Billy Graham. Remember that what a cause stands for should be the dominant determination as to whether or not they deserve your help. Groups which openly stand up for the Preservation of the White Race and against Jewish Marxism are the only ones which deserve your support. Time is running out for our side, and we must make great advances SOON if we are to reverse the tide. Billy Graham and his ilk are on the OTHER side. We must stand as one, united, and not divide our efforts behind false crusades.

keep it out because it falsifies history, is immoral, and anti-White. British writer Anthony Lejeune stated in the "Orlando Sentinel Star" on April 20th: "It is a fact that black youths are responsible for a large proportion of urban crime, especially muggings, and that black school-leavers tend not to possess the skills which would make it easier for them to find jobs. Some White liberals in Britain do feel guilty about this situa-

tion but no one feels guilty about the slave trade.

"White working class people in Britain have seen their neighborhoods transformed by the flood of colored immigrants and this has resulted in a big increase in votes for the right-wing National Front whose chief attraction is its hard-line anti-immigrant policy. British reporters have felt free to express their skepticism about the paradisiacal innocence of the

village from which came Kunte Kinte (Haley's supposed slave relative). The British understand better than most Americans what life in Africa is really like."

It is indeed encouraging to know that the English are waking up more quickly than the people in this country. Perhaps their nation will elect the Patriotic Racial Nationalist Party "National Front" to power before America does.

Prison Segregate Blacks and Whites

BY WILLIAM ENDICOTT
Times Staff Writer

SAN QUENTIN—Prison authorities said Wednesday they would temporarily segregate black and white inmates here in an effort to cool a "serious situation of racial hostility" that erupted Tuesday, leaving three men dead and four seriously injured.

"We have a serious situation of racial hostility, of racial tension between blacks and whites. It will be a long time before we get this straightened out."

Two white inmates were killed and four other inmates—two whites and two blacks—were seriously hurt.

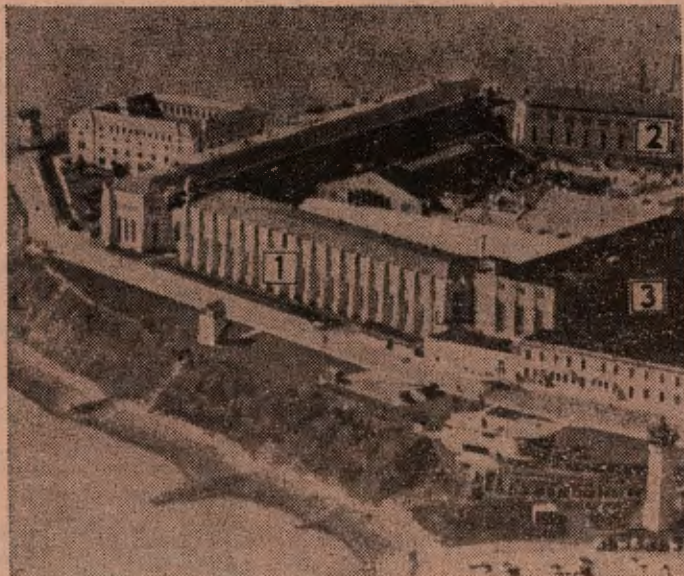

One of the dead men was thrown from the third tier of the cell block.

Luxford described the scene as resembling a battleground and as an "incredible mess."

Racial tensions had been building at the prison since a black inmate was killed by two white supremacists last

April in an apparent revenge murder for an earlier attack on whites.

San Quentin has been plagued by a polarization of whites and blacks for

some time, and the two sides have become increasingly organized in such groups as the Aryan Brotherhood and the Black Guerrilla Family.

WILL IMMIGRATION DESTROY CALIFORNIA?

California's negro Lt. Gov. Mervyn Dymally states that colored people are already 38 to 41 percent of the population in his state. These in-

California's Negro Lt. Gov. Mervyn Dymally

Dymally states that this does not include the estimated 1.5 million illegal Mexican aliens residing in the state. Thus, he projects that California will become what he calls a "Third World" state well before 1990. Dymally stated that: "If the present trend continues, by 1990, California minorities will comprise a staggering 60 percent of the total population."

Only a quick crackdown on illegal immigration and the flooding of this country with non-White legal immigrants can halt this trend. With the White birth rate well below "population zero" we could find ourselves the actual minority in many states at a much earlier date than 1990. The National States Rights Party calls for deportation of all illegal immigrants with no amnesty and a halt to ALL immigration for all countries until the problem can be solved.

clude negroes, Philippinoes, Asians and others. Out of a total population of 24 million people over 9 million are non-Whites.

White Prisoners Organize

The Thunderbolt has published many documented articles revealing the hideous situations under which Whites are forced to live in prisons which are dominated by black majorities. Whites are constantly terrorized by gangs of marauding blacks who rob, beat and rape young White prisoners on a daily basis.

This newspaper has been one of the main publications defending the rights of White prisoners. We receive letters from prisoners on almost a daily basis revealing atrocities which blacks are committing upon Whites that go unmentioned in the daily press. We have printed some of these letters and this has resulted in many people demanding that the races once again be re-segregated in the prisons.

The Aryan Brotherhood (A.B.), has organized White prisoners for their common defense. San Quentin prison is one example of how the A.B. has fought back. They vow that they will take no further abuse from the blacks. Violent confrontations have occurred and the Whites can claim San Quentin a victory.

The prison has been forced to segregate the inmates by race. This is what the Whites want in prisons all over the country. We believe that it is cruel and unusual punishment to lock up Whites in the same cages with blacks. Perhaps such incidents will result in political pressure to separate prisoners by race. The only way to bring peace back to our prisons and safety for poor Whites is to bring Segregation back to the prisons!

They are truly like animals, and all measures should be taken to segregate all Whites from blacks. The prisons would be tolerable for the Whites if they had no blacks. A White friend told me that it didn't bother him that he'd be here a long time, or the small cells, "it's the blacks that bother me the most." I agree with him!

Right this very minute I have a black guy bothering me and only because I'm White -- but he doesn't know about my Irish temper! He may find out tonight.

I wish you every luck and hope that more people come to your belief that the White Man is truly the superior race to all!

Thanks for reading my letter.

William Chaney is the well-known Patriot and heads the Klan in Indiana. Mr. Chaney was convicted by a vicious prosecution using false evidence in regards to a fire bombing in Indianapolis last year. His conviction has been overturned on appeal. It remains to be seen whether or not the Justice Department will seek to re-try Bill.

Dr. Fields was a guest speaker with Bill Chaney at a meeting last year and for many years has known this great leader personally. We can vouch for his integrity. We congratulate Bill and know that he can be counted on to continue his good work for God and Country.

Injustice Must be Righted

One of the witnesses for Bill Chaney at his trial was young David Green, a truck driver. He testified that Mr. Chaney was not at the scene of the fire. After Bill was first convicted, the FBI picked up David Green and charged him with "perjury." They claimed that he didn't tell the truth about where he saw Bill in May of 1976 and that he lied when he said he had been living with his ex-wife.

