Blacks Back Baxley

Negro Rapist Endorses Baxley for Gov. of Alabama

Attorney General Bill Baxley of Alabama has been compared with infamous Thaddeus Stevens for his dogged hounding of White segregationist leaders in Alabama. Thaddeus Stevens was the hated head of the Reconstruction Act forces which used federal troops and federal agents to force integration on a prostrate White South after the Civil War.

Clarence Norris — three times sentenced to death for rape.

Bill Baxley has used Alabama state agents to question, harass and intimidate hundreds of White patriots in Alabama using the excuse that he is trying to solve bombings that took place almost two decades ago. He has a vicious intent to bulldoze and frighten into silence those who still have the guts to stand up for the PRESERVATION OF THE WHITE RACE! This is why Baxley is called the "modern-day Thaddeus Stevens."

Negro radicals and even convicted rapists have endorsed Bill Baxley for governor of Alabama. The most notorious is negro Clarence Norris of the infamous "Scottsboro Boys." He was three times sentenced to death for the rape of two White girls near Scottsboro, Alabama in 1931. A recent anti-White TV "docudrama" weaved a warped version of this and claimed that the White girls lied about the black rape attack. It stated that the White girls were dead, but they were not. One of the victims sued the TV network and declared the blacks were as guilty today as they were in the past.

Norris says that he would not sue Alabama for his imprisonment because he wants to help Bill Baxley become governor. Negro Norris says he hopes to actively campaign for

Former Jew Returns

NEW YORK [AP]—Convinced that the survival of American Judaism is gravely threatened by current tendencies, Gerald Strober has rejoined that faith after being a Christian for 20 years, personally and professionally. He says Judaism now particularly needs defenders.

"This is a time when everyone of Jewish background should stand up and be counted," says Strober, formerly a Presbyterian and a long-time interreligious affairs consultant to national organizations to foster Jewish-Christian cooperation.

"The very continuity of the Jewish community is threatened," he says. "Jews are in for a hard time in America."

two years a consultant to the National Conference of Christians and Jews and for six years consultant to the interreligious affairs section of the American Jewish Committee, added in an interview:

"American Jewry is now entering its most dangerous phase in 325 years of history in the United States."

He said the Middle East conflict along with the related energy squeeze on oil, the rise of Arab influence, and the pangs of recession in this country have brought a gradually rising current of anti-Semitism.

"Until recently, we've underrated the strong degree of anti-Semitism that lies just below the surface of American life," he said. "In normal time, it

Gerald Strober

doesn't surface. Then comes some crisis, a recession or socio-economic disturbance, and the anti-Semitism comes boiling to the surface."

"We're now seeing it happen," he said, citing various instances.

As an example, he cites long-time Jewish efforts in behalf of civil rights for blacks, with an ensuing upsurge of anti-Jewishness among pro-Arab blacks.

STROBER, of Brooklyn, brought up as a Jew, converted to Christianity at 19 and was educated at conservative Protestant schools, the Moody Bible Institute in Chicago and Gordon College at Wenham, Mass.

More On Jew Converts

Mike Evans is yet another Jew who claims he preaches "New Testament Judaism." He is a traveling evangelist and many fundamentalist churches fall for his line. He admits that he is still a Jew and loyal to Judaism.

Baxley because he is the "main man who worked to get me a pardon."

Observers say that no politician in the history of the South has ever gone to such extremes to capture the negro bloc vote as has Bill Baxley. Many feel that in a crowded race for governor, the negro vote alone will be enough to get Baxley into the general election. The South has not gone so far that it would elect a modern-day Thaddeus Stevens as governor.

This is clearly misleading Christians away from their true faith.

Other notable "converts" to Christianity who returned to Judaism include Eric Sokolsky, son of the late columnist George Sokolsky. He converted to the Catholic Church and has now returned to Judaism. He is now speaking in California synagogues attacking Catholics!

Actor George Jessel's oldest daughter, Ruth, joined the Christian church, but left at age 30. She now teaches Hebrew in a Midwest Jewish Day School and is raising her children as Jews - NOT CHRISTIANS!

Jews Who Pretend To Convert

There has been a series of Jews who have pretended conversion to Christianity only later to renounce their Christian ties and return to Judaism. In every instance they have used their influence and total efforts toward making Christians believe that Judaism is a superior religion. They tell Christians that Jews are "God's Chosen People," and that we have obligations to support not only political Zionism, but our local Jewish merchants right here at home.

They all work to subject Christianity under Judaism. We are supposed to be a sub-religion to which Judaism is made to appear the foundation. They stop short of telling all Christians that they should abandon their church and convert to Judaism. The reason for this is that Judaism is the only "religion" in the world without missionaries, which engages in no outreach and wants no converts. This is because Jews want to keep their race pure. They

strongly oppose intermarriage and want their religion to represent one race and one nation.

On this page we have reproduced an article about Rev. Gerald Strober. He "converted" to Christianity at age 19 and rose to the top inner circle of the Presbyterian Church. He represented the Presbyterians in interreligious affairs conferences with Jews. Strober compromised the church's views to suit the Jews. He then for two years represented the Presbyterians in the National Council of Christians and Jews. This is an organization which actually has worked to get the Holy Bible out of the schools and supports the banning of prayer in schools. Thus Strober was representing the wishes of the organized Jewish community and not that which is best for Christianity.

Today Strober has returned to Judaism to work actively for their special projects. He has completed his "spy" mission to weaken Christian churches from within.

Moody Institute Promotes Judaism

Chicago's "Moody Bible Institute" has Dr. Louis Goldberg on its staff. He was born of Orthodox Jew parents in Los Angeles and "converted" to Christianity in 1948.

Dr. Louis Goldberg

Goldberg's job with the Moody Institute is to teach Christian students "Jewish culture, history and practice." His course is called "Our Jewish Friends." He says that to first understand the Jew, we must be willing to accept him as a friend. Nothing is said to warn young Christians that the Jews are in an all-out state of war against Christianity. They are doing everything within their power to rewrite the Holy Bible. This

Jews deny the divinity of Jesus Christ, His virgin birth, along with all the basic fundamental beliefs of our faith. Moody Bible Institute requires its students to study under Dr. Goldberg so that they can understand the "fascinating developments, customs and practices of Judaism." His lengthy study covers the "beliefs, historical customs and practices of Judaism and the Jewish people."

Judaism is an anti-Christian religion which wants to water down our religion and eventually destroy it altogether. They are well on their way toward reaching this goal. For all who want to know exactly how strongly the Jews feel toward our faith, you should read the remarkable book, *The Talmud Unmasked* (\$1 per copy, available from *The Thunderbolt*). This book reveals the shocking facts by translating the Hebrew to Latin and that into English. It cites the exact page where this can be found in the Talmud. (The real Jew Bible) Its revelations are indeed shocking.

Negroes Are Murdering Our Children

Relatives and Friends weep over the casket of 16 year old Brenda Hendren, who was murdered senselessly by negro Keith Matthews.

Keith Matthews

Brenda Hendren

Columbia, Mo. was the scene of the brutal murder of Brenda Hendren, 16, and the shooting of two of her friends who were left in serious condition. Arrested was negro Keith Matthews, 29 of St. Louis. Police said that he demanded money from the children and when they had none, he shot all three.

Only Brenda died. Her mother, Marjorie Hendren, her face etched with grief, said she did not think she could carry on without her daughter. Her son, Joe, 22, said that if he got the opportunity he would not kill the assailants, but would make them "invalids" so that they would suffer for the rest of their miserable lives.

Kim Montelaro

Frank Ross Jr.

Bergen County, N.J. authorities are seeking a black male in connection with the death of Miss Kim Montelaro, 20. The young woman had taken her brother to the Bergen Catholic High School when she stopped at the Paramus Park Shopping Mall. In broad daylight she was kidnapped, raped and murdered. Her body was found in a gully. During the past year two other young White women met similar fates. They were Miss Susan Reeye, 22 and Miss Susan Heynes, 28. How long is it going to take before Whites awaken to the fact that negroes are the cause of violent crime in America??

Sebring, Fla. jury found Frank Ross, Jr., 16, guilty in the grisly murder of an elderly lady. Mrs. Helen Dixon, 64, had advertised her car for sale. Ross responded to the ad and attacked the woman like a wild animal when he discovered that she was alone. Ross actually kicked Mrs. Dixon until she was dead. Detectives said they had never seen such a disfigured body before. He only got six dollars in the robbery and now has been sentenced to the electric chair - the youngest person on death row.

David McGowan, the brutal killer

Fresno, Cal. authorities found the body of young Janet Herstein, 17, in the rural Mendota Canal. She had been raped and strangled to death with an electrical cord. This was the fifth such murder of a young White girl in the area over the last three years. Arrested is David McGown, 33, a negro whose wife worked at the Fresno Community Hospital where Janet was employed. McGown was charged with murder, rape, kidnapping and sodomy.

Janet Herstein

Columbus, Ga. rape strangulations of elderly White women did not make the nation's headlines until after the number of killings reached four in a single month. Still the news media did not inform you that the police are seeking a tall, thin negro, about 24, as the chief suspect.

