THE WHITE MAN'S VIEWPOINT

ISSUE #230

Will Washington Have 2 Black Senators?

Senators behind the bill to give Washington, D.C. two black Senators. (L-R) Sen. Ed Brooke, Sen. Teddy Kennedy, self-chosen Senator-in-waiting, Delegate Walter Fauntroy and, of course, Sen. Birch Bayh. These three Senators can always be depended upon to be on the wrong side of every issue!

Negro Would Name Himself U.S. Senator

Washington, D.C. unfolds a political story so fantastic that six months ago this editor would not have believed it. The shocking fact is that our Congressmen have voted 289 to 127 to make the negro city of Washington, D.C. practically a state. The so-called "Home Rule for D.C. Bill" would give the city of Washington two black Senators and two black Congressmen.

The man behind this drive is Rev. Walter Fauntroy, who would benefit the most because he would become one of the two black Senators! Today Fauntroy is a non-voting delegate with all the powers of a Congressman except that he cannot vote except in committee.

Fauntroy has built up his reputation over the years as a negro civil rights leader and today heads the House Committee Investigating the Assassination of Martin Luther King. (King's real name is Michael King - his father took the name without proper court action.)

In an attempt to gain national publicity, Fauntroy has subpoenaed as witnesses in the King assassination investigation Attorney J.B. Stoner, Dr. E.R. Fields, and our night watchman, Jerry Ray. None of us had any information on the King case, but still we were dragged up to Washington to answer endless questions posed by negroes! Of course, this power of being able to use a Congressional Committee like a grand jury makes Fauntroy look like "The Big Man" to the blacks in the District of Columbia. Therefore, he is definitely feathering his own nest when he campaigns all across the country for "Home Rule for Washington."

Shocking Facts Behind Congo Slaughter of Whites

Carter Stalled While Whites Died in Congo

When Cuban-trained communist black guerrillas attacked copper rich Kolwezi their goal was to kill all the Whites who ran the mines and then flood them in order to wreck what is left of the Zaire (Congo) economy.

Among the 3,000 Whites who kept the mines going were 40 Americans. Carter readied the 82nd Airborne Division but their orders to go in and save the Whites never arrived. Carter was afraid of Andrew Young and the Marxists in his own party.

Carter asked the French to act and they said they would not go in alone. Then the Belgians were asked to join in the attack to save the Whites. Precious hours were lost, three days went by before Carter agreed to support the French and Belgium's fight to save the Whites. Press reports all agree that if Carter and French Pres. Giscard d'Estaing acted two days sooner, more Whites would have been saved.

The Slaughter was Horrible

It is now known that the attacking Katangan troops were trained by Cuban Communists and armed by the Soviets. Their goal was to kill all the Whites.

One young boy saw his brother beheaded and his mother raped and then both his father and mother shot in the back of the

Massacred Europeans; "They have smashed their heads."

neck. A Catholic nun was raped 8 times by black rebel soldiers.

A group of 35 Whites were herded into a house. They were men, women and children. All were machine gunned down. One woman's body was discovered with her hands over her ears to block out the sound. One man was found alive under the pile of corpses.

Bill Starkey, 33, an American mechanic, was told to run for his life. They shot him in the back when he was only 20 feet away. He fell into a ditch and the killers thought he was dead - but he lived.

Carter Backs Senators For D.C.

Pres. Carter has come out in favor of making Washington the same as a state with two black Senators and two black Congressmen. Fauntroy says that Carter realizes a majority of White Southerners (54%) voted for Gerald Ford for President. Carter won because a whopping 67% of all blacks actually turned out to vote (compared to 40% of the Whites) and an awesome 90% of the blacks voted for Carter - AND ELECTED HIM PRESIDENT! Fauntroy says that a loss of just 10% of the black vote could have cost Carter the election.

Thus we see the strategy behind the negro drive to beat Congress into submission and into giving them 2 Senators which they in no way rightfully deserve. This is perhaps the most dangerous piece of legislation to ever come before the U.S. Congress. It is vital that all Americans immediately write their Senators today and tell them not to allow themselves to be blackmailed into voting for this self-destructive bill. With these additional Senators, the balance of power in Congress will be heavily weighed in favor of the Black Power advocates and there will be no end to the new anti-White civil rights bills the enemy will be able to dream up. Then the entire nation will go under the hell of a Black Reconstruction.

"Rev." Fauntroy's Background

During the pre-Civil War days the word Fauntroy meant one who was a "House Boy," a negro who worked in his master's house and held a social level above the field negroes with whom house negroes would not associate. Thus, his ancestors were once "House Niggers." Today he is in the House of Representatives but does not have a vote with other Congressmen and this irks Fauntroy no end. Fauntroy is Washington's "delegate" in the House and can vote only in committee.

Fauntroy was one of seven children born in Washington. During the 1960's he was a flaming civil rights agitator in Martin Luther King's SCLC. He headed the group's Washington chapter and coordinated the 1963 King "March on Washington for Jobs." He helped organize the disruptive Selma to Montgomery march in 1965.

In 1966 Fauntroy was vice-chairman of the White House Conference for Rights demanded by blacks. He was also active in the voting rights drive of 1965 which succeeded in electing some 2,400 blacks to public office and enticing most Southern Senators into becoming integrationists when they once claimed to be segregationists. Fauntroy likes to make a big play out of the way he has "tamed" Southern Senators. He tells a story which he repeats at meeting after meeting during his campaign to give Washington two black Senators.

"How to Change a Honkie!"

South Carolina Rep. John L. McMillan headed the District of Columbia Committee for 22 years. He would never allow any bill to get out of his committee which would turn the city of Washington over to the lawless blacks, much less make it our first all-black state. Fauntroy and his cohorts knew that Congressman McMillan had to go before their scheme could get off first base.

After the passage of Lyndon Johnson's "Voting Rights Act," negro organizations were able to raise black voter registration to 29% by 1972 in Rep. McMillan's district. Fauntroy says that election helped change history because he was able to get rid of Rep. McMillan and the black bloc vote elected John W. Jenrette, who Fauntroy states is "today a dedicated supporter of the Congressional Black Caucus." Thus states negro *Ebony Magazine* of June, 1978. (Why is it that there is no "White Caucus?")

Fauntroy states that from then on it was the job of his SCLC workers to remind Whites running for public office that "Johnny Mac ain't coming back!"

Fauntroy's favorite story which leaves his black audiences rolling in the aisles goes something like this, according to the June *Ebony*: "In 1963, before the passage of the Civil Rights Voting Bill, there

(Continued on Page 2)

Goldwater Joins Leftists for D.C. Bill

Will Washington Have Black Senators? (Continued from Page 1)

was one Southern Senator who said, 'Blacks will never go to White restaurants, hotels, theaters and schools. NEVER! We've got to keep the niggers in their place.'

"By 1966, after the voting rights bill, he had 50,000 blacks registered in his state and then the White Senator said: 'Well, uh, we've got to give some attention to the problems of colored people.'

"By 1970 an additional 120,000 blacks had registered to vote and his tune changed further to 'we've got to be more concerned about the plight of our negro constituents.'

"I wish you could have heard him in 1972 when some 180,000 blacks were registered and the Southern Senator said, 'We've got to be concerned about the problems of our black brothers and sisters.'"

There is much truth to Fauntroy's story, but he fails to mention that many were sell-outs in the first place and were just looking for an excuse to climb in bed with the negroes' political machine. The reason for this is that most Southern politicians have been educated at colleges and universities which teach self-hate for the White Race. After four years of race-mixing brainwashing, many Congressmen and Senators actually do believe that the races are equal and mongrelization of the White Race would be best for the world.

On this page we reproduce the list of Congressmen who voted to give "Home Rule" to Washington. They cheaply sold us out just to curry favor with the negro bloc vote and "to hell with the best interests of the Whites!"

Washington Votes Left

Here is D.C.

Negro Vote Record

Washington already has been given voting representation in the electoral college which elects the President. Suicidal Republicans could have defeated this vicious bill in the House but followed Goldwater's advice and have placed the future of the nation in peril once again.

When Goldwater ran for President, Lyndon Johnson received 169,796 votes to Goldwater's 28,801 in Washington. (This almost paralleled the racial makeup of the registered voters in D.C. at that time.)

In 1968 Hubert Humphrey polled 139,566 to Nixon's 31,012. When Nixon rolled over Sen. George McGovern in 1972, Washington gave its 3 electoral votes to McGovern, along with Massachusetts (the only other area he carried) by a vote of 127,627 to 35,226. Carter carried the District by 137,818 to Gerald Ford's 27,873.

There is no sensible reason for any Republican to vote for the Washington statehood bill. Now what about Democratic conservatives? Ask your Congressman how he responds to Delegate Walter Fauntroy's statement that: "The addition of two black U.S. Senators would further strengthen the liberal coalition within the Congress, which can further break up the historic bloc of Southern Democrats and conservative Republicans that has dominated public policy making for so long."

There you have it! Why should any Congressman who claims to be "conservative" to any degree vote for such a despicable measure which is diabolically design-

ed to shift the balance of power in Washington further to the Marxist minority machine. Remember the voting pattern would be reflected in the type of Senators blacks would elect in the future.

Walter Fauntroy is a flaming leftist agitator and he could bring a carbon copy of himself into office with him. America can no longer tolerate further radical swings to the left. There must be a stopping point. Here is an issue which we can make known to the American people, proving exactly where our representatives stand so that action can be taken to vote those who are unresponsive to the wishes of the majority out of office.

