

# Stoner Gov. Race Affects Entire Nation

## Why Stoner Entered Governor's Race

J.B. Stoner's entry into the Georgia Governor's race is having repercussions in every state of the Union. Mr. Stoner is a major candidate with an earned national image as America's Number One defender of the rights of the White majority.

J.B. Stoner stands out as the foremost standard-bearer of the White People in America. In fact, he boldly proclaims himself the "White Racist Candidate" who is willing to lead the fight for the PRESERVATION OF THE WHITE RACE.

Just as Proposition 13 sent shock waves throughout the nation and began similar tax reduction amendments from coast to coast, so will the effect of a Stoner victory or a huge vote in which he emerges as the "balance of power" in Georgia politics. Such a result would have other Patriots coming out into the open and running for political office as "White Racists." That is why this Governor's race is of such tremendous importance to the entire nation. J.B. Stoner wants to start a new trend away from race-mixing and back to White Racial Pride and White control over the destiny of our Race and Nation.

Channel 5 TV covers Stoner campaigning. J.B. Stoner at opening of new Richmond County, Augusta, Ga. campaign headquarters. Local campaign workers keep this office open every day.

The race for Governor of Georgia is not clouded as many races have been in the past, where one or more phony candidates pretend to stand up for the White People, and thus split our vote. This time it is a clear-cut case of one single man, J.B. Stoner, standing up for the White People against the blatantly admitted race-mixer, Gov. George Busbee. The difference is as sharp as that between night and day.

The following is just part of the shocking race-mixing record of Gov. Busbee:

## Busbee's Anti-White Record

Georgia newspapers have suppressed news of the Civil Rights laws enacted by Gov. George Busbee. Here is the truth about his new laws which discriminate against White People.

1. In 1978 Gov. Busbee rammed the "Fair Employment Practices Act" through the Georgia legislature. Gov. Busbee and the Black Caucus united to pass that anti-White law which discriminates against

Gov. Busbee eating with negress Barbara Jordan of Texas. She made the radical pro-ERA and civil rights keynote address at the 1976 Democratic convention.

Whites in the hiring and promotion of state employees. SEN. ROSCOE DEAN, JR., another race-mixer running for Governor, also voted for that law, which will load down the State Government with incompetent blacks. Already negroes have filed over 400 complaints against White supervisors, which is nothing more than organized harassment.

## Negro Immigrants Flood U.S.

### 40,000 Negro Haitians Coming

Immigration Service head in Miami, Edward Sweeney, said that last Nov. 11 the Attorney General's office proclaimed that all negro immigrants who reach America from Haiti can stay in this country as "political refugees."

Part of a group of 180 more negro Haitian "boat" people whom Carter welcomes to U.S. as "political refugees."

Haiti is the only all-Negro Republic in the Americas and is a dictatorship. But, it is an anti-communist nation which is friendly with America. Most countries in South America are dictatorships, as are ALL of the black-ruled nations in Africa. SHOULD ALL THESE PEOPLE BE ALLOWED TO MIGRATE TO AMERICA?

Observers believe that the only reason a special exception is being made for the Haitians is because they are black and will help increase the rapidly-growing negro population here in America. Mr. Sweeney said that since this news has reached the Haitians, some 600 arrived in Miami in June alone. Since early this year more than 8,000 negroes have moved to the U.S. illegally from Haiti. All are not freed by immigration officers when they claim they are fleeing political persecution back home.

### Bahamas Ready to Flood U.S. With Haitians

There is high unemployment in the negro-ruled Bahama Islands. Part of this has been caused by the huge numbers of negro Haitians who moved there in large numbers over the years. The Bahamas has now declared that it is going to expel all 40,000

### Colored Immigrants Import Deadly Diseases

#### Disease Makes Comeback In Africa

Now that more and more black African nations have become independent, they have been unable to control tropical diseases which at one time the Whites had almost eradicated.

Lassa fever, a deadly disease confined to Africa, has been found in 8 negro immigrants to America since 1969. It can spread quickly and is always fatal.

It is estimated that some 200 million people in Africa and India have malaria, which is transmitted by the mosquito. The blackfly causes "river blindness" and affects hundreds of thousands of Africans. The U.N. World Health Organization reports that "almost every child over the age of one year is infected with malaria parasites and at least a million African children die of the disease each year."

Dr. B.H. Kean of Cornell Medical College says that we are losing the fight against tropical diseases on a worldwide basis, despite the fact that the U.S. spent some \$20 million last year alone to try and help such countries fight disease.

India had 75 million malaria cases in 1935 and with an all-out health aid program on the part of the British, this was cut to only 60,000 in 1962. Today malaria has crept back up and infects more than 4 million Asians in India.

The independence of the colored world has indeed been a step backward for them not just economically and politically, but health-wise also. The so-called underdeveloped nations are quickly slipping backward and now present a major health problem to the Western World due to the flood of colored immigrants invading the West.

colored people.

Unless this is quickly checked within the next few years, we can expect the White Race to be a minority in this - our country. Whites must awaken, unite and take action quickly if there is to be any future left in this land for our children.

Haitians living in their islands. They are going to give them the opportunity of moving to America first, rather than returning to the poverty and disease-ridden island of Haiti. It is expected that Pres. Carter will welcome them here as "political refugees."

America is rapidly becoming a non-White nation because Marxists now control our government and immigration service. Before the Kennedy Immigration Act of 1965, some 89% of all immigration to America consisted of White people from Europe and only about 11% was colored. Today this has been reversed by the Kennedy law and only 21% comes from Europe and 79% from colored nations. (Note: many coming from Europe are actually Asians, Pakistanis, West Indian negroes and Jews) And remember, these figures count only the 400,000 annual LEGAL immigrants and not the more than 1,000,000 ILLEGAL immigrants, most all of whom are

# Stoner Campaign (Continued From Page 1)

2. Gov. Busbee established an "Office of Minority Business Enterprises" under the University System which the race-mixers in the legislature are funding with your tax dollars. That office helps "minorities" get State contracts and helps them with their bookkeeping and tax work. That is discrimination against White businessmen and their White workers. J.B. Stoner's election as Governor would terminate this anti-White scheme.

3. Gov. Busbee placed an ugly statue on the Capitol grounds to honor the drunken, unruly mob of black legislators who ran the Georgia State Government in cahoots with Federal troops and bayonets during the 1st Reconstruction that persecuted and discriminated against Whites over 100 years ago. Busbee has the total support of the organized black vote in Georgia.

Voting for Busbee is like voting for Andrew Young. They are both race-mixers and both glorify M.L. King, Jr. Busbee is a friend of Andrew Young and M.L. King, Sr. He has welcomed conventions of the NAACP and SCLC to Atlanta. In January of 1978, the blacks met for five days and evenings at the Ebenezer Church in Atlanta, where they worshipped and glorified the dead "Martin Lucifer Koon, Jr." Gov. Busbee disgraced the White People of Georgia by going there with them to exalt and glorify their black saint, who hated us White People.

Gov. Busbee has placed guards at our state capitol who treat us as visitors and who have the duty of protecting the painting of King. Busbee has allowed textbooks in out schools that glorify M.L. King, Jr., who was a member of over 60 communist fronts and was a fanatic who constantly chased after White prostitutes. King's portrait is in all Georgia schools. J.B. Stoner will remove King's picture and the lying textbooks that praise him as the greatest American.

## Busbee Appoints Black Judges

Gov. Busbee is the first Governor since the 1st Reconstruction to appoint darkies as judges, such as appointing Horace Ward as a Judge of the Superior Court of Fulton County. The election of J.B. Stoner as Governor would mean that only Whites would be appointed as judges.

## Our Best Opportunity Ever

Just a good showing at the polls in August or in a run-off election by J.B. will give impetus to countless Whites throughout the nation to come out into the open and be counted. It could start a groundswell movement from the grassroots level that would reach into the innermost sanctums of the nation's capital.

A victory or a good showing at the polls will make the Jew and black leadership and masses scream in anguish. They will howl, gnash their teeth and froth at the mouth. Among the weaker one of these groups there could well be nervous breakdowns and heart attacks. It will be the greatest blow and setback to the Jew/negro cabal in our lifetime.

This, in return, will impel Whites of like mind in other states to stand up and emulate the voter-bloc of White Power advocates that support J.B. Stoner for Governor of Georgia. It will be the "Day of Awakening" in the United States.

J.B. Stoner is not just a man. He is THE symbol of a White America. A huge White vote this year for J.B. Stoner is a Victory for White America!

# Why Proposition 13 Won

## Proposition 13 — A Victory For the White Race

**San Leandro, Calif.** tax collector Frank Krause evicted Grace Malone, 83, for failure to pay some \$2,458 in back property taxes on her paid-for home. The state then sent her to a nursing home. She had no guardian and did not know that senior citizens in California can postpone property taxes until death (after which the state often attaches all of their remaining property). Her taxes came to about \$200 per month, and Krause sold her home at an auction on the courthouse steps for \$36,000, far below its true value.

So the story went in California with many young homeowners and farmers being forced to sell their homes just to pay property taxes and being forced into apartments. This continued until the taxpayers revolted and passed Proposition 13, which drastically cut back all property taxes. Taxpayers were sick of high spending politicians constantly giving themselves huge raises and hiring more bureaucrats and adding more and more coloreds to the welfare rolls. Today people all across the nation are rising up against oppressive taxation and legally passing new laws which will effectively reduce taxation.

# NAACP Splits Into 2 Groups

## U.S. Trouble-Making In South Africa

The U.S. International Communications Agency insisted on showing the anti-White TV docudrama *Roots* in five South African cities. It caused numerous disturbances as blacks screamed that Alex Haley's "*Kunta Kinte was striving for his freedom and this means we will never give up.*" One irate White woman ripped a *Roots* movie poster down. Blacks in one theatre shouted "*We Want Andy Young!*" If he would just stay there, it would be a good place to send him.

Jack Greenberg - Negro NAACP charges he hogs all the money

## NAACP Sues Greenberg's NAACP

The first president of the NAACP was millionaire Jew Joel Springarn and upon his death, his brother Arthur took over as the second president of the NAACP. After he died, the millionaire Jew shoe manufacturer Kivie Kaplan became president of the NAACP.

Kaplan died a few years ago, and for the first time a negro, Benjamin Hooks, became president of the NAACP. It was then that the blacks and the Jews began fighting among themselves over money given the "NAACP Legal Fund," which had become a separate organization in 1961.

It was the Jew, Jack Greenberg who has led every major civil rights suit since he got the Supreme Court to order the integration of public schools in 1954. Greenberg is still the head of the well-financed "NAACP Legal Fund." Negro Hooks demands that Greenberg drop the name "NAACP" from the fund because foundations and corporations are confused and make most of their donations to the "NAACP Legal Fund" and not his NAACP.

Jack Greenberg says that: "*The NAACP is jealous of our fund-raising ability. The NAACP Legal Fund is the name with which we have won the greatest civil rights cases, and we have no intention of changing it now.*"

The regular NAACP has been in desperate financial straits ever since they lost their big Jew money raiser, Kivie Kaplan. Now they see all the wealthy Jews giving to Greenberg's NAACP and they want their share. While this squabble continues, the rich and powerful Jew community continues its control over most segments of the civil rights movement. Integration of White Christians with negroes, Asians, etc. has long been the goal of the organized Jew community. But racial amalgamation is not supposed to apply to Jews. See the other article in this issue about their efforts to prevent Jews from marrying anyone outside the Jew race.

## Why Let Russia Take Africa?

*cerned? Soviet thrusts into Asia and Africa have clearly defined objectives. Their Cuban mercenaries have created a Marxist belt around South Africa.*

*"Western nations seem powerless to react and are blinded by the heady rhetoric about race and human rights. Long-term survival has been ignored and the West's loyal ally, South Africa, has been forgotten. America seems ready to sacrifice South Africa on the altar of temporary political expediency. Will the West come to its senses or will South Africa be left to fight off the Communist threat to Western security alone?"*

At the present time, considering the course of Carter diplomacy, South Africa may well have to fight off both Soviet and American threats, pressure, and boycotts. This nation has never been in a weaker position to face the growing Soviet threat. In fact, it looks as if we are aligned alongside the communists through the crazy pro-Soviet Carter-Young foreign policy.