Miss Valerie Morelock

Baton Rouge, La. Miss Valerie Morelock, 21, noticed two blacks stalking her at an apartment complex. She pounded on several doors trying to find refuge. Two people denied her entrance, then Peter Meisner let her in. The blacks kicked in the door. They stabbed Meisner several times with a kitchen knife. Miss Morelock was dragged into the bedroom, raped by both blacks, then shot through a pillow in the head. She died instantly. The pillow muffled the sound. At the time she was a senior at Louisiana State University and a member of Kappa Alpha Theta Sorority.

Negro Murder Wave Continues Across Nation

The senseless murder of Whites by negroes has reached epidemic proportions all across the United States. The daily press rarely carries the news of such vicious killings as that of Christian Karotsch, 17, of Falls Church, Virginia. The youth was asked for marijuana in front of a 7-11 store by two blacks who drove up and demanded the drug from him. He said he did not smoke marijuana. They screamed "liar!" and shot the youth. He died at the hospital. His last words were "Mommy, I love you." The black youths fled and are now being sought by the police. The newswire services do not carry the news of such atrocities which occur daily throughout the nation.

Birth Control Harmful To Health

Interracial Marriages For Sale

Mongrelization in Australia

Truth and Liberty magazine in Australia reports that large numbers of Asian women are being imported into the country for "lonely men." A firm calling itself Allied Marriage Consultants operates in Sydney and Melbourne and sells Asian brides to lonely Australian men. The price ranges from \$300 to \$2,000. Guy Wilson, of the Sydney office, said that one in eight men cannot get married because there are not enough women in the country.

Australia is the last continent on this earth with enough open space for the pioneering spirit of the White Race to develop a new advanced civilization. Truth and Liberty states that Asians are being allowed into the country as cheap labor. We in America know the social decay this leads to. Zero population growth is holding Australia's expansion back. Mostly males have immigrated to the country and thus, the need for female companionship exists. Bringing in Asian women could halt the development of Australia and condemn its future. Japan is the ONLY country in Asia with a modern civilization. The rest of Asia consists of lower racial types and this is the element entering Australia.

EDWARD KOCH

How Koch Was Elected N.Y. Mayor

"Jewish Congressman" Named New York Mayor

Mario Cuomo, an Italian and a Catholic, did everything within his power to win a portion of the powerful Jewish vote in New York's mayor's race. This effort went down the drain when a letter issued just prior to the election by the American Jewish Congress accused Cuomo of anti-Semitism. This letter was read in every synagogue and Jew community organization in New York City.

The New York Daily News of September 25 quoted Cuomo campaign manager Mike Dowd as stating in anger, "Three rab-

U.S. Affront To India

U.S. Grants Haven to Jew Embezzler

Elijah Ephraim Jhirad is a Jew from Bombay, India. As a leading figure in the small but influential Bombay Jewish community, Jhirad rose to the highest civilian rank in the Indian navy, judge advocate general.

In 1965 he was arrested and charged with embezzlement of \$1,600 from a prize fund for Indian sailors. A prominent Jewish businessman posted a \$50,000 bond for Jhirad. Released, he promptly jumped bond and fled to Israel, where he was granted immediate citizenship under the Zionist "Law of Return."

He fared poorly there and in 1971 immigrated to the U.S. The Indian government learned of his whereabouts and filed for extradition. This time the Jewish community in America came to his rescue. Jewish Week carried the story of his "plight" and saw to it that reprints were circulated among the top levels of the U.S. government. Then the State Department stepped in and granted Jhirad asylum on the grounds that five year statute of limitations for embezzlement had expired. They stated that this was not a political decision, but one based on legal technicalities. Jhirad had claimed political persecution because of his religion, despite the fact that other Jews hold high business

Elijah Ephraim Jhirad

and government positions in India.

Jhirad and his wife and three children are now eligible for U.S. citizenship. He thanks Rabbi Alexander Schindler, chairman of the Conference of Presidents of Major American Jewish Organizations - who is one of the most powerful Jews in America! Jhirad also thanked the Congressmen who interceded for him, Rep. Joshua Eilberg and Stephen Solarz. Elijah Jhirad is now studying for the New York State Bar Exam and is employed by the Warrent, Gorham & Lamont, Inc. law journal company in New York City. Most observers agree that had Jhirad been a Christian and not a Jew, he would have been extradited to India to face the embezzlement charges which were brought against him. America has become the refuge for the cast-offs and undesirables of the entire world.

bis who supported us were almost lynched. The turning point in the campaign was the American Jewish Congress letter. We got killed by it. It became 'us' versus them. First you had the Lombardi article in The News quoting Cuomo as saying maybe Jews shouldn't vote for Ed Koch because, if he failed (to save the city) Jews would be blamed. That day, at about 4pm, a letter was delivered to me on the stationery of the American Jewish Congress. In essence, it accused Mario of anti-Semitism. Then the letter was read in the synagogues

that night, with no opportunity for us to respond on the eve of Roshashnah. That set the groundwork for a holy war."

Thus New York's Jews turned out to vote en masse, almost 80% of them, to soundly defeat Mario Cuomo. Nationwide, the Jewish voting bloc has often been the swing vote in many elections. The charge of anti-Semitism is most often used by powerful Jewish community organizations to inflame their forces and turn them out en mass to crush those who do not fit in with the Jewish scheme of politics.

Vasectomy Leads to Suicide

Newspapers continue to herald the glories of birth control, which is followed mostly by Whites. You rarely read any news reports about the often tragic effects of un-natural birth control procedures. The Pill is dangerous and has many serious side effects including blood clotting, heart failure and cancer. The IUD can cause internal bleeding and cancer of the uterus.

In the male the vasectomy can cause arthritis, depression and other severe symptoms caused by a hormonal imbalance. David Rolph, 27, and his wife Carol, 28, had three children and decided they wanted no more. (Any race which wants to grow needs an average of 4 children per married couple.) Mr. Rolph went to the London Jewish Hospital in Stepney, which accepts Gentiles. Without any counseling about the side-effects, Jew Dr. I. Preiskel performed the operation August 30.

Mrs. Rolph said that her hus-

band suffered with continuous pain. She said he had "swellings, lumps and was in terrific pain. The doctors said he only had an inflammation, but he was depressed and unable to perform sexually. His personality completely changed where he had no problems before."

On September 7, David Rolph hanged himself at his home. The public is pushed ever onward with birth control presented as the ideal state of life without regard to consequences. Such acts against nature risk the health of the victims, who will continue to suffer. Of course, there are other methods of birth control, such as the use of condoms, in which there is greater safety.

It is mainly the White Race which is practicing birth control to the detriment of the continuance of civilization. It is tragic that we pay higher welfare benefits to coloreds to breed while penalizing White taxpayers to the point where they cannot afford to have children.

SALT Agreement World Depression

The Wall Street Journal in its October 27 issue carried an editorial which should have made front page news all across the nation. One of the most informed and influential men on the European continent declared that President Carter's agreements with the Soviets to ban subsonic conventional weapons leaves Western Europe wide open to invasion. With the short range cruise missile banned the Russians could easily destroy West Germany with their SS-20 missile.

Heavy industry in Europe is switching their investments to North America as a result. Henry Kissinger's statement that within 10 years all of Europe will be either socialist or communist is still repeated in European business circles. The collapsing steel industry in America is also taking place in Britain and German steel firms. The lack of economic revival in Europe, coupled with double digit inflation in Italy, England and other countries has cooled

the economic recovery throughout Europe. Britain's economy for 1977 finishes with no growth. Italy's is falling, as is Sweden's and West Germany's has stalled.

As Europe weakens, our dollar sags and despair becomes the fuel which feeds the fire of a coming world-wide depression.

Economic recovery lies in a strong America which can stand up to the Soviets in time of crisis. In this area a rearmed West Germany, manned with short-range tactical nuclear weapons, is the key to European security. Confidence in the free enterprise system must be insured before investors will keep their money in Europe instead of sending it to America. Prince Phillip in England has just recently stated that socialized (nationalized) industries exist just to provide jobs for those who do not produce. Only a strong America can help West Europe get back on its feet and stem the tide of socialism and its end result -- COMMUNIST ENSLAVEMENT!

Begin Admits Arab Prisoners Tortured

Israeli Premier Menachem Begin has issued orders to the police and secret service (Shin Bet) to stop inflicting physical injuries on detainees during interrogation. This was reported in the Chicago Jewish Sentinel of September 29. No daily newspaper carried this statement, which is tantamount to admitting that the charge of Jewish torture of prisoners is true.