Believe it or not, David Green was sentenced to two years in prison for perjury and is in jail now. Mr. Chaney never went to jail because his case was on appeal. Mrs. Margaret Green, mother of David, had a letter of protest published in *The Indianapolis Star* of May 23, 1977. She states that her son told the truth, but had been framed by the FBI. She said that he had 9 different jobs during

May when he saw Mr. Chaney and that his ex-wife testified that he was not living with her because she was drawing welfare and was afraid she would have to pay it back.

Mrs. Green says her innocent son is languishing in prison because there is "no justice for the poor." She says a rich man would never have been arrested on such flimsy counts in the first place and that the FBI simply wanted to "get" her son because he had testified for a Klan leader. Mrs. Green added: "There are robbers, drug addicts, alcoholics and rapists running loose on the streets, and my son is locked up for telling the truth."

Now that Bill Chaney has had his conviction overturned, Patriots should not rest until David Green is freed. Write letters to *The Indianapolis Star*, 307 N. If they can intervene for the Georgia "Dawson Five negroes," then they can free a young man who

WHITE "INDENTURED SERVANTS" SUFFERED MORE

George S. Benson, former Secretary of Agriculture, under Eisenhower, writes that those who have been carried away by the Roots novel have not studied the sufferings of White indentured servants. These poor Whites were taken out of "debtor's prisons" in England and sold to someone who would pay his debts. Mr. Benson writes that since they served as a slave for specific periods, usually 7 years, their owners did not treat them as well as negroes who were supposed to always remain faithful to their master for Life. They were sent to the Americas by the tens of thousands.

A great many White people are descended from indentured servants. The city of Savannah, Ga., was formed as a penal colony for such exiled poor Whites. Many were "shanghaied" to this country against their will. A large number of the people of Savannah, as well as the rest of this nation, can trace their ancestry back to White slaves out of debtors' prisons. They worked the hard way up the ladder to the status they enjoy today. Descendants of White indentured servants did not look to the government to pay their way but through self-reliance they worked to build the great nation which we all enjoy today. This is not true of the negro who has been misled into believing that it is the Whiteman who owes him everything

Special Treatment for Blacks But Not for Gibson

Wilmington 10 and Dawson 5 Cases

If you are in trouble with the law, it pays to be a black living in the South — or so it seems.

North Carolina is the scene of a ridiculous circus surrounding the demands for freedom for the "Wilmington 10." This is a group of black radicals in prison for riot and firebombing back in 1971. This case has had leftists demonstrating in New York and Paris demanding their

release. All sorts of out-of-state creeps have poured into North Carolina obtaining news media coverage for their antics in protesting this case.

Gov. James B. Hunt, Jr. has even joined in the act. He is dangling the possibility of a pardon for the convicted "civil rights rioters" in return for the negro bloc vote, which is well organized in North Carolina. Hunt even interrupted a plane trip on state business to meet with the mothers of

the imprisoned criminals. He has met with officials of the Marxist "United Church of Christ," which has financed the appeals of the case. Gov. Hunt has a so-called "minority affairs advisor" who has expressed the view that the prison sentences were too severe.

How About Leroy Gibson's Case?

Leroy Gibson, leader of the "Rights of Whites" organization, led the White people in resisting the attacks by blacks during that same period in Wilmington. Mr. Gibson is serving a 10-year prison sentence in one of the worst frame-up cases ever to come to our attention. He is a totally innocent man, but there are no church groups out campaigning for his release — just the NSRP and The Thunderbolt. Gov. Hunt has expressed no interest in helping Leroy find justice. The "Patriotic Legal Fund," P.O. Box 1211, Marietta, Ga. 30061, is helping support Mr. Gibson's wife and 5 children. If you wish to help, send a donation today.

As we go to press, his appeal has just been rejected by the federal appeals court in Richmond, Virginia. Full details next month! But there is no news coverage that Leroy even had an appeal pending. This is because he is a White man.

The Dawson 5 were charged with the murder of a grocery store owner in South Georgia. They are all black and their case has gained international attention. Even President Carter sent down an observer to report back to him on the treatment of the blacks. Have you ever heard of a White defendant receiving such attention?

GOLDWATER COUSIN

Jurick Goldwasser, cousin of Sen. Barry Goldwater, has fled Rhodesia and asked for political asylum in negro Botswana. Goldwasser was once the mayor of Bulawayo in Rhodesia. His passport was seized in Salisbury and he dared not flee to South Africa because he is suspected of helping communist terrorist guerrillas.

Goldwasser, owner of several businesses, had Sen. Goldwater as a guest in his home during a visit in 1966. The entire Jewish Goldwater family have always worked as traders. Goldwasser is the original family name.

Monks Burn, Press Looks Other Way

Remember the front page photos of Buddhist monks burning themselves alive in South Vietnam? They were always protesting against the government. Journalistic prizes were awarded to some of the photographers of such ghastly scenes. This propaganda was used to sicken Americans in favor of our surrender in the war.

Now the communists have enslaved the South Vietnamese and a real persecution of Buddhist monks is underway. All of the Buddhist Church leadership has been placed under arrest, along with hundreds of their followers. This includes Thich Tri Quang, who masterminded the 1963 anti-government demonstrations. All of the committee chairmen of the Buddhist Church are under arrest. Many have been shipped off to "re-education centers" (concentration camps) and their pagodas have been turned into storehouses.

Because of this there have been many self-immolations by monks. On Nov. 2, 1975, twelve monks and nuns went through the "death by fire" protest. This has continued down through June, 1977, but there has not been one word of this printed in the U.S. daily press. Now a top Buddhist leader, Pham Van Dong, has announced that some 127 monks and nuns of their faith will now be-

Goldwaters Use Illegal Mexican Workers

Robert Goldwater, Sr., brother of Sen. Barry Goldwater, holds a one-third controlling ownership in the sprawling "Arrowhead Ranches" citrus farm. It is notorious for its wholesale use of illegal Mexican aliens.

The living conditions on the farm for workers are abominable. Many live in garbage infested camps made of orange crate shelters. They are fly-infested and a public health nurse who investigated the situation reported that:

"It was a horrible situation... no sanitary facilities, overcrowding, infectious diseases which are communicable, such as tuberculosis, lice, scabies, impetigo, influenza are common."