## 84 More Haitians Land On the Florida Coast

MIAMI, June 28 (UPI)—Four boats ferrying 84 Haitians from the Bahamas reached the south Florida coast today, raising the number of illegal aliens who have landed here in June to almost 600.

The 84 included 18 children in a boat filled with 30 people that landed at Delray Beach. A group of 23 landed at Riviera Beach, another 20 at Palm Beach and 11 at Juno Beach.

They were questioned and processed by agents of the Federal Border Patrol and the Immigration and Naturalization Service and were released in Miami and West Palm Beach.

Ed Sweeney, regional administrator of immigration service, and a border patrol official, Truman Carr, said that the surge of immigrants appeared to have been spurred by the Bahamas Government's decree that illegal aliens must leave by June 30 or face deportation.

The Bahamas Government, beset by an unemployment rate of 23 percent and an estimated 40,000 illegal Haitian immigrants, has begun to crack down on the aliens. A group of 279 Haitians was rounded up last week and told to leave the islands.

The arrival of Haitians as illegal aliens has increased in recent months after a change in Federal regulations that now permit them to go free and obtain work permits and welfare until their status is determined. In addition, the Bahamas Government recently ordered all illegal Haitian immigrants living in the Bahamas to leave.

The Federal authorities reported early this year that more than 8,000 Haitians were now living in South Florida.

## The Gallup Poll

# Public Takes 'Hard Line' Illegal Aliens

By George Gallup

PRINCETON, N.J.—The American people take a "hard line" in regard to illegal aliens.

A large majority (72 per cent) favors making it illegal to employ a person who has entered the United States without proper papers.

A proposed requirement that all persons carry an identification card to distinguish illegal aliens from legal job-seekers is heavily favored, 65 per cent to 30 per cent. But if the proposed ID card has to carry, among other things; a picture and fingerprints; the public is closely divided, with 45 per cent in favor and 50 per cent opposed.

Public opinion has also sought regarding President Carter's controversial proposal to grant permanent resident status to all aliens who entered the United States illegally before 1970—an estimated 500,000 persons. The vote is 52 to 39 per cent in opposition. However, among younger adults, non-whites and persons with a college background, the vote is evenly divided.

# Carter-Young Demand Whites Accept Killers

## Minister Prays for Killers — Not Victims

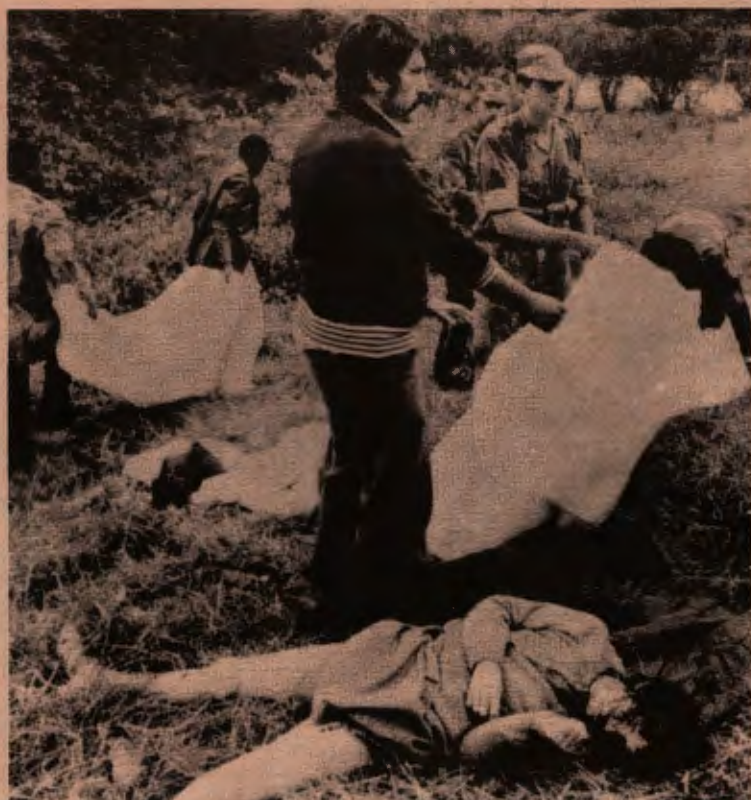

### Church Leaders' Heads Still in the Clouds

When the funeral services were held in Umtali, Rhodesia for the 12 Pentecostal Evangelists who had been murdered, Rev. Ronald Charman prayed more for the killers than for the victims. Rev. Charman said the deceased were now happy playing in heaven and "we pray that God will be more merciful to those who have perpetrated such an act of shame that they will repent and receive God's mercy. I am only sorry that I was not worthy to go with them at the time to the Lord Jesus."

This is, of course, nonsense, because if Rev. Charman wants to die like these poor souls he need only walk a few miles into the jungles near any of Rhodesia's black borders and quickly be tortured to death. This minister stays in the well-defended city of Umtali where he is quite safe. The White Mayor of Umtali, Douglas Reed, said:

"I have noted with serious misgivings the prayers that have been offered here on behalf of the inhuman savages who committed this brutal act. The Old Testament says an eye for an eye instead of turning the cheek. Most Rhodesians join me in the fervent hope that the perpetrators of this ghastly deed will be speedily brought to justice."

With that, all we can add is, Amen, and Amen!

This missionary's wife was raped and then hacked to death. Her two little daughters suffered the same fate. Carter says the killers should be accepted into the Rhodesian government.

Another wife of a missionary. She was raped and a hatchet left buried in her head. Her three-week-old baby at right had its head crushed with boot imprint in its skull

## Black Guerrillas Massacre Whites in Africa

Rhodesia saw its worst slaughter of Whites in its long war to fend off the attacks of Cuban and Soviet armed and trained guerrillas from three surrounding black nations. England's pentecostal "Elim Missions" school for some 250 blacks at the village of Vumba was the worst massacre to date.

On June 23 twelve Whites were captured by guerrillas of Robert Magabe's ZANU force. (One of the terrorist groups Pres. Carter demands Rhodesians accept into their government.) There were three White men, their three wives, another woman, a boy 4, two sisters, aged 4 and 8, and another girl, 5, and a baby, 3 weeks old. The men were tied together and

forced to watch as their wives and the two little girls were raped over and over again by the guerrillas.

When they completed their fiendish orgy, they gouged out the eyeball of one of the White men and then bayoneted him in the back several times. The other two men were hacked to death with machetes. Three of the women were clubbed to death and one had a hatchet still imbedded in her head. The baby had the imprint of a boot on her crushed head. None of the blacks working at the mission school were harmed.

This was just part of the hideous carnage which has hit innocent and peaceful people who have spent their entire lives trying to educate and help the backward negroes in the jungle.

## More Whites Massacred

### German Jesuits Slain

Only four days later, on June 27, black guerrillas seized two Catholic missionaries at St. Rupert's Mission. They were Rev. George Richert, 42, who had worked to help negroes for the past 15 years and Brother Bernard Lisson, 69, who had worked at the mission for 40 years. They were shot at close range in the head.

Earlier, on June 3, two Catholic missionaries in the Southwest part of the nation were murdered at their school before 400 black children. They were Brother Pjeter Geyerman, 36, of Germany and Brother Andrew von Arx of Switzerland. Both were shot dead as they sat on the veranda of the Embakwe Mission. It took only two other priests with automatic weapons seconds to send the cowardly killers fleeing into the bush. These attackers were members of Joshua Nkomo's

"African People's Revolutionary Army." This is the second Cuban-run communist guerrilla group which Carter and Young insist the Rhodesians accept into their government.

On June 8, during this same bloody month, Nkomo's trained butchers killed two White women members of the Salvation Army and wounded two others. The dastardly act was committed by 15 guerrillas of Nkomo's "African People's Union."

The war by these black Cuban-Soviet puppet forces has always been aimed mainly at defenseless men, women and children. They have never sought out open combat with the Rhodesian Army. It was during the last part of May when some 250 to 300 innocent White miners, their wives and children were slaughtered in Kolwezi in the Congo by Cuban-trained killers from Angola.

## Congo Whites Betrayed

### Mercenaries Hired By Congo

#### Black Protectors Turned On Whites in Congo

When communist forces attacked the White people in Kolwezi in the Congo (Zaire), Pres. Mobutu's troops were supposed to protect the 2,500 White people running the copper mines. Instead they fled in panic before the enemy arrived. Many of them robbed and beat Whites before fleeing Kolwezi. One UPI report said as many as 20 Whites may have been slaughtered by their supposed "protectors."

Negro Brig. Gen. Shikeva of the Congo's Kamanyola Brigade commandeered a light plane to flee Kolwezi when he first heard the firing. He was charged with cowardice and executed last month for treason. There is still no exact count of the White dead because over 100 White prisoners were taken back to Angola by the guerrillas and have still not been released.

AP quoted one French survivor as stating of the "good blacks" in the Congo Army who were

supposed to protect the Whites: "They hate us. Even on the way to the planes for repatriation, they stripped some of us of our cameras and other belongings. One thing is certain: no White will ever return to Kolwezi without a permanent European military force there."

## Population Explosion

### Black Births Skyrocket

Last year there were some 520,000 negro babies born in America. Of this, 260,000 were illegitimate. Over 50% of all black births are out of wedlock. The figure for Whites was only 7%. This compares with 34% of all black births being illegitimate in 1969 to 5% for Whites.

Puerto Ricans are almost as high as negroes with 45.8% of all births being illegitimate. In the devastated South Bronx area this figure skyrockets to the unbelievable rate of 73.5% of all colored births! (A figure suppressed by the daily press!) The only answer is to return to FREE abortions for blacks funded by welfare. Whites pay for their own abortions at clinics all over the country so we have only our blacks to lose from such a program. The White abortion rate has remained just as high as it was before Medicaid was cut off. This means that Whites are willing to pay for abortions, but blacks are not. Thus we have no other choice but to support FREE abortions for all colored peoples.

## Would Stop All Trade With South Africa

### Vote This Traitor Out!

Congressman Paul Tsongas of Mass. has introduced a bill which would cut off all financial aid from the Export-Import Bank for any firm doing business with South Africa. Rep Tsongas says that such an act would begin a boycott of all trade with South Africa until that nation proved she was making "significant progress toward the elimination of apartheid (segregation)."

How about cutting off such aid to black nations which harbor Cuban and Soviet forces training black guerrillas to kill innocent men, women and children? What about the murder and terror that exists in EVERY black-ruled nation for the political opposition - why not cut off their trade? Blacks in South Africa have the

Rep. Paul Tsongas

highest standard of living of all blacks in the rest of Africa - WHY SHOULD THE WHITES BE PUNISHED WHEN THEY HAVE DONE SO MUCH FOR THE BLACKS? The time has come to kick out of office such nincompoops as Rep. Paul Tsongas!

# Young-Carter Policy Subverts Free World

By Dr. Edward R. Fields

## Races Developed Separately

Genetics Prof. R. Ruggles Gates tells us in his book, *Human Ancestry From the Genetic Point of View*, that:

*"The primary so-called races of living men have risen independently from different ancestral groups and species in different continents at different times."*

Some races developed a high intelligence, enabling them to build, create and discover. Other races died out with the dinosaur and some lower forms just barely managed to exist. This latter category describes the negro race and anyone who has been to the negro areas of the West Indies or Africa can testify to their atrocious poverty, disease and filth. This represents a growing threat to world health, according to a recent study by the U.N. World Health Organization. Diseases which we thought were almost wiped out, such as malaria and cholera, are making a swift comeback and they result from unsanitary living conditions which exist everywhere among the coloreds.

All students of the race question, when accosted by professors pushing the "race equality myth," should ask them why it is that the negroes have never been known to create anything throughout history — no inventions, no buildings, bridges, writings, not even a wheel or a plough. The White Race began as cavemen and advanced. In darkest Africa, the negroes still live in caves, mud huts, even in holes in the ground. Why have they yet to create a single civilization in the history of the world?

WASHINGTON, (JTA) — Rep. Joshua Eilberg (D. Pa.) has disclosed that the United States will grant entry to an additional 12,000 Soviet refugees, most of them Jews, many now waiting in Rome to come to this country. Eilberg, chairman of the House subcommittee on immigration, said the Justice and State Departments have consulted with him and other key Congressional leaders about the need for a parole to allow the Soviet immigrants to enter the U.S.

