

Why Bob Mathews Fought To The Death

Bob Mathews Dies In Fiery Explosion White Underground Has New Leadership

Robert Jay Mathews, founder of the White American Bastion organization (also known as the White Underground), died in a fiery shoot out with 100 FBI agents and Swat Team specialists on Dec. 8, 1984. Bob Mathews, age 31, and his four companions were surrounded in a home on Whidbey Island, a resort area, just north of Seattle. The FBI ordered the occupants to surrender. Three did! Emerging with their hands in the air were Randolph Duey, Duane Udell, and Ian Steward.

Still, one man remained inside. He refused to surrender. He shouted that he would fight to the death - THIS WAS BOB MATHEWS! The FBI fired volley after volley of gunfire and tear gas into the house. Twice they tried to sneak up on the house and each time were driven back by Mathew's machine gun fire. All bridges to the island were cut off and armed motor boats lay below the cliff upon which the house set. Twice helicopters swept in trying to drop firebombs into the home to burn Bob Mathews alive but bursts of machine-gun fire drove them off. This massive seige by over 100 FBI and SWAT team agents went on for an amazing period of 40 hours - A DAY AND A HALF!

The remains of Bob Mathews headquarters after the FBI firebombing. Even as the house exploded in a fireball he continued to blast away with his machinegun after a day and a half one man battle against 100 agents!

Bob Mathews actually defeated his attackers in battle - ONE MAN AGAINST 100! They never had the guts to try and capture him! Finally the frustrated FBI head, Norman Stephenson, ordered the helicopter to fire bomb the house. This time they set it ablaze and even as the fire burned Bob Mathews kept blazing away at his cringing attackers with his machine gun. All of a sudden there was a giant explosion and the house went up like a miniature atomic bomb. The ammunition and explosives stored had blown the house to kingdom come. Bob Mathews was gone — BUT HIS LEGEND HAD JUST BEGUN!

Working With Farmers & Truckers

Bob began his political career by learning the problems of the local farmers. He became active in the Farm Protest Movement. He didn't like the way in which the IRS was taking the land of American farmers. They spent their lives working the land to feed our nation only to have the IRS hand their property over to the huge corporate communal farm monopolies who are out to destroy the independent family farm. This was the final goal of the Bolsheviks after they seized power in Russia. The vast anti-communist farmers of Russia loved freedom and they had to be crushed before Lenin and Stalin could solidify their hold on that now enslaved nation. Bob spoke before meetings of independent truckers and farmers and explained the hand of the Jews in their problems. He believed this segment of the population was ready to revolt!

Because of his activity in the Farmer Tax Strike movement Bob Mathews was harassed at his cement factory job and at his home by FBI agents. Bob wanted to find out more about the evil satanic force behind the scenes seeking to enslave the nation. Thus he subscribed to Instauration magazine, which led him to the National Alliance whose leader is Dr. William Pierce of Arlington, Va. (Dr. Pierce received his doctorate in physics from the University of Colorado and for a time was college professor.) Bob read Dr. Pierce's book "The Turner Diaries" and this became the "bible" of Bob's movement. Being a man who could not wait, one who wanted action now, Bob left the Alliance and joined

FBI Fails To Break Underground David Lane Takes Over As Leader Jews Hiring Thousands of Bodyguards

The New Leadership of The White Underground

Anti-Klan Network leader, Jew Morris Dees of Montgomery, Ala., has had his bodyguard doubled from 3 to 6 FBI agents at the taxpayers expense!

He has stated that "the fight against the Klan forces will never be the same again." He means that since the fiery death of Bob Mathews the Jews and race-traitors are in a state of shock because they have suddenly discovered that those they persecute no longer will meekly surrender - THEY ARE WILLING TO STAND, FIGHT AND DIE FOR THEIR SACRED BELIEFS.

The point which really has the Jews and FBI-ATF alarmed is the fact that the White Underground is still operating under new leadership with \$4 million to work with. The FBI believes David Lane of Denver, Colorado is the new White Underground Leader. While this has not been confirmed it is known that Mr. Lane dropped from sight last Summer. A nation-wide man hunt the proportions of the search for James Earl Ray and Lee Harvey Oswald has been launched for Lane.