Write your two Senators letters today and demand to know exactly how they intend to vote on this measure. Let them have full knowledge of your feelings on this matter. Forward their reply to this office and we will print it in *The Thunderbolt*. Your name, of course, will not be used. They must be put on the spot if this bill is to be killed!

Your Congressman's Vote on D.C. Bill

Kick All These Congressmen Out of Office

The newsmedia is today engaged in a conspiracy to keep the American people from knowing that there is a bill before the Congress which would give the city of Washington, D.C. two black Senators and two black Congressmen - SOMETHING NO OTHER CITY IN THE U.S. IS ALLOWED!

Have you read anything about this unconstitutional and subversive bill in your local daily paper or heard about it on TV? There has been almost no publicity whatsoever on this vital measure. Only a handful of brave editorial writers have dared to even mention that such a dastardly bill even is pending before the U.S. Senate.

The knowledge that there is a total press blackout on the so-called "Full Representation for D.C." bill is what gave the Congressmen listed below the feeling of safety in voting for this dastardly measure. Had the bill been given the spotlight of national publicity which it deserved as an issue affecting every citizen and every state, IT WOULD HAVE BEEN OVERWHELMINGLY DEFEATED!

In a quick poll of non-political people we know, ALL were opposed to the bill and were astounded to learn that 6 of Georgia's Congressmen voted in favor of the treasonous measure. Check this list for the Congressmen in your state and tell each and every one of your friends so that they will know which ones to kick out of office in November. And remember that you cannot vote if you are not REGISTERED. Therefore, get out and register to vote today. This bill passed by a shocking margin of 289 to 127, which was 12 votes more than the two-thirds necessary to approve this Constitutional Amendment.

This bill must now be approved by a two-thirds vote of the Senate. After the Panama Canal betrayal, it is clear than anything can happen in the Senate and nothing would surprise us anymore because of the low caliber of our elected representatives.

Remember that a "yea" vote is to give Washington the two black Senators and a "nay" vote is against this insane scheme. Study this list carefully.

Who Backs D.C. Bill In Senate?

There are some 17 Senators who have leaped forward to sponsor the bill which would give Washington 2 black Senators. They include Sen. Teddy Kennedy, Sen. Edward Brooke, Sen. Birch Bayh, Sen. Jacob Javits, Sen. Dick Clark, Sen. Alan Cranston, and, believe it or not, Sen. Barry Goldwater! (The other Senators behind this bill will be listed in the next issue of *The Thunderbolt*, along with the stand of all others we can contact.)

Sen. Barry Goldwater was one of the first to come out for the surrender of the Panama Canal. When it became a hot left vs. right fight, he relented under heavy fire and changed his position to oppose the bill. Now he comes out first again in an attempt to stampede the Republican Party into supporting the Washington, D.C. statehood bill. Goldwater claims this is a way to win negro votes for liberal Republicans, but what we want is fewer liberals elected by either party and more anti-communist right-wing Patriots.

Roll Call

D.C. Full Representation

By a 289-to-127 vote (eleven more than the two-thirds majority necessary for passage) the House of Representatives on March 2 approved a constitutional amendment proposal to give the District of Columbia full representation in Congress "as though it were a state." The scheme now goes to the Senate where it also requires two-thirds of the members approving for passage.

Whites Slaughtered in the Congo

Horror scene of a White family in Kolwezi. Father, mother and their two children, butchered by Fidel Castro's murderous African raiders.

(Continued from Page 1)

A Dutch lady, Mauritz Bruylandt, 66, said "you didn't need passports. The color of your skin was enough to get you killed." At one wall some 40 Whites were massacred. One survivor cried out: "Why didn't you come four days earlier. Why did you wait so long and put us through such a hell?" Only Jimmy Carter could answer that question.

Finally, 450 French Foreign Legionnaires arrived. They quickly drove the invading force of over 2,000 Katangans out of the town. The next day 250 more French arrived. They then drove the communists out of the country and back into the bush jungle of Angola. The French lost 7 men killed and the black guerrillas lost over 200 killed. The Whites made short work of the enemy and could run them all out of Angola itself if Carter, Callahan and d'Estaing would allow it.

than we feared the rebels." She said that the Zaire (Congo) arms was probably responsible for the deaths of at least 34 Whites.

The strongest condemnation of the blacks was uttered by Mrs. Lieve van Moorleggen, 25, who still had her little daughter. She said the Katangans took her husband Bruno out into the garden and shot him in the head. They said she and the baby would be next, but they never came back. She cried: "The only part of my life that was happy was with him and I haven't told my daughter he is dead. We both loved Africans, and we liked being here, but now I want every black - every one of them - to die a slow death."

Only Whites Can Operate Mines

The negroes have such a low intelligence that they are incapable of running a single major plant anywhere in Africa. Zaire is \$3 billion in debt. Some 75% of the blacks are unemployed. Inflation rages on at 70% a year. It took some 3,000 Whites to run the country's only natural resource which brings in foreign currency. The rich copper, cobalt and zinc mines generate \$1.1 billion per year for the Congo. Now the Whites are gone and one soldier said, "they would be crazy to return."

It will take up to six months to pump the water out of the flooded mines. Pres. Mobutu says he will bring in a pan-African force of black soldiers to protect the Whites. One survivor responded: "The Whites would be mad to come back. What kind of security can a black army provide? The rebels will be able to return and kill again at their choosing."

Summing up, the blacks are cutting off the White hand that feeds them. What will happen if Southern Africa falls? Then the blacks will return to cannibalism and eat one another. The law of the jungle is already returning to this devastated part of the world.

Blacks Turn on Their White "Friends"

The most shocking episode to come out of this slaughter of innocent Whites is the behavior of the Congolese who worked for the Whites. The local blacks welcomed the invaders and pointed out the homes where the Whites were hiding. Then they joined in the looting of the White homes and businesses. (Just as they do in the U.S. every time we have a natural disaster, flood, tornado or electric blackout.)

The local blacks even joined in the raping of the captured Whites. One Belgian mining engineer, Francis Idasiak, said "I saw a Zaire (Congo) soldier shoot a White woman who was carrying her baby on the street." Another group of Zaire soldiers took 20 Whites hostage to make their getaway out of town. They turned them over to the enemy at a road block without a fight. The Whites were all killed.

Mrs. Nelly Van Hevel, a Belgian school teacher, said "We feared the local natives more

Demand "Black Studies" for Whites

Teach Whites to Act Like Blacks

University of South Carolina at Spartanburg has a negress teacher named Dr. Albertha Sistrunk. She holds a "doctorate" degree in Black Studies and has complained that this subject is an elective course and not part of the regular curriculum.

Dr. Sistrunk said that she had taken some 20 White teachers in Boston to black churches and out to eat "soul food" and she explained about the peculiar language used by blacks. She said this was a richly rewarding experience for the Whites, but did not tell them what they were eating. (Soul food is made out of the intestines of hogs, and is also favored by cannibals in Africa.)

Another item requested by "Dr." Sistrunk was that Whites learn "Black English." She calls it "jive talk," in which almost

Dr. Albertha Sistrunk

every other word is the obscene "M..... F.....," which blacks do not seem to be able to leave out of normal talk. Sistrunk calls it "speaking ill jocularly of some-

one's mother."

Now she has the nerve to demand that our children go to school and take her special "Black Studies" course to learn how to talk that way! At least she admits the racial difference concerning the fact that blacks cannot pronounce certain sibilant sounds.

Of course, the most important difference of all is the fact that blacks have much smaller brains than Whites and fewer convolutions of the brain, and thus a much lower I.Q. than Whites. Boiling all this down to its simplest terms, it means that **BLACKS ARE AN INFERIOR RACE AND THE WHITES ARE THE SUPERIOR RACE!**

It is our common sense demand that all of the backward and degrading black studies programs be thrown out of our colleges and high schools.

Fight for White Rights Spreads

White Resistance News NSRP Honored

White people are waking up and standing up for the preservation of the White Race throughout the nation. The following are some news items which the daily press has suppressed on this spreading resistance movement:

Women's Lib group "NOW" has named the National States Rights Party as part of the "reactionary coalition" which has prevented the ratification of the "Equal Rights Amendment." We heartily accept this commendation.

Kentucky high school basketball team at Apollo High in Owensboro raises a large "White Power" sign when they play opponents. Recently they were pitted against Drakesboro, which has only one White player and a black coach named Robie Harper.

The White Power team defeated the blacks quickly and moved on to Louisville for the championship playoffs. Negress Nettie Johnson of Drakesboro demanded that White Power signs be banned from sports events. It seems that White Racism is becoming a popular cause and it won't be long before the blacks are begging for the federal government to segregate the schools again.

Abortionists on the Run New York's right-wing

"American-National News Service" reports that abortion clinics are under physical attack all across the country. These are mass murder set-ups which advertise in the "Personal" column of daily newspapers. These abortion clinics cater mainly to Whites who have been sold on the idea that it is better to have babies murdered than born. Most

blacks have illegitimate babies wholesale, but the White birth rate is so low that there are no White babies available for adoption by couples who cannot have children of their own.

Outraged Christian opponents have taken matters into their own hands and have burned to the ground abortion clinics in Cleveland, St. Paul, and in Vermont and Nebraska. In the Cleveland case, a man simply walked into the abortion waiting room, told the attendants not to try and stop him, and proceeded to pour gasoline from a plastic bag all over the place. They ran into the street and the place quickly burned to the ground.