The Congressman said that the 5000 parole numbers he requested late last year for Soviet refugees have been exhausted. A backlog has started to develop again in Rome. Eilberg said that as of the beginning of May, the number of applications in Rome pending to come to this country was 1600. In addition, Soviet refugees are arriving in Rome in hope of coming here at the rate of 1200 per month.

### Specific Laws Urged

long favored ending the Attorney General's discretionary authority to admit refugees in this manner. This authority, he said, should be replaced with specific refugee legislation.

"But as in the case of the Indochinese refugees, the pressing humanitarian needs of the East European refugees mandate that they be paroled into the United States," Eilberg said. "We cannot wait for the legislative process to be completed to act on the several refugee crises we now face." Eilberg explained that eliminating the build-up in Rome is necessary to avoid giving the Soviet Union a reason to restrict future exit permits.

It is also necessary to avoid straining the hospitality extended by Italy as a temporary host country, he said. ## Buy Kodak Boycott Polaroid

Several months ago *The Thunderbolt* called for a total boycott of all Polaroid camera products after the firm's spokesman, Jew Peter Wensberg, announced that they would no longer do business with South Africa because of its policy of segregating the races.

Last month Kodak Corp. held its annual stockholders' convention and some 140 Protestant and Catholic orders spoke out against the White anti-Communist government of South Africa. They demanded a similar boycott by Kodak. Company officials opposed this move and votes representing 103,632,500 shares were cast in favor of continuing to do business with South Africa. Share votes calling for a boycott held by the churches and their supporters amounted to 5,225,223. Thus Kodak has our support and we urge you to continue to refuse to buy any Polaroid products.

We also think that the churches should sell their stock and get out of investing their profits in big business. Remember that the National Council of Churches supports communist guerrillas financially in Africa, who are daily murdering men, women and children. It is interesting to note that not one of these hypocritical

## Andrew Young — Carter's Real Voice

When Andrew Young stated that communist Cuba's take-over of Angola was good, in that it brought "stability" to that country, he echoed Pres. Carter's true feelings.

This has been shown true by Carter's sending Young's chief black aide, Donald McHenry, to Angola. Carter is trying to get South Africa to halt its aid to the UNITA, anti-communist guerrillas fighting against Angola. Carter is also offering economic aid to Angola and recognition of Castro's Cuba.

## Young Long-Time Communist

Some 9 years ago Dr. E.R. Fields, editor of *The Thunderbolt*, debated Andrew Young on a Chicago TV show. We talked about blacks committing over 90% of all crimes of violence in our major cities. Young then shocked the panel by stating that "the best of our black youths are languishing in the jails and prisons of America."

When asked if he meant rapists and murderers, he replied: "Yes, because they have the guts to stand up and fight against this oppressive society."

Years have passed since that TV program and Andrew Young's anti-White revolutionary views have not changed. That is why we were not surprised when Young shocked the world by stating: "In our prisons too there are hundreds, perhaps thousands of people I call political prisoners."

Andrew Young is a former member of some 20 Communist fronts. He keeps in his home 2 of the children of a Communist guerrilla who is leading the terrorists killing White men, women and children in Rhodesia.

We agree that Andrew Young is an enemy of America and should be fired. But it is Pres. Jimmy Carter who should be impeached because he is giving aid and comfort to the communist enemies of America.

American author of the best-selling book and movie *The Green Berets* is Robin Moore. He has a large home in Salisbury, Rhodesia, and he calls it the "American Embassy," since the U.S. does not have any formal relations with this great anti-communist country. Mr. Moore says there are some 300 Americans fighting in the Rhodesian army and they often meet in his home for drinks and talk. N.Y. Homo Mayor  
Favors Jews

New York City Mayor Ed Koch has named as deputy mayor for economic development Peter Solomon, 39, from the giant Jew banking firm of Lehman Brothers, Kuhn Loeb. He won the \$57,700 job over two Christians who were in line for the post. We wonder what the deciding factor in the homosexual Jew mayor's choice was.

On May 21 Mayor Koch nominated 11 New Yorkers to city judgeships. Six are Jews. Is this not discrimination against Christians, considering that Jews today make up 25% of the city's population, yet are given over 60% of the major high-paying political appointments???

### The Power of TV

Joseph Stalin stated that people could be "manipulated by verbal stimuli." Prof. Robert Tucker says Stalin believed that "of all monopolies enjoyed by the Soviet state, none is so crucial as its monopoly on the Russian radio."

Today in America television supersedes radio and all three TV networks are either outright owned or under the control of Zionist Jews. The Jew David Sarnoff family has controlling ownership over NBC. William Paley owns controlling interest in CBS and Leonard Goldenson heads ABC. Every time there is a major change in the hierarchy of the TV networks, it is always one Jew replacing another.

Recently it was announced that NBC had signed the Jew Henry Kissinger to a 5-year contract for \$1.5 million as an "adviser-consultant on foreign affairs." It seems that Henry will also do one news special annually. Easy work if you can get it, and it helps if you are a Jew who has worked for Israel.

## Anti-White Bias

### Church Quotas Stop White Ordination

The United Methodist Church has now established quotas for those annually-ordained. The quota has been set at 10% black. Boston A.P. on June 29 reported that a local minister's son was rejected for ordination because he was White, even though he had graduated from the seminary. Names of those involved were withheld from the press, but the

In an effort to find alternatives to abortions, the Carter Administration plans to endorse legislation that would provide government subsidies to families that adopt hard-to-place children.

## N.Y. Takes Pride In Gay Week

New York Mayor Edward Koch yesterday proclaimed this week as "Gay Pride Week." "Hundreds of thousands of homosexuals — lesbians and gay men — live and work in the city of New York," Koch said in his proclamation. "It is the public policy of the city to treat all its citizens alike."

### New Poll Shows Right-Wing Trend

University of Illinois completed a poll which indicates new trends to the right on the part of the White majority. (Minorities were included in the poll making the true White shift of even greater significance.)

Two years ago a majority were found to support ERA and now this new poll shows 60% against. Some 79% said they opposed busing for racial integration and 80% favor students having to pass a test of basic skills before going on to the next grade in school. Another 58% were against giving special rights to homosexuals. (Since Jews and negroes favor such legislation, the White people's view would be much higher in this poll if the minorities were left out.)

father appealed the ordination committee's decision to the church's Southern New England Conference. He wanted his son to take his place in the church upon his retirement because the young man was well-known and liked by the congregation. This appeal was overwhelmingly voted down by the conference. In other words, White self-hate is firmly embedded within the hierarchy of the United Methodist Church.

Health, Education and Welfare Secretary Joseph A. Califano Jr. said the subsidies, which would amount to several thousand dollars

a year to each family as long as their adopted child was dependent, would be part of the Administration's effort to find alternatives to abortion.

Califano said he believed that

## Churchill Said Jews Control Both Zionism and Communism

On this page we publish one of the most important articles ever to appear explaining the conflict which is today taking place in Russia between communist and Zionist Jews. What is even more significant is that this article appeared in the *London Sunday Herald* on February 8, 1920. Today we are still reeling from the international aspects of that struggle between the two factions of Marxist Jews which affects the entire world down through this day.

At this time Winston Churchill was a military leader and it would be many years before he was to become Prime Minister. In these early days he had the correct understanding of the Jewish nature of both Zionism and Communism.

Churchill said: "there are three main lines of political conceptions among Jews."

He says they are the "International Jews," "The Terrorist Jews," and "The Zionist Jews."

### The International Jews

Under the category of "The International Jews," Churchill says that "they are adherents of this sinister confederacy...for the overthrow of civilization."

He then names the leading communist Jews of his time who were at work undermining Democracy and seeking the overthrow of existing governments for the establishment of the Communist slave state. Churchill says the Jews have "gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire."

### The Terrorist Jews

Churchill said that "Atheistical Jews...created Bolshevism and brought about the Russian Revolution." He says that outside Lenin, all the main leaders of the Communist overthrow of the Christian Czars were Jews. (It should be noted that famed historian Robert Payne says that Lenin was a half Jew and it is a well-known fact that his common-law wife was a Jewess.) Churchill states that Jews played a "principal part" in the "terrorism" and extermination of those who opposed communism. He adds that "the part played by the (Jews) in proportion to their numbers in the population is astonishing."

### The Zionist Jews

Winston Churchill supported the idea of Palestine as a future Zionist state for the "wandering and restless" Jew to migrate to. He never foresaw their brutality toward the Palestinian people who would eventually be driven from their homes by terroristic mass murders, just as the communist Jews drove hundreds of thousands of Christian Kulak farmers off their land in Russia, with many farmers dying in the process.

Churchill said that "Zionist has already become a factor in the political convulsions of Russia, as a powerful competing influence in Bolshevik circles." He called it highly "significant...the fury which (Jew) Trotsky (head of the Red Army) has attacked the Zionists...the struggle between the Zionist and Bolshevik Jews is little less than a struggle for the soul of the Jewish people."

### Struggle Between Jews Continues

This struggle between the Zionist and Communist Jews continues from Churchill's writing of Feb 8, 1920 right down through the summer of 1978. Most important of all, it must be stressed that both sides still believe in Marxism and the deprivation of all Gentiles of their civil rights, liberties and freedoms. What the Jews have done to the Arab people in Palestine is a carbon copy of what the Communist Jews have done to the Christian Russian people. Both Communism and Zionism are alien and un-American ideologies. It should be noted that the vast majority of Russian Jews support communism, as other articles in this issue prove. At the very same time, dissident Jews promoting Zionism are being suppressed so that they do not undermine the Soviet regime's mass support by the majority of Jews in Russia.

America is on the side of the Zionist Jews and this nation alone is responsible for the financial support of Israel which costs the U.S. taxpayer some \$2 billion each year. We are told that by supporting Israel we are helping in the fight against communism. Nothing could be further from the truth. America should stop sending aid to Russia and Israel. This would make both of these countries less belligerent in their attitude toward peace and their recognition of the rights of others.

## New Hollywood "Docudrama"

Zionist to Make Film  
Justifying Begin's  
Atrocities

Israel's Prime Minister Begin wrote a book in 1951 bragging about how he used murder and terror to drive the Palestinians from their ancient homeland. The Jews planned to become a majority and rule over the captive Holy Land.

Now Jew-dominated Hollywood is making a propaganda film from Begin's book. The murderous acts of Begin's terrorists will be deleted and he will be made to look like some sort of hero. The so-called highlight of Menachem Begin's career was the bombing of the King David Hotel in which some 64 British soldiers and civilians were killed and many others injured. A reward totalling \$40,000 was posted on Begin's head for his arrest for murder.

The most brutal atrocity of all came on April 10, 1948 at the sleepy Arab village of Deir Yassin. Begin's "Irgun" guerrillas seized the town's population of 254 men, women and children and shot them down in cold blood. Then they dynamited their homes and the entire town.

Gleefully Begin wrote in his book that the massacre at Deir Yassin had propelled the Palestinian people into flight. He wrote: "This mad flight soon developed into a maddened, uncontrollable stampede. Of the about 800,000 Arabs who lived in the present territory of the State of Israel, only some 165,000 are still there."

It will be very interesting to see how the Hollywood Jews cover up this outrage against humanity. One who fled and still remembers the massacre recently wrote to the *New York Daily News*. He is Abu Muhammad and his family still lives in a tent at a U.N. refugee camp in the desert. He wrote: "At first, a few families left, and then everybody started to go. We have been betrayed and killed and robbed. For 30 years, I have not seen my farm. I am now an old man. But someday my children will be home in Palestinian. And their children too. Even if I have to live to be 200 years old, I will also see Palestine. I will never lose hope."

And still Begin and the Zionist twist and turn to avoid a peace treaty. What a mockery of their cry of being a "poor persecuted minority!" The treatment suffered by the more than 1 million Palestinians expelled for over 30 years betrays the true face of Zionism as a despotic, repressive, evil political force.

one of the main reasons the children in foster homes had not been adopted was that families could not afford their high cost of medical treatment, special education and rehabilitation.