One reason Bob Mathews went underground is that he was tired of FBI and Jew ADL harassment and was no longer willing to take it. Likewise, David Lane was arrested in Aurora, Colorado for distributing White Supremacy literature. He fought the case, won, and his literature was returned. Lane later left Denver and joined the Aryan Nations Church in Hayden

Bob Mathews gave his life in launching the Second American Revolution.

David Lane is reported to now command The White Underground.

Lake, Idaho where he met Bob Mathews.

"Rocky Mountain News" of Dec. 23., in an article by Kevin Flynn states: "Of all the people there (at the Aryan Church) my instincts say Lane was the most dangerous. He was capable and willing and eager to go out and do anything at any time. The other people (in the church) were always hoping for the apocalypse and the victory over the Jews, but I always suspected that David Lane had more immediate plans."

U.S. Jews Frightened

The White American Bastion, also known as the White Underground, has fewer than 100 members according to press reports. Still the 3 million Jews living in America are in a state of terror - WHY? There must be a great deal of GUILT on their part for such concern. U.S. Today reports that a New York Jewish Defense League (JDL) front, calling itself the Israeli Commando Unit has warned that unless the FBI breaks the White Underground resistance movement they will strike. (Strike who and what was not explained.)

The Jew Anti-Defamation League has dispatched messages to all their branches and to all Jew leaders to "bat down the hatches" until they can determine just how wide spread is the threat from the White Underground. This was in November and Jews all across the country are spending big bucks on security equipment including special body guards for individual Jew leaders and security guards for ADL offices and other Jew groups offices throughout the nation.

"David is very personable, very likable, very scary! There's a depth to him that lets you know something is burning deep inside, something he doesn't let surface often. When it does come up it's in bits and pieces. He keeps his anger within him."

David Lane has gone deep into the labyrinth of the underground. Because of Bob Mathews growing band of followers the enemy quakes with fear. So be it - this is God's Will - OUR PRAYERS GO OUT FOR THESE MEN!

Bob Mathew's Favorite Quotation

- Patrick Henry's oration at the Virginia Provincial Convention began the first American Revolution.

"They tell us sir that we are weak, unable to cope with so formable and adversary. But when shall we be strong, will it be the next week or the next year? Will it be when we are totally disarmed? When a guard shall be stationed in every house? Shall we gather strength by irresolution or inaction? Shall we acquire the means of effectual resistance by lying supinely on our backs and hugging the delusion fantasy of hope until our enemies shall bound us hand and foot?"

Sir, we are not weak if we make a proper use of those means which God has placed in our power. The battle Sir is not for the strong alone, it is to the vigilant, the active and the brave. Besides, Sir, we have election if we were base enough

Patrick Henry, was the most eloquent and powerful orator in the cause of the First American Revolution!

to desire it, it is now too late to retire from the contest, there is no retreat, but in submissive slavery; our chains are forged, their clanging may be heard on the plains of Boston: What is it that you gentlemen wish? What would they have? Is life so dear, or peace so sweet as to be purchased at the price of chains and slavery? Forbid it Almighty God! I know not what course others may take; but as for me - GIVE ME LIBERTY OR GIVE ME DEATH!

Pastor Richard Butler's Aryan Nation's Christian Church in Hayden Lake, Idaho. There he met militants who also felt that the time had come to take action to overthrow the Zionist Occupation Government which now rules Washington, D.C.

The White Revolution Begins

After leaving the Aryan Church, Mathews set up a secret underground organization called the White American Bastion. (WAB). His original 12 disciples signed a declaration of war against ZOG. Second in command of the group was Gary Yarbrough, 29. The FBI alleges that Mathews and some of his followers first robbed an armored car at Portland's Northgate Mall, in April, 1983 and got \$500,000. Later \$25,000 was taken from a Seattle bank. What really gave them the funds to operate with was a \$3.6 million heist from a Brinks truck in Ukiah, Calif.

With over \$4 million in cash they began to travel nation-wide seeking recruits for a plan which called for the utter destruction of all ZOG forces and taking back the U.S. Government to save the Constitution.