In April, 1972, Sen. Goldwater was asked by reporters at the Scottsdale Dinner Club why his brother hired illegal immigrants. His coarse reply was: *"My brother is over 21 and knows what he is doing. If you people would get off your butts and go to work, he wouldn't have to hire nationals."*

One of Robert Goldwater's supervisors is Francisco Sanchez. He is a Mexican national from Sonora. It is his job to hire the illegal immigrants and transport them to the ranch. The U.S. Bor-

der Patrol has long ignored this situation because of the political power of Sen. Goldwater. Sanchez is paid \$100 per head for each illegal he delivers to the ranch. One Border Patrol officer stated: *"I know that over the past 8 to 10 years Sanchez has smuggled thousands of aliens and has made a fortune in so doing."*

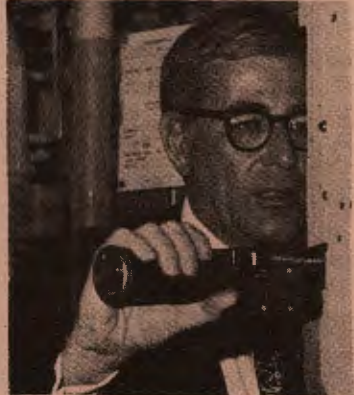

Still Sanchez is protected because of his connection with the Goldwater brothers. It is interesting that Sen. Barry Goldwater has always opposed legislation which would make it a crime to hire illegal aliens or to make it tougher for them to forge identification papers. One illegal working on the Goldwater ranch had on his check issued by the Goldwater ranch the impossible social security number of 000-00-4394.

The Goldwaters' real Jewish name is Goldwasser. Their father once owned the largest department store in Phoenix. Goldwater has long misled conservatives down the trail to defeat and has reversed his stand on many right-wing issues, such as his present support of the giveaway of the Panama Canal. Sen. Barry Goldwater has long been the leading betrayer of right-wing causes and the time has come to retire him from the Senate and investigate the illegal activities of his entire family.

Harold Brown is Jimmy Carter's Secretary of Defense. Brown is a Jew and a member of the Jewish Anti-Defamation League. (His real Jewish name is not known at this point.) Note the two photos of Brown on this page. One was made back in 1963 when he was an aide to

Robert McNamara who now heads the U.N. World Bank. Study his large nose and fleshy lips.

Now in a more recent photo he appears to be more "gentile." We are advised that he had to undergo a face-changing operation, including a typical Jewish nose job, to make such a drastic change in his appearance.

One interesting part of the book reveals that a young and promising actress had to have sex with a producer or studio owner to get ahead. These "Hollywood Moguls" are mostly all Jews.

Miss Keyes tells about the trouble she encountered with Columbia Studio chief Harry Cohn and writes: *"I had the world by the tail. I could have been an important actress. But I didn't pay my dues."* She says that Cohn withdrew his support

PROOF — Jews Behind Sub

Rich Jews Lead Marxists in South Africa

It is a well-known fact that Jew communities in every nation in the world existing in any numbers are usually the backbone of extreme leftist activism. South Africa is a perfect example of this phenomenon. One of the wealthiest Jews in the world, Harry Oppenheimer, supports black rule over South Africa.

The head of the leftist "Progressive Party" is the Jewess Helen Suzman. She is elected year after year from the predominately Jewish neighborhoods she represents. The late head of the outlawed Communist Party of South Africa was the Jew Abram Fischer.

Harry F. Oppenheimer

Harry F. Oppenheimer controls the Anglo-American Corp., which owns most of the gold and diamond mines in South Africa. Profits from these natural resources (which should belong to the people of South Africa) go into the Oppenheimer Fund. Last year alone \$100 million was placed in his personal fund to corrupt politicians and undermine the White rule of South Africa.

Oppenheimer spent \$1.5 million for a training school for black teachers. It is opposed by the government because instructors in charge of teaching advocate "black radicalism." Another \$3 million was given to a group dedicated to "improve the social and political environment" of negroes.

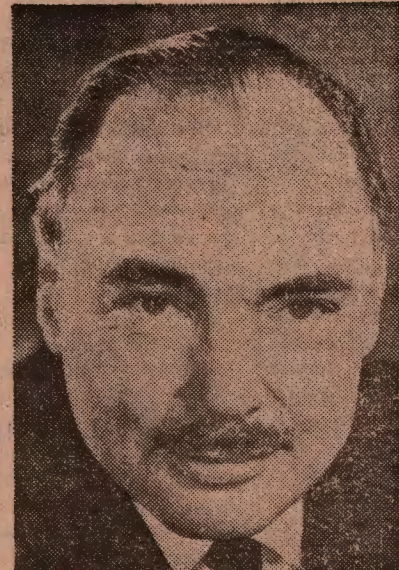

Prime Minister John Vorster, himself a moderate, is vexed at the independent action taken by Oppenheimer for agitating blacks. He went before the Parliament and said: "The time has come for you [Oppenheimer] to say where you stand and what you are playing at."

Oppenheimer has recently damaged the Rhodesian economy by taking it upon himself to order stoppage of all gold mining operations in that besieged nation. This will cost Rhodesia \$145 million this year alone. At the same time the black communist government of Angola is allowing Jew Oppenheimer to continue his gold and diamond mining operations in that country. The communists furnish troops to protect the mines and slave labor to do the work. When Andrew Young visited South Africa he lived in Oppenheimer's home as his special guest.

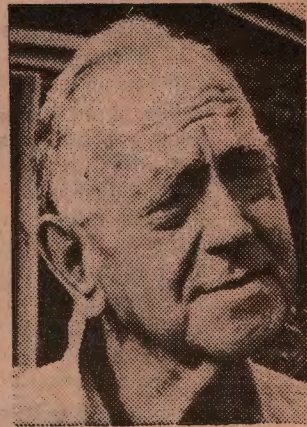

Oppenheimer's fund administrator, Michael C. O'Dowd, sought to explain their success in continuing normal mining operations in black Marxist ruled African countries. Oppenheimer provides airlift services from his "Harry's Angels" for black countries which have driven Whites out. During emergencies, Oppenheimer flies in doctors and teachers without charge. This is obviously not entirely an altruistic venture because Oppenheimer plans to continue his vast operations "as usual," even if South Africa should fall under the heel of communist guerrilla forces.

ABRAM FISCHER was the secret underground Jewish leader of the outlawed "South African Communist Party."

Abram Fischer was the Jew who founded the underground Communist Party of South Africa. Fischer is of Russian Khazar Jewish ancestry. His father was one the Prime Minister of the Orange Free State in South Africa after the end of the Boer War. They were wealthy and young Abram attended Oxford in England as a Rhodes scholar. As a lawyer back in South Africa, he defended black guerrillas like Nelson Mandela and Walter Sisulu. They led attacks upon Whites, killing men, woman and children.

Abram Fischer was later arrested and charged with being the secret leader of the outlawed Communist Party. Charged with sabotage, fraud and forgery, Fischer jumped bond and went underground. He then issued revolutionary communiques urging blacks to revolt and kill Whites. Fischer declared that he had joined the Communist Party because it took the strongest stand for the elimination of "Apartheid" (separation of the races). Fischer died on May 8, 1975 and was awarded the Soviet Lenin Peace Prize (despite the fact that he had always advocated violence!) The Communist *Daily World* carried an article eulogising Fischer, declaring "he had devoted most of his life to the fight against racism and for equality for the Black African majority."