During Begin's meeting last July with President Carter, the subject of Israeli police torture of prisoners was raised. Carter told Begin about charges brought by the Swiss League of Human Rights, headed by Denis Payot, a Geneva lawyer. Payot gave Carter evidence that such practices did occur. Begin asked Carter not

GOP Money Down the Drain

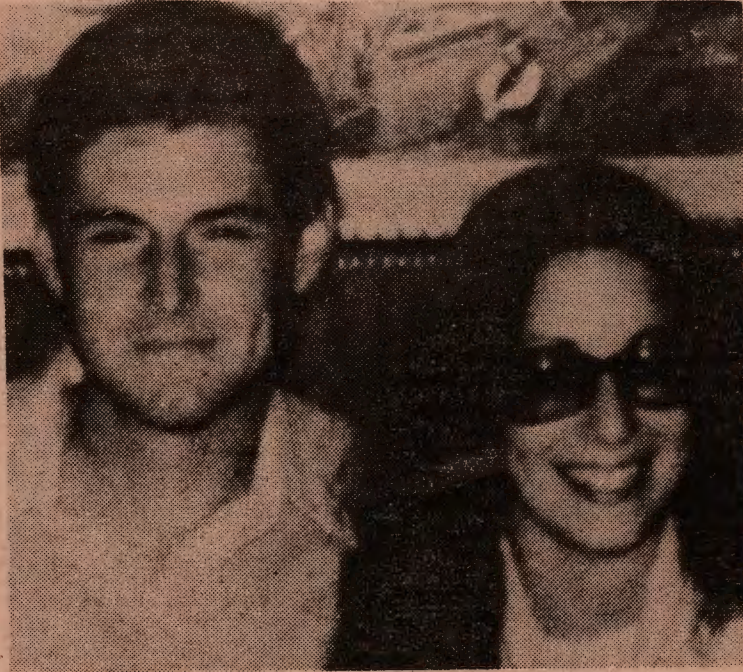

The Republican Party high command has designated \$250,000 toward capturing the black bloc vote in next year's elections. Negro James Cummings, chairman of the National Black Republican Council, has come up with a plan to give \$100,000 in awards to black teenagers who can write the best paper advocating the two-party system. He says that if they study both sides they will vote GOP. Once the money is paid out, how many black votes do you think the Republicans will be able to buy? Why not write the negroes off and go after the vote of the White majority for a change?

to publicize this aspect of their conversation. The Israeli newspaper Maariv broke the story and Begin's office confirmed it.

Race Mixing Leads To Death

Free Wilmington 10 - But What About Leroy Gibson?

Church leaders representing Baptist, United Methodist, Presbyterian, United Church of Christ, Lutheran and Roman Catholic have urged the state of North Carolina to release the negro agitators convicted of arson and riot known as *The Wilmington 10*. They petitioned Gov. James B. Hunt, Jr. to pardon the communist-supported agitators. At the same time there was a deadly silence about Leroy Gibson who was the White people's leader in Wilmington at that time. Mr. Gibson was charged during this period with being involved with explosives. There are no church groups urging a pardon for Leroy Gibson, despite the fact that all the available evidence proves that he was framed. Why is it that these self-righteous churches always support minorities and communists but never once have stood up for a Patriotic White leader who suffers persecution?

ROBERT MURRAY WIFE, CAROL, DIDN'T WANT TO MOVE
Final attempt at acceptance ended with fatal beating

Liberal Moved to Black Area - Is Murdered

California has the largest number of interracial couples in America. It is unfortunate that almost all of them live in predominantly White neighborhoods. *The Thunderbolt* has editorially urged that all those who believe in race-mixing should make their set an example by actually moving into negro areas. We have long found that those who believe in race-mixing live far away from negroes. Often the poor White working class which is forced to live near blacks for economic reasons are racially aware of just how dangerous this minority is.

Robert and Carol Murray were such misguided race-mixers that they took that fateful step. Bob and Carol moved into the negro ghetto of East Oakland, California. From the day they purchased their home at 504 Catron Drive, they were subject to constant harassment from blacks who hate all White people, be they Rightists or Leftists. Mrs. Murray said that they were determined to make their black neighbors like them. They visited with negroes on their block. They gave both money, food and time to helping negroes. Carol Murray said that this did not seem to affect the hostility local blacks held for them.

Negroes called them obscene names, chased them with sticks, and some urged their dogs to attack the Murrays. When they tried to donate some used cloth-

ing to a neighborhood rummage sale, their gift was refused. Robert Murray's father, Oakland realtor Bernie Murray, said his son had all but given up and "told me last week he was going to move out."

One Last Attempt

Robert Murray, just 28, decided to make one last attempt to win the friendship of his black neighbors. He heard about a meeting of the local youth center and decided to donate some athletic equipment. As he left the gathering, five young blacks trailed him. About a block away he was attacked by the five black thugs. They beat and kicked Bob Murray to death.

He died in surgery at 10:30pm on October 23. One source to be blamed is the news media which does not disseminate the news revealing the fact that negroes commit OVER 90% of all crimes of violence in our major cities. Murray did not know the true danger he and his wife faced and this was because of the brotherhood propaganda which had been drilled into his head all his life. *The Thunderbolt* has many times reported the high fatality rate experienced by Whites who date negroes or socialize with them. This is one newspaper which will do all that it can to spread the alarm about the dire danger which exists when one is too closely associated with negroes.

Negro Killer Serves 3 Years

Torture Killer Freed In Ohio

One of the most shocking crimes in the annals of Ohio occurred 4 years ago. Mrs. Christine Uhrig, 23, was working at the Kingsley Welding Shop in the Woodlawn suburb of Cincinnati. Negro Robert Lee Harris, Jr., then 23, walked into the shop claiming he was seeking a job.

Harris filled out an application and then noticed that the beautiful young blonde was alone in the office with him. Harris knocked the girl to the floor and raped her on the spot. During the attack, he snapped her neck, leaving her paralyzed. Harris then splashed lighter fluid over the helpless White girl and set her afire. Screaming in excruciating pain she perished.

Robert Lee Harris, Jr., was quickly caught after police found his job application. During the trial Cincinnati Jew Judge Robert Kraft ruled that anyone who would do such a thing had to be "temporarily insane". Kraft dismissed the arson and murder charge and sentenced Harris to 3 to 20 years for rape. After serving the minimum three years the Ohio Parole Authority, which is loaded down with liberals, ordered Harris released.

Christine's mother, Mrs. Sarah New, is today in a state of shock. *The Cincinnati Enquirer* quoted her as saying that "at the time of the murder, I wanted him dead. Now I think he should at least be kept in jail for life." She added that she was not satisfied with the 3 to 20 years sentence handed down by Kraft

SARAH NEW, 48, finds old pain renewed by news that the man convicted of her daughter's rape has been paroled.

because "people get more than that for stealing a car." The fiendish murder of her daughter caused Mrs. New to have a nervous breakdown. She said, "Now that I am beginning to get back on my feet he's out running around free."

Prosecutor S.L. Leis, Jr. has petitioned the Ohio Supreme Court to set Harris' parole aside because no hearing was held for objections. The Jew Allen Adler of the Ohio attorney general's criminal activity section said he would defend the Ohio Parole Authority's decision because he claims that they alone have the power to decide who is set free and who is held.

Bernard J. Gilday, Jr. is the lawyer who represented the brutal killer Robert Harris. He defended the parole decision, stating that he was pleased and happy that Harris was free. When asked about the fact that Harris was charged with rape prior to the attack on Christine, Attorney Gilday laughed, "he's grown out of that."

Ultra-liberals and negroes are now in charge of many of the nation's parole boards and they are quick to free black criminals. This is one of the chief causes for the rapid increase in violent crime in America. Many of these attackers are repeaters like Robert Harris. He was a known rapist even before he murdered Chris-

Negro Policeman Gets Job Back After Rape

Negro Joseph Baltimore, 32, is a six-year veteran of the Bethesda, Maryland police department. Last year he was arrested for raping a 15 year old White girl in the basement of the Brookmont Elementary School. He was on duty and in uniform at the time.

Baltimore was also accused of seeking dates with two other White girls, also 15. The report said he told them they had "nice legs" and he would like to give them a ride in his patrol car. He was charged with taking them for a ride and trying to entice them

into his home.

After a six day trial before a majority black jury, he was found "not guilty." The police department was ordered to pay Baltimore \$7,000 in back wages since his suspension from the force. Police Chief Robert diGrazia is now appealing this ruling and states that Baltimore's misuse of his police car and uniform are grounds enough for his suspension. Here is yet another case where the criminal is still free on the streets to strike again. Only a few years ago an all-White jury would order the death penalty for rape.

Abolish the Peace Corps

Columnist Jenkin Lloyd Jones has just returned from Guam. He says that taxpayer paid Peace Corps workers stirred up the natives to demonstrate against the Navy's plans to extend the airfield. He found one of these creeps wearing gold earrings, his hair in a lady's topknot, wrapped in a native sarong which displayed his buttocks. Jimmy Carter is now expanding this army of crooks who are bad-mouthing America all over the world. This corps of misfits needs to be abolished because they are all doing more harm than good.

tine Uhrig. Harris served only three years and is now free to attack again. The foul death of this innocent young lady who in the prime of her life met such a horrible fate CRIES OUT FOR JUSTICE. THE WHITE PEOPLE OF OHIO SHOULD NOT REST UNTIL HER DEATH IS AVENGED! Harris, along with all who participated in his "slap on the wrist" sentence and subsequent release are all equally guilty of complicity in the death of this poor young White girl!