Ina George of the North American Center for Adoption told JET, "There are one-third of a million children living in foster homes and institutions,

# Trials of Jews in Russia a Family Feud

## Struggle Between Zionist Jews and Communist Jews

Russia was taken over by the Communists almost 60 years ago. Since that time there have been thousands of trials of Christians and millions of Christians have been slaughtered by the Soviets. During this entire period, U.S. aid has flooded into Russia, beginning with Herbert Hoover's massive food shipments to alleviate famine during the 1920's, to Roosevelt's gigantic foreign aid for Russia down to Carter's grain and technology now being given to the communists.

For the very first time in history leaders of both the Democratic and Republican parties are talking about cutting off aid for Russia. Senators Henry Jackson, Bob Dole and Howard Baker are all saying that this should be done — **BECAUSE TWO JEWS HAVE BEEN PUT ON TRIAL FOR TREASON!**

Pres. Carter even went so far as to say that the trials of Zionist Jews Anatoly Shcharansky and Aleksandr Ginsburg represent an attack "against every human being in the entire world." The press has built up the two trials into an international event. Why has such a fervor never been created by the world press over the plight of thousands of Christians who have been persecuted on the most massive scale in history?

## Russia's Leader Has Jew Family

### Zionist Jews and Communist Jews

Premier Brezhnev is married to a Jewess and his three children have been raised as Jews. There are 4 Jews on the Politburo and the Number Three man under Kosygin in line for the Premiership of Russia is the Jew Dymshits. The Jews sitting on the small clique which rules Russia are M.S. Solomentsev, Viktor V. Grishin (he serves as Mayor of Moscow — a city of 400,000 Jews which is called Russia's New York) and Kirill T. Mazurov, a deputy under Kosygin. Mazurov is also in line for the job of Prime Minister. The head of the Soviet Secret Police is the Jew Yuri V. Andropov.

Here we have four of the most powerful men in the ruling Politburo who are Jews, with Premier Brezhnev bragging about having a Jewish wife and three Jewish children. Then why is all this highly-publicized fighting going on in Russia between Zionist Jews and Communist Jews? Is this something new or is it a fight which has continued since the Bolsheviks under the Jew Leon Trotsky overthrew the Czar at the end of World War I?

### Here is the Answer

Study closely this article reproduced on this page from the *London Sunday Herald* of Feb. 1920 and written by Winston S.

Churchill. This clearly shows that there are two distinct groups of Jews in the world fighting for world domination. This is nothing new and represents a struggle

which has raged on since the beginning of this century. The Churchill article is an eye-opener which should be read by every American. Then they will be able to understand today's news and

know the truth about what is really going on in Russia today. This is nothing more than a family feud between two sets of Marxists and they are the Jew Communists and the Jew Zionists.

## ZIONISM versus BOLSHEVISM. A STRUGGLE FOR THE SOUL OF THE JEWISH PEOPLE.

By the Rt. Hon. WINSTON S. CHURCHILL.

Some people like Jews and some do not; but no thoughtful man can doubt the fact that they are beyond all question the most formidable and the most remarkable race which has ever appeared in the world...

At the present fateful period there are three main lines of political conception among the Jews...

### International Jews

In violent opposition to all this speher of Jewish effort rise the schemes of the International Jews. The adherents of this sinister confederacy are mostly men reared up among the unhappy populations of countries where Jews are persecuted on account of their race. This movement among the Jews is not new. From the days of Spartacus-Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this world-wide conspiracy for the overthrow of civilisation and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster, has so ably shown, a definitely recognisable part in the tragedy of the French Revolution. It has been the main-spring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire.

### Terrorist Jews

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and for the most part atheistical Jews. It is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus Tchitcherin, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd), or of Krassin or Radek - all Jews. In the Soviet institutions the predominance of Jews is even more astonishing. And the prominent, if not indeed the principal, part of the system of terrorism applied by the Extraordinary Commissions for Combating Counter-Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the

Mr. Churchill inspecting his old regiment, the 4th Hussars, at Aldershot last week.

brief period of terror during which Bela Kun ruled Hungary. The same phenomenon has been presented in Germany (especially in Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played by the latter in proportion to their numbers in the population is astonishing.

The fact that in many cases Jewish interests and Jewish places of worship are excepted by the Bolsheviks from their universal hostility has tended more and more to associate the Jewish race in Russia with the villainies which are now being perpetrated.

### Zionist Jews

Zionism has already become a factor in the political convulsions in Russia, as a powerful competing influence in Bolshevik circles with the international communistic system. Nothing could be more significant than the fury with which Trotsky has attacked the Zionists generally, and Dr. Weissmann in particular. The cruel penetration of his mind leaves him in no doubt that his schemes of a world-wide communistic State under Jewish domination are directly thwarted and hindered by this new ideal. The struggle which is now beginning between the Zionist and Bolshevik Jews is little less than a struggle for the soul of the Jewish people.

LEONID BREZHNEV AND WIFE VIKTORIA

Q. Leonid Brezhnev, head of the Soviet Union—is it not a fact that he and his wife, Viktoria, and their three children, Galina, Yuri, and Mikhail, are all Jewish?—F.L., Rockville Centre, N.Y.

A. The Soviet government issues no biographies of its leaders, so Brezhnev's religious antecedents are not known. Unofficial sources, however, have long held that Viktoria Brezhnev, 70, was born to wealthy Jewish parents. She met Brezhnev when they were students at the Dneprodzerzhinsk Metallurgical Institute and abandoned her career as a metallurgist after marrying him. They have three children. Galina, 45, is a cutup whose first husband was an animal trainer in the Moscow Circus; after a spell with Maris Liepa, a well-known Latvian dancer, she married an economist. The two Brezhnev sons, Yuri, 43, and Mikhail, 40, are respectively Soviet Deputy Minister of Foreign Trade and a journalist. The Brezhnev children, like their parents, pursue the Communist line,

## Prime Minister Of Israel Menachem Begin Speaks

Perhaps the strangest exchange on the ideals of Zionism took place almost four decades ago in an NKVD interrogation cell. With a Jewish interpreter on hand to translate my remarks into Russian, I was asked to describe the program of the Betar organization which I had headed in Poland before the war.

The interpreter asked and received permission from the interrogating officer to reply to my question and proceeded to lecture to me in Russian:

They brought up the program of a Jewish state, or a national home, or whatever you call it, in order to draw Jews, especially Jewish youth, from the ranks of the Revolution. It is self-understood that Zionism in our day is also a tool of British imperialism for it supplies the British with an excuse for suppressing the Arab masses. But it mainly serves the international bourgeois by turning Jews, including fine youth, towards slogans of deception and premeditatedly weakens the forces of the Revolution. It may be said that in essence Zionism is only a comedy, but its results are tragic."

## One Church Fights Back

### Bob Jones University Greenville, South Carolina

Mr. O. Jack Taylor, Jr.  
Leatherwood, Walker, Todd & Mann  
Attorneys at Law  
P. O. Box 2248  
Greenville, South Carolina 29602

Dear Jack:

Upon authorization by the Bob Jones University Board of Trustees, this letter is being sent to serve notice that the University's admission policies will be modified to conform to the new law requiring private schools to adopt non-discriminatory admission policies. Heretofore, this institution and other private schools have been permitted by law to discriminate provided the school did not receive any federal funds. We believe the new law to be ridiculous, unconstitutional, discriminatory, and a declaration of war against the right of the individual to maintain freedom of association. This institution's Bible-based convictions are against interracial dating and marriage. Until now, our admissions policies precluding the acceptance of single blacks into the student body have been designed to protect that conviction at the first line of defense. If we are forbidden by law from being able to do that any longer, we have no choice but to adopt a policy that is racially neutral. We will protect our conviction by expelling any student of any race who seeks to date outside of his own race. We will not operate Bob Jones University contrary to our Bible convictions. Our conviction has never been against admitting Negroes; it has been against interracial dating and marriage. Our refusal to admit single blacks has been the best way we knew to protect that conviction. Now we will be forced to protect it by expelling those who refuse to abide by the restriction.

We are indignant over the court's action; but as Christians, we are compelled by the Lord Jesus Christ to "render unto Caesar the things that are Caesar's" unless in doing so we cannot "render unto God the things that are God's." We can admit single blacks in order to render unto Caesar that which is his; we cannot let them date outside their own race and render to God the things that are God's; and we will not do so. Our admission policies are being changed only because we are being driven to it by a belligerent, tyrannical, and foolish court decision.

(Legal statement of modified admissions policy follows in the original, but is omitted for lithograph because it merely reflects the policies outlined above. -- LGK)

Sincerely yours,

Bob Jones, III  
President

### Christian College Bans Interracial Dating

Bob Jones University, located in Greenville, S.C., is a large Christian institution which has always followed undeniably clear Biblical words which forbid interracial marriage. This is taught to students at Bob Jones University. For many years there were no blacks at the institution. It was written into their by-laws that only married blacks could attend the University and almost none ever did because they know of the school's teachings against race-mixing.

Then came the Supreme Court's unbelievable ruling that even private schools, which have no tax aid at all, cannot keep out any black who wants to enroll. That was the High Tribunal's order which prompted the legal statement issued by Bob Jones III which is reproduced on this page. Note that he states they will not surrender the true commands of God against race-mixing.

Bob Jones says that blacks may now be admitted because of the court order, but they will be expelled if they dare to ask a White girl for a date. Despite the Supreme Court and all the race-mixers in the land, Bob Jones is determined to protect his White Christian students and is going to continue to uphold the laws of God against interracial dating and interracial marriage. Note that Bob Jones says the Supreme Court is "belligerent, tyrannical and foolish."

Yes, there are schools and churches which still preach the SEPARATION OF THE RACES. Someday these will be the only kind of institutions existing in America because it is God's word that the race-mixers be cast out.

Wheaton College in Wheaton, Ill. sent us their Alumni Bulletin for October. In its pages is a report on two Wheaton graduates who just got married. There before our very eyes, at this church-supported college, they boast of the marriage of a black girl, Carlene Ellis, to a White boy, Chris Ellerman.

The wedding was performed by an Asiatic Lutheran minister, Prof. Ka Tong Gaw, who once taught at Wheaton. It states that the brainwashed Ellerman boy will teach in the Wheaton Youth Outreach Program. In other words, he will work to pollute the minds of more young people in order to spread the disease of race mixing.

CARLENE ELLIS '77 married CHRIS ELLERMAN '77 on Sept. 4, 1976, at St. John's Lutheran Church in Wheaton. The ceremony was performed by former Wheaton professor Ka Tong Gaw.

The couple now lives in Wheaton while Chris is working in the Wheaton Youth Outreach Program.

## Interracial Couple Give Concert at Seventh-Day Adventist Sacred Vespers Service

CALVIN AND PAT TAYLOR

A sacred vespers concert will be presented by Calvin and Pat Taylor in the main sanctuary of the Glendale City Seventh-day Adventist Church, 610 E. California St., at 6 p.m. Saturday, Aug. 20.

Taylor is a pianist and organist trained at Oberlin College and the University of Michigan.

Mrs. Taylor, soprano, won a scholarship to Oberlin, where she received the Bezazian Musical Performance Scholarship Award, based on audition and scholastic achievement.

Mrs. Taylor regularly sings the songs of Ken Medema, Rob Harris, and Andrae Crouch. She says her desire is to make the message of God's love, forgiveness, and salvation foremost in her songs.

After Taylor served as organist for the Billy Graham Asheville Crusade, Cliff Barrows, Graham music director, wrote, "It would be impossible to express in words our appreciation for your ministry with us during these days in Asheville. It has just been great to have you, and I personally have appreciated the marvelous gift God has given you as a musician."

## Unbelievable — But True

### Seventh-Day Adventists Fanatical Race-Mixers

Here is a beautiful young girl named Pat, who is married to a black organist named Taylor. They travel all over the nation performing in Seventh-Day Adventist Churches. The Seventh-Day Adventist Church is as anti-Christian and pro-interracial marriage as the Unitarian Church. The article urging people to come and hear this interracial couple and the ghastly photo appeared on the religious page of the Glendale News-Press in Glendale, California.