Sir Roy Welensky and

Sir Roy Welensky was the Jew who led the Federation of Rhodesia and Nyasaland, Northern and Southern Rhodesia and is now. Welensky was the leading party in Rhodesia. The division of the country into Zambia and Malawi were cut out of the exodus of Whites from the North and the destruction of its civilization and is now under the rule of blacks.

Roy Welensky lives today in Salisbury, Zimbabwe. He has said "I would like to see a mixed government, black and white, but it would be best if this change comes about through the beautiful White civilization in Rhodesia." He was replaced by Jimmy Carter and Jim Callaghan (both Jews) because "the White man will not run. He will be replaced by a Jew." Welensky's father was a Jew from England, his son Roy made his fortune in Rhodesia, which was at its peak of progress. Today W

TV Suppresses Torture of White Girl

Worldwide public opinion was focused on the trials and tribulations of a group of young people sailing from the Mediterranean around Africa to Johannesburg. They were captured in international waters by the communist Somali government. Their ordeal lasted 8 months before pressure from Western governments brought about their release.

The London *Daily Mail* spent \$230,000 for the exclusive story of their ordeal. Charlene Hollis, George de Neef and Jane Wright told how they were forced to live in filthy, dungeon-like cells. Charlene had been forced into a dark steaming water hole. She told that animals were also in the hole and she should confess to being a Western spy. The girls

CHARLENE HOLLIS

were humiliated by being forced to allow negro soldiers to examine them while naked.

While the *Daily Mail* carried the story, an exclusive interview by BBC-TV was withdrawn because it might be considered an "affront" to the Somalia government. BBC-TV newsman Brian Barron was reprimanded for even filming the banned interview.

It is a sorry state of affairs when young White people can be taken prisoner by a savage black Marxist regime and held under threat of death in filthy conditions for 8 months and then the rest of the world is not supposed to learn of their ordeal. Most South African publications carried the true story so the White people know what they can expect if the blacks ever take their country.

Majority Rule Not The Issue in Africa

We continue to hear pompous proclamations from Andrew Young, Jimmy Carter, Walter Mondale, and others that it is our "obligation" to bring about the downfall of the White governments of Rhodesia and South Africa because of our love for democracy. If this be the case, why is it that in each and every one of the 47 African governments the former "colonial powers" granted democratic rights and freedoms -- which do not exist today? In every African nation granted independence, the elective process was short-lived. All 47 of these African countries are now ruled by either one party, one general, or one tribal leader. In many of these nations, the opposition and many of their fol-

lowers have been put to death in the most brutal and primitive fashion.

In Rhodesia you have what is defined as a "democratic oligarchy," where the highest level of society (the Whites) do freely vote to decide the course of the nation and elect representatives to Parliament. One can be reassured that should this civilized government fall, it is not going to be replaced by any democratic "majority rule" under a new black government. African political history tells us that the limited democracy which exists in Rhodesia today would immediately be replaced by a repressive black dictatorship which would quickly end all freedom for both blacks and Whites alike.

Conversion of Southern Africa

HELEN SUZMAN

Marxist agitator runs Progressive Party

Soviet Union Pours Arms in for Black Guerrillas

The United States, together with Britain, is co-operating with the United Nations to turn over all of Southern Africa to the communists. The economic squeeze is growing and our government is threatening an economic boycott against South Africa if it does not turn over power to the black majority.

The Soviet Union already dominates Angola and Mozambique, along with Tanzania. If Rhodesia falls, then it will mean that Zambia and Zaire (Congo) will no longer be able to stand against the communist forces.

Like a stack of dominoes, they would all go and South Africa would finally succumb.

U.S. intelligence confirmed on March 15 that Russian T-34 and T-54 tanks were being landed in Mozambique along with Soviet advisors and Cuban troops for the preparation of large-scale warfare against Rhodesia. Cuba has strengthened its hold on Angola with 80,000 civilian workers helping replace some of the 300,000 Portuguese forced to flee during the communist takeover of the nation.

Negro Admits Slaughter Ahead

Communists Will Win, Says Black Leader

Negro Bishop Abel Muzorewa, leader of Rhodesia's African National Council, says that the three black political organizations in that country would end up in a civil war if the Whites pull out. Bishop Muzorewa heads the largest black tribal group and says that his arch-rival, Joshua Nkomo, is building a communist army in Mozambique with Cuban and Soviet help. The negro bishop warns that, should Nkomo be victorious, "hundreds of thousands will be killed in a power struggle and the rule of the jungle" will destroy the civilization built by the Whites.

Bishop Muzorewa further sta-

ted that there is a third tribe headed by self-styled "General" Tongogara, leader of the Zanu guerrillas and opposed to both his and Nkomo's forces. He explained: "And so you have three godfathers, or rather three king-makers, who do not agree on one king for Zimbabwe (Rhodesia)."

Muzorewa wants black rule under his own authority, but says "thousands will die because external forces want to find their own king for Zimbabwe." America could cut off aid to Russia, blockade Cuba, send aid to White South Africans and reverse the tide of history tomorrow. But this will not occur with Jimmy Carter and his pro-communist clique running our government.

Helen Suzman heads the Progressive Party in South Africa and long has been its sole elected representative in Parliament. She openly calls for the Whites to surrender their country to chaos by turning the reins of government over to the violent warring tribes of negroes who cannot even get along with one another.

Mrs. Muriel Rosin is a carbon copy of Mrs. Suzman and heads the pro-black "Rhodesia Party." She also wants black rule.

If Rhodesia and South Africa fall to the communists, one will have to place a major share of the blame at the door of organized Jewry in Southern Africa. There are over 400,000 Jews in South Africa and the vast majority of them are using their money power to undermine White civilized rule in that vital part of the world.

Jews were the original founders and promoters of Marxism and we must continue to study their activities in both the United States and in Europe. Is their constant push to the left in the best interest of Western Civilization? Are they the chief element undermining the very structure of White society?

JOHN WAYNE GOING TO RHODESIA

Actor John Wayne has long been known for his anti-communist stand. Wayne starred in, and produced, the only movie supporting our fighting forces in Vietnam. The film was called "The Green Berets." Cut off from normal Hollywood funds, Wayne had to finance the film himself. It was a box-office success de-

spite negative reviews from those who supported a communist victory.

Now John Wayne has announced that he is going to Rhodesia to visit the White troops fighting on the front lines against black communist forces. With him will be Robin Moore, who was the author of "The

Green Berets." Moore will enroll in the Rhodesian army during their visit. Wayne has in the past publically stated that the negro is inferior to the White Race. We wish John Wayne and Robin Moore good luck. They will definitely have the effect of gaining new support for Rhodesia.

\$100 Million for Black Communist Nations

The House, by a close vote of 208 to 204, voted \$100 million to four black dictatorships in Africa. They are Mozambique, Tanzania, Angola and Zambia. (The first three are communist countries.)

Opponents state that this is an absurd use of tax money to underwrite Marxist regimes. Jew Henry Kissinger proposed the plan and Carter said he hopes it gets through the Senate. It was included in the \$3.2 billion military bill which also provides for paying White Rhodesians for the property they turn over to the black natives after we force them to give up their nation. It is doubtful if many Americans would ever agree to either proposal if they had a vote on the matter.