Russia's Chief KGB Agents Are Jews

Louis in his study: Six rooms plus a pine-wood sauna

RUSSIA'S CONSPICUOUS CONSUMER

Last week, NEWSWEEK's Moscow bureau chief Jay Axelbank visited Victor Louis at his home outside the Soviet capital. Below, Axelbank's impressions:

This is Victor Louis (born in Moscow as Vitaly Yevgenyevich Lui), a correspondent for The London Evening News and an unbelievably bizarre Soviet bon vivant who is thought by many to be a KGB agent. The Soviet Union's most conspicuous consumer, Louis maintains a mansion 15 miles outside Moscow where he dazzles newsmen, diplomats and assorted VIP's with his hospitality. While most ordinary Russians are lucky to live in a two-room apartment, Louis has six or seven rooms—depending on whether you count his pine-wood sauna (imported from Sweden) as a room. A reputed millionaire, he also has a swimming pool,

tennis court, a garage containing a fleet of cars and a refrigerator stacked with serried ranks of bottled Coke.

Louis, who received me in a black silk Japanese robe, takes gleeful pride in his wealth. He points out the Florentine tiles on the dining-room floor, the carved wooden icons and the heavy, sea-shell-shaped patio furniture (which he says is the same as Helena Rubinstein's). He proudly displays his electric shish kebab maker, a Hammacher Schlemmer water spigot with a metallic squirrel on top, a new \$800 record player and tape recorder. "It's just something I brought back from Israel," he says matter-of-factly.

When I asked what he thought of those Russians who call him a "capitalist," Louis replied, "I work harder than other Russians."

Louis Is Russia's Kissinger

Victor Louis KGB World-Wide Operative

On this page we reproduce a story out of Newsweek magazine on the activities of yet another top Jewish KGB operator. He is Victor Louis and he has been called "Russia's Kissinger." Louis travels to America and Israel and mainly contacts influential journalists. He pretends to be a journalist himself and gave Khrushchev's autobiography to the West, which was pro-Soviet fiction.

Victor Louis is one of Russia's "Chosen people." He is one of the elite and is allowed the luxury of wealth. He is called a "communist capitalist." Communist socialism is for the Gentiles and the spoils of their enslavement go to the bureaucrats at the top.

Few people realize that of the 400,000 Jews who live in the city of Moscow, a huge number have high-paying government jobs and no desire to immigrate to Israel. Jewish influence within Russia has never ceased to exist, despite the newspaper articles and misleading Jewish propaganda to the contrary. The true facts speak for themselves.

Jewish news service, Paris, Sept. 29 states that for the first time, Tchervinko, Soviet ambassador to France, has personally attended the Annual Remembrance Ceremony for Jewish victims of Nazism. The communist representative was among 800 who gathered at the synagogue of Rue De La Victoire. Chief Rabbi Jacob Kaplan warned that Right Wing anti-Semitic groups were growing in West Europe. He called on the authorities to suppress such groups. Since anti-Semitism was made a crime punishable by death in Russia by Stalin, no doubt the Jews would like Europe under the same oppressive laws. Then only Jews could turn out their Jew racist material while liberty and freedom for all others is denied!

The Jewish Telegraph Agency reports that Billy Graham says Jews have full religious freedom in Communist Hungary. During his recent visit to that enslaved country, Graham met with Chief Rabbi Laszlo Salgo and Rabbi Alexander Scheiber, president of the Jewish Theological Seminary of Hungary. They met in Salgo's synagogue where they informed Graham, "there is no real problem of anti-Semitism in Hungary. There is a genuine desire on the part of the government to compensate the surviving 100,000 Jews for their wartime suffering."

Billy Graham was accompanied on his trip by Rabbi Marc H. Tanenbaum of the American Jewish Committee. Graham had high praise for the communist country declaring that "Jewish leaders feel comfortable and secure in Hungary and there is little desire to emigrate to Israel or leave Hungary for any other country." None of this Jewish news was reported in the daily press about the Graham visit to Hungary where he was supposed to be preaching to Baptists.

A Jewish news service dispatch from Jerusalem states that for the first time since the six day war "an official Israeli government delegation" would visit Moscow for 10 days of meetings beginning on October 14th. It went on to add "Many Israeli delegations have been in the Soviet Union in recent years, but they were for scientific and cultural conferences." Would this be allowed if indeed the Jews were being persecuted in Russia?

Two Top Jews in Russia's Secret Police

Despite the propaganda to the effect that Jews are "persecuted" in Russia, in order to bring them to the U.S., facts prove this a hoax. Two of the highest and best-known Communist Secret Police (KGB) agents are Jews. The following is what is known about these shadowy figures.

England's prestigious "Foreign Report" newsletter published by "The Economist Newspaper, Limited" of September 21, 1977 states on page 1 that Prof. G.L. Bondarevsky is the chief overseas Soviet agent working with Israel and Great Britain. His mission is to insure that a Middle East peace settle-

ment will be one that is advantageous to the communists. His "cover" is that he is "merely a Professor of the Oriental Institute of the Soviet Academy of Sciences."

Foreign Report states that he was connected with Soviet spy Richard Vayguskas, who was expelled from Britain in 1971. It says Prof. Bondarevsky was born "of Jewish parents in Odessa, Russia in 1920." His field covers England and India. Bondarevsky has cultivated leading members of the Jewish community in Britain." He has visited Israel on numerous occasions and is Russia's chief contact with the Zionist government.

U.S. Taxpayers Will Pay Off Arabs for Israel

Chicago Tribune reporter John Maclean states that President Carter has promised Israel that the U.S. will pay the Arabs for any property to Israel. The compensation will be awarded to the Arabs for any property lost as part of Carter's pro-

posed Middle East peace settlement. Egypt has lodged a claim for \$2.1 billion for oil pumped from Egyptian wells during the Israeli occupation of the Sinai. Thus, the American taxpayer will once again have to foot the Jews' bills. Our annual grant of \$2.5 billion to Israel comes to almost \$2000 for every Jew in that country.

JEWS BEHIND IRON CURTAIN

Have the Communists Turned Against the Jews?

This is a question often asked since Jewish groups continually campaign for the "right" of Russian Jews to emigrate to America. Since only Jews are allowed to emigrate, this in itself would appear to be a special privilege.

The only way to justify the claim by Jews that they deserve the aid of Christians is their cry of "persecution". Therefore, let us study recent news releases issued by both Jew and Soviet sources in order that the truth can be determined. Thus we shall ponder the following news items:

Leipzig, Communist East Germany, renamed its state vocational school for deaf youths as the "Ethel and Julius Rosenberg School". They were the two Jew spies who stole the atomic bomb secrets for the Soviets. This has long been the chief reason the West must fear a Russian military surprise attack. The renaming of the school was announced in the August 25 issue of the communist "Daily World".

It stated that the Rosenberg sons, Robert and Michael Meeropol, had granted permission for the use of their parent's name. The "Daily World" noted that the German children at the school were studying the life of negress Angela Davis and the work of the Rosenberg-Sobell Committee. The committee is trying to whitewash the names of the two executed Jew-Communist traitors. This certainly does not sound like East Germany has become a new Nazi state!

"Jewish Chronicle" from London reports that British Foreign Secretary David Owen states that "he does not believe the Soviet Government is carrying out a campaign specifically against its Jewish citizens." This statement was in reply to Peter Shooman, head of the Committee for Soviet Jewry, in Leeds. Dr. Owen said that there is nothing going on in Russia "comparable to that experienced in Germany by Jews 40 years ago."

The truth is that most of the estimated 6 million Jews in Russia are satisfied. Over 400,000 Jews live in Moscow alone and only a small percentage want to leave. Most of the Jews emigrating come from poverty stricken Soviet Georgia where Jews have not done well financially. Nationwide propaganda campaigns to make EVERYONE feel guilty for what the Jews claim is more persecution are designed to force our government to continue the huge 2.5 billion per year aid program for Israel. We are giving them almost \$2,000 for every Jew in Israel and that is by far the highest per capita foreign aid program to any nation in the world. In fact the Jews receive over one third of all our foreign aid. The time has come for us to put America first and not Israel first. The ballyhoo about Jews being persecuted in Russia is nothing but another hoax which helps them further loot this nation.

"Jewish Week" of June 12 stated that the Moscow magazine "Sovietish Heimland" is an official Communist Yiddish monthly. The editor is the Jew Aaron Vergelis. He has declared that Jews hold many high positions in both the political and academic communities in Russia.

Jews Seek Takeover

Jews Instill Guilt Complex in Catholic Church

On this page we reproduce some of the most revealing aspects of the effectiveness of the Jew campaign to instill a guilt complex within all Christians. They utilize the myth of the "Holocaust." This is the myth that 6 million Jews which the Germans were supposed to have killed during World War II. Anyone seeking full documentation that no such "holocaust" of Jews ever took place should read Prof. Arthur Butz' definitive work on this subject entitled *Hoax of the Twentieth Century*. (\$5 per copy, order from *The Thunder-*

bolt.) The shorter work on this subject, *Did Six Million Really Die?* is only \$1 per copy.

Atlanta Archbishop Rev. Thomas Donnellan has fully succumbed to the Jewish doctrine of Christian self-hate. On this page we reproduce his statement that the Vatican Council "lifted the charge of deicide from the Jewish people." Deicide means that the Jews killed Christ. How can this be when the Italian governor of Palestine said he opposed Christ's crucifixion and publically "washed his hands of it." The Jews cried out for Christ's death and said "let his blood be on us and

our children." Of course, this will be deleted from the Bible in the near future. Archbishop Donnellan naturally parrots the line that "Israel belongs to the Jews," not to those who accepted Christ and follow him. He did not forget to bring up the fake holocaust, stating that Christians should be made more aware of it.