Pickets have marched in front of abortion clinics in Fairfax, Va., and Columbus, Ohio. Security guards have had to be hired in some cities as the mass murder of innocents continues.

Urges Attack on Whites

Black Senator Threatens Violence on White Children

Forced busing is facing Wilmington, Delaware. Gov. Pierre S. DuPont wanted a special mandatory course in all schools to brainwash White children into accepting busing. In the hot Senate fight over the issue, DuPont vetoed a bill which would make the course optional, but his State Senate voted to override the veto.

Forced busing will affect two-thirds of this state's children because most live in the New Castle County area. Already more than 400 students have been expelled from school because they protested busing.

Delaware's only black State Senator, Herman Holloway, shocked local citizens when he warned that "for every black child injured during busing, I guarantee we're going to send you back a White child."

Holloway charged that those who oppose busing are "race-baiting bigots." Sen. Daniel Weiss said that Holloway himself appeared to be setting the stage for future violence in the schools. Thus the fight against forced busing continues across the nation. The threats of violence upon White children by the black Senator were suppressed by the daily press.

Rep. Richmond Attacks Young Boy

Jew Hits Fellow Jews

Jew Apologizes For Anti-Semitism

George F. Berlinger is a millionaire Jew who is a big contributor to Jewish organizations, including the United Jewish Appeal. He is past president of the Jewish Association of Neighborhoods and a former aid to Nelson Rockefeller. Therefore, he comes with prime credentials for knowing the character of the Jew.

The controversy started when *The Evening Press* interviewed him on his position as chairman of State Sen. Warren M. Anderson's campaign as a Republican for Governor. Berlinger said that the state's problems are caused

"because the goddamn Jews all vote for Democrats. That's why the city is busted. They (Jews) deserve what's happening to them in the stock market."

Immediately other Jew leaders charged Berlinger with "anti-Semitism." He quickly apologized and said that he didn't realize his statement would be published.

It should be noted that two of our best-selling books were written by Jews. They are *Jews Must Live* by Samuel Roth, and *You Gentiles* by Maurice Samuels. Here are real shockers for Christians who do not know Jews real attitude toward them.

George F. Berlinger
...apologizes for "Jews" remark

Rock Concerts Segregated

A good sign that racial differences may be coming to the fore is found in a *New York Times* survey which shows that a youth Rock Concerts Whites and blacks are attending separate attractions.

John Rockwell, who made the study, says one reason is that Whites have often been attacked and robbed at black events both outside and inside concert halls. Still, the rift goes further than that. Rockwell says that the blacks like the "disco-funk soul" music while the White kids like the country-flavored soft rock sounds."

He states that at a recent concert black disco was played during an intermission and it brought "White working-class teenagers shouting abusive remarks that it be turned off."

Rockwell also says that White youths are buying fewer black records. *Cashbox Magazine's* record review reports that in 1975 Whites purchased 20% of all black records produced, but only 12% at the end of 1977. Also, the separation of the races is evident in the fact that White rock radio stations play very few numbers

Homo Jew Congressman Arrested

One of the main concerns of parents these days about homosexuals is that they will seek to seduce children into such practices. This is the chief reason for the success of Anita Bryant's "Save Our Children" campaign,

Rep. Fred W. Richmond

which has been instrumental in the overwhelming defeat of so-called "Gay Rights" ordinances wherever they come up for a vote.

New York Jew Congressman Fred Richmond was recently arrested in Washington for making homosexual advances on a 16-year old boy who was enticed into Richmond's home while jogging through the neighborhood. When a plain clothes detective went to Richmond's home to investigate the complaint of the boy's parents, the Jew Congressman propositioned the officer also!

In court Richmond pled no contest and under the first offender act is required to undergo psychiatric treatment. One would think that this would be enough to force Richmond's resignation, but no - he represents a heavily Jew district and they are still behind him. Jew Rep. Eilberg of Philadelphia won his party's Democratic primary despite his involvement in a kick-back scandal just because he represents a Jewish district. They will vote their own kind, regardless of such charges.

by negro musicians and on the black "soul stations" the disc jockeys play practically no White records.

This could become a trend toward separation of the races on a social level, at least, and help us build the barrier which is needed to stop co-mingling of the races and to stop interracial marriage.

Jew Leader Backs Richmond

There are over 50,000 Hasidic Jews living in Richmond's Brooklyn district. Rabbi Leopold Lefkowitz, chairman of the "Jewish Organizations of Williamsburg," stated: "He has been a very good Congressman. This has nothing to do with his congressional duties and I feel he'll still be a good Congressman."

Rep. Frederick W. Richmond has one of the most extreme Marxist voting records of anyone in Congress. By contrast, he is a millionaire as a result of his stock manipulation in which he used the assets of one manufacturing firm to buy control of others. He put together a conglomerate which has amassed him a personal fortune of \$12.5 million.

Still, he is for giving working class White people's money to the welfare minorities. He was an author of the free food stamp bill. He voted for the King Assassination Committee, which has been used to harass NRSP officers. He voted against arms sales to anti-communist Chile and Korea. Richmond voted to cut defense spending and increase welfare. The leftist Americans for Democratic Action (ADA) have him a 95% favorable voting record while the conservative "Americans for Constitutional Action" (ACA) gave him a "0" vote.

Richmond was once president of the New York Urban League, a supposedly negro group, which seeks to obtain jobs for blacks - jobs which are normally held by Whites. Between 1964 and 1970 he was N.Y. City Human Rights Commissioner. Here he was able to harass Whites over colored claims of discrimination.

Rep. Richmond, 54, is divorced but has one son. He is running for a third term in Congress. In 1973 he spent \$250,000 of his own wealth to defeat Rep. John J. Rooney. He is a free-wheeling spender in Washington and entertains lavishly at his expensive Northwest Washington home. Some will now avoid his parties and many think there are enough Christians left in his district to defeat him in this November's election.

Girls Raped by Dean

Jew Dean Rapes Students Long Island, NY

Syosset High dean of discipline, Jew Ronald B. Stein, has been arrested and charged with forcing young Christian girls to submit to his sexual demands. The girls were sent to Stein, 42, because of such infractions as cutting class, smoking, etc.

Some 5 girls told police that they were afraid to complain because Stein had the power to expel them from school. Stein would take the girls out in his car during lunch breaks and drive them to deserted spots where he would rape the girls and make them perform acts of sodomy upon his person. Nassau County Judge Marie Nickerson released Stein on his own recognizance (without bond) with his agreement to seek psychiatric treatment. Being one of the "self-

chosen people," he will no doubt receive no punishment at all, but at least has been removed from being "dean of discipline."

Assaulted inmate sues county, Rice

By Gary Heinlein

A man who says he was the victim of a homosexual attack while an inmate of the Polk County Jail has filed a \$500,000 lawsuit against the county and Sheriff Bob Rice.

Eddie R. Abney, 28, alleges in a petition filed in District Court that he suffered disabling injuries and great mental stress in the Dec. 2, 1976, attack.

A former inmate, Allen Langley, was found guilty in February 1977 of assaulting Abney and forcing him to commit sodomy on another inmate.

Abney charges in his lawsuit that he was confined to a second-floor cell with a dozen or more other prisoners. Several attacked him and "forced (him) to have perverted sexual acts with his fellow male prisoners,"

Abney says.

He says he was "criminally assaulted for several uninterrupted hours, during which time he was beaten, kicked, sexually attacked by male prisoners, including the commission of sodomy, and otherwise subjected to inhuman indignities."

He charges that jail personnel disregarded his "violent and repeated screams for help," failed to properly supervise prisoners and provide for his safety and failed to segregate prisoners with known violent or homosexual tendencies.

He also says jail officials allowed other prisoners to inflict "cruel and inhuman treatment" upon him and that they did not "take reasonable action" to provide prompt medical attention for his injuries.

Rape White Prisoners

Integrated Prisons Inhumane

The Thunderbolt has carried a series of "Suppressed News" reports on the atrocious conditions which exist in our prisons since federal courts force Whites to be locked up in the same cells with negroes. Now Whites are always threatened with homosexual rape by negro prisoners.

Iowa is a state with a very small black population but at the same time negroes make up the majority of its prison inmates. In many states they make up 80% or more of the prisoners. Here is a

good case study. Eddie R. Abney was locked in an all-black cell block in Polk County, Iowa. He was attacked by negro Allen Langley and his gang and forced to submit to the most heinous brutality imaginable. His story is reproduced from the Polk County newspaper. Needless to say, this news was not carried by the wire services and only appeared in his locale. Yet this is a national scandal and is news because the same problem exists in every jail and prison with a sizeable black population in the nation.

Stoner's Open Stand on the Real Issues

J.B. Stoner, Candidate for Governor, Takes a Courageous Stand on the Issues

J.B. Stoner is the only candidate for public office in the entire United States who takes an open stand on the basic issues in favor of the White people.

Georgia's Governor Busbee is the incumbent and is running for re-election. Gov. Busbee's chief challenger is White Racist J.B. Stoner, the Chairman of the National States Rights Party.

Stoner Against Civil Rights Laws

Gov. Busbee and the Black Caucus have rammed state civil rights laws through the Georgia Legislature that discriminate against Whites. If he were to be re-elected, Busbee and the Black Caucus would ram even more civil rights laws through the Legislature. Every civil rights law takes from the Whites and gives to the blacks.