Typical primitive negro tribe during their banana ritual. They want to rule over Whites.

Jungle Envelops Belgian Congo

Africa After the White Man Leaves

Zaire is the name of the Belgian Congo and we are indebted to writer Hugh Davies of the *London Daily Telegraph* for the following report of his visit to the territory which expelled the White Belgians in 1960. The 21 million blacks of this mineral rich country live in dire poverty while their god-like President Mobutu speaks to them nightly on live TV.

Mr. Davies found that the economic and social conditions were "horrifying." He found that at Ankor, in South Eastern Zaire, a modern, terraced hospital was standing. But there was no electricity to allow the hospital to function. The "Doctor" in charge said that he had been trained only to be an orderly. He pointed out the generator in an overgrown patch behind the hospital. He said it had never been switched on because no one knew how to operate it.

In a grimy washroom, a bathtub was piled high with blood-soaked bandages. They were to be used again after washing. Only a few expectant mothers were in the 200-bed hospital.

Rev. Basil Pratt, an Army padre traveling with Mr. Davis, reported his disgust at the way in which such a fine building was allowed to literally fall apart from neglect. Two girls who had been given Caesarean operations had died during the previous week. One man, who was paid \$15, said that no doctor had been at the hospital for over a year. He said he performed all operations aided by untrained nurses.

Patients' families have to bring

food into dirty, dingy rooms for their relatives. Otherwise, there would be nothing for them to eat. Davies said that the window panes were broken in the operating room and he asked what would happen to anyone who came in there without relations to take care of them. The "doctor's" reply was: "He dies, of course."

An orderly pointed out a locked blockhouse in the rear of the building. He said "that is for those with tuberculosis. There are 50 in there and they will all die."

Belgian Civilization Is Dead

Writer Hugh Davies wrote: "Through our stay in Central America, we continually encountered deteriorating towns where roads were falling into disrepair, a situation the inhabitants seemed to accept with nonchalance. The former Belgian civilization is rapidly being overcome by jungle growth."

Davies found that in the waterfront city of Kisangani, he found people living in shacks along with dogs, chickens, and in the "most astonishing misery. Sometimes as many as 30 people to a house." The streets were rutted and men were sleeping on crumbling sidewalks.

Thus Zaire, the former prosperous and booming Belgian Congo, has all but collapsed and the negroes are destitute and starving. At one time they had a high level of living according to African standards. Today they are at the bottom of the barrel. When the White man was driven out of the Congo, so was civilization.

Single White Women Wanted in Rhodesia

I am an Englishman who has lived in Rhodesia for 3½ years, during which I have witnessed the slow but deliberate deterioration of White rule in this lovely country. It is known in certain circles that "good ole (Ian) Smithy" is and always has been determined to sell us out to the blacks and international Zionists. In order to spread the word we have recently amalgamated some of the more salient right-wing groups in the country into the RHODESIAN CONSERVATIVE ALLIANCE, which fully intends to compete in all constituencies in the next General Election.

Having just read your *Thunderbolt*, I thank God that there are still some sane people in the U.S. who are not afraid to state the truth. The letter from Miss J.S. of New York City illustrated the marital problems confronting young ladies today in this vile multi-racial cesspool. While recognizing the needs of your

country, you will no doubt be aware that things here are getting pretty desperate. White people are leaving Rhodesia at an alarming rate due to our government's pledges on Majority (Black) Rule, and while it could be argued that such people are "ratting out," this underlines the fact that the White birthrate here is deteriorating. At the same time, that of the blacks is increasing, due to the handouts from the Liberal White government and its duped White electorate.

Please may I be so bold as to point out that our need would be greater than yours, and if we fall, the West will soon follow!

Should eligible young ladies decide to emigrate to the still White controlled state of Rhodesia, they will have no difficulty in finding White mates who are determined to keep Rhodesia as such, and not "Zimbabwe." Wishing you all the best in your struggle, I remain...

Fight for Rhodesia

As an English reader of the *Thunderbolt*, I will take the opportunity of appealing on behalf of our White brothers in Rhodesia for more support in their hour of need in their fight to stay free of Marxism. Rhodesia is going to be squeezed harder than she has ever been squeezed by more sanctions inspired by the Carter regime in your country and by our Jim Callaghan here in Britain. Between them they hope to establish a Marxist regime in Rhodesia. The main worry of our brothers in Rhodesia is more or less two-fold: one, lack of numbers, and two, the lack of more sophisticated weapons. Recent reports say 32 French-built Mystere fighters have been purchased via secret channels and that's a good sign for Rhodesia.

R. Mugabe, the Zimbabwean terrorist leader, says he will eventually smash our brothers into submission using the Russian tanks, missiles, and the heavy guns he is now acquiring from the Soviets, seeing as our respective governments will not allow any weapons to be sent to Rhodesia and, indeed, make threats against anyone wishing to go and fight for that country.

We need a discreet group of mercenary scientists to go there and undertake experimenting and building of subtle and very lethal weapons. Men with knowledge of lasers, plasma-projectors, gamma rays, even the Unified-Field, plus designers of conventional weapons, to help decimate the 50,000 strong Zimbabwean terrorist army. Once such weapons are used, it won't be long before the terrorists get the idea about who's going to rule in Southern Africa.

\$1,000 for a Good Wife

There are lots of White bachelors here in North Dakota who own their own farms. Not many women want to be farm wives these days and few eligible women live out here.

My bachelor son is 51 now and is still single. My offer of \$1,000 to anyone who can find him a wife still stands. The lady should not be over 35 years old and should be able to have children. She could be a working woman and wouldn't need to have any money, but she would have to be acceptable to my son.

Blacks Need Whites

All African Air Lines are manned by White pilots and the planes kept in operational condition by White technicians. Last year Zambia gave up its 5 year program to train blacks to operate all air transport. This

program has now been dropped and Whites are still paid high wages to keep the planes flying.

Nigeria recently decided to cut its airline losses and fired 750 needless workers — all were black. Its actual operations are still under White control.

Stop ALL Immigration

With unemployment reaching an all-time high, Senator Alan Cranston (D) of California, wants to bring in more aliens who will, of course, take jobs needed by Americans.

With our citizens staggering under taxation to maintain welfare programs, the Senator would bring in unwanted coloreds. If they don't take jobs from Americans, they go on welfare, thus adding to still more to our tax burden.

While our own people lose their homes due to crushing school taxes, Senator Cranston works to bring in more and more aliens who not only

Let Blacks Emigrate to Africa — Not Australia

In the past year I have noticed the recent influx of American negroes into Australia. I realize the immigration of negroes from America is desired by the White American population, but their admission to Australia is definitely not desired by White Australians.

The detestable fact is that the official immigration statistics include the negroes with White Americans, as the statistics do not mention the race of the immigrant.