In seeking to go too far too fast one FBI informant was able to join the White American Bastion (WAB). The name of the infamous traitor is Tom Martinez of Philadelphia. This man alone is responsible for the death of Bob Mathews and the arrest of some 10 members of the WAB.

The organization has a number of plans, some of which are outlined in The Turner Diaries, (available from The Thunderbolt, \$4 per copy). They call for counterfeiting to destabilize the Federal Reserve Bank and bring about its collapse. Mathews was heavily armed with automatic weapons and plastic explosives. It is alleged by the FBI that they planned to blow up the electric power supplies to Los Angeles and other cities knowing the blacks would riot and the police and U.S. Army would busy themselves controlling blacks.

Further strikes would be made until the ZOG run government fell and White Patriots could seize power and re-establish White Supremacy Rule. While these plans are vague, their full implementation and exactly how all this would fall into order is not known at this time. Apparently Mathews did not feel this would occur over night, but in stages, beginning with a full scale uprising by the White masses in 1991 with total power being regained for the White Revolution by 1999. Basically, their plan followed the outlines of Dr. Pierce's novel, "The Turner Diaries."

The highly interesting point in this news is that at this writing the WHITE AMERICAN BASTION is still going strong under the alleged new leadership of David Lane of Denver, Colorado. This has the ZOG forces and their establishment allies frightened out of their wits. The mere fact that Bob Mathews' organization still carries on with over \$4 million in cash means they are well financed to carry out the dreams of their founder, Bob Mathews!

Bob Mathews 1953 - 1984

Bob Mathews, Founder of the White American Bastion (or White Underground) died after a 40 hour, (day and a-half) fire-fight with over 100 FBI agents. He beat back three ground attacks and two helicopter air attacks single-handedly. Then Bob was deliberately fire-bombed and burned alive by FBI Agents in an explosion which left nothing standing at his headquarters.

Bob Mathew's final Testament, written two days before his death stated:

"We are born to fight and die and to continue the flow of our people . . . Stand up like men and reclaim our soil! . . . Kinsmen, arise! Look toward the stars and proclaim our destiny . . . For the reality of life is death, and the worst the enemy can do to me is shorten my tour of duty in this world. I will leave knowing that my family and friends love me and support me. I will leave knowing I have made the ultimate sacrifice to secure the future of my children."

James Hubbard, publisher of the Newport Miner, recalls printing letters that Robert Mathews wrote to the paper.

Town Folks Comment On Bob Mathews

Newport Miner, publisher, James Hubbard said he printed several letters to the editor from Bob Mathews all were on White Supremacy subjects. Also, he recalled Bob having him job press a brochure for the National Alliance, adding: "He and his friends brought some kids with them because they wanted, they said, to include some photos of fine, outstanding White kids in the brochure."

"I would call him a White Separatist, he wasn't really a neo-Nazi, more like apartheid in South Africa. . . I think he was willing to be a martyr for what he believed in."

The Seattle Post quotes a customer at Metaline Falls' only Cafe as saying:

"Bob Mathews was very helpful, kind, a hard worker, always smiling. Once I saw him get really stirred up when the subject of race came up."

Lehigh Cement Co., manager Ray Grant, said Bob was a hard worker during the seven years he was employed there. About a year ago he quit his job to lead the underground. Grant said, "I was surprised to see his name on TV in regards to the shoot-out, but he was the kind of person who wouldn't be taken alive, he finished what he started."

Morris Dees Claims Death Threat

UPI in a Jan. 2 dispatch from Montgomery, Ala., where Marxist, Morris Dees, operates his Red financed "Southern Poverty Law Center" says his life is in danger. Dees became a multi-millionaire while raising money to fight poverty. The UPI report stated that the White Underground had sent out a computer message declaring, "According to the word of our God, Morris Dees has earned two consecutive death sentences!"

Dees commented after his FBI body guard had been doubled from 3 to 6 that, "The (peaceful) Klan as we have known it in the past is a thing of the past!"

People Believe Mathews - Not the FBI

Workers Backed Mathews

The Spokane Spokesman of Dec. 23, carried an interesting interview with Mr. Hank Radezky of Colville, Wash., just 12 miles from Mathews' home. He stated:

"Workers here wonder if the IRS and FBI pushed Bob Mathews into this fatal shootout. (Eleven years ago he was involved with the Tax Rebellion Movement in Arizona.) They just harassed him and wouldn't leave the man alone. They pushed him 'til he had to fight back. Now they're using him as a scapegoat for their inefficiency."