Busbee's two civil rights laws are his "Fair Employment Practices Act" and his "Office of Minority Business Enterprises." The first one discriminates against Whites in hiring and promotion for all state jobs. The second is funded and designed to show "minorities" how to set up companies and get contracts with the state and it also does their bookkeeping and tax work for them. That is vicious discrimination against small White businessmen.

Repeal the Civil Rights Laws

J.B. Stoner advocates the repeal of Busbee's civil rights laws. It is bad enough to have the federal government forcing civil rights laws on us Whites without having our state government also stab us in the back as Busbee is doing.

Electing J.B. Stoner as Governor of Georgia would bring about the repeal of Busbee's state civil rights laws. That would start a trend that would bring about the repeal of the federal civil rights laws that are viciously destroying the rights of the White people. We must restore White rights and the best way to start doing that is by electing J.B. Stoner as Governor this year. We Whites must regain control of our country and bring about the complete separation of the races so that we can have a White America for Whites only!

Stoner Says Public Education is a Fraud

In Georgia, over fifty cents of every tax dollar is spent on so-called education. As in most other states, Georgia's educational system is a fraud on the students and the taxpayers. The Georgia educational system specializes in "graduating" illiterates who have no knowledge of grammar, cannot spell, cannot type accurately, often read with much difficulty and do not understand arithmetic well enough to succeed in the business world.

What is the Problem?

The problem is that the schools and colleges are more interested in victimizing the students with Jew lies and Jew fables in favor of Marxism and race-mixing than in teaching the students the basics to they can make a living.

The Solution

The solution is to remove all Marxist textbooks and teachers from the educational system. Sociology and the so-called social studies are communist and race-mixing lies and should be completely removed from Georgia's educational system. That would save enough money so there would be such a large surplus that taxes could even be reduced.

In Georgia's schools, there are textbooks that glorify M.L. King, Jr. as one of the greatest Americans in history. All such lying textbooks should be removed from the schools. In Georgia schools, communism and race-mixing are taught instead of the truth. The Georgia educational system teaches that communism is the ideal Utopian system when the facts are that in Russia, communism has a record of sixty years of failure. In Russia, Marxism is only able to survive because the Jews who control the United States use the wealth of this country to subsidize communism in Russia. Otherwise, communism would crumble. It is not right for us to allow Georgia's "educators" to victimize the White students in the classrooms with communist and race-mixing lies.

Stop Brain Pollution

The Georgia educational system teaches Jews and Blacks to hate Whites. Even sadder, it also teaches the White students to hate their own White Race and to hate their own parents. A vote for J.B. Stoner is a vote to change this evil system.

Stoner for the Whites Busbee for the Blacks

When race-mixing Jimmy Carter was Governor, the name of the welfare department was changed to the Department of Human Resources, a name that is a deception.

Busbee and the welfare system pay the doctor and hospital bills for the blacks to breed more black babies. This year, 1978, Gov. Busbee cracked his whip and got the General Assembly to greatly increase the

state's appropriation for the welfare department. Why? So the state can increase the monthly bonus paid to the mother of every black welfare baby until the little nigger becomes eighteen years old. Busbee is encouraging the blacks to multiply even at a time when it is very costly for White families to have any children at all. That is a part of Busbee's anti-White program to breed more niggers.

Stoner's Solution

Stoner advocates reducing and cutting off welfare payments that encourage the breeding of more niggers. That must be stopped before the blacks become a majority and destroy our White Race.

So as to enable White people to have children and preserve the White species on this earth, Stoner advocates that the welfare system pay maternity benefits for White mothers not on welfare to the extent of paying their medical and doctor bills. It is wrong for the state and federal governments to make it too costly to have White babies while paying the blacks monthly bonuses for breeding.

Racial Intermarriage

J.B. Stoner is the candidate for Governor who is against racial intermarriage. He is opposed to any social contacts between the races in school, sports, or elsewhere that could lead to interracial breeding and interracial marriage. Interracial couples are an abomination in the sight of God and such degeneracy must be stopped.

Stop Race-Mixing Insanity

Race-mixing is a vicious form of insanity that must be outlawed because it is destroying the White Race, civilization, our country and education. We cannot have education and niggers too! We cannot have law and order and niggers too! The election of J.B. Stoner as Georgia's next governor will mark the beginning of the end for race-mixing insanity in Georgia and show the rest of this country how to stop the race-mixing lunatics in their states.

Equal Rights Amendment

Gov. Busbee supports ratification of E.R.A. The E.R.A. would have the effect of destroying motherhood and the home. It would legalize homosexuals, whereas homosexuals should be completely outlawed. Busbee is for E.R.A. Stoner is against E.R.A.

Right to Bear Arms

J.B. Stoner is 100% for the right to keep and bear arms. J.B. advocated that all state and federal anti-gun laws be repealed. At a time when the race-mixers are trying to make us park our cars and use dangerous public transportation, like MARTA in Atlanta, Busbee sponsored and signed an anti-gun bill that makes it a felony for a law-abiding citizen to carry a gun onto a bus. As usual, Busbee and the other politicians try to fool the people about where they really stand on the gun issue. In accordance with the first law of nature, we White people are entitled to have guns for our self-protection and the self-preservation of our families, friends and our own kind.

The Panama Canal

Gov. Busbee favors giving our Panama Canal to the Marxist and pro-Castro government of Panama, thereby destroying much of America's greatness. J.B. Stoner advocates that we rescind the unconstitutional treaties with Panama and keep our canal.

Preserve the White Race

A White Racist is a person who loves the White Race and who is doing something to preserve it. J.B. Stoner is a loyal White Racist. His attitude is that the White Race has a right to live and he believes in doing everything necessary to preserve and increase our White Race. The White Race is rapidly declining in numbers, due to a low birth rate while all of the colored races in America and throughout the world are having a population explosion.

In addition to that, the Jew-controlled federal government has stopped White immigration into the United States while flooding us with colored immigrants from all over the world, including a flood of Asians and a flood of negroes from the West Indies and even from Africa.

Stoner says that we must have legislation to exclude colored immigrants from Georgia. If we Whites ever become a minority in our own country, we would not be able to survive for long.

Stand up for the White Race by voting for J.B. Stoner for Governor of Georgia. That is the way to stop race-mixing insanity!

Ban "Birth of a Nation" Riverside, Calif.

City Council voted 4 to 1 to ban the scheduled showing of *Birth of a Nation* at the city historical film series. This is D.W. Griffith's great classic made in 1915. It depicts the great struggle which took place after the Civil War when carpetbaggers and scalawags took political control along with drunken power-crazed freed slaves who terrorize the South.

Thus the Whites secretly organized and through underground warfare finally restored order and drove the enemy out.

The film is all true and not a *Roots* or *Holocaust* dramatization. Still, it is banned because blacks charge it is offensive. If this continues, it will soon be unlawful for Whites to even mention their heritage or culture at all.

Half Population Tax-Supported

For the first time in history the number of people directly supported by taxes has exceeded half the total population. The figures show that 124,261,000 out of the census figure of 218 million people are tax supported. This comes to 56% of the people. Of this figure, more than 30 million retired government workers or those receiving social security have paid into the system.

This leaves 94 million directly on the government payroll. Pres. Carter had pledged to cut down the federal bureaucracy, but its numbers have jumped sharply under his administration. Remember that while we must have government workers, there has to be a limit. They do not contribute toward our Gross National Product, but are supported by those taxpayers who do. The chief reason for inflation is uncontrolled government spending, which is provided for by Congress

Remember, July 10 is the last day you can register to vote for Stoner!

White Birth Rate Drops

We Love Our Children

White people must be encouraged to have more children. I do not believe that any marriage is truly fulfilled and totally happy without children - despite the lies spread by the Jewish sisters and "lovelorn" writers Ann Landers and Abigail Van Buren (Dear Abby), who openly support birth control and abortion for Whites.

It has been our experience that the larger families are the happier, including the poor.

We glory in our children and their accomplishments as they grow. Our children are our life and so are our grandchildren. For all of us, our lives would be empty without our children.

Greed and selfishness of the anti-children movement informs us that those people are really bitter and unhappy people. The problem is that they want to make us misfits like they are. Misery loves company and they are trying to destroy out happiness which comes through the love, peace and tranquility of family life.

Let us work to encourage the bringing of new White births into this world. These babes are the light of our lives and all that

makes life itself worthwhile. God bless, keep and preserve the White American family.

Blacks Take Over "Right to Life" Group

Blacks Against Abortion

"Right to Life" organization has a negress as its national chairman. Few people realize that most black leaders speak up against abortion for their own kind. Negress Dr. Mildred E. Jefferson heads the 11 million member "Right to Life" group and makes a special appeal to black groups she addressed throughout the nation.

Dr. Jefferson says that blacks need to multiply and that "if you are fewer, you're going to disappear faster. Abortion means genocide for blacks. Abortionists are doing more to get rid of generations of blacks than all the years of slavery and lynching."

Why not tell Whites that abortion means the end of the White Race? Slavery made life so easy for blacks that they swiftly multiplied under that system. Dr. Jefferson heads a mostly White group and they are too stupid to see that she is using their influence and finances to stop blacks from having abortions. She says that abortion is for "rich White women" who can afford it. The facts prove that most all of the abortions occurring today are among White women. It is the blacks who are multiplying by leaps and bounds in this country and they actually do need abortions.