Note that they have a high endorsement from Cliff Barrows of the Billy Graham Crusade. Thus this so-called evangelistic team carrying "the message of God's love" is in truth spreading the word of racial intermarriage. Their joint appearance simply encourages youthful followers to want to imitate them and that means marrying a colored person. This furthers the destruction of God's truly "chosen" White European Race on earth. It should be noted that this couple met and married at the "Christian" Oberlin College.

We urge all our supporters to join with us in a truly White Christian Crusade to help us expose and stop the spread of the satanic destruction of the White Race through mixed marriages.

Mr. & Mrs. David Phillips

Miss Debra Kay McCoy and David Phillips were married in a candlelight ceremony at 7 p.m., Saturday, Nov. 27. The Rev. Noel Spencer read the double ring service in Trinity United Methodist Church here.

The bridegroom is a student at Owensboro Technical College and is employed at Brescia College and at the Louisville Department Store.

### Interracial Marriage On Society Pages

For the first time in the history of our country we are beginning to see disgraceful photos of mixed marriages on the society pages of our daily press. On this page is a photo of a mixed couple "proudly advertised" in the Rockport, Ky. daily press. This wedding took place in the bride's Trinity United Methodist Church in Rockport, Ky. A decadent minister, "Rev." Noel Spencer, did the evil deed which was fully publicized in the local newspaper.

The mentally sick White bride was Miss Debra Kay McCoy, daughter of Charles McCoy, who was present to give his own flesh and blood to the African jungle beast. It was indeed a union of "Beauty and the Beast," which rightfully should have been performed in one of those Satanist churches and not in a Christian Church. The entire Holy Bible over and over again commands that one should mate strictly with one's own kind. The negro groom is David Phillips of Owensboro, Ky., where they live on West 7th Street.

# to Join in Interracial Marriage

## Bible Damns Mixed Marriages

### Bible Quotes Condemning Interracial Marriage

Why is it that today's modern minister does not hold up the Holy Bible and preach the law of God which over and over again condemns mixed marriage? Instead they preach sociology and the myth of racial equality which does not even exist in the Holy Bible!

We urge sincere Christians to study Christian Identity literature so they will understand that the Holy Bible is a message intended for the White people, who are the only true followers of Christ and therefore the inheritors of the promises made to Abraham.

**Prophet Isaiah** (Isa. 2:6) denounces intermarriage and the resulting "strange" children born from such unions.

**Moses** warned God's people (Deut. 14:2) that they are "peculiar" (different) and "set apart" from other peoples.

**Genesis 25:21-23** states that, "two nations are they in the womb, and two manner of people shall be separated...and one people shall be stronger." Here is a clear reference to the White and colored races. Whites are still today mainly "separated" from the coloreds and certainly are the "stronger" of the races.

**Genesis 25: 34-35** tells us that Isaac and Rebekah had two sons, Jacob and Esau. Esau was cursed for marrying two Hittite women and caused his parents "a grief of mind." Then Isaac charged his last remaining son, Jacob: "Thou shalt not take a wife of the daughters of Canaan." Then in Gen. 27:46 we find that Rebekah was distraught because she feared that: "If Jacob take(s) a wife of the daughters of Heth...what good shall my life do me?"

Today any parent who has a child who enters into an interracial marriage has lived for naught. Their seed is dead for all time to come. It would have been far better of this offspring had never been born because they have defiled their seed.

**Deuteronomy 32:7,8,9** states in part: "When the Most High divided to the nations their inheritance, when he separate the sons of Adam, he set the bounds of the people."

Separation of the races is commanded and intermarriage forbidden. Here is more:

**Verse 53** of I Kings 8 reads: "For thou didst separate them from among all the people of the earth, to be thine inheritance."

**Ezra 9:5, verse 12:** "Now therefore give not your daughters unto their sons, neither take their daughters unto your sons..."

**Deut. 7:3:** "Neither shall thou make marriages with them." (other races)

**II Cor. 6:14-18:** "...and be ye separate, saith the Lord, and touch not the unclean thing...and ye shall be my sons and daughters."

Over and over the Holy Bible tells the followers of God to keep their seed SEPARATE from other peoples' and condemns those who intermarry. These are very easy to understand statements which do not require any interpretation. Why are they not taught in all the churches in the land which proclaim themselves to be "Christian." The time has come for us to tell our ministers to get back to the Bible and instruct their flocks to protect and preserve God's truly chosen race of White Christian people.

Mr. and Mrs. Ron Garcia

California Southern Baptist Bulletin actually bragged about setting up this mixed marriage of a common-law couple to "save" them from sin.

### Sen. Percy For Mixed Couples

It is unfortunate, but a fact of life that many young people go to "singles bars" to meet members of the opposite sex. Blacks often hang around such places to prey on young White girls who are along without a White male companion. Many such "clubs" try and keep blacks out by turning them away at the door for their dress or other reasons:

The Chicago Reporter said that such dance bars have "subtle" ways to discourage blacks from entering. Sen. Charles Percy was in such a place, according to the press, and "hit the ceiling" when two young black men were turned away at the door. He told the management that he would report them to Chicago's Race Relations Commission. This Senator needs to be retired because he apparently is beyond redemption.

### Churches Promote Interracial Marriage

Just a few years ago most Christian Churches in America were preaching the words of the Holy Bible which condemn interracial marriage. Now there has been a revolution in our Christian seminaries and what we see is a new breed of ministers who rarely preach anything out of the Bible. They only talk about social, economic and personal problems.

The paramount doctrine integrationist ministers now preach is

that of RACIAL EQUALITY. They maintain the Marxist line that the White Race is inherently evil and that we have oppressed all the colored races of the world. (The truth is that we are the race which has time and time again saved much of Africa and Asia from starving to death.) Still, the modern minister rants on and on about the evils of the White Race and clearly implies that if there were but one mixed race left in the world, this would be a better place for all of us to live. In other words, the "evil White Race" ought to be bred out of existence.

### California Baptists Promote Race-Mixing

They call themselves "Southern Baptists," but they are at the opposite end of the religious pole from the thinking of most Southern Baptists today. In Southern California, *The California Southern Baptist Bulletin* carries such articles as the one announcing that 1,000 young people are expected to attend their "Multi-Racial Christian Fellowship." It is a dastardly affront to call such an event "Christian" when their intent is to bring together impressionable young White and black youths - the intended result has to be mixed marriage.

On the same page is an article about "Black History Week" being celebrated at the California Baptist College in Riverside, Calif. Believe it or not, the theme was that "standing with the negro is now in style!" But what has this to do with Christianity? Why does one have to stand with the negro to be a Christian? Interestingly enough, the negro preacher, William Dillard, stated that "will we march to the drum of conformity or will we march to the distant drum of change?"

These must be the drums of the pan-African communist revolution which they are seeking to import into America. Interracial marriage kills the White Race just as surely as did the black guerrillas who wielded the machetes and machine guns which slaughtered nearly 300 Whites at Kolwezi in the Congo last month. Once the White seed is mated with the black seed, that White racial strain is dead for all time to come. This kills a White family line which existed on this earth since the beginning of time. Now the descendants of that union will instantly retrogress back into the jungle for all future generations to come. Never forget that blacks can breed blacks out of our people, but we can never breed Whites out of blacks.

In this same issue of the *California Southern Baptist Bulletin* is the photo of another interracial marriage between a White girl and a neogridal Puerto Rican. The article actually states that this couple had been living together for 12 years and that he was a habitual drunkard. Now this couple has been "converted" to the Southern Baptist, which encourages them to leave sin and get married in their church! The truth is that the church committed the most heinous sin of all by destroying God's own creation - THE WHITE RACE! The church condoned the marriage of a White with a colored, which is by far the greatest sin in the world!

### Interracial Marriages Threaten White Civilization

Every White nation in the history of the world in which the White Race mixed its seed with backward races of Africa lost its civilization. The examples range from Egypt, India, Haiti, North Africa to most of South America. Just a few years ago it was a shock to see an interracial couple on the street. Today they can be seen throughout the nation and it is like an insidious plague which could destroy this nation.

**Ebony** magazine states that there are over 150,000 Whites married to blacks in America. This does not count the even higher number of Whites married to Asian and brown mixed races. The figure is growing, but no exact study has been made be-

cause the race-mixers want this problem to sneak up and engulf the White Race before an awakened White majority can arise and stop it.

**Jet** magazine of Feb 9, 1978 states that Hawaii has more interracial couples than any other state in the union. Of course, this is a perfect example of the melting pot theory in which all races merge into one. This still leaves the darkest races intact, but the Whites totally disappear.

The March, 1978 issue of *Ebony* carries a survey of interracial couples. They quote Miss Louisa M. Jones of Milwaukee, Wisc. as stating: "I have been dating a Whiteman for the past three years. Milwaukee, not Minneapolis is the interracial capital of America. We have Minneapo-

lis beat 10 to 1. Yet Milwaukee is a redneck town. There you have half the White males seeking sex with black women and the other half totally against it."

Mixed couples have been attacked on the streets of Milwaukee by tough young White workers.

Negro women admit that they use sex like a prostitute to attract those foolish Whitemen who are enticed into entering such a perverted and forbidden relationship. It is said that such niggers always ask the male to pay their rent as a starter. *Ebony* quotes Miss Michelle Dozier of East Orange, N.J., who is a mulatto from a mixed marriage. She says that she considers herself black (negro genes dominate over White genes and the off-

spring always favor the black parent.) Still Miss Dozier says that she hopes to marry a White and is happy that interracial marriage is no longer taboo.

Richard Kelly of Englewood, N.J. is a sick White who says he has been dating a black girl for three years. He says that young people accept them for the most part, but "parents are old-fashioned and that is their problem. Race prejudice is rapidly dying out. Love will win over prejudice, which is a hold-over from the dark ages."

The truth is that the dark ages will return quickly if interracial marriage is allowed to set in. It is vital that Whites unite to keep the White race intact. Remember

that we are the smallest minority in the world - down to about 5% of the world's population. That is the tiny number which makes the difference between the rest of the world joining darkest Africa with its voodoo, torture, decadence and permanent state of lethargy. The very future of the civilized world depends on whether or not what is left of White Racial pride, White history, White culture and White leadership can awaken our people to resist at all costs interracial relationships. No action you can take to discourage interracial couples from polluting the bloodstream of the White Race is too strong. They must be ostracized, spat upon, and whenever possible driven from public sight and forced to hide in the sewers where they truly belong.

# Negro Politicians in Trouble

## Corrupt Black Politicians

Crooked politicians have made the front page recently and some Whites had their names besmirched for accepting financial gifts. But their numbers are minute in proportion to the vast number of blacks who blackmail, steal money outright and demand kickbacks while holding public office. Right now - today - the biggest names on the negro political scene are facing investigations and criminal trials. Here are their records:

### Massachusetts Sen. Brooke

Sen. Edward Brooke is facing an investigation for perjury for lying about his financial worth during his divorce case. He claims he "mis-spoke" when he testified under oath. Brooke claimed his two quadroon (mulatto) daughters as dependents over a four-year period. They say he gave them no money at all. Brooke said his island home in the French West Indies was worth \$46,000 when it actually had a value of \$350,000.

Brooke is also being investigated by the Senate for failure to list his stock in the Black Enterprises Magazine Corp. Brooke is also an unlisted partner in a valuable 30-acre tract in a Caribbean land corporation. The head of this firm is the Jew, Norman Cohen of Toronto, Canada. Brooke said that Cohen paid for his share, which means that Brooke owes Cohen favors! Sen. Edward Brooke is the first black to serve in the U.S. Senate since the Civil War, and he may be the last. He faces strong opposition in his reelection bid this fall.

### Alabama's Black Sheriff

A movie was made about Lucius D. Amerson, who became the first black sheriff in the South since Reconstruction. He was elected sheriff by a black majority in Macon County, Alabama in 1966. Amerson, 43, has been indicted for "swindling the county" out of gasoline money, allowing a prisoner friend to escape, and for allowing law enforcement to collapse in Macon County. The Grand Jury charged that their county had more unsolved murders and major crimes than any similar-sized county in the entire nation. All this started since negroes have been in charge of law enforcement.