London, England Anglican Bishop Trevor Huddleston of Stepney said that anti-Semitism has its "roots in the New Testament." He especially blamed the Gospel of St. John, which many pro-Jew clerical leaders want stripped from the Holy Bible altogether. Rev. Huddleston joined the others in saying how could Christians "have allowed" the holocaust of the 6 million dead Jews to take place. Once again the self-hate idea is injected into our

people. It is interesting to note that Jews are not to be blamed for the murder of Jesus Christ, yet all Christians throughout the world are supposed to share a joint guilt for the holocaust of the six million Jews, which actually never took place.

Catholic Msgr. Charles Moeller attacked his own church by saying that they had been wrong for over 2,000 years about the Jews. He joined in the chorus echoing the theme of new "dialogues with the Jewish faith." Rabbi Lookstein then chastised the priest, asking why it took 2,000 years and the "holocaust" to change the Catholic Church.

What is happening is that the Jews are making a physical takeover of LL of the larger organized Christian denominations. They are placing Oesterreichers in every church to bend and twist our religion until it will not be recognizable.

Msgr. Oesterreicher Of Link Between

By KENNETH A.

Affixed to his lapel, in glittering contrast to his black cleric's coat, Msgr. John M. Oesterreicher wears a gold pin bearing the Hebrew letters for the word "shalom," or "peace." It symbolizes both his roots as a Jew and his main mission, the quest for peace between Christians and Jews.

The spry, 73-year-old monsignor who was born to Jewish parents in Austria, has been a significant figure in the most striking breakthrough in Jewish-Christian understanding in modern times. His most noteworthy achievement came during the Second Vatican Council when he became the prime architect of the landmark "Statement on the Jews," which condemned anti-Semitism in its various forms.

Monsignor Oesterreicher reflected on these high moments of Vatican II, and other career milestones in his book-lined study at Seton Hall University in South Orange, N.J. He founded the

Institute for Judeo-Christian Studies in 1953 and remains its guiding light in the development of innovative inter-faith programs.

"I guess I'm still something of an oddity," he said, carefully replacing a cup of espresso in its saucer. "But there's been a complete change. Many said so in print. But that has almost all stopped."

The initial event that plunged him into his mission took place in Vienna

people were once suspicious of me and when, as a medical student, he began reading the New Testament in Hebrew. "I read the Gospels and was captivated," he said. Shortly thereafter he took up studies for the priesthood.

The Nazi onslaught, which took the lives of his parents, drove the young priest to Paris, where he broadcast attacks and wrote articles against Hitler.

He is proud of his Jewish heritage and bristles at the suggestion that he rejected Judaism. "I don't like the term 'conversion' because it sounds like one is turning his back on something," he said. "I do not consider myself someone who ceased to be a Jew."

"My whole theology has changed," he said. "I don't believe now that the church should engage in any proselytizing efforts. We should recognize the validity of Judaism."

Asked for his fondest memory of five decades as a priest, he instantly replied "the Council"—in particular, the drafting of the historic document on the Jews.

On first meeting Pope John XXIII in 1960, two years before Vatican II, he thanked the Pope for taking the first step in improving the church's standing with Jews by removing the words

"perfidious Jews" from the Good Friday liturgy.

"His eyes twinkled," Monsignor Oesterreicher said. "Then he told me: 'It was a very simple thing to do: it

Christians Stupid

WASHINGTON (JTA) — Dialogue between Christians and Jews requires "much prudence and patience," a prominent official of the Roman Catholic Church said at a convocation of the National Conference of Catholic Bishops at Catholic University, marking the 10th anniversary of the Declaration of the Church Relationship to Jewish People, adopted by Vatican Council II.

Msgr. Charles Moeller, chairman of the Vatican Liaison Committee for Catholic-Jewish Relations and secretary of the Vatican's Secretariat for Promoting Christian Unity, also said, in response to Rabbi Joseph H. Lookstein, president of the Synagogue Council of America, that "it took nearly 2,000 years for the Catholic Church to fully grasp the truth of the words of its Founder" and open a dialogue with the Jewish faith.

Msgr. Moeller said that the delay was "due in part to stupidity." Rabbi Lookstein, in an address to the convocation, asked "why did it take 2,000 years and did it take a holocaust that took 6,000,000 lives to break the centuries-old silence

between church and synagogue?" He asserted that "the key words from now on are action and implementation. If they fail, they will only fill the pool of frustration."

Root Out Anti-Semitism, Vatican II Meeting Told

By ALICE MURRAY
Constitution Religion Writer

The archbishop of Atlanta told members of the American Jewish Committee Thursday that anti-Semitism is a "festering evil which must be rooted out wherever it exists."

The Most Rev. Thomas A. Donnellan, in the first of a series of meetings between Catholics and Jews to commemorate the 10th anniversary of Vatican II, said that any injustices directed against the Jews "at any time, from any source, can never receive Catholic sanction or support."

It was in October, 1965, that the second Vatican Council approved a document called "Nostra Aetate" that officially lifted the charge of deicide from the Jewish people.

Archbishop Donnellan, who was a participant in Vatican II, said that the document was "a new beginning in Catholic-Jewish relation" which

marked "a turning point in Christian attitudes toward Judaism."

Later this month the commemoration will continue at a two-day workshop on "Vatican II: Ten Years Later" co-sponsored by the American Jewish Committee and the Archdiocese of Atlanta.

The workshop, scheduled Oct. 22 and 23, will include an interreligious prayer service between Catholics and Jews at The Temple and a public

workshop on Nostra Aetate at the Cathedral of Christ the King.

Archbishop Donnellan said that Nostra Aetate "was a truly honest attempt by men of good will, first to state clearly and unequivocally that Catholic theology furnished no basis for anti-Semitism, and second, to emphasize those aspects of our faith which bear witness to our common patrimony and our spiritual ties with the Jews."

Jewish Chronicle Reporter

Christian theologians must re-examine the roots of antisemitism in the New Testament, declared the Rt. Rev. Trevor Huddleston, Bishop of Stepney, during a dialogue last week.

Bishop Huddleston, well known for his anti-racist and anti-apartheid views, was speaking at a meeting held at Ilford Town Hall by the Ilford B'nai B'rith Lodge. Discussing the subject with him was Mr Hyam Maccoby, of Leo Baeck College, London.

The bishop said that the present climate gave Jews and Christians an opportunity to hold a dialogue.

Below from "London Jewish Chronicle"

Bishop blames gospels for antisemitism

The Holocaust had compelled the West to ask a basic question: how was it that a civilisation which claimed to be Christian could have allowed such an appalling crime against humanity? The Christian Church could not evade its responsibility.

Bishop Huddleston continued: "It is utterly incomprehensible to me to think of myself as a Christian who could hate a Jew." But, he added, he had never in reading St John's Gospel, identified the Jews mentioned in it with the Jewish people of today. The gospel referred to the conflict between the Pharisees and Jesus but he had never been led to view it from an antisemitic angle.

Nevertheless, it was within the New Testament and the St John's Gospel that the roots of anti-semitism lay, he said.

It was as essential for the Jewish people to understand the gospels as it was for Christians to understand how the interpretation of the death of Jesus had led to anti-semitism.

Saying that the Catholic Church has "come a long way, but not far enough," Archbishop Donnellan cited three issues that Christians should be sensitive to in the area of Christian/Jewish relations.

He said Christians should be more aware of "the special relationship and meaning of the land of Israel to every Jew; the significance of the Holocaust in Jewish history; and the implications to Jews of the Christian commitment to evangelization."

The two-day workshop later this month will include addresses by Donnellan, Rabbi Marc Tannenbaum of New York, national interreligious affairs director of the American Jewish Committee, and the Rev. John T. Pawlikowski of Chicago, a member of the Catholic Bishops' Secretariat on Catholic-Jewish Relations.

Jews Joins Catholic Church To Promote Judaism

was an affair of the heart." It was the first of several meetings between the two.

The "Statement on the Jews" opposed all attempts to accuse all Jews of responsibility for the death of Jesus and urged efforts to erase the centuries of mutual prejudice and suspicion.

Heartening Progress

To most Christian and Jewish leaders, progress since the council has been astounding. Most Catholic dioceses, for example, have established councils on Catholic-Jewish relations. Joint workshops are held regularly and interfaith worship around such events as the Passover seder has become relatively common.

The Seton Hall Institute existed a decade before Vatican II, but its pace has accelerated since, owing largely to the participation of Jewish scholars for the first time. It is probably the country's only academic center where the dual Christian-Jewish focus is emphasized. Last year the school, with a faculty of five, introduced a master's degree program in the field. Reflecting the diversity of the institute, the incoming group of students includes a graduate of the fundamentalist Oral Roberts University in Tulsa, Okla.

Courses are geared to finding a common legacy and sorting out differences. Subjects include the Jewish background of the New Testament, law and ethics and the "meaning of catastrophe" such as that of the Holocaust.