Dr. Mildred Jefferson "Right to Life" Group

On this page we reproduce an article from negro *Jet Magazine* which clearly states that young blacks are against abortion and want their girl friends to bear them illegitimate children. It is interesting to note that such black celebrities as prize-fighter Joe Frazier, Rev. Jesse Jackson, and Dick Gregory are strong supporters of "Right to Life." Dick Gregory is always bragging about his 10 children and urging all blacks to have as many offspring as they can possibly have. White people had better get the message soon.

Replace Whites With Colored Immigrants

"The American Immigration and Citizenship Conference" is located at Brooklyn College in New York and is run by Jew William S. Bernard. In a recent letter to the *Sunday New York Times Magazine*, he stated that indeed the White birth rate has dropped so low that there is a shortage of young workers in the country.

Mr. Bernard says that it was in 1973 when the White population rate first fell below 2 children per family. His organization works for the importation of colored immigrants into America and supports Pres. Carter's scheme to grant amnesty to up to 20 million illegal aliens already here.

Bernard states that today we are a country of about 230 million and there is need for additional

workers who will take up the slack in the declining White birth rate. Of course, he does not mention that once colored aliens become citizens, most will not work at the minimum wage jobs. They would rather sit back and take it easy on food stamps and welfare.

Bernard says that with the White Race now dropping in numbers, our national population will increase due to immigration to a total of 266 million by the year 2,000 (just 22 years away!) **They will all be coloreds!**

Read the most shocking book on this subject ever written, *Camp of the Saints*, available from *The Thunderbolt* at \$2.50 per copy. The coming colored majority in America portends famine, riot and bloody revolution as the "have nots" fight over the spoils left by the "haves."

have all been murdered in the abortion clinics.) Ladner says that White families supporting adopted black children means that there will be fewer blacks on the welfare rolls in the future.

In other words, Whites should kill off their own seed, their own race, just to please the fanaticism of the race-mixers. We believe that this outrage should be fought by every right-thinking White man and woman. The very survival of the White Race is at stake. The enemy is out to pollute the bloodstream of the White Race with the primitive blood of the uncivilized African. How long can society and the nation stand if the White Race is so weakened that its will to live is extinguished? Racial pride in our own people must be encouraged if this menace is to be stopped.

Guilt Con Professor's

Contraception: a male responsibility?

To the Editor:

The two charges usually leveled at singles who wish to be sterilized are that they are doing it for spurious ideological reasons or for the sake of sexual freedom. At 33, I think my stock of youthful idealism is about exhausted, but my resolution not to have children was made in college, when I first realized the seriousness of the population problem.

Rather, I think my main reason for choosing vasectomy comes from guilty sympathy with the women's movement:

As a biologist, I find endocrinological manipulations repulsive, and while there may be some risks to me from vasectomy, these seem no higher than those associated with female contraceptive techniques — and there is no compelling argument why I should not be as willing to take such risks as my female partners.

Much is made of the regrets a sterilized person may have if she or he does marry and desires children later on. The happy experience of couples who have (for one reason or another) chosen artificial insemination or adoption ought to offset such

Whites Instructed How To Adopt Coloreds

Don't Have White Babies - Adopt Illegitimate Negroes

Believe it or not, this is the advice that White couples are now receiving. The story is that there are far too many White people in the world using up too much of the world's resources - yet we are now down to only 5% of the world's population.

In 1968, White couples adopted only 700 colored babies. By the year 1970 this figure jumped to 3,122 and by 1977 to 15,000. The "Boys and Girls Aid Society" adoption agency of Portland, Oregon, said that five years ago they would not have dreamed that such figures could be obtained.

How to Accept a Black Baby

That is the actual subject of a new book entitled *Mixed Families* by Joyce Ladner (a Jewess). She interviewed 136 couples who had adopted negro babies. Ms. Ladner says that "any middle class White person who is of liberal mind can voluntarily adopt a black child."

First, she states, you must rid your subconscious of all racial barriers. In other words, abandon your natural instinct of racial self-preservation.

Second, you must forfeit the right to be regarded as a White family. Your grandchildren will be black and perhaps even blacker than the one you adopted. This is true because such people end the continuation of their White seed for all time to come. This is definitely racial suicide.

Third, the multi-racial family cannot rely on White relatives or White neighbors. They must become part of the negro community. Ms. Ladner says one "must expose themselves to the black lifestyle, build honest relationships with black neighbors, friends and teachers and build a positive black identity." In other words, turn your back on your own race and degrade yourself to the point where you are nothing but a nigger yourself.

Ms. Ladner says that her work has just begun because there are some 120,000 illegitimate negroes available for adoption and more are being born each and every day.

She says it must be made easier for single people to adopt one or more black babies. Ladner supports passage of Pres. Carter's program to pay adoption subsidies to families who will adopt colored children. (There are no more White babies available for adoption because they

"White Racism"

Living With a Black Baby

New York attorney A.T. Hunt and his wife adopted a black baby. They said they did not bother to tell their parents of the adoption until later. The couple moved to a racially mixed neighborhood known as East Village where interracial couples live. Hunt said that you have to give up a lot, but "we know that prejudice and racism are dying in this country."

This is what they want to believe, but the truth of the matter is that racial division is sharper today than ever before. Because of negro violence against Whites, the central cities are being abandoned wholesale by Whites. Hunt said that one day while walking his negro child down the street a White youth asked "Is your wife a nigger?" He expressed shock and dismay and admitted they had a long way to go before White Racism is ended.

regrets. We should none of us be so in love with our own genes, or rather gene-combinations, that we object to these alternatives.

Yet, reproduction is the only form of immortality one can be certain of, however weak a simulacrum of eternity the unlikely persistence of a few linked genes may be. Vasectomy or tubal ligation is thus, in a way, a mild form of suicide; and it is in these terms that I can most appreciate the distress that sterilization causes some people. For this reason I urge a more helpful attitude towards singles who wish to be sterilized. Perhaps because I am lucky enough to live in a university community, I encountered very little resistance to my decision to have a vasectomy, or delay in its implementation.

I seriously doubt that my renunciation of children is going to do any real public good: it is, so far as smothering the population bomb is concerned, a gesture. Thus I must agree with the charge that, unless and until greater numbers become sterilized, the idealism that impels a single person to this step is perhaps misplaced.

Sterilization Is Race Suicide

On this page we reproduce a letter to the *New York Times* by a single male professor at Yale University. The letter is his explanation for submitting to a vasectomy operation despite the fact that he is not married and has no offspring.

It is easy to read between the lines and see that he is not completely sure he has done the right thing. He admits that his act is a symbolic gesture toward lowering the world population, but that it will do little good considering the billions of coloreds being born in the backward nations. He accepts the health risk involved. (Arthritis and certain heart diseases can result as side effects.)

Most important of all is his guilt that his genes will not live on after his death. The professor says that adoption or artificial insemination can help those who later change their minds and want children. In other words, his wife would bear the child of another man or they would adopt a colored baby. Here racial self-hate knows no bounds. Also, he admits that vasectomy is a form of suicide because it will end his family line for all time to come. **ALL OF THESE ARE ACTUALLY REASONS WHY NOT TO UNDERGO STERILIZATION!**

When you have children, your genes live on and continue the race. It should be the object of every healthy male to find a suitable racially pure and strong women for a wife to bear your children. This is the reason why we are here on earth - for the advancement and procreation of the White Race!

White Birth Rate Dropping

Dr. Douglas R. Hoffer states that the American family is rapidly dwindling. He cites reasons for this unnatural phenomenon. They are:

1) One out of three marriages ends in divorce. The number of households maintained by individuals rose from 1.5 million in 1970 to 3.5 million last year.

2) Over 75% of all married women under 35 are now working outside the home, compared to only 32% in 1960. When you take women out of the home, you take them away from motherhood and raising a family. This is the goal of the Women's Lib movement.

3) The birth rate per family has decreased from 3.7 children in 1970 to fewer than 1.6 today and that includes the minorities who still have large families. This means that Whites are having fewer than 1.5 children per family. Dr. Hoffer also found that 55% of all married couples age 30 and under had no children at all.

The Atlanta Constitution in an editorial on the shrinking White population stated that "*the more fortunate (White) nations must lead the way in meeting the population challenge.*"

Well, we have already done more than that and still the backward and undeveloped nations are paying no attention at all. This is just an anti-White program designed to insure that before another century is out, the last White baby has been born. Then who will feed the colored races of the world?

(Below reprinted from "Jet Magazine" December 15, 1977)

By Dr. Edward R. Fields

National Campaign Against Children

With the cry that the world is overpopulated, liberals throughout the nation have launched the drive to persuade Whites not to have any children. They have been very successful and the latest findings are that Whites in America are having fewer than 1.5 children per family. It is necessary that we maintain a norm of 2.5 per family just to maintain population zero.

At the very same time, the colored people in our midst are rapidly multiplying. World-wide there is an actual population explosion of non-Whites. Today every White nation is experiencing a sharp decline in births.

Cobb County, Georgia is the fastest growing county of any state in Southeastern America. We have just learned that the Cobb County school system is laying off 55 first grade teachers because of the sharp decline in 6 year olds entering school. This is a nation-wide trend away from having children.

Misguided young people have been victims of a very clever brainwashing campaign waged by anti-family homosexuals, feminists, Jews and negroes. The reason for the interest in the latter two groups is that they feel more secure in a "multi-racial" society. This is what they plan for America. They want White Christians to fall into the minority category. We are fast approaching the point where we shall indeed become a physical minority right here in our own country.