Australia has enough to cope with being surrounded by the Mongol hordes of the new Genghis Khan, not to mention coping with the influx of popauns, Fijians, Melanesians and other sub-breeds without having to bother with negroids.

The fact that the negroes are immigrating to Australia and not the Africa proves their inferiority. The sub-human knows that without Europeans to provide the welfare state, the animal will perish.

Unfortunately, the majority of White Australian women do not know of the negroes' high crime rate in the U.S.A., nor of their sexual atrocities (rape), so they date with the beasts. This often leads to gang rapes. I personally know two white women who were raped while leaving negro-infested nightclubs because they shunned the creatures.

If this continues, even socialist political parties or political societies will become obsolete and the formation of an Australian version of the National States Rights Party must occur.

While U.S. citizens hunt, sometimes desperately, for housing they can afford, this same senator plans to bring in more immigrants to take up the vacancies we do have, thereby contributing to the rise in rental rates and the purchase price of homes. Has Senator Cranston looked around our city streets at the White Americans living in station wagons, vans and makeshift campers? I see two or three around our block in Hollywood every day. One family — man, wife, three-year-old child, a kitten and a

If the Senator is trying to imply that his efforts on behalf of foreigners is humanitarian, why does he not show that same consideration for White American taxpayers who pay his salary, expenses and fringe benefits?

Come now, Senator, what is your real reason for bringing in all these aliens, contrary to the wishes of the citizens you are supposed to be serving?

Whites Gave Negroes Their History!

A history book about the minstrel shows, *GENTLEMEN, BE SEATED*, is a parade of the old-time minstrels by Daily Paskman and Sigmund Spaeth. (Doubleday, Doran & Co.) This has been reprinted and can be purchased today at any bookstore. It traces the history of the shows even before a complete minstrel show was performed by going back to circuses and individual acts of performers. These performers were White Men in black face, not negroes! Thomas D. Rice seems to deserve the credit of being the first to make a national or "race illustration" of the negro character. He sang and danced a JIM CROW song and dance — "Wheel about and turn about and do jis' so...Eb'ry time I wheel about I jump Jim Crow."

The book also says that the White Man even wrote the negro songs and negroes, learning them by rote, kept singing them, and after a while thought that they had written the original melodies. The book has history, songs and scripts in it for presenting an old-time minstrel show.

Another book is *TAMBO AND BONES*, a history of the American Minstrel Stage, published by Duke University Press in 1930. (I don't know if this is in print any more)

QUEERS EXAGGERATE NUMBERS

San Francisco is called the center of the homosexual movement in America. Queers claim that 150,000 of that city's 662,000 residents are homos. In other words, 25% of the population! A survey by writer Jerry Burns for the *San Francisco Chronicle* states that this figure is a gross exaggeration.

Dr. Paul Gebhard states that many of the self-styled "gays" are blatant exhibitionists and thus appear to be more numerous than they really are. Police and civic leaders believe that 75,000 would be a more realistic figure. Even this is alarming, but does show the homosexual numbers game is one that needs close scrutiny. Often they seek to frighten politicians with figures which simply do not exist.

Communists Open Office Rhodesia Forced to Close

Italian Communist newspaper *L'Unita* has been granted permission by the Carter Administration to open an office in Washington. This is the first time a Red publication outside the Iron Curtain has been given such a privilege.

The Rhodesian Information Office in Washington has been given notice that it must close its doors as the official news voice of that embattled nation. The good work of spreading the truth about the struggle for the survival of White civilization in Rhodesia is to be silenced because the black radicals and communists object. The courageous Rhodesian information officers, Henry J.C. Hooper and Kenneth H. Towsey, are to be silenced.

License to lie by the communists and suppression of the truth about the Whites of Rhodesia — WHAT HYPOCRISY!

Jehovah's Witnesses for World Government

On June 19, more than 9,000 Jehovah's Witnesses met in convention at the Mobile, Ala., Municipal Auditorium. The *Mobile Register* noted that the crowd was "composed of various races, age groups and national origins."

The principal speaker at the convention was L.A. Swingle, who urged the formation of a World Government, which he said was "coming and needed." Swingle said that his group would "welcome such a world where all mankind, whether black, white or yellow, would live as one united brotherhood."

Like other so-called religious groups, the Jehovah's Witnesses have been moving steadily to the left and openly advocate interracial marriage. The threat of World Government continues and must be closely monitored by Patriots.

National States Rights Party Plans New Fall Campaign

Jerry Pope speaks at Middletown, Ohio dinner.

NSRP Ready for Big Push

The National States Rights Party has completed its final series of meetings prior to our Fall campaign. We have chosen three specific areas for total literature saturation drives. This will be immediately followed by public rallies in these target areas. There are several very important reasons behind this plan, which we will be outlining in our next newsletter.

Recent meetings included:

Louisville, Ky., where Attorney J.B. Stoner and Jerry Pope addressed our hard-core supporters. Photos show the good crowd which was much larger than the usual meetings held by the pro-negro, pro-Jew false leader called Bob DePrez. The NSRP will continue rapid growth in Louisville because we do not believe in compromise.

Ohio: Our summer picnic was held in Middletown. This was a

social get-together. Jerry Pope was the host and arranged for all the delicious food. NSRP Chairman J.B. Stoner delivered an inspiring message.

Kinston, N.C. featured Mr. Stoner and Kenneth Poole as speakers. They met with all our loyal friends in that part of North Carolina. This is an old and well-established chapter which is always searching for new people.

Dillon, S.C. is a new NSRP Chapter and they are attracting many people from the Northeast part of the state. Many of these new members wear their NSRP uniforms and "White Power" T-shirts and meetings. This definitely helps to recruit new people because it demonstrates a dynamic aggressive attitude toward winning this struggle.

Note: Ray Reimer in San Francisco says our new movie on the European speaking tour will be ready for viewing by the end of September. Watch for invitations for its screening in your area.

National Front Growing

England's right-wing "National Front" organization gained publicity in America in August when 2,000 of its members marched through London's East End. This area has been flooded with colored immigrants. Marxist groups vowed to stop the Front. Fighting broke out and about 70 people were injured. Still the marches were not stopped and another victory was registered for this rapidly-growing movement.

The National Front recently replaced the Liberal Party as the third most powerful in England. A survey made by Essex University found that "the greatest support for the NF Party is among people under 35 years of age. It finds strength disproportionately among the working class and in constituencies where between 10 and 15 percent of the population is colored."

In other words, young people, seeing the colored invasion of their communities before their very eyes, are rallying to the National Front. This has all the signs of a movement on its way to POLITICAL POWER!

Before the Dewsbury, England meeting, George Lynch (left), George Wright, Dr. Fields and Mrs. Wright.

J.B. Stoner speaking in Louisville.

THE FLOOD HAS JUST BEGUN

Gun. Chapman warns: "By the year 2000, some 80% of the world's people are expected to be concentrated in the so-called underdeveloped nations, which include Central and South America and Mexico — already the chief source of most illegal immigration to the United States. Faced with the prospect of no jobs and substandard living conditions in their own countries, millions of these persons will seek to break out — and most will head for the United States — as they are already doing today."