The Spokesman said other local workers who read Bob Mathews' last testament in the "Newport Miner" tended to agree with him and were "skeptical of new reports quoting FBI sources." Hank Radezky added; "I'd rather believe Mathews, his testament, than all the stuff the FBI has been saying."

Local Sheriff Liked Mathews

Tony Bamonte, sheriff of Pend Oreille County, remembers that he liked Robert Mathews almost from the first.

Pend Oreille County Sheriff Tony Bamonte had kind words about Bob Mathews:

"I remember when he moved in 11 years ago, I was a deputy sheriff then. I personally liked him. He was a very sincere person. Mathews was a volunteer assistant wrestling coach at the local high school."

"He coached my son, and he also did some weight-lifting coaching. I had business dealings with him and his dad also, when I was running a sawmill. Bob was always a pleasant man, cleancut, intelligent. Now and then he would bring up his racial ideas, but he would never force them on me, or ever showed any violence."

Bob Mathews Last Testament

Written on Dec. 6, two days before his fiery death, Dec. 8, 1984.

To the Editor:

For the past decade I have been a resident of Northern Pend Oreille County. When I first arrived in Metaline Falls I had only \$25 to my name, a desire to work hard and be left alone, and the dream of someday acquiring my own small farm.

During my three years at the mine and seven years at the cement plant I can safely say that I was known as a hard worker. I stayed out of the bars and pretty much kept to myself. Anyone who is familiar with Boundary Dam Road knows how my late father and I carved a beautiful place out of the woods. All of the goals I had when I arrived were accomplished but one....I was not left alone.

Within months of my arrival the FBI went to the mine office and tried to have me fired from my job. I was working in the electrical department at the time and my foreman, fortunately, had a deep and lasting dislike for the Feds. He was informed of the situation by the mine secretary. Had it been the mine manager instead of the secretary that the government goons talked to, I would have lost my job.

This campaign of harassment and intimidation began because of my involvement in the Tax-Rebellion Movement from the time I was 15 to 20 years old. The government was on me so much in Arizona that during one incident when I was 18, IRS agents shot at me for nothing more than a misdeemeanor tax violation.

I left Arizona and the tax rebellion when I was 20. I left not out of fear of the IRS or because of submission to their tyranny, but because I was thoroughly disgusted with the American people. I maintained then as I do now, that our people have devolved into some of the most cowardly, sheepish, degenerates that have ever littered the face of this planet.

I soon settled down to marriage, clearing my land, and reading. Reading became an obsession with me. I consumed volume upon volume on subjects dealing with history, politics, and economics. I was especially taken with Spengler's *Decline of the West* and Simpson's *Which Way Western Man?* I also subscribed to numerous periodicals on current American problems, especially those concerned with the ever increasing decline of White America.

My knowledge of ancient European history started to awaken a wrongfully suppressed emotion buried deep within my soul, that of racial pride and consciousness.

The stronger my love for my people grew, the deeper became my hatred for those who would destroy my race, my heritage, and darken the future of my children.

By the time my son had arrived, I realized that White America, indeed my entire race, was headed for oblivion unless white men rose and turned the tide. The more I came to love my son the more I realized that unless things changed radically, by the time he was my age, he would be a stranger in his own land, a blond-haired, blue eyed Aryan in a country populated mainly by Mexicans, mulattoes, blacks and Asians. His future was growing darker by the day.

I came to learn that this was not by accident, that there is a small, cohesive alien group within this nation working day and night to make this happen. I learned that these culture distorters have an iron grip on both major political parties, on Congress, on the media, on the publishing houses, and on most of the major Christian denominations in this nation, even though these aliens subscribe to a religion which is diametrically opposed to Christianity.

These are the same people who ex-Senator William J. Fulbright and the late General Brown tried to warn us about. Henry Ford and Charles Lindburg tried vainly to warn us also. Had we been more vigilant, my son's future would not be so dark and dismal.

Thus I have no choice. I must stand up like a white man and do battle.