The Anti-Family Line

The daily press is loaded down with lesbian personnel who write the society pages which most women read. Hardly a week goes by without some slick article containing subliminal propaganda against women bearing children. Here are but a few examples:

"*Sterilization Popular*" reported UPI in a news dispatch quoting a study made at George Washington University. They claimed that vasectomy accounts for 49% of all sterilizations in America. They say this is to the credit of the men who are not going to leave it up to the women to have their tubes tied.

It went on to state that 3 out of every 10 men in America are sterilized. These are practically all Whites because blacks have unanimously rejected sterilization. They say it is an insult to their manhood. It is also interesting that interracial couples believe in having mongrel offspring. Often you see them with two or more children as they parade down our streets.

Catholic women are having fewer children, says Dr. Charles Westoff of the Princeton Population Research. He says that with the advent of the "pill," the Catholic birth rate "dramatically dropped" and is now less than 2 children per family. This means a massive defection from church teaching.

Whites Having the Abortions

Ford Foundation research shows that most of those having abortions are "young and White" aged 14 to 28. There are almost no illegitimate White children being born. At the same time, 53% of all black births are illegitimate. There are no White children available for adoption anymore because of the abortion clinics. Therefore, social workers try and persuade childless White couples to adopt colored children. They have been highly successful and this has increased the threat of interracial marriage.

NBC Bans Anti-Abortion

NBC Radio has been carrying *The Lutheran Hour* for 22 years. For the first time they have refused to carry a broadcast featuring Rev. Oswald C.J. Hoffman, who intended to criticize abortion as un-Christian. The Missouri Synod Lutheran Church pays NBC \$75,000 to carry the program over the airwaves from coast to coast.

NBC officials said the program was "controversial" and such subjects should only be dealt with on public affairs programs - WHICH THE NETWORKS CONTROL.

NBC was backed up in this statement by CBS and ABC, who want to be able to control and slant all such subjects. It should be noted that every major Jewish organization is on record in support of abortion on demand. The only exception is that they do not favor it for their own people because they claim that there are too few Jews in the world, which is a debatable question. It should be kept in mind that all three TV networks are run by Jews (NBC by the Sarnoff family, CBS by William Paley and ABC by Leonard Goldenson.)

Rev. Hoffman accused the networks of violating the First Amendment guaranteeing free speech. He said that NBC was practicing censorship and promoting an "abortion mentality in this country."

Bar Race-Mixing

Give Blacks Abortions!

NSRP FAVORS FREE ABORTIONS FOR BLACKS

There is a great shortage of Whites in this world. White families today are far too small for the White Race to survive. The black, yellow and brown races are exploding in our midst and are totally responsible for overcrowding of the world. We support free abortions on demand for all colored people because they are responsible for this problem of overpopulation. **WE ARE TOTALLY AGAINST ANY ABORTION AT ALL FOR WHITE PEOPLE BECAUSE OUR RACE IS DYING OUT.**

We must have 3 to 4 White children per family and even have illegitimate White children for childless couples to adopt. This is nature's way of providing for the continuance of the White Race. Abortion for Whites means supporting being "pro-death" for the White Race.

FAMILY

Blacks Oppose Abortion, Whites Favor It—Study

If their girlfriends get pregnant, most Black teenage males would rather see them have the baby than have an abortion, a recent study shows.

But most white male teens surveyed would urge their girlfriends to get an abortion because they do not see it as wrong.

The study, done in Chicago, surveyed 1,017 males aged 15-19. The teens who took part in the study were all part of the Illinois program of Aid to Youth Development, a division of the state's Dept. of Corrections.

Authors of the research are Eugene Vadies and Darryl Hale of the Planned Parenthood Assn. of the Chicago Area.

Dr. Mildred Jefferson of the "Right to Life" committee hailed the cutoff of Medicaid funds for abortions as a great victory for blacks. She says this is because the federally funded abortion program constituted "a class war aimed at eliminating

the poor black population."

The truth is that abortion should be free to eliminate the hundreds of thousands of illegitimate blacks who now constitute third generation welfare families. The nation's space exploration program had to be discontinued

because liberals in Congress said this money was needed for poverty aid programs for blacks. We are rapidly regressing in this country back down to the status of a backward "Third World" nation at the rate things are now going.

Evidence Proves Alger Hiss a Soviet Spy

Final Truth on "Hiss-Chambers" Case

The trial of Alger Hiss has been made into a *cause celebre* by liberals who for years have tried to discredit Sen. Joe McCarthy and those who warned America of communist infiltration of government. For the past 30 years, Alger Hiss has steadfastly maintained that he was an innocent victim of the "Cold War-McCarthy era." Now an astounding book has been published which more thoroughly goes into the facts behind this case than anything which has ever been printed before.

Allen Weinstein is a professor of history at Smith College. He is a Jewish liberal who went to Hiss and asked permission to re-investigate the case and prove once and for all that the entire case was a frame-up. Hiss agreed and allowed Weinstein to have all his personal records and have permission for the government to let Weinstein have the FBI's 40,000 page file on the case.

Weinstein eagerly went to work to prove that Alger Hiss was one of the most smeared men in modern history and with the idea that he would redeem Hiss' reputation.

But, the deeper Weinstein plowed into the case, the more amazed he was that all of the evidence pointed to only one conclusion - that Whittaker Chambers had told the truth! Alger Hiss had been one of the most successful espionage agents in U.S. history. He had climbed to the top of our State Department and was secretary at the founding of the United Nations conference. He helped draw up the U.N. Charter according to the dictates of Moscow, by which the communists control that world body today.

The Birth of the Spy Ring

Whittaker Chambers joined the U.S. Communist Party in the 1920's and later was recruited into the labyrinth of Soviet espionage. In 1932 Chambers made a secret trip to Russia where he was trained for underground work directly under the Soviet Army's Fourth Branch. From there he returned to Washington, D.C. and became a member of a secret spy cell. In early 1938 one Alger Hiss began transmitting highly secret government documents to Chambers to be relayed to Soviet intelligence.

Alger Hiss was a protege of Supreme Court Justice Felix Frankfurter (a Jew) who was Pres. Roosevelt's mentor. Quickly Hiss' star began to rise and he was rapidly promoted to higher and higher positions within the government at Frankfurter's prompting. Frankfurter also promoted the career of Harry Dexter White (real Jew name was Weiss). White later became Undersecretary of the Treasury and at the end of World War II gave Russia the plates to print U.S. occupation money to be used in conquered Germany. This one act of sabotage alone cost the American taxpayer multi-millions of dollars. White (Weiss) committed suicide when his treachery was discovered.

Hiss moved up through the ranks of the State Department until he became Secretary General of the United Nations Founding Charter Convention. Here he represented Soviet interests in formulating the U.N. so that it would always be under communist control.

Weinstein discovered that people high in the U.S. government under Pres. Harry Truman were beginning to become suspicious of Hiss. French intelligence alerted our ambassador to France in 1938, Mr. William C. Bullitt, that Russia had a spy in our State Department named Hiss.

Welfare Millions to Phony Jew Front Gang

"B'nai Torah" Got Welfare Millions

Rabbi Leib Pinter set up a tax-exempt religious group called the "B'nai Torah Institute" in 1971. Its aims were to feed the poor, retrain the unemployed, and aid Jewish immigrants arriving in America.

Rabbi Pinter held a dinner for then-Vice President Gerald Ford in 1973. After that things became so good that the rabbi began living like a millionaire overnight.

By 1975 the Federal Job Training program had given B'nai Torah \$5.5 million. In 1976 he received \$12 million to feed the poor. An aide to Rep. Daniel Flood of Pennsylvania said Rabbi Pinter had given Flood \$10,000 cash to get B'nai Torah an \$108,000 supplemental government grant. The rabbi's brother,

Sidney Pinter, gave expensive gifts to Rep. Otto Passman. Just two years ago, New York's Jew mayor, Abraham Beame, approved a \$5 million grant to the rabbi's group even though he knew that Rabbi Pinter was being investigated for giving spoiled food to negroes.

Four of Rabbi Pinter's aides have been indicted for fraud. One program under Meyer Steier for the \$108,000 could show no receipts as to where the money was spent. The retraining program is all but non-existent, but the government still hesitates about indicting the rabbi.

Pinter is now living lavishly but has no synagogue. Asked about this by the press, he responded: "if they try and make me the fall guy I'll just pick up and move to Israel where I can't

Hiss and Chambers.

An important government official in the 1940's, Hiss is shown here shaking hands with Pres. Harry Truman

Communist Spy Expelled From Canada

Ottawa Immigration Service reported that a Soviet Jew physicist, Lev G. Khvostantsev, has been expelled from Canada. He had entered the country as part of a cultural friendship exchange group. He then sought to buy secret information from an unidentified scientist.

Just last year another Jewish scientist on a goodwill visit from Russia to New Zealand was likewise expelled for the same type of activity. To this day there are vast numbers of Jews who are still loyal to the Soviet Communist Party and permeate its ranks from top to bottom.

be extradited."

Still nothing has been done about the rabbi as of this writing and millions upon millions of dollars have been given to the Jew group and heaven only knows where the money has gone. Perhaps Rabbi Pinter's bank account in Israel should be investigated.

Then the Soviet code clerk in Canada, Igor Gouzenko, defected in 1945. He revealed a red spy ring working within our government at the highest level. The agent that he described could be none other than Hiss. For this reason, Sec. of State Dean Acheson issued orders that Hiss be kept from classified material. Canadian Prime Minister Mackenzie King personally warned Truman about Hiss in 1946. Remember, it was not until Aug. 3, 1948 that Whittaker Chambers revealed his secrets to the House Committee on Un-American Activities.