Unless this is stopped Anglo-Saxon-Germanic White America will be dead for all time to come.

Dear Dr. Fields,
I was privileged to hear Dr. Fields speak at the Diksmuide Bedevaart on July 3 -- he was by far the best speaker present -- perhaps the only one who really had the full attention of the people there. I took a number of photos of him and will send you copies in due course.

Most Russian Jews Immigrate To U.S.

Israel's Leaders Worried

Denounce the "Weakling Dropouts"

Israel is in deep economic trouble and only the \$2.5 billion the U.S. GIVES Israel every year that keeps that bankrupt nation from collapse. Israel's former Prime Minister, Yitzhak Rabin says that the flight of Jews out of Israel threatens the continuance of the Zionist state. He calls them "deserters" and "weakling dropouts." Foreign Minister Moshe Dayan says that the number of Jewish youths fleeing Israel is the greatest danger facing Israel's future.

Jewess Shaila Kabariti can come to U.S. as proxy bride

Late news tells us that some 300 Syrian Jewesses are going to be able to fly to America as "proxy brides" of Jew men. They will be allowed in as "wives" of U.S. citizens, but if they do not like one another after they arrive, they do not have to wed or to return to Syria. We know of no other racial group which has ever been allowed to publically use such a trick to enter America. Many non-Jews have been deported for claiming citizenship after a phony wedding. It should also be noted that there are over 25,000 Syrian Jews living in New York City alone. WHY DON'T THEY IMMIGRATE TO ISRAEL?

America is most definitely under an invasion of Jews from both Russia and Israel. They have decided that the U.S. and not Israel is their "Promised Land." With their ability to promote one another in business, along with their effective political lobby, another half-million Jews in America can give them a stranglehold over this nation.

Against Intermarriage For Jews

Rabbi Samuel Silver has been attacked by other rabbis and laymen for performing intermarriages between Jews and Gentiles. "The Jewish Post" has carried a scathing attack against Rabbi Silver by Dr. Bernard K. Weiner, 6603 Moss Oak, San Antonio, Texas 78229. Dr. Weiner

Russian Jews in Vienna. They refuse to go to Israel. America is the land of milk and honey and money, they say.

Russian Jews Want Communism in U.S.

Andrea Chambers, writing for the *New York Times*, found that many Jews from Russia are dismayed that our government does not control our daily lives. Miss Chambers interviewed Jews from Russia, Poland and Rumania.

Swietlana Lev Wants Marxism in U.S.

She found that they were surprised to learn they must pay medical bills or pay to send their children to college.

Swietlana Lev had a good job as a medical midwife in Russia and thought she could become a registered nurse upon her arrival in the states. She now has a job as a clerk typist and wishes she had remained in the Soviet Union. (Does this sound like she suffered any persecution in Russia?) Miss Lev also stated that in Russia a woman is given pregnancy leave

charges this practice poses a "danger to our people." He stated that "assimilation" threatens the "survival" of Jews. Weiner urged that young Jews be instilled with the knowledge of their "Jewish religion and culture so that they will be less vulnerable to intermarriage." Dr. Weiner added: "I am a Jew and, needless to say,

54 days before the birth and 72 days after. She failed to state how low the pay is in Russia, that they still work a six-day week, and the wages are 66% lower than in the U.S.

Other complaints by Jews are that they are not appointed an apartment, but must actively seek one, must assume a financial risk when going into business (Can Jews go into private business in Russia?). There is competition in the job market here and Jews feel they should be "appointed" to a job of their choice. Jews in the professions complain that they are not immediately given positions in the professions which they formerly held in Russia.

Karl Marx, a Jew and the descendant of a long line of rabbis, founded communism. The first head of the Red Army, Leon Trotsky, did much to spread communism and its theories around the world. A majority of Marxist leaders and organizers throughout the world have been Jews.

Jews have most definitely been the carriers of the Jew Karl Marx' ideas and they are swiftly infecting out society as the Jews become more numerous in our midst. In Israel they have a combination of capitalism for the privileged rich and Marxist socialism for the masses. They want to set up the same system in America. This means enslavement for the White working people but special rights for Jews who want to dominate commerce and politics in America.

I am proud of it. When my children marry, I want to know that they will marry real Jews... how do we know that the children of people who intermarry are simply masquerading as Jews. I do not believe that many couples who intermarry will live a viable Jewish existence... the uncertainty created by such a marriage as, to

JEW INVASION

Growing numbers of Russian Jews are immigrating to America instead of Israel. The Jewish Telegraph Agency has released the latest figures on 1977 immigration and predict that 60% of all Jews who leave Russia will switch their destination from Israel to America.

In 1976, some 48% came to America with the financial aid of U.S. taxpayers. This money is funneled into the Jewish Joint Distribution Committee and the United HIAS Service. In 1974 some 4,000 Jews came to the U.S. and in 1975 the figure jumped to 5,200. This figure is expected to go over 8,000 before the end of 1977.

This is only part of the story because vast numbers of people who already had settled in Israel are leaving. They are called "Israelis." They are able to avoid immigration laws which apply to other peoples. They are pouring into America in vast numbers. It is estimated that over 300,000 Israelis (citizens of Israel) live in America. They get work permits

with no problem. They overstay their visas and are never threatened with deportation -- why? **because they are Jews and hold special privileges.**

During 1976, and it is forecast for 1977, Israel will lose many more Jews than the ever-dwindling number who decide to move there.

Because of harsh economic conditions in Israel and the constant threat of a new war with the Arabs, 80% of American Jews who immigrated to Israel have changed their minds and have returned to the States.

On top of all this, our government just recently passed a special bill to allow 4,000 "stranded Jews" in Rome to come to America despite the fact that their Soviet visas had Israel marked as the point of destination. This special "parole status" bill was pushed by Jew Congressman Joshua Eilberg. Believe it or not, Eilberg describes this special "parole" authority as similar to that given political refugees from Cuba and Vietnam. Does he mean these Jews are escaping tyranny in Israel?

Your Taxes Aid Russian Jews

Federal grants totaling \$794,000 have been given to the "B'nai Torah Institute" for English courses for Russian Jews pouring into New York City. The Congress has passed a bill giving the Carter Administration \$3 million to help relocate Soviet Jews in America.

Sen. Brooke and Sen. Clifford Case urged an amendment be added to the bill that the money can be used only for Jews. Japanese Sen. Daniel Inouye argued against singling out one special racial group to receive said funds. (Inouye helped defeat the Carter appointment of the Jew, Theodore Sorenson, as head of the C.I.A.) The "Jews only" stipulation was dropped by a 16 to 3 vote, but Carter can still use the money for Jews, as is expected.

In New York City, the "Jewish Alliance of Businessmen" has established three centers to provide Russian Jews with courses that will train them to be able to go into business. Rabbi Reuven Godner is in charge of the project and the Alliance office is at 10-25 44th Ave., Long Island City, N.Y. (phone 937-9813).