### Michigan's Rep. Diggs Indicted

Detroit's Congressman Charles Diggs, 54, has been indicted on 35 counts of defrauding the government. Diggs inherited a lucrative chain of negro funeral homes, an insurance firm, ambulance services, florist and real estate businesses from his father. He has long lived in the style of a wealthy playboy. He failed to look after his affairs and most of his firms have collapsed except for the funeral business.

Diggs found an easy way to make far more than his \$57,500 annual salary plus travel expenses. First he put his public relations firm head, Olfield Dukes, on his office payroll at \$21,000 a year. Diggs billed Congress \$20,000 for the salary of Hallison Young, who spends all of his time running Diggs' funeral home. Diggs' personal accountant, George G. Johnson, went on the payroll at \$19,000 a year. Diggs also made those who actually work in his office kick back part of their salaries to him for his personal expenses.

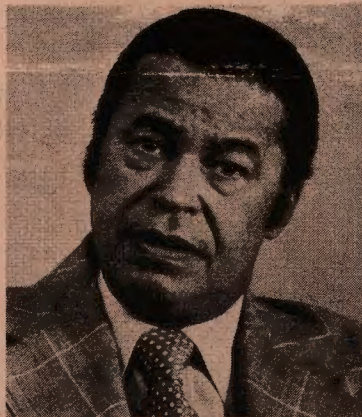

Ever since Diggs took office, he has spent at least 2 months out of each year in Europe, Africa or Asia on your taxes for phony "fact-finding tours." One Congressman said: "Diggs can't decide whether he's a Congressman or a roving ambassador."

Diggs has sought to have Pres. Carter bail him out of his problems by reminding him that he named his infant daughter "Cindy Carter Diggs" after the president.

Diggs has also taken out personal loans from financial institutions and failed to repay them. He thought they would not push for collection because such firms would not want "bad publicity" in the black press. He has been sued for \$5,400 he failed to repay to ITT Industrial Credit and for \$10,000 he owes the Woodward and Lothrop Corp. Rep. Diggs says this is all a big "frame-up" and has called on the Congressional Black Caucus to rescue him. The caucus launched a nationwide drive to raise \$50,000 to defend Diggs. Of course, it will be most difficult to get a black jury in either Washington or Detroit to convict one of their own kind.

### Mayor of Washington in Trouble

Negroes want the city of Washington, D.C. to be made into a state so that they will have two black Senators and up to 3 black Congressmen. But crime and corruption is spoiling their attempt to be our first city-state. Mayor Walter Washington of Washington, D.C. gave his aid, Joseph P. Yeldell, the authority to lease buildings for the city and bypass the city's General Accounting Department. Yeldell got a low-interest \$33,000 personal loan immediately after he leased a building from Dominic Antonelli, Jr., a millionaire who receives a salary to head the Washington Department of Human Resources. Antonelli was an owner of the Madison National Bank, which made the loan to Yeldell. Charges are pending against others involved.

Sen. Edward Brooke, investigated for perjury and secret land trusts.

Congressman Charles Diggs, indicted for kickbacks and fraud.

Alabama negro Mayor Cooper, indicted in kickback scheme.

Ex-Cleveland Mayor Carl Stokes sued for misuse of city funds, here with girlfriend Lisa Simola. Stokes was given a job by NBC-TV as a newsmen in New York.

### Right-Wing Trend?

Chicago's Jew columnist Irv Kupcinet writes that "the defeat of Sen. Clifford Case, a liberal Republican from New Jersey, and the repeal of gay rights laws in various cities and the victory of Proposition 13 all point to a new right-wing trend in America." For once we think that "Kup" is right.

### Negro Alabama Mayor Arrested

Negro Mayor A.J. Cooper was the first black ever elected mayor of Prichard, Alabama. He has been indicted for taking a \$5,581 kickback from the Harris Company, which has a contract to do drainage work for the city. Cooper is president of the National Conference of Black Mayors, of which 71 negro-ruled cities in Alabama are members. The Conference Executive Committee issued a statement expressing "a sense of outrage" over the indictment of their President Cooper.

### Black Illinois Police Force Fired

Robbins, Ill. is a negro suburb on the Southside of Chicago. It has a negro police chief and a 15-man negro police force. The city has fired Chief Percy Coleman and his entire force. The city attorney charged that the police had engaged in armed robbery, burglary, car theft, narcotics, stolen bond money and that three of the policemen didn't even have drivers' licenses. Citizens had been the victims of police assaults and shakedowns and thefts. The city had only last year received \$1.5 million in federal aid to upgrade the police department, and much of the money had already been squandered.

This is not the first time Robbins, Ill. had experienced such problems. In 1970 the black chief and his entire force had to be fired after two innocent people were shot dead by negro police. Robbins, Ill. is a carbon copy of how most cities are run in black African nations. This is a perfect example of what happens when jungle rule takes over a once-civilized White city.

### Negro Corruption News Notes

Georgia's negro-run Hancock County's Commissioner Johnny Warren served only 45 days after a perjury conviction about money he and the late negro kingpin John McCown had paid for a building in Sparta, Ga. He was immediately given a new job by the negro-run county government at \$12,000 per year as a "county planner."

Cleveland, Ohio's ex-Mayor Carl Stokes was sued for \$8.8 million by Whites injured in a riot that Stokes helped instigate. He used \$10,000 out of a federally-financed social program to purchase guns which were then given to Black Panther revolutionaries.

Chicago, Ill. still has not forgotten their negro city treasurer, Joseph Bertrand, who took out a \$400,000 personal loan from the National Boulevard Bank, which held \$5 million in city deposits. He was a former basketball star and Democratic committeeman. He was indicted, but little was ever recovered.

Pittsburgh, Pa. Manpower Department has misspent some \$3 million in federal grants. One man charged was Regis Bobonis, who was hired to "improve Manpower's image." He got \$10,000, but performed no useful services. The head of the program, negro Robert Hawkins, was fired from his \$24,000 a year job for writing huge checks to friends in advance of their work, which was never performed.

New York City Councilman, negro Samuel D. Wright, one of the most powerful negro politicians in the city, was indicted on charges of extorting \$5,000 from the Behavioral Research Corporation, which had a \$260,000 contract with local schools.

HEW says it will have to cut off aid to 9 negro colleges because they have misused tens of thousands of dollars. The average black college receives some \$590,000 of your tax dollars annually. Those accused include Bishop College in Dallas, Shaw University in Raleigh, N.C. and seven others. The United Negro College Fund charged that this was a biased decision. Why is it that negroes always rally behind their own obviously-guilty leaders and cry that they are victims of racial discrimination every time they are caught with their hands in the public till?

### King Film a Big Flop

NBC-TV's recent "documentary" biography of Martin Luther King was a failure, according to Gary Deeb, Chicago TV critic. He wrote:

"White viewers by the tens of millions ignored NBC's King show, while black viewers watched the three-part movie in huge numbers. The Nielsen survey depicts a de facto boycott by many Whites as the prime factor behind the program's surprisingly small audience. The survey says that 66% of the nation's non-White homes watched 'King,' while less than 10% of the White households bothered to turn in."

gone. As for the King Assassination Committee in Washington wasting \$5 million investigating his demise, most agree it is money down the drain. Actually, the committee is acting like a "House Un-American Activities Committee" except they have only harassed the Right Wing. Thus far, this editor (Dr. Fields) and J.B. Stoner, along with hundreds of other Patriots have been subpoenaed to Washington about the King case. Still, no deep dark conspiracy has been uncovered, but it has still cost the taxpayers \$5 million!

Of course, the truth is that

# Carter Against Deporting Colored Aliens

This White Family Is Deported

Mr. & Mrs. VanDer Aart and their four children have been ordered deported back to Holland. White Immigrants Kicked Out of U.S.

Holland sent us this wonderful family. They are Mr. and Mrs. Frans VanDer Aart and their four daughters. They are, from left, Merel, 13; Mieke, 15; Manon, 4; and Mariska, 9. They must be out of America by August 8.

The family immigrated to Coloma, Mich in February of 1976. Being a skilled florist, he was hired to do skilled work by Garden Beauty Import, Inc. He was hired at \$12,500 a year and rented an apartment for his family. On Nov. 22 the U.S. Immigration Service notified the VanDer Aart family that they had only temporary visas which are good for only one year.

The VanDer Aarts were ordered to get out of the country no later than May 22. Neighbors rallied to the side of the family and they asked Congressman Dave Stockman to help. He got them a 30-day reprieve, but said that was all he could do for them. (If they had been Jews, Rep. Eilberg would have quickly gotten them permanent visas.)

Mrs. Robert Zerbe, a neighbor friend, said, "to me this family is what America is all about, and now they're going to be deported. I am very angry inside."

Other neighbors rallied to help the family by collecting funds for their trip back home. In the meantime, the VanDer Aarts have sold all their furniture and appliances to raise money for the trip. Back home they will have no job and no place to stay.

Mr. VanDer Aart learned to read English by studying a dictionary. They are a hard-working, productive family.

Had they been negro Haitians, Vietnamese or Jews, they could have stayed in America. Now we have lost this White family who could have made such wonderful contributions to our society.

This Mexican Family is Not Deported

Mr. & Mrs. Cruz Lopez and their 13 children have been welcomed to America. All welfare services have been made available to them.

## Mexican Family Allowed to Stay

Here is Cruz Lopez with his 13 children. They are migrant farm workers who travel between Arizona and Idaho. The immigration service is making special arrangements so that they can learn English and receive welfare and food stamps. They are from Mexico and are not going to be forced to return. Recent federal court orders have made it almost impossible for the Immigration Service to deport Mexican illegal aliens.

ACLU attorney Mark Rosenbaum has won an important legal victory for illegal Mexican workers. They no longer can be deported from America without a hearing. Our courts are not capable of allowing 15 million illegal Mexican workers in America the right to individual hearings.

The case began when immigration agents raided the Sbicca Shoe Factory in El Monte, Calif. They found 120 illegal Mexican aliens working in this notorious sweat shop. Before they could be deported, Rosenbaum, the ACLU, and "Legal Services Aliens' Rights Organization" for a restraining order from Judge Robert Firth in Los Angeles. He ordered them released pending a hearing AND THEN ORDERED THEM REHIRED BY THE FACTORY!

While Congress has in the past considered legislation making it a crime to knowingly hire an illegal alien, this judge orders them rehired! Compare this with the foul treatment meted out to the poor VanDer Aart family. There must be a great awakening and change in our country soon if we are to prevent the colored minorities from totally taking over our government and turning this into a Marxist slave state.

## Aliens Pour in Seeking Amnesty

### Stop Carter's Amnesty Bill

Attorney General Griffin Bell let the cat out of the bag June 1. He told the Senate Judiciary Committee that illegal aliens who have arrived in this country since January 1, 1970 would most likely never be deported at the end of their 5-year temporary resident status under provisions of the proposed Carter amnesty bill.

This is the Carter plan which would allow all illegal aliens who arrived in America before that date permanent resident status which guarantees them eventual citizenship. Almost all of these people are from South America and practically none are White Europeans. This could include as many as 20 million people, according to Pres. Carter himself.

Originally the public was told that those who came after January 1, 1970 could stay here 5 years and then had to return home. Now Atty. Gen. Bell admits that these people also will be granted amnesty under the new bill. This should have been headline news all across the nation because it is this fact that is encouraging millions more to pour across our borders, in unprecedented numbers. They all hope to get in under the amnesty plan and become citizens. The "Illegal Alien Amnesty Bill" is a treacherous measure and one which threatens the very survival of White majority rule in America. These minorities have an explosive population rate and combined with current negro birth increases, this means that a colored invasion is right now taking place in America while our people sleep.

rotting hell-hole of Calcutta? History has time and time again proven that highly intelligent, inventive and hard-working developers of our White society have come from people of pure White racial strains of well-bred genes.

Many high I.Q. geniuses of the past were related to other creative leaders who made a lasting mark on society. For instance, John D.

MacArthur of West Palm Beach, Fla. became a billionaire after starting a small mail-order business with \$2,500. He was a cousin to Gen. Douglas MacArthur and the brother of Charles MacArthur, producer and author of *Front Page*. The upbreeding of the White Race is the issue which will determine whether or not civilization itself survives!