Hiss Treason Revealed

In 1944 Alger Hiss journeyed to the secret meeting with Churchill and Stalin at Yalta as an advisor to the dying Roosevelt. Here the U.S. gave all of Eastern Europe to the communists. Hiss was the assistant director of the Office of Special Political Affairs, but in 1946 was stripped of this post as suspicion continued to rise. Ernest Gross, who headed the office which oversaw the rule of occupied Germany, ordered Hiss excluded from all confidential information. Still Hiss had the support of Frankfurter and other powerful Jews in government and was shifted to the important U.N. post.

In 1946, Paul R. Porter, deputy chief of the Economic Affairs Mission of the U.S. Embassy in London, reported that Alger Hiss was a communist agent. Whittaker Chambers had risen to be an editor at *Time* magazine at the time he dropped his bombshell in 1948. He told the House Committee on Un-American Activities that Alger Hiss was a top-level Soviet spy.

Hiss denied this and said that he had never even known Chambers. That was the beginning of his downfall because witnesses came forth to discount this lie. Hiss was charged with perjury before the committee after Chambers revealed that classified government information had been typed on Hiss' typewriter and was given to him for Soviet intelligence. Then came the famous pumpkin papers, the microfilm which contained more data passed on by Hiss to Chambers to be sent to Russia.

Alger Hiss spent 3 years and 8 months in prison. To this day he still maintains his innocence. A small clique of leftists around Hiss continued to try and rehabilitate his name. Weinstein's research carried him to Nadezhda Ulanvskaya, the wife of Josef Peters, who was the head of the spy ring to which Chambers had belonged. He discovered that Noel Field, a confessed spy in the State Department, had worked with Hiss. The book proves that Hiss lied to his lawyers about not knowing what happened to the typewriter on which he typed the material he gave to Chambers. Hiss attorney, Jew Harold Rosenwald, tried to get Hiss to take a lie detector test or truth serum test to prove his innocence, but Hiss always refused.

The final story now has been told by a Jew who started out to clear Hiss. Alger Hiss is no longer a martyr for the liberal left. Everything he worked on should now be reviewed from the standpoint that he was working for communist Russia. This includes his involvement with writing the U.N. Charter, which has placed this nation at such a disadvantage. In fact, this book is evidence enough to justify our withdrawal from the United Nations and to demand that this body be removed from the U.S.

To all who remember the Hiss-Chambers case and its tremendous historical importance, you should read this revealing book. It can be bought at or ordered through any large book store. The title is *Perjury — the Hiss-Chambers Case*, 674 pages, published by Alfred A. Knopf Co. at \$15 per copy.

Press Control Threatens Censorship of News

Newspaper Chains Threaten Free Press

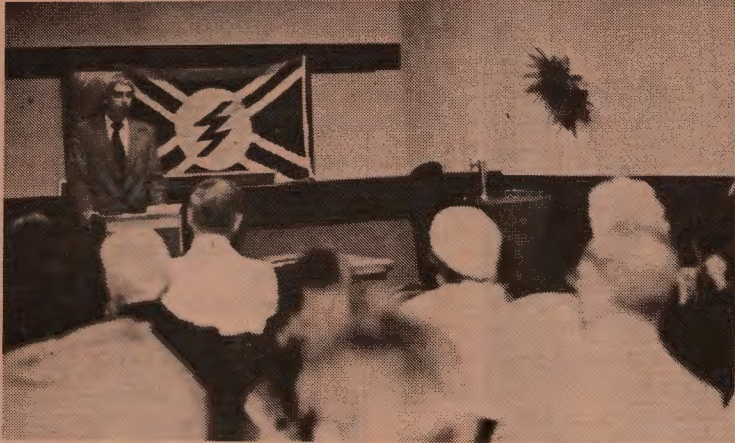

Rep. Morris Udall warned the New England Daily Newspaper Asso. that the acquisition of local, family-owned newspapers threatens the "Diversity and free flow of information." He has introduced a bill called "The Independent Local Newspaper Tax Act" which would change inheritance laws. It would enable family-owned papers to pay inheritance taxes without being forced to sell their publications to some chain just to raise the money for Uncle Sam. We urge you to support this legislation by writing your representative in Washington.

There are fewer and fewer home-owned newspapers in America. Each passing year sees more papers gobbled up by the giant press lords. Today the Samuel Isadore Newhouse (Jew) chain owns 29 newspapers with influence over its 3,225,946 readers. The Jew *New York Times* owns 10 newspapers with about 1 million readers. The time has come to pass further legislation which will put a stop to the spreading press monopoly in America. As Congressman Udall said, "competition is what makes our system work but today we are facing a new era of homogenized news."

South Africa Leader Attends NSRP Meetings
African Problems Explained
South Africa's "National Form" organization is fighting for the survival of the White people in their homeland of South Africa. One of their leaders, Mr. Colin Vary, visited us last month. He spoke on behalf of his embattled people at several important NSRP meetings.

Columbus, Ohio meeting was called on short notice, but a good crowd attended. Mr. Vary told the people that if America and Great Britain had not interfered, South Africa could have liberated all of Angola from the communist Cubans and blacks. He said that South African troops killed some 1,200 Cuban reds and lost only three of their own men. They were just 30 miles from the capital of Angola when word came down from Pres. Carter and Britain's Jim Callahan that they must pull back. The black forces run whenever they see the armed Whiteman coming and Rhodesia and South Africa could liberate all the Cuban and Soviet controlled countries in Africa within two weeks if left to do the job without outside meddling.

Louisville, Ky. was a good meeting with standing room only. Mr. Vary told the audience that there is no such thing as

Black Power in Africa. Their armies can only fight defenseless women and children and their college graduates can not operate one single factory anywhere in Africa. The blacks can not even feed themselves. In Zaire and Mozambique the Whites of Rhodesia and South Africa are supplying them with 80% of their corn. When the Whites were driven out of Zaire, their corn production fell by 80% and their dairy product by 90%. These are the countries which harbor murderous and cowardly communist guerrillas who kill innocent people under the cover of darkness.

Atlanta, Ga., was yet another good meeting of NSRP supporters who heard Mr. Vary's message of White Race Survival in South Africa. He told us how the blacks have had to beg Whites to return to the countries which they were once driven out just to get the economy going again on a limited scale. Whites are running

the railroad and harbor system in Mozambique and some 200 White farmers were brought back to Zaire and now provide that country with 50% of its food. Left to their own most of the blacks in Africa would simply starve to death.

The big shock in Mr. Vary's message came when he told us that the black Marxist countries paid for their food from South Africa with American dollars. In other words it is our money which is keeping alive the enemies of our race and the friends of the murderous Cuban-trained guerrillas in Southern Africa. We very much enjoyed Mr. Vary's visit and hope that he can return to the states again and speak before more chapters of the NSRP.

TOKENISM

Manhattan: In case the Transit Authority isn't aware of it, let me be the first to inform it that some blacks are not required to pay on buses driven by some black drivers. Communists Try to Neutralize Opposition

Despite Graham's Iron Curtain Visit

Christians Still Persecuted In Russia

Ukrainian Catholic Patriarch Slipji charged during a sermon in Rome that agents of the Soviet secret police still "burst into churches during services and take the identity of those present." Patriarch Slipji spent 17 years in Soviet concentration camps before being exiled. He announced that three priests were recently killed and Baptist leader, Ivan Biblenko, had been beaten to death by Reds in the Ukraine.

(news from "Giornale Del Popolo," Switzerland.)

How Russia Suppresses Christianity

"Ukrainian News" published by the Russian Ecclesiastical Mission, an anti-communist organization, states that very few Christian churches exist in the Soviet Union today. They reveal that when a priest dies or retires he often is not replaced. When a communist trained and approved priest is sent he is usually rejected as not acceptable to the parishioners. Many churches have been locked and are left to fall into disrepair.

Permits for new churches are never issued in Russia. During Christmas and Easter holidays KGB agents are posted outside churches still functioning. They photograph those who enter or leave. Intellectuals or party workers lose their jobs if they are discovered attending church services. Many rules have been established to discourage church attendance such as requiring church services to end by 9 A.M.

Singing of religious hymns in public has long been banned in Russia along with Bible reading and prayer as in U.S. schools. Priests and ministers are harassed and discouraged from carrying on their religious work in many ways. If they are "taken off the registry" it means that they are forbidden to practice their function as priests. Despite many requests and petitions for the reopening of ancient and unique architecturally famed Orthodox churches, not one has been granted. Thus we are reminded that freedom to worship God has been unrelentingly suppressed despite what the Vatican and Billy Graham may have proclaimed about the supposed "new" freedom of religion behind the Iron Curtain.