The following ad has been published in the *New York Jewish*

who is a Jew" is a threat to all. "I call upon Rabbi Silver to cease and desist from this action which I fear will harm our people immeasurably."

NOTICE: When The Thunderbolt gives the exact

Press. It states under the notice "Immigration and Naturalization: Persons abroad who do not have the specific relatives here to qualify them for 'preference' quotas, or occupations, or employers to qualify them for other preferences, may still be able to immigrate."

"Any person in the Greater New York area desiring to make inquiry in behalf of an intending immigrant abroad may call the office of the National Council of Jewish Women for an appointment to discuss the matter."

In other words, the Jews are highly organized to help fellow Jews in this continuing INVASION of America. They pour in while our European kinsmen are barred. The Jewish population is rapidly growing in every major center of commerce in America. They are fulfilling Benjamin Franklin's prediction that, if allowed to flood America in any numbers, they would take over and dominate finance. This is becoming more of a fact of life with each passing day. White Christian Americans will have to awaken and stop this floodtide and remove all these illegal immigrant parasites before they consolidate a dictatorship over us!

same advice to White Christians against marrying Jews or other non-Whites we are charged with prejudice! It seems to be a one way street and we Whites are supposed to be silenced in our outspoken opposition to race pollution.

RACE AND REASON

In 1958 Putnam wrote a letter to President Eisenhower asking for wisdom and forbearance in the pell-mell rush to integrate Southern schools. The letter was unacknowledged, but was reprinted widely in Southern newspapers. So much correspondence was received in the next few years as a result of this and a subsequent (also unanswered) letter to the Attorney General that Putnam decided to expand his original thoughts into a book.

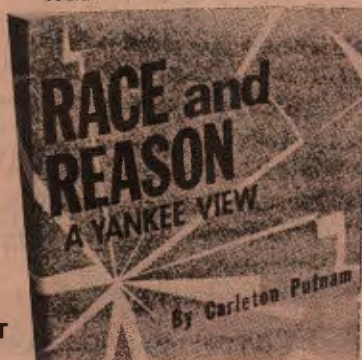

The substance of *Race and Reason* is that school desegregation amounts to forcing social equality on people who are unequal, that the equalitarians have a totalitarian hold on the media and academia, that both science and history have been rewritten and distorted to support the integrationist cause — all with the end result of encouraging Negroes to give up what is best in their own race for a perverse and abortive stab at racial amalgamation, which carries with it the seeds of violent confrontation. Negroes, Putnam writes, have been taught by a white minority to blame the white race as a whole for faults and situations which are largely of the Negroes' own making, while whites have been indoctrinated with a deep sense of guilt for crimes they never committed. Inevitably, the cultivation of such attitudes rubs salt in the wounds it is supposed to cure.

One by one the author answers the most difficult questions propounded by his critics. Objections, sometimes reasonable, sometimes impassioned, on moral, religious, scientific, anthropological and political grounds are handled with logic, conviction and often with a touch of brilliant irony. Such difficult and thorny topics as the psychological effects of biological inferiority and superiority are met head on. The historical evidence against racial equality, with particular reference to ancient and modern Negro societies in Africa, is presented with scholarly acumen and documentation. The legal and extralegal maneuvers that led to the Supreme Court's *Brown* decision, which triggered school desegregation, are reviewed and found to amount to a judicial travesty. Most important of all, Putnam shows that the chief motivation of the integration blitz is not racial justice, but naked political power.

CARLETON PUTNAM

Direct descendant of seventeenth century settlers in Massachusetts, holder of degrees in science (Princeton) and law (Columbia), widely acclaimed author of a definitive biography of Theodore Roosevelt, instrument-rated flyer who became board chairman of one of the world's great airlines, Carleton Putnam, a Northerner who spent most of his business life in the South, was made to order for the almost impossible task of making sense out of an emotionally blighted issue that seemed to defy objectivity. Quite aware of the obloquy that would be brought down upon him, Putnam nevertheless sat down and wrote two lasting contributions to American social science.

'Legacy Of The Melting Pot'

By Attorney Drew L. Smith

225 Pages

The only book giving the full story on the Kennedy Immigration Law of 1965 and how it has resulted in a flood of non-White immigration which is inundating America. Drew Smith shows how the White Race will end up being a minority in its own homeland unless this vast tide of blacks, Asians and South America mongrels are not stopped from pouring across our borders. Today two thirds of all arriving immigrants are non-White!

Boycott Schlitz Beer!

White Workers Downgraded Under Blacks

Over 100 members of the Teamsters Local 1196 at the Joseph Schlitz Brewing Co. in Memphis, Tennessee have formed their own group in taking legal action to protect their job rights.

Carl T. Briscoe has filed charges with the EEOC about job discrimination against Whites. The National Labor Relations Board agreed they have a legitimate grievance. The White workers state that Bill Maxwell, head of the local Teamsters, is actually a lackey of the company who has allowed the following acts to take place:

- 1) Blacks are promoted over Whites with more seniority.
- 2) The Teamsters represent blacks more diligently than Whites.
- 3) Relatives of prominent black political figures have been preferentially hired over White applicants.
- 4) Whites are required to take Martin Luther King's birthday off as a holiday.

Bill Maxwell, backed up by the Schlitz manager, a Jew named David Kushner, said the charges were "exaggerations."

Mr. Keith Pindell is head of the new White workers group called "The Memphis Schlitz Employees Association." As proof of their grievances, Pindell displayed a Schlitz Company newsletter, "News in View," which bragged how the company had hired a negro-run "Minority Affairs Staff" for "the twofold responsibility of affirmative action and marketing." This gives blacks special privileged treatment and involves the company in negro community affairs.

In 1975 and 1976 Schlitz bought new Oldsmobiles for NAACP raffles. Some \$25,000 was raised through the sale of the tickets and a check was presented to NAACP head Benjamin Hooks by two Schlitz officials. Schlitz bragged that the company went out of its way to hire negro contractors for the construction of their new plant near Syracuse, NY. Other events Schlitz listed as being "regularly supported" are the Black Caucus Dinner in Washington, the Urban League, NAACP, PUSH, Festival in Black and Soul in Los Angeles, and the negro newspapers association. It is of interest that not ONE SINGLE White organization was among the names of the groups listed.

We would also like to note that Blatz Brewing Company and Miller Brewing Company are owned by Jews. (It is well known that Jew employers normally favor blacks over White employees.) The Jew Philip Morris cigarette company recently bought Miller Beer. The Budweiser Company -- also makers of Michelob and Busch-Bavarian -- are heavy contributors to the NAACP, Urban League, PUSH and other anti-White organizations.

ALL SUCH COMPANIES SHOULD BE BOYCOTTED! Most of the small struggling local breweries do not give their profits away to black radical organizations.

We want to thank White patriot Robert McCampbell of Memphis for providing us with the documentation for this article.