Monsignor Oesterreicher maintains that two-way dialogue and the required painstaking search for understanding is best done by strong spokesmen from each side. "The only real dialogue is between real Christians and real Jews," he said, "not between those who have a rather suicidal attitude toward their beliefs."

Secret Jew Infiltrated Catholic Church

The Thunderbolt of March, 1975, Issue #183, reported that the Vatican Council had ordered radical changes in Catholic catechisms, religious textbooks, history books, and Catholic mass media, their press, TV, radio broadcasts, and films.

The orders were that everything within the Holy Bible and all Catholic studies, which in any way is objectionable to Jews must be deleted or suppressed. This was especially ordered for the Gospel of St. John which clearly states that it was the Jews who did their best to stop Jesus Christ and his ministry. The new orders require that it be taught that the Italians and not the Jews were responsible for the death of Christ. This is highly insulting to Italians.

These are just a few of the many changes being made within the Catholic Church as a result of the continuing conferences of the Vatican Ecumenical Council which began in October, 1965. On April 30, 1977, "The New York Times" let the cat out of the bag. It reveals that the chief architect of the Vatican Council, the man responsible for the pro-Jewish changes in the church, was Msgr. John M. Oesterreicher, who is himself a JEW. It admits that Oesterreicher does not even consider himself to be a converted Jew. Although he became a Catholic priest at the Vienna, Austria Cathedral in July 1927 he is still loyal to Jewry!

Today Oesterreicher heads the "Institute of Judeo-Christian Studies" at Catholic Seton Hall University in South Orange, N.J.

Here he works with so-called Jewish scholars rewriting Catholic textbooks from the Jewish point of view. Oesterreicher says we must learn of the "validity of Judaism" and the "Jewish background" of Christianity.

The truth is that Christianity began with the birth of Christ. Christianity has been rejected in whole by only one group - THE JEWS! This is an undeniable fact which the Jewish legal suits in the courts of America to wipe out all public aspects of Christianity attest to. At the same time, they have infiltrated and taken over key positions within the Roman Catholic Church as well as other churches. What this amounts to is the Judaization of the Christian religion. By the time these infiltrators get through there will be nothing left of the original Christian doctrine and the Church will collapse from within.

When someone like Oesterreicher says he is still a Jew and has never ceased to be a Jew, he should be thrown out of the Church. He should certainly not be given the job of revamping all of the teachings of the Church. Those who wish to learn what Jews really think of Christians and Jesus Christ should order immediately the sensational expose, *The Talmud Unmasked*, which was written by a Catholic priest who was a "master of Hebrew." He translated what they really teach in the synagogues about our faith. If enough Christians had this, they would never fall for any of these phony Jews who pretend to be Christians while still working with other Jews in high positions to dilute and destroy Christianity.

CHRISTIANS MUST UNITE

White Unity Protestants & Catholics

The National States Rights Party is always working for unity among White people, while the Jews constantly work to cause disunity among Whites.

One of the Jew tactics is to divide Whites between Protestants and Catholics in politics. The Jews are the main ones who try to stir up fights between White Protestants and White Catholics. The Jews know that White Catholics alone are a minority in America. That is why Jews are always labeling White organizations as anti-Catholic. Almost every time that you read a news article in the Jew-controlled newspapers about the National States Rights Party, it will label the N.S.R.P. as being anti-Jew, anti-black and anti-Catholic. They smear other White organizations the same way. It is true that the N.S.R.P. opposes the Jews and blacks, but the Jews and the Jew-controlled newspapers know that the N.S.R.P. is not anti-Catholic and never has been.

The Jews spread such lies to cause disunity among Whites so the Jews can continue to divide and rule and ruin America. The National States Rights Party has always been constituted of both White Catholics and White Protestants, ever since its beginning. That party, like the Democratic and Republican parties, has White members from just about all of the churches, both Protestant and Catholic. The National States Rights Party is happy to have both Protestants and Catholics as members so long as they are loyal White racists who love our great White race.

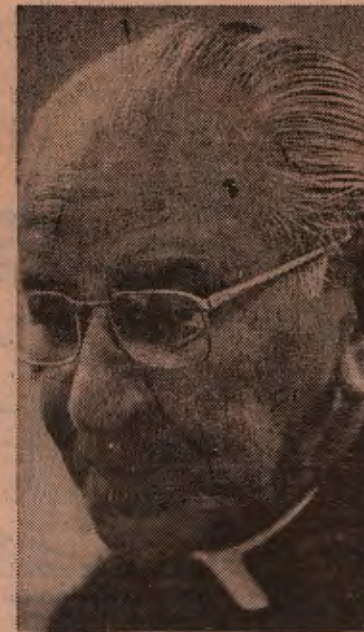

To become a member of the National States Rights Party, a person must be a loyal White racist who subscribes to the White Christian aims, principles and objectives of the Party and is of good moral character. Any person of Asiatic, African or Jewish blood or ancestry can never be a member of the party and the same prohibition applies to every sorry White who is married to such a

person.

Only White people are wanted. The objective of the National States Rights Party is to unite White people in the struggle for the preservation of the White Race, regardless of which church they attend. That is the only way we can have a White majority in America. That is the only way victory can be won for the White Race in America and in White nations throughout the world.

Remember, we White people can always disagree about our religious beliefs, but when fighting for White victory in the field of politics, we must unite as White racists who love our White Race. Let's defeat the Jews in their effort to divide and destroy the White Race. One way to defeat the Jews and march toward White Victory is for you to go out and get your friends to join with us in this happy struggle for the White!

Jews Hit Cardinal Krol

John Cardinal Krol
... a man in charge.

Below from "Philadelphia Bulletin"

Krol Not Afraid To Speak Up

By this time, it ought to be pretty obvious, even to Cardinal Krol's more strenuous critics, that he isn't going to apologize for his criticism of the tone and thrust of some of the Jewish opposition to helping parochial schools.

There isn't to be any tempering or qualifying of the remarks he made to the National Conference of Catholic Bishops, save, of course, for reemphasizing what he said in the beginning: he wasn't talking about all Jews; he was talking about what he believed to be a relatively few Jews when he alluded to the "hatred" and "sarcastic" language that had crept into Jewish court filings against aid to parochial schools.

What it all comes down to, perhaps to the consternation of his critics, is that he isn't going to retract anything. Nor should he, in the light of the continuing canvass of the court filings which has turned up some pretty shabby stuff.

How is a Catholic supposed to react

to a filing that suggests his nuns are sneaky, dishonest, eager to bootleg religion in a state-aided school by using "rosary beads" to teach math? Or, how about this 1974 argument against loaning instructional materials to parochial schools: "... such equipment can be used to construct crosses, crucifixes and altars, and it is a fair guess that in many church schools they are used, *inter alia*, for exactly those purposes..." Again, the picture of a shifty church, ready to circumvent any restrictions the Government might place on state aid.

And so, not merely for the instant controversy but for the long haul over the next ten years, it would be advisable to see him precisely as he is. His remarks about Jewish hostility were no temporary aberration; they are the beginnings of a calculated program of championing his church, unfettered by the titles and responsibilities he once carried as head of the bishop's conference.

Jews Continue Attack Upon Catholic Church

The Jews have gained great influence within the Catholic Church by planting Jews like Fr. John Oesterreicher in the Vatican Council to rewrite the Bible and all Church literature. Still the Jews lash out at Catholic leaders who have not succumbed to their power play. Cardinal John Krol of Philadelphia is one of their main targets.

Cardinal Krol has charged that Jews are behind ALL of the legal cases brought in the courts against private schools. Jews have charged that any aid to private schools might be used to purchase a Christian Cross, build an altar or use "rosary beads to teach math." The latter being an anti-Catholic Jewish joke.

Cardinal Krol has accused some Jews of "sarcasms" and "hatred" against Christians. In turn, Krol was attacked by the chief rabbi in America, Marc Tannenbaum, who said that Krol's criticism of the Jews was "abominable." Of course, the pro-Jew Catholic-Jewish Relations Council immediately apologized for Krol.

Jews Demand Red Cross Change Their Symbol

Israel is not a member of the International Red Cross. They oppose the use of the cross as its symbol. The Jews have their separate Magen David Society which supposedly does the same work as the Red Cross. Because of Israeli government pressure, combined with their affiliated Jewish communities throughout the world, the Red Cross symbol may be abandoned. The Jews are threatening to cut off contributions from their workers in Jewish owned businesses and industries. The Red Cross has responded that their cross has no Christian connotations, but is used merely because it is easily recognized in hostile areas. The Jews say it reminds them too much of the Cross of Christ and so it must be abolished.

White Civilization Attacked In Africa

SOUTHERN AFRICA

Movie Awakens Whites To Pending Danger

Suppressed Film a Hit In South Africa

Some 13 years ago an Italian film company produced *Africa Addio*. It vividly shows the anarchy which took place in Kenya and Tanzania after the White colonists were driven out of said countries. Actual news-reel scenes of negro atrocities in the Congo and White mercenaries rushing in to save missionaries are featured.

For a short period this film was presented in America. Then all the movie distributors refused to handle it, which was tantamount to effective

ensorship. The film has recently been imported into South Africa, where it is playing to packed houses. Newspaper ads proclaim that viewers will see "The Savage Truth" and "what happens after the blacks take over."