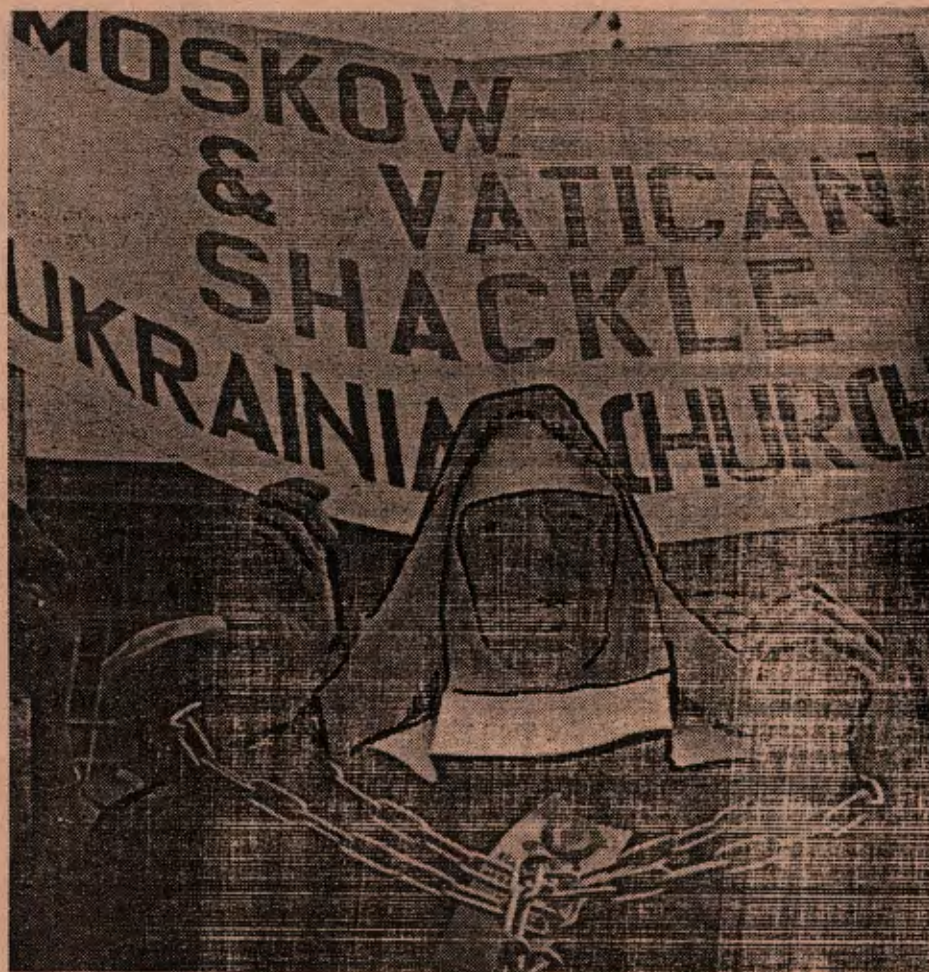

States With Surplus Money

Wisconsin Revenue Secretary Dennis Conta forecast a state surplus of \$250 million by June 1979. Today it looks like that surplus will come to more than \$425 million.

California is also a state which has collected more in taxes from its citizens than is needed. This is the chief reason for the popular referendum now pending on the California ballot to limit the state's confiscatory property taxes.

With inflation now rising at double digit rates, states are taking more money from sales tax levies

Ukrainians Protest Pro-communist Churches

"The Ukrainian World Federation" held a protest demonstration in Philadelphia against church recognition of communism. Their protest at the Ecumenical Congress was led by the Ukrainian nun, Mother Maria. She stood with wrists chained beneath a banner which proclaimed "Moscow & Vatican - Shackle Ukrainian Church."

Jews Give Young "Humanity Award"

Philadelphia's "Jewish Community Relations Council" held a dinner Feb. 19 at which they bestowed the "Jules Cohen Memorial Award" upon Carter's U.N. Ambassador Andrew Young. He was eulogized as "the epitome of the idealistic spirit of love and humanity represented in the noble goals he has achieved."

Thus far Young has succeeded in insulting most of our allies, supported the Soviet Cuban invasion of Africa, and demanded economic sanctions against the White people of Southern Africa. The Jews believe this represents his love of humanity?

because the cost of everything is higher. Thus the tax collectors' coffers are expanding so rapidly that they do not know what to do with all the surplus money. The people need and deserve a tax cut at all levels of government. If waste and welfare were drastically reduced, then we could all get back on our feet financially.

Rev. Robert Marshall, president of the Lutheran Church in America was shouted down with cries of "What Price Ecumenism?" Members of the so-called Russian Orthodox Church set up by the communists were present. They were treated as honored guests representing a Red controlled atheist church.

Catholic John Cardinal Willebrands was called "the architect of the Vatican-Moscow detente."

Allies Upset Over FBI Tips to Castro

It is already a known fact that the anti-communist Cuban community in America is distrustful of the Carter Administration after it ordered the FBI to begin informing Fidel Castro's Secret Service about Cuban refugee activities.

Because of this, South Africa's intelligence service, BOSS, is no longer fully cooperating with our CIA because they fear that information may be leaked to Cuban forces in Africa. Iran's security force, SAVAK, also is not exchanging information because we send data to Israel, which is aiding Cuban communists in Ethiopia to drive the Arab-supported Eritrians out of their homeland in order that a communist state can be established there.

Even the Greek, Dutch and British intelligence services are afraid to work with our CIA because of Carter's close alliance with communist political leaders.

Dr. Marshall acknowledged that the protestor indeed has raised a valid question over the extent to which the Soviet KGB secret police actually controlled such "approved" churches in Russia. Anti-communist church leaders such as Patriarch Maximos V. Hakim and Patriarch Josyf were not invited to the Ecumenical Congress because of their opposition to "Detente." The above report came from the "Svoboda Ukrainian Daily."

Why Not Teach About Millions Slaughtered by Communists?

MAO & STALIN History's Biggest Killers

The mass media in America continually spews forth the theme that Hitler was the worst killer in history. Recent studies by such men as Prof. Arthur Butz prove that no more than 300,000 Jews died from all causes under German rule during World War II and not the 6 million that we hear about every day. (Over 250,000 German men and women were burned to death in the Allied bombing of the open city of Dresden in the closing days of the war.)

Mao Tse Tung and Khrushchev are praised by the Jew-controlled news media as "moderate" and "enlightened men" while Hitler is crucified. The truth was

Communist Infiltration
Russian anti-communist newspaper "Novois Russkoie Slovo" of Jan. 24th reported that the Soviet secret police (KGB) had opened a whole new front of clandestine agents whose purpose would be to neutralize their enemies in the West. The free Russian journal stated that: "This activity has been successful in changing the previous anti-communist stand of some organizations. Now they have begun to flatter Communist tyrants, while others find extenuating circumstances to justify their aggression and even write low-key pro-communist articles."

The Thunderbolt does not believe that Jews are being "persecuted" in the Soviet Union. Some Jews who left the Soviet Union for America and Israel have returned because they liked life under that communist system better.

Would a single Jew voluntarily return to Russia if they were persecuted. Did any return to Germany after Hitler took power? Our viewpoint is that we would be against communism in its entirety even if it did turn against the Jews (which it has not). We take this unalterable stand because communist tyranny means the end of our sacred liberties and freedoms. Life in a communist slave state would not be worth living. We believe in the words of Patrick Henry -- **GIVE ME LIBERTY or give me death!**

News on Vicious Crimes Attacked in Hotel

Atlanta Detective D.B. Davis reported the case of a woman tourist who was abducted from her downtown hotel room by negro robbers. They crashed into her room wielding a sawed-off shotgun. She was taken to a vacant house in east Atlanta where she was raped numerous times and forced to commit unnatural sex acts on the robbers. They took \$160 from the woman. She later escaped when they left to buy more wine for their "party."

fully revealed in a recent study released by "The News World" in New York City. It listed Mao as the most heinous killer of all time with 120 million deaths. Next was Stalin who murdered 70 million people.

Khrushchev helped Stalin in the deliberately planned deaths of 7 million Ukrainians in the 1933 famine. The News World stated: "During the winter of 1933, Khrushchev and Stalin threw the state police (now the KGB) and the Red Army into action against the peasant population of the Ukraine. The result was the death by starvation and cold of seven million people in one winter. Statistically, that was 20 per cent of the population."

The White Man's Viewpoint

OPEN LETTER TO SEN. TALMADGE AND SEN. NUNN

Dear Sen. Talmadge and Sen. Nunn,

Americans are concerned because the news media have not kept us informed on the real meaning of the "Washington Home Rule Bill." Very few people realize that this will give us two black Senators and two black Congressmen.

This city is actually part of Virginia and Maryland. If they must have the right to vote in Congressional elections, let them vote in the states in whichever part their city lies.

The Constitution never provided for cities to become states. It is well-known that New York City for some time has wanted to pull out of New York State and have two Jew Senators of their own.

Statehood for Washington would spur Puerto Rico, the Virgin Islands, and American Samoa to seek statehood and two U.S. Senators each. This bill should be defeated in the Senate and not become a Pandora's box from which all sorts of minority groups will want break away communities of their own and two Senators each.

You both voted to surrender the Panama Canal against the wishes of the vast majority of Georgians. You let us down, and we pray that you will not do it again. I am the editor of *The Thunderbolt* and our thousands of Georgia readers want to know your stand on "Home Rule for D.C."

Please let me know how you stand on this vital measure so I can inform our many readers.

Thank you,

Dr. Edward R. Fields

FREE! - "THE AFRICAN"

By Thomas E. Watson

Tom Watson was one of the most famous political leaders in Georgia history. The main statue on the grounds of the Georgia State Capitol is that of Tom Watson. Watson was a world traveler and famous author and he studied the life of the negro in Africa. His prose on this subject is the most revealing and startling we have ever read. An appendix in this book gives the Belgian report on atrocities committed by negroes when they revolted in 1960 and sought to torture and kill all Whites. This sensational eye-opener is free to all NEW subscribers using this form or requesting "The African."