## Israel Passes Anti-Extradition Law

Jewish criminals have found refuge in Israel after fleeing prosecution in various nations. Some have been deported if the country concerned complained long and loud enough. This has been an embarrassment to Israel and Prime Minister Menachem Begin has sponsored a bill which would forbid extradition of an Israeli citizen for crimes committed abroad.

One individual especially concerned with this bill is Samuel Flatto-Sharon. He fled France after being charged with tax evasion and fraud. Flatto, a millionaire, had transferred his wealth to Israel and used it to buy his election to their parliament (Knesset). He is immune from extradition as a member of parliament, but supports the immunity bill because he may not always hold this office. Flatto always casts his vote for Begin and the Orthodox Jewish religious party.

Already Israel has gained a reputation as an asylum for Jewish criminals. Here they find protection and friends as soon as they step off the plane, and become citizens under Israel's special "Law of Return," which only applies to members of the Jew race.

## Want Germans Extradited

While the Jews demand special protection from prosecution overseas, they still demand the right to extradite (or kidnap) anyone whom the Jew secret police decide is a war criminal. Thus they kidnapped and murdered Adolf Eichmann from Argentina for alleged acts which took place before the state of Israel existed. Naturally, he had no chance of a fair trial.

Brazil has been asked to extradite Gustav Franz Wagner for trial in Israel. He has been fingered by Simon Wiesenthal, who charges that Wagner fought the Jews on Germany's Eastern Front during World War II. Israel has banned the death penalty for all except those they designate as "war criminals." Thus the one-sided policy of the "self-chosen" people flaunts itself before the entire world.

## Lindbergh "Find Right Mate"

### Genes Count In Seeking a Mate

Charles Lindbergh, the world-famous developer of aviation, died in 1974 and his last book, *Autobiography of Value*, was published posthumously. In the book he describes why he picked Anne Morrow as his wife who he married in 1929. Lindbergh said that she was "blessed with good health, good form, good sight and hearing."

Lucky Lindy, as he was called after being the first man to successfully fly solo across the Atlantic Ocean, wrote in his final book:

"My experience in breeding animals on our farm had taught me the importance of good heredity. You did not have to be a scientist to realize the overwhelming importance of genes and chromosomes."

Today we have people who are very much concerned over their pure-bred dogs, cattle, horses,

John D. MacArthur  
Billionaire

etc., but do not make sure that their own children know that the breeding of human beings is the most important act in life. Some sanction against the marriage of their own flesh and blood with mongrels, Asians, and even negroes must be set. This interbreeding instantly destroys for all time to come that family's genetic line.

The White Race must be bred upward to greater heights and not down to the lowest depths. Shall our future be that of Africa or the

# Proposition 13 Called "Racist," Anti-Israel

## Zell Miller A Fanatic Race-Mixer

Georgia's Liberal  
Lt. Gov. — Zell Miller

"Get the Zell Out!" is the cry you are hearing around Georgia as more and more White voters learn of Lt. Gov. Zell Miller's record. On this page we reproduce a photo of Mr. and Mrs. Zell Miller reading one of his "favorite magazines." This is *Jet Magazine*, which is considered one of the most radical anti-White of all black publications. The photo and statement below it come from *Jet*.

### Zell Miller's Record

Very few Georgians know Zell Miller's true devotion to the cause of race-mixing. Just a few weeks ago he held a press conference in Augusta, Georgia. He was asked why he supported job quotas for blacks and Miller replied: "Well, the black has carried a ball and chain around too long, and Whites are just going to have to step aside until the blacks catch up."

This could take forever when you consider the inherent low I.Q. of the negro, along with his lack of any real work incentive. Thus Miller wants job discrimination against Whites for all future time to come.

Zell Miller openly calls himself a "liberal" and has supported the surrender of the Panama Canal, women's lib ERA, gun control, quota hiring for blacks, the federal civil rights voting act, helped push through Gov. Busbee's anti-White job discrimination bill. Miller has always been found to be on the wrong side of every issue. Each year when the civil rights leaders gather for their annual march to M.L. King's grave site, Miller always makes sure he is in the front line. He wants all the blacks to see and hear him loudly sing *We Shall Overcome* while he holds hands with Coretta King.

This disgusting politician tries to fool the White people by always making public appearances

Below reprinted from negro *Jet Magazine*

### Lt. Gov. Miller Reads His Favorite Magazine

Georgia Lt. Gov. and Mrs. Zell Miller check out a recent issue of *Jet*. A regular reader of the magazine, Miller said that one of his greatest thrills was the appearance of himself and basketball great Walt Belamy, now state senate doorkeeper, in *Jet* (Feb. 17, 1977).

with country music stars. The truth is that when he ran for Lt. Governor in 1974, his Republican opponent exposed Miller's deal with negroes Julian Bond and Mayor Maynard Jackson for the black bloc vote. Miller then attacked his opponent, saying: "His red neck is showing." Miller uses the derogatory term "redneck" in referring to White working people. Zell Miller had much rather associate with negroes than White working people who he actually detests. The left-wing newsmedia are planning on running Zell Miller for Governor 4 years from now. This would be

a good time to retire this fanatical race-mixer from office once and for all.

### Segregationist Challenger

Attorney Sam Dickson is running for Lieutenant Governor on a platform proclaiming: "I am White, I am proud to be a member of the race which built our civilization and culture." Sam Dickson is doing all he can to expose Zell Miller's record to the people of Georgia. That is why White people "in the know" are going to vote for Sam Dickson in the Lieutenant Governor's race on August 8.

### Negroes Fear Welfare Cuts

Rev. Jesse Jackson of the negro PUSH organization declared that Proposition 13 is "an anti-black move with dangerous ramifications. This is a frightening response about which we are all concerned."

He added that "the greed of homeowners represents classism in that they are resisting government efforts to spread the wealth. There can be little doubt that blacks will be the first to be laid off and welfare increases have already been halted. This proposal reflects a national suicide complex."

Sen. George McGovern, addressing the *Americans for Democratic Action*, warned that "human resources programs (for negroes) are threatened." He cited the congressional action cutting back foreign aid as another indication of the people's withdrawal from interest in aiding the "downtrodden." The truth is that White Americans have decided that the time has come to put our house in order and protect that which is in the best interests of our own Folk and Nation first.

### Does Proposition 13 Mean Less Aid to Israel?

*Jerusalem Post* economic writer, Jew Wolf Blitzer, has issued a warning that Proposition 13 could mean less U.S. tax dollars for Israel. Writing in a June 30 dispatch, he states that campaigns are already underway to cut foreign aid. Israel receives more such aid from America than does any other nation in the entire world.

Since the 1973 Yom Kippur War we have sent Israel \$2 billion each year. Half as grants, which are gifts they do not have to pay back. The balance are loans which no serious political observer expects the Jews to ever repay. This year Israel is slated for \$1 billion in military aid and \$785 million in economic aid. Blitzer warns that this is already down \$215 million from last year.

He informs leading Jews that the average American resents paying 20% to 30% of his income in taxes during a time of high inflation. Blitzer says: "Israel has grown accustomed to expecting \$2 billion annually in U.S. financial assistance and Israeli budget planners take such projected figures for granted."

Blitzer warns that Rep. Bob Bauman of Maryland has proposed a 5% across-the-board cut of all foreign aid, which would mean a \$40 million cut in Israel's expected \$785 million economic loan. Rep. Clarence Miller of Ohio wants an 8% cut of both economic and military aid and this would deprive Israel of \$140 million.

But Blitzer assures his readers that the Jewish Lobby in Washington is hard at work to counter any cost-cutting which would deprive Israel of a single dollar. Congressman Clarence Long of Maryland, chairman of the House Appropriations Subcommittee of Foreign Operations, had introduced a bill which calls for the reduction of foreign aid on a peacemeal, nation-by-nation basis. Blitzer says that Jew leaders approve this approach because it would most likely save Israel's entire aid program because few representatives have the guts to cast a single vote against Israel on any specific issue.

Still Blitzer says that this hold over the U.S. Congress may not last forever and Israel is going to have to get its economy in order "because American aid will eventually be reduced."

Proposition 13's ramifications thusly have had an international effect far beyond what California voters ever dreamed would occur. Thus we see what just one man, Howard Jarvis, aided by many individual citizen-voters, can do when they decide they have been used by the minorities long enough. Thus let the spirit of the California tax revolt spread across the nation and awaken the people to its many ramifications. Perhaps this can be the spark which can sweep this nation and begin the process of delivering this Republic back into the hands of its founding White American stock of people.

# Blacks Demand Diplomas Despite Failing

### Negroes Want I.Q. Tests Banned

All the special educational programs used in the schools to raise negroes' achievement standards have failed. It was Dr. Arthur Jensen and Nobel Prize winning physicist Prof. William Shockley who proved the negroes' low I.Q. is caused by hereditary deficiencies and not their poor environment. Dr. Jensen calls it the "G Factor" which is a general intelligence trait that is inherited from one's parents and determines your I.Q. over a lifetime. Our future is programmed from the day we are born by the genes we receive from our parents.

When schools adhere to set academic standards and require achievement scores for graduates, negroes fail dismally. For this reason, negro organizations are fighting against "competency tests," which they call a form of racial discrimination. Educators generally believe that unless we draw the line against "automatic promotions and graduations" there will be a continuing decline in the quality of graduates and diplomas will be meaningless.

HEW Secretary Joseph Califano set up a blue-ribbon committee of liberals to study the problem and they naturally took the Marxist "racial equality" line. Jew Lawrence Feinberg wrote their news release

William B. Shockley

and stated that minorities must not be forced to submit to minimum competency exams. Here is his most significant statement - he says: "IT IS POLITICALLY UNACCEPTABLE."

The committee actually predicts that to refuse promotions and diplomas to blacks, even though they do not meet minimum standards, would increase street crime, looting and riots. The study admitted that "4/5 of the suburban school students pass (mostly Whites) and only 1/3 of central city students pass (meaning a majority of the blacks fail.)" Nevertheless the committee stated that a diploma is a "job ticket" and the consequences of withholding this from the negro could "disrupt domestic tranquility."

In other words, we are to allow our educational system to drag capable White students down lower and lower to meet the negro I.Q. achievement level. This would eventually destroy civilization! It is a well-known fact that many U.S. industries forced to hire blacks by quotas must often require Whites to do more work to help keep up production. Negroes have a much higher "sick leave" rate than Whites, their work is often shoddy and they are not interested in meeting production goals. This is one reason why American industry is falling behind that of Western Europe and Japan.

# Soviets Take 2 Nations — Kill 3 Pres.

## Carter Fiddles While Russia Conquers Two More Nations

During May and June the Communist goliath engulfed two more nations. They are Afghanistan, which borders Iran and Pakistan and South Yemen, which could control shipping in the Gulf of Aden with the help of communist Ethiopia. Both were typical bloody revolts in which all of the non-communist leaders were slaughtered. Thus the Soviet form of conquest has not changed since the day they lined up Czar Nicholas of Russia and gunned him down along with his wife, five children and their servants.

### Treachery in Afghanistan

Mohammed Daoud, 69, had ruled Afghanistan for five years and tried to steer a neutral course between East and West. Unfortunately, he allowed the Soviet armed forces to train and equip his army. The Soviet KGB used the younger officers in a conspiracy to overthrow Daoud.

When the revolt broke out, Soviet MIG-21 jets strafed the Presidential Palace. Daoud was captured and immediately shot in the head. All the members of his family were killed as were all his senior officers. Then the Soviet bloodbath was extended to civil servants and professionals who supported the government. By the end of the first week in May, over 10,000 people had been executed and it is estimated that 30,000 more members of Daoud's Muslim League families are on the list marked for death. Continuous volleys of shots are heard from military camps and mass graves have been bulldozed.

Russia's KGB has installed Nur Mohammed Taraki as President. Taraki heads the "People's Democratic Party," which is the communist party in Afghanistan. He has renamed the royal palace the "People's House" and placed communists in control of every branch of the government. His new Foreign Minister, Hafizullah Amin, flew to the United Nations, where he praised Russia as "our real ally and true advocate of peace." Amin then denounced America as "Imperialistic, reactionary and a warmonger." From there he flew to Cuba to visit with Carter's friend Castro. Amin called for a close kinship of "socialist democracies" and called the Soviet Union "our great northern neighbor."