A secret war has been developing for the last year between the regime in Washington and an ever growing number of white people who are determined to regain what *our* forefathers discovered, explored, conquered, settled, built, and died for.

The FBI has been able to keep this war secret only because up until now we have been doing nothing more than growing and preparing. The government,

however, seems determined to force the issue, so we have no choice left but to stand up and fight back. Hail victory!

It is at this point that I wish to address the multitude of lies that the federals have been telling about Gary Lee Yarbrough and myself.

Gary did not "ambush" any agents. For weeks prior to this incident they had been harassing Gary, following him everywhere, even to the hospital to visit his gravely ill daughter. The day of the mythical ambush, Gary was out in his yard when he saw a Forest Service truck driving across his property in obvious disregard to the numerous no-trespassing signs. He yelled at the truck to stop but it kept coming towards his house until it crashed into and destroyed a gate. At this point Gary fired warning shots into the air and the truck drove away. That... was the big ambush.

The newspapers are saying now that Gary not only ambushed three agents but that he hit three of them. Gary did not even realize they were FBI at the time, which is fortunate for them because Gary is an expert marksman and had he decided to ambush the FBI he easily could have killed every fed within range of his weapon.

It was not until 8 p.m. that Gary realized what was actually taking place. That is when approximately 30 agents drove up to Gary's house. Gary and a young house guest went outside to investigate the commotion. When the feds started yelling at Gary, he dropped to the ground and rolled into a ditch behind the line of government vehicles. The young house guest went running back into Gary's residence. After waiting for three hours, the FBI used Gary's wife as a shield and a hostage and went into the house. What brave men they are.

As incredulous as it sounds, Gary laid in the ditch behind the agents for five hours with his gun aimed at their backs. Had Gary really wanted to ambush these invaders then that was a wonderful opportunity to do so. Gary chose instead to give them quarter, something he would later come to regret. Gary eventually slipped out of the ditch and into the woods.

The incompetence of these gun toting bureaucrats never ceases to amaze me. Especially after their attempted ambush and murder of myself in a Portland motel. First, let me say that the FBI was not there to arrest Gary but to ambush me. They didn't even know that Gary was in the room. The only reason they were able to find me was because a trusted friend in room 14 was actually a traitor and an informant. The FBI has vast resources and the latest technology but the quality of their agents is going downhill with every new recruit. That's because most of the best white men in this country are starting to realize that to be an FBI agent is to be nothing more than a mercenary for the ADL and Tel Aviv.

When I stepped out of my motel room that morning, a gang of armed men came running at me. None of the men had uniforms on and the only thing they said was, "Stop, you bastard." At this, I yelled to Gary, who was still inside, and I leaped down the stairwell and took off running into the parking lot.

A woman agent shot at my back and the bullet missed and hit the motel manager. I rounded the corner of the motel and took off down the hill into a residential area. After running for two blocks, I decided to quit being the hunted and become the hunter. I drew my gun and waited behind a concrete wall for the agents to draw near.

When I aimed my gun at the head of the closest agent I saw the handsome face of a young white man and lowered my aim to his knee and his foot. Had I not done so I could have killed both agents and still had the use of my hand, which is now mangled beyond repair and which I might very well lose altogether. That is the last time I will ever give quarter.

As for the traitor in room 14, we will eventually find him. If it takes 10 years and we have to travel to the far ends of the earth we will find him. And true to our oath when we do find him, we will remove his head from his body.

I have no regrets or apologies to make for Gary or myself. In fact, I am proud that we had the courage and the determination to stand up and fight for our race and our heritage at a time in our history when

"Bob Was A Very Special Man- We Were Always In Love!"

A Talk With
Mrs. Bob Mathews

Dr. E. R. Fields interviewed Bob Mathews' wife Debbie to try and understand the powers which moved her late husband. He had risen from total obscurity in death to blazing front page headlines around the world. Who was this man with 12 apostles started out to overthrow the ZOG stranglehold over Washington and

Mrs. Bob Mathews

re-establish the U. S. Constitution? What kind of a man was he? To get right to the truth we phoned Debbie in Metaline Falls, Wash. and she graciously granted this interview.