One film critic agreed, saying: "A frightening, and at times sickening look at emerging Africa." Mass murder of both blacks and Whites by the ruling tribes is vividly depicted. It is clear that the film is having the effect of stiffening the resolve of Whites not to give up their country to primitive savages who cannot govern themselves.

The Rev A.L. Brand and his wife with two of their six children

TERROR VICTIMS

A South African Dutch Reformed Church missionary, the Rev. A.L. Brand (40), and his 41-year-old Dutch-born wife, Thabina, were murdered by terrorists last Sunday night while returning from a communion service in the Gokwe area of Rhodesia. They were ambushed on the Gokwe-Que Que road.

They could have left the danger area three months ago with their six children following an offer by the church authorities, but they preferred to stay on. Rev. Brand, who never had a congregation of his own because he preferred mission work, went to Rhodesia 15 years ago with his wife who was a nurse.

Only two weeks ago Mrs Brand visited her father, Mr J. Beens, in Waverley, Pretoria. She was born in Holland but came to South Africa with her parents in 1949, being educated in Pretoria and at Potchefstroom University.

At the time of their death, Rev. Brand was translating the Bible into an African language and Mrs Brand was teaching at a mission school, reports the Pretoria News.

"Darkest Africa" Returns

Ritual Murder in Africa

Cannibalism is still quite common in "Darkest Africa." Books and articles on the subject were common before World War II. Today this is a forbidden subject because we are supposed to believe that all races are equal.

Negroes have been quoted by many authors and investigators that they eat human flesh because they like the taste! This is a fact that any knowledgeable student of African history will admit. Negroes in America like to eat what they call "chitlins." These are the intestinal organs of an animal which Whites would not think of eating.

In Africa negroes eat the heart, liver, brains, etc. of a slain enemy (or friend) because they think that their health, strength, luck, etc. will then become part of them. Ritual murders take place in order to "please the gods." Few know that many were murdered in mid-Africa during last year's drought to appease the rain god. On this page are some sickening detailed news accounts of common, everyday events inside Africa. This is additional evidence that the negro still has not accepted civilization. Since they cannot humanely rule over themselves, it is not sensible to expect them to rule over the White people of South Africa. Thus far, the Whites have been forced to flee every single black ruled nation. Several black nations have officially expelled all White and Asian residents. When we advocate the repatriation of ALL blacks in America to Africa (as did President Lincoln), we are said to be "prejudiced." Yet this same term has never been applied to the black dictators of Africa.

27,000 CUBANS NOW FIGHTING IN AFRICA

Joshua Nkomo: "Since so many of the misguided people of Rhodesia are not receptive to my kind of liberation, I need your help to stabilise the country."

U.S. Crime Linked to Africa

The daily press never mentions it, but over 95% of all crimes of violence in our major cities are committed by negroes. Just two decades ago this figure was 75%. At the same time, blacks make up only 15% of the total population.

The chief cause of death for negroes under the age of 30 in America is homicide. Vicious crimes are committed by negroes with knives and other instruments which are intended to torture the victim before he dies. In Africa, such blood-thirsty actions are considered "normal" and part of tribal custom.

Many Americans are totally unaware of the savagery which takes place on a daily basis in Africa. The Jew-controlled press does not carry such news because it would upset our race-mixing liberal leaders. At the very same time Whites are suffering more and more as victims of negro crime because they have believed it is "safe" to socialize with blacks.

Africa's Debts and World Depression

American banks have loaned \$50 billion to the underdeveloped countries of Africa. Canada and European nations have additional billions on loan to the dark continent. Not only have most black nations failed to begin repayment on the principal of the loans, but many have even defaulted on the interest.

Citibank of New York states that Africa's "current-account deficit" would increase by \$17 billion next year. Citibank reported to stockholders that in the event of a massive default by backward African countries, fully half of the loss would be insured by either the U.S. Export-Import Bank or the U.S. Defense Department. In other words, we, the American taxpayers, will have to repay the banks for their bad loans to Africa.

Negro Loans Lost

During the presidential campaign, Carter told voters that he was against quota discrimination against Whites. At the same time it was noted that the Small Business Administration has lost \$1.5 million loaned to Negroes who wanted to go into business for themselves. The charge was made that some blacks were used as fronts by Whites. The fact is that many Jew businesses have negroes as window dressing to make it appear that they have negroes in administrative positions. Vernon Weaver of the SBA said that "controlling stock was often owned by Whites who skimmed off the profits."

Mafia criminal elements may have also climbed aboard this gravy train racket. At the same time negro businesses have a much higher failure rate than does Whites. Those which were headed by blacks no doubt failed due to incompetence in business management - but the strange part of it is that almost every negro business which got a government loan went bankrupt and the money was lost.

to go to Israel reached 60%. Thus the majority are now coming to America. This must be their new-promised land!

Carter Closes Rhodesia's Voice in U.S.

Pres. Carter has ordered the Justice Department to close down the Rhodesian Information Office in Washington. This is the only voice the White people of Rhodesia have had in this country which presented their views. At almost the very same time Carter refused admission to America of two negro tribal chiefs from Rhodesia. They occupy reserved seats in Parliament set aside for blacks. They were to make speeches in America supporting Prime Minister Ian Smith's plan to negotiate a settlement with the non-communist black leaders. While we would not support this plan because we feel the Whites should control the civilization now existing in Rhodesia, this act further proves that Carter had rather turn Rhodesia over to the communists. We must not forget that it was Carter who had the Senate overturn the Byrd amendment which means we can no longer import chrome from Rhodesia. Carter has made us totally dependent on Communist Russia for all chrome ore. The chief reason why the Soviets are making such rapid progress in their drive to take over ALL of Africa is because we have a pro-communist President in the White House.

Swine Flu Time Again

Last year doctors refused to give Swine Flu shots unless the government provided insurance for the program. Many warned that an epidemic of Swine Flu might never take place and it never did develop. Yet many still took the Swine Flu shots. Hundreds were made desperately ill and many were paralyzed. One victim was an Armenian, Mr. Gary Sabonjian, 23, of Hasbrouck Heights, New Jersey. He is just now learning to walk again with the use of canes. He has filed a suit for \$1.5 million against the federal government. This year they are urging that only those "over 62" take the shots. We believe that it is wiser to take your chances with the flu than taking such shots.

Overseas News Report Reds Arrested in Argentina

Five members of a prominent Buenos Aires Jewish family have been arrested. Alejandro Deutsch, 57, his wife Elena and 3 others have been arrested by police. They were providing secret funds for communist urban guerrillas. Deutsch's sister is married to Jerry Albert, a millionaire Los Angeles Jew. The American Jewish Committee has asked for their release on "humanitarian grounds".

Argentine Judge Tulis Garcia Morigan had requested that the United States extradite Jew Jose Ber Gelbard for embezzling millions of dollars while he served as Argentine Minister of the Economy under the rule of former President Isabel Peron. Gelbard headed the General Economic Confederation of which the nation's largest 100 firms had to join. As a member of the Peron Cabinet Gelbard collected said funds from the Peronist Party. Gelbard is a Jew refugee from Poland who now lives in America as a very wealthy man. It is highly doubtful that the Carter administration would dare to extradite him.

South Africa Jews Worried

Cape Town Jews have been urged to "keep a low profile" in working for black rule in that nation because of the growing White Christian backlash which is developing. The Jewish Board of Deputies said there are "definite manifestations of increased anti-Semitism throughout the country". He said this was especially true in the South African Defense Force (army) and that Minister of Defense, P.K. Botha had promised a series of lectures on the Jew's "contributions to the country" to counter this trend.

"Germanischer Greikorps" is the name of a new private army of 300 men who are training on a farm near Johannesburg to fight any black communist uprising or invasion of the country. They are made up of immigrants from Britain, Germany, Austria, and Switzerland, and have their own uniform with a German eagle as a shoulder patch.

Greeks Still Oppose Jews

There have long been strong Greek anti-communist organizations in this country as well as within the Greek Orthodox Church. When Israel supported Turkey's seizure of almost half of Cyprus anti-Jewish demonstrations erupted in Athens. Last month the Jewish community in Greece protested against posters on city buses warning that "world Jewry is now proselyting behind the Jehovah's Witnesses". This pro-World Government religion is now proselyting in Greece. Archbishop Serphim said the posters were circulated by religious organizations outside the control of the church.

Austria Right Wing Grows

The **Freedom Party** has elected Friedrech Peter of Vienna chairman for the second time. This act defied charges by the Jew trouble maker Simon Wiesenthal that Peter fought in the Waffen SS against communist Russia during World War II. Peter was highly decorated for his 20 months service in the Ukraine and Southern Russia. This Rightist party holds 10 seats in the 183 seat parliament and is a growing force.

Action New Right (ANR) is the group which the Jews charge is responsible for most of the literature exposing Zionism in Austria. Recently a monument for Sigmund Freud was defaced. Freud developed psychiatry which is a mostly Jewish profession today and most of those who pay for such services are Jews. Freud died a dope addict. The ANR issued a statement complaining that the police harass them "just as soon as the Jews do a bit of complaining."