Already the Soviets have begun enlarging highways linking the two countries. The Soviet Tass news agency is now the official news source for the 19.5 million people. Soviet mining engineers have already replaced Westerners. Already thousands of communist textbooks in the Afghanistan language have been brought in for the quick indoctrination of school children. The communists have wasted no time in murdering all of their rivals and quickly consolidating their grip on Afghanistan.

This country is strategically situated between Pakistan and Iran. Today the Soviet Embassy actually runs the country and military aid is now going to hostile Pathan and Baluchi tribesmen, who have vast tribal relationships in both Pakistan and Iran. The Soviets have long wanted to overthrow Iran's Shah and they have never had a more formidable climate for further military adventures. Pres. Jimmy Carter says nothing but states that before the end of the year we will recognize Cuba's Castro and begin doing business with him.

### The Bloody South Yemen Takeover KGB Murders Two Presidents

South Yemen controls the key Red Sea entrance to the Indian Ocean and has long been courted by Communist Russia. The Soviet Union maintains a major naval base at Aden, South Yemen. From this launching point, men and weapons have been dispatched to nearby Ethiopia, which now has a Soviet puppet government. The plan now is to conquer pro-Arab Eritrea and dominate the Red Sea, through which the Western World receives 60% of its oil.

President Salem Robayi Ali of South Yemen had recently become disenchanted with the communist use of his country as a pawn. South Yemen's soldiers had been flown to Ethiopia by the Russians to fight and die alongside the Cubans in the war with neighboring Somalia. Robayi Ali was re-establishing his lines of communication with anti-communist Saudi Arabia and North Yemen. It was apparent that he was about to defect and take South Yemen out of the Soviet orbit.

Soviet KGB agents quickly went to work. Robayi Ali dispatched an emissary to carry a secret message to President Ahmed Hussein Ghashmi, 37, of North Yemen. The envoy's briefcase had secretly been switched by Russian KGB agents and when opened, a very powerful explosion instantly killed both Pres. Ghashmi and the envoy. Within 48 hours, Soviet forces in South Yemen took control of the army and navy, and, along with 6,000 Cuban "advisors," they attacked the capital of Aden. MIG jets attacked the palace of Pres. Robayi Ali and his fortress was quickly overcome. Robayi Ali was immediately taken behind the palace and executed by a firing squad. All of the members of his personal guard and government officials were likewise slaughtered. The new head of South Yemen is Abdul Ismail, who heads the Communist Vanguard Party.

Thus two more nations have fallen under the heel of the Soviet Union during May and we did not hear Pres. Carter even say one word

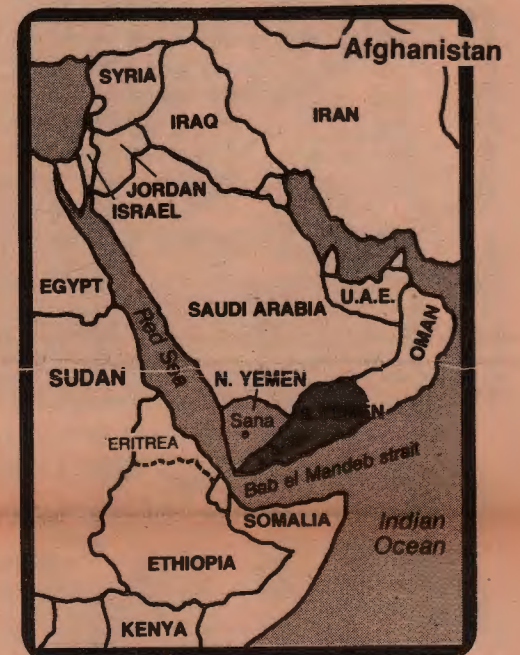

Pres. Robayi Ali of South Yemen (left) was assassinated by Soviet secret police (KGB) immediately after North Yemen's head, Pres. Ghashmi (photo at right) was murdered. Russia replaced Ali with their agent, Abdul Ismail (at right). Note Ismail's sinister smile in this photo, taken shortly before the murders.

Pres. Ghashmi of North Yemen, assassinated when South Yemen's envoy's briefcase exploded.

Mohammed Daoud, President of Afghanistan, and his entire family with all his aides and ministers were murdered in Soviet overthrow.

Nations on this map taken over by the communists during the past 6 months are Ethiopia, South Yemen and Afghanistan. Note their grip over the Red Sea.

in protest against this continued domino-like takeover of one country after another. Soviet world domination is marching forward while Carter continues to talk of his disarmament nonsense. America and the entire free world are in grave danger because we have a president who is totally incompetent and has surrounded himself with Marxists who view the conquering Soviet bear as a "stabilizing influence" in the world. Soon we may find ourselves "stabilized" in a Marxist slave state.

### Arab League Meets on South Yemen

Cairo, July 1, the Arab League Council, representing 17 Arab nations, met concerning the Soviet conspiracy which resulted in the assassination of President Ghashmi of North Yemen and Pres. Robayi Ali of South Yemen. Foreign Minister Abdul Ad Abdullah al-Asnag of North Yemen charged that Russian secret police (KGB) agents in South Yemen pulled the coup in order to stop Ghashmi's moves to improve relations with the U.S. and Saudi Arabia. Mr. al-Asnag stated: "We fear another Cuba may be planted in the heart of the Arab world."

While the pro-West and anti-communist Arab countries are concerned about Soviet aggression in their part of the world, Pres. Carter and Andrew Young are not at all worried. Carter is more interested in giving away the Panama Canal and disarming our armed forces.

### Leader of New York Intellectuals

Writer Patrick Buchanan states that Jewess Susan Sontag, intellectual, author and critic, is the "standard bearer of the New York intelligentsia." In other words, she is a leading spokesman for the New York Jews who seek to impose their Marxist views upon the rest of the nation.

It was Susan Sontag who made the most vile statement of hatred

for Whites that we have ever read. She stated that:

"The White Race is the cancer of human society. It has exploited all the minorities of the world and now must make amends."

The truth is that we are responsible for feeding most of Black Africa and half of Asia. Without the White Race, the coloreds would be dying like flies from famine and disease all over the world.

### Chicago Proves Gun Laws Ineffective

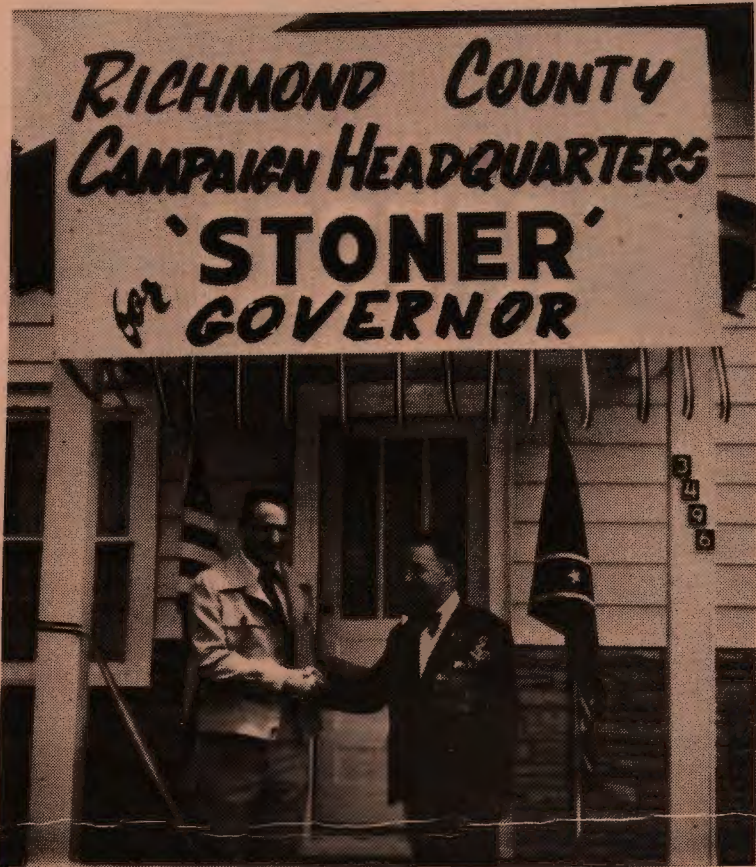

Chicago has one of the strictest gun control laws in the nation, yet their murder rate soared again last year. Of the 823 murders committed in Chicago, guns were used on 528 cases, with 188 other slayings caused by knives.

Statistically, Whites used guns in 66 murders, negroes in 536 slayings, negroidal Puerto Ricans in 121 killings and Asians in 6 cases. It should be stressed that Whites still make up 70% of Chicago's population, and often are forced to use their guns to defend themselves. Still, this has not deterred Police Supt. James O'Grady from urging even tighter laws controlling "the sale, manufacture and importation of handguns."

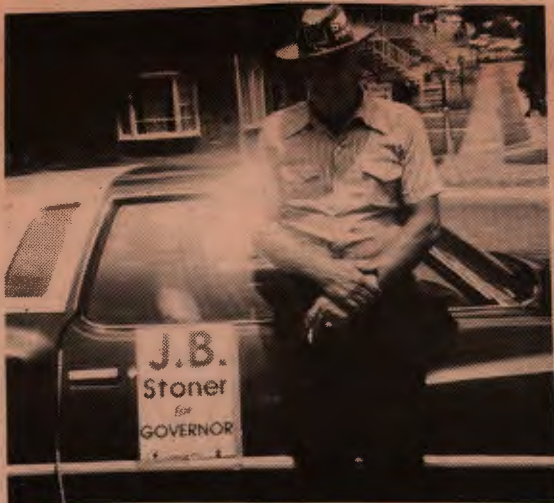

Most agree that Whites would more often be the victims of crime if they did not possess guns for self-protection. Private ownership of guns is the last line of defense for the Citizen-Patriot in time of personal or national emergency. The Carter Administration has new schemes to disarm Americans and this newspaper will keep you informed of such subversive and unconstitutional activities.

## Multitudes Reached by Stoner Campaign

STONER opens campaign headquarters in Augusta, Ga.

Stoner campaign worker decorates own car

J.B. Stoner at far right during live TV debate on Channel 11

**Stoner Campaign on the Road** J.B. Stoner has been busy in many fields of endeavor. With the help of his supporters on the local level, he was the first candidate to get signs on trees, poles and buildings on the highways and byways throughout Georgia.

In the first and perhaps only TV debate program featuring all six candidates, J.B. was the only candidate who gained any mileage. The three also-rans emitted milktoast and pabulum while Busbee and Dean exchanged insults as to which was the biggest crook. This is just a case of the kettle calling the pot black. J.B. came forth with good lean red meat in outlining his solutions to the problems facing the White people in Georgia.

In an hour-long program over WRNG Radio, Stoner parried thrusts with a hostile host while presenting his platform and matching wits with those that called in during the question and answer period. Of course, J.B. came off the winner, as usual. He has participated in several

parades, including Fourth of July parades in Marietta and Atlanta, where thousands of spectators lined the streets.

TV Channel 5 in Atlanta featured the leading candidates in the field, where J.B. was interviewed meeting supporters in front of the Douglas County Courthouse.

### Stoner With Country & Western Stars

J.B. has also spoken on several occasions sharing the platform with other candidates for public office. Some include the

Fourth of July platform in Marietta, a rally at Forest Park, where he was the only gubernatorial candidate to show up, and at a rally in Jonesboro, where he was the only gubernatorial candidate present.

He was also honored as a sponsor of the event, which featured the popular country-western singing star Ernest Tubb and his Texas Troubadors.

As you read this, J.B. is out on the campaign trail working day and night for the White Racist cause in his campaign for Governor of Georgia.

One of the main objectives of the Stoner campaign has been to reach the masses of our people with the truth about the racial problems which threaten the very survival of the White Race in America. Thanks to J.B. Stoner's loyal supporters, enough funds were raised for him to be able to purchase TV time on most of the stations in the state and reach hundreds of thousands of people. His message exposes the race-mixing record of Gov. George Busbee and warns the people of the danger of future laws the enemy wants adopted furthering discrimination against White people. Mr. Stoner's message is also being broadcast in hundreds of radio spots. Because of this campaign, more people have been alerted to the race crisis facing America than ever before.