Bob Mathews was born in Marfa, Texas. His father, a career U. S. Air Force man, and mother took Bob and his brother to Phoenix, Ariz., where they lived until Bob was 21. Debbie is the former Deborah Ann McGarity of Kansas. She and Bob met in Jackson, Wyoming, fell in love and after going together for a year were married in Newport, Wash., Feb. 21, 1976.

As Debbie explains, "We were always in love. He was a really special man. I shared my husband's beliefs but I couldn't go to the lengths he would. I think a wife's duty is to her home and children." They have a beautiful baby boy, Clint, age 3. Bob disliked big city life, so

such a deed is called a crime and not an act of valor.

Approximately nine months ago the FBI went to my house while I was away and threatened my 2-year-old son. That was a very big mistake on their part. After the Portland shootout they went to my house and threatened by 63-year-old mother. Such brave men they are.

I am not going into hiding. Rather I will press the FBI and let them know what it is like to become the hunted. Doing so it is only logical to assume that my days on this planet are rapidly drawing to a close. Even so, I have no fear. For the reality of life is death, and the worst the enemy can do to me is shorten my tour of duty in this world. I will leave knowing that my family and friends love me and support me. I will leave knowing I have made the ultimate sacrifice to secure the future of my children.

As always, for blood, soil, honor, for faith and for race.

Debbie says that Bob loved to read and history was his favorite subject. His heroes were Famous Confederate Gen. Jeb Stuart who is credited with being the greatest cavalry officer of all time. Stuart often fought behind enemy lines and won many a battle by surprising his foes with attacks from the rear. Bob also liked to read the Celts, Vikings and the great Irish heroes, Bryan Borugh and Robert The Bruce. Debbie says Bob loved children. While he was a marksman, he would never shoot wildlife his love for animals was so great. He liked to travel and loved the outdoors. He enjoyed working the land on his farm, hiking, and snowshoe walking in cold weather.

Bob was well liked and respected among the citizens of Metaline Falls. Bob Mathews' will requested that his remains be cremated and this has been done. This Spring his ashes will be sprinkled beneath a favorite apple tree on his farm. Bob requested that Scottish bagpipes play the song Scotland The Brave during the ceremony. Another Patriot has suggested that a Minuteman statue be erected on this spot. We will announce the time and date of the ceremony. 40 Year Sentence In Petty Klan Whipping Case — Is Federal Message — Racial Offenses Carry Mandatory Life For Those Who Surrender Without A Fight!

Klan Trial Shows Vicious Unfair Punishment of Whites

The Invisible Empire of the Ku Klux Klan in Haralson County, Georgia had a local Klavern headed by Exalted Cyclops Lyndon Terrell. The Klan has always opposed interracial sex because it leads to the mongrelization of the White Race. Today White Supremacists support the reenactment of the laws which made race-mixing a crime as recently as the 1950s. We are not going to discuss whether or not the actions of the Haralson County Klavern were correct or not but did the PUNISHMENT FIT THE ALLEGED OFFENSE!

FBI PIMP USED

Lyndon Terrell became a pimp after undergoing threats by FBI agents. Actually, there would never have been any arrests, or any trial, or any convictions if the cowardly Terrell had not ratted on his friends. Terrell has now entered the "FBI witness protection program" and moved to the West Coast with a new identity. There he can live with the sex perverts and Jew Marxists who control that part of our country. He now can never return home to Georgia to visit either his relatives, or his wife's family, because he is despised and held in utter contempt by all loyal White Christian Georgians.

Negro U.S. Atty., Larry Thompson charged that a White woman, Peggy Jo French had been whipped with a leather strap for socializing with negroes. She had also been threatened with tar and feathering if she persisted in such acts. Negro Warren Cokely, a black married to a White divorcee' with a White daughter, was also whipped with a leather strap and told to move out of the county.

Just a few years ago anyone accused of such acts, if convicted, might get 30 days in jail and a light fine.

Georgia Klan leader Paul Wood with his two daughters on way to trial — Never expected such an oppressive and unjust sentence!

Those charged were Paul Wood, 54, a Navy veteran and father of two daughters. Kenny Davis, 39, Billy Wood, 57, Paul's brother, a disabled mill worker, and William L. Deering, 47, a respected Tallapoosa businessman. When the men were arrested Steve Cowen (or is his real name Cohen?) asked that there be no bond allowed for these men despite this being a relatively minor offense. He told the court that the four didn't know what kind of penalty was awaiting them down the road. Most people didn't give this much thought at the time!