Belgium Patriots Growing

"The **Rexist**" movement founded by Leon Degrelle is growing in Liege. Jews have complained that they are distributing literature throughout the country. Degrelle headed a popular government in Brussels near the end of W.W. II. He led a Walloon SS Division in fighting the Soviets on the Eastern Front. Degrelle was wounded twice and one of only a handful who survived. Today he lives in Spain but his movement is still alive and experiencing a resurgence. "National Popular Front" is yet another new group backing the strongest which is the "Flemish Militant Order".

Mondale Insults German Visitor

Vice President **Walter Mondale** demanded that West Berlin Mayor Dietrich Stobbe investigate right wing activity in his city. Stobbe had stopped to pay a courtesy call with Mondale. He replied that "left wing extremists in Germany are the main problem now." The Mayor said that the right wing NDP is already forbidden to hold meetings in Berlin due to a Russian protest. He added that "left wing radicals were far more dangerous," but Mondale was not interested in hearing about this.

Gen. Omar Torrijos has Jewish family.

Torrijos Has A Jewish Family

Jewish Week of February 27, 1977 reported the following: "When Raquel Torrijos Pausner, daughter of Panama's Prime Minister, Omar Torrijos, graduated from the Albert Einstein School in Panama City, a Jewish day school, with an excellent academic standing, she received her diploma from her father while her mother, who is Jewish, looked on."

Pro-Castro Gen. Torrijos is raising his daughter as a Jew and supports Zionism and boasts a Jewish wife. There can be little doubt that giving away the Panama Canal to Torrijos will strengthen Jew influence over this vital world passageway.

Israel Supports Panama Canal Treaty

Immediately after signing the agreement with President Carter on the Panama Canal, Marxist dictator Gen. Omar Torrijos flew to Israel. There he met with Zionist Prime Minister Menachem Begin. Torrijos said that he hoped his visit would bring about Jewish support in the U.S. for the ratification of the treaty pending before the U.S. Senate.

In his invitation to Torrijos to visit Israel, Begin wrote: "I share your joy and satisfaction at the successful conclusion of the canal agreement with the U.S. It is indeed a milestone in your country's history and in the relations between nations. The people of Israel welcome you with all their warm hearts."

Gen. Torrijos spoke in Israel to remind the Jews that Panama had voted in the U.S. against the resolution which stated that Zionism was a form of Jewish racism. He also said that Panama opposed all the anti-Israel resolutions adopted by a conference of Third World nations in Peru in 1975.

Pres. Carter's human rights speeches.

In other words, Wiesenthal would have anything critical of Zionism and the Jews banned while they remain free to attack any group they please. Zionist literature is violently anti-Christian, yet few people realize this. They want Genocide-type "anti-hate" laws enacted in order to ban all their opposition. Wiesenthal favors censorship of the press as practiced in both Israel and Russia.

Perhaps no man in recent history has brought more misery and hardship to innocent Christians than Simon Wiesenthal. He is a vicious and dangerous Jew. We do not believe that he should be allowed to come to America and demand that our basic freedoms be abolished. He works out of the following address: Simon Wiesenthal, 1010 Wien, Salztorgasse 6/IV/11, Vienna, Austria.

Alien-Jew Wants Constitutional Rights Abolished

Wiesenthal Wants Right Wing Banned

Simon Wiesenthal is the Jew from Vienna, Austria, who has spent his life hounding and harassing Patriots who fought against communism during World War II. He has now branched out and is speaking in America demanding that some 120 Eastern Europeans who fought with the German army on the Eastern front be deported from America -- AND WIESENTHAL IS NOT EVEN A CITIZEN.

Wiesenthal was picketed by a group of young people while speaking at an Illinois college on November 13. He was outraged that anyone would dare to protest against his despicable activities. Wiesenthal even went so far as to demand that Right Wing literature be outlawed in America. Can you imagine the nerve of this foreigner, coming to America as a guest, and then demanding that our constitutionally-guaranteed freedom of the press be taken from us? Just who does Wiesenthal think he is?

Simon Wiesenthal

At the Illinois meeting, Wiesenthal condemned as racist what he described as "hate literature printed in the U.S. and distributed throughout the world." He said: "society must restrict extremists through laws. To print such propaganda is forbidden in every European nation. The fact that it is allowed here makes many people around the world laugh at

Mismanaged Countries

The **U.N.** has declared that 18 of the world's poorest countries are in Africa. Out of a total labor force of 140 million, over 60 million are unemployed. The report states that 69% of the total population is "seriously poor" and that 39% are "destitute." It should be noted that black African nations do not have either unemployment insurance or welfare benefits. This is one reason for the pressure by negroes for immigration to either Europe or America.

Nigeria is the richest and most populous black African nation. Despite lucrative oil revenues, Nigeria's inflation rate is 40%. Corruption and inefficiency have wasted away the country's vast potential. Nigeria's dictator has ordered that all Western-owned

firms either sell controlling interest in their businesses to blacks or turn over 60% ownership to the Central Bank of Nigeria. Even Citibank is liquidating its portfolio of \$60 million and pulling out of the country.

Zaire (Congo) and Zambia, which are rich in copper, coffee, etc., have devalued their currencies. Zaire's President Mobutu has not been able to make repayment of his country's \$2.9 billion in debts and has been granted an extension by foreign banks. Dictator Jomo Kenyatta of Kenya states that poverty, ignorance and disease are major problems holding back the development of Africa.

Others blame tribal conflict, military spending, internal revolutions as responsible for the

economic failure of Africa. Only in White South Africa do we find confidence in the \$2.2 billion U.S. private investment in that progressive nation. It should be noted that since the White colonial powers began leaving Africa in 1965, food production per inhabitant has declined in 29 out of 47 countries.

Socialist Sweden just last week canceled repayment of \$200 million owed by 8 backward nations. Black leaders hailed this "humanitarian step" and urged other Western powers to take similar action. The economic plight of America, England and other nations is a result of the burden the colored welfare parasites have placed on the White countries. If a world-wide depression does come, black Africa will have done its part in pulling the world down.

Patriots Rally Behind Stoner's Defense

Mrs. Wanda Reed opens Fort Lauderdale meeting with a song.

Crowds Pack NSRP Meetings

The NSRP held three meetings in Florida last month. The meeting in Jacksonville was very well attended, with a standing-room only crowd. Dr. Fields presented the movie Ray Riemer made in England, which included a half-hour interview with John Tyndall, leader of the National Front. When Gene Wilson took up a collection for the Defense Fund, more than \$1,300 was raised.

Tampa, Fla. was the scene of another film showing and get-together with friends who have supported the NSRP for a long time. We expect much more from this area in the future. From there we drove to Ft. Lauderdale for another packed meeting. Mrs. Wanda Reed opened the meeting with a beautiful patriotic song as only she can so properly deliver. The crowd was very attentive, and another generous Defense Fund donation was raised. We continue to receive new subscriptions and new members in this active area of South Florida.

Atlanta, Ga. area supporters gathered at the Ramada Inn in Marietta to hear our National Chairman J.B. Stoner discuss the frame up charges against him by Bill Baxley of Alabama. Again the hall was filled as the crowd applauded Rev. Montgomery and Dr. Fields who also spoke. The Atlanta area always turns out a good audience for our meetings.

Goldsboro, N.C. will be the site of an Eastern North Carolina meeting this month, which will include the leaders of two new Chapters recently established. Dr. Fields will be guest speaker and Kenneth Poole will preside as chairman of the meeting. Also this month we will present to Congress the thousands of names on petitions which supporters have signed to stop ALL immigration into America. Over 85% of all immigration is colored today. Mongrel immigration into this once-great White nation is what is killing us. We can no longer survive if we become a minority in our own nation.

Stoner Hearing Delayed

By PETER DAVIS

A Cobb County Superior Court judge has delayed until Dec 20th hearing on a petition seeking to have extradition proceedings against J.B. Stoner voided.

Judge Howell Ravan granted the continuance Thursday only after raking Cobb officials over the coals for their handling of Stoner's arrest last month.

Stoner, whose extradition is being sought by the State of Alabama in connection with a 1958 church bombing in Birmingham, initially opposed the continuance through his attorney Thursday. An hour-long hearing before Judge Howell Ravan resulted.

Ravan told Cobb Dist. Atty. Tom Charron that Stoner's arrest appears to have been "full of illegalities" because Alabama failed to supply Cobb proper paperwork before his arrest Sept. 28.

Ravan agreed with Stoner's attorney that it appears Cobb authorities lacked probable cause to charge Stoner with being a fugitive from justice in Alabama.

Stoner, the white supremacist head of the National States Rights party, turned himself in after being notified that Cobb held a pair of fugitive warrants for his arrest. He has since been released on \$10,000 bond.

Stoner claimed in the court papers that he has been denied his constitutional rights on a variety of grounds and charged Alabama Atty. Gen. Bill Baxley with using him as a "political football" in an expected race for governor next year.

Stoner's attorney, who finally agreed to the continuance, sought at first to have the fugitive warrants dismissed and Stoner released from his bond.

"As of this time, the entire matter should be quashed, dismissed and this man should walk out of here a free man," the attorney argued.

There was still no word Thursday on the status of corrected extradition papers for Stoner being awaited by the office of Gov. George Busbee. An initial set of papers was returned to Alabama because of several technical errors.