After the regular FBI kangaroo trial with Lyndon Terrell betraying his friends by allowing the FBI to wire him for sound to tape conversations about the case with Paul and Billy Woods and massive TV and Press attention, they were convicted. Paul Wood was not overly concerned and said, "well, the most they can give us is 10 years and we will be out after serving one-third, about 3 years." But Steve Cowen told them - they didn't know what fate was awaiting them.

When the defendants went before Federal Judge Charles Moye they found no "normal justice." Many people say Moye is Jewish (this has not been proven) but Steve Cowen asked for the extreme maximum sentence. Moye gave Paul Wood and Kenny Davis 40 years in prison on four counts and a \$40,000 fine. Billy Wood got 20 years on two counts and a \$20,000 fine. William Deering was charged with three counts of "lying to a federal Grand Jury" and given 15 years and a \$30,000 fine.

Unjust Sentences Are Illegal

Dr. E.R. Fields personally checked into this case and found that the government can dream up and create any number of "counts" such as the above which carry either 5 years each or 10 years each and when a defendant is sentenced - THE COUNTS ARE

Negro Larry Thompson threatens Georgia Patriots

ALWAYS RUN CONCURRENTLY. This means that four separate 10 year sentences all run together at the same time for a total of 10 years.

Every assault case and civil rights case we could find along with other similar cases had all the sentences running concurrently. But this time Judge Charles Moye and U.S. prosecutor Steve Cowen decided to send a message to all the White people of America that a federal ZOG terror campaign to intimidate all White Patriots is official government policy. Moye and Cowen set the sentences, for the first time ever, to be served by these poor sacrificial defendants CONSECUTIVELY and not CONCURRENTLY as in normal cases. Thus Paul Woods and Kenny Davis must first serve 10 years in prison, and then another 10 years in prison and when they finish that they begin serving yet another 10 years in prison - on a minor offense. Cowen, Moye, Thompson and the ZOG government have effectively given the Woods brothers, Deering and Davis MANDATORY LIFE SENTENCES.

Cowen's Message To Whites

Life in prison for White Patriots to rot and die for being White, while real hardened criminals, such as murderers, rapists, drug dealers are back out on the streets within a few short years to continue their evil life of crime. This is Thompson and ZOG Black Reconstruction Rule now spread throughout America. Dr. Fields spoke with Woods right after the sentencing and he was in a state of shock. I phoned Steve Cowen and asked him if this is what he meant when he said they should be granted no bail, because they faced mandatory life sentences without parole in a horror race mixed federal prison gulag? Cowen said that when they turned themselves in they didn't know what they faced. What Cowen meant is that they should NOT HAVE SURRENDERED - THAT THEY SHOULD HAVE FOUGHT TO THE DEATH RATHER THAN SURRENDER. Just like Bob Mathews did!

What Steve Cowen's message to White Americans is, unless you want to rot in prison for life over a minor "civil rights violation" it would be better off to FIGHT AND NEVER SURRENDER! In fact Cowen intimated that this will be the federal policy for the future. Well, Cowen's warning should be well taken by all White Patriots nation-wide. J.B. Stoner turned himself in when he didn't have to because he believed in the American system of "law and equal justice" so did the Woods brothers - AND THIS EXTRAORDINARY PUNISHMENT IS THEIR REWARD!

White People Waking Up

The Atlanta Constitution, owned by billionaire Ann Cox Chambers editorially hailed the vindictive decision against Woods on Dec. 21 stating, "Judge Moye meted out the stiffest punishment possible. . . 40 years. . . Moye's sentences may seem harsh, but vigilance from our justice system will send a clear message that needs to be broadcast."

On Dec. 31, the Constitution carried a letter to the editor from Jim Smith of Summerville, Ga. He wrote: "I have yet to see in your paper any such editorials about murderers; all your editorials and political cartoonists seem to be against stiff punishment for those who kill innocent people. It appears from your editorials that it's OK to kill innocent people - don't violate their civil rights."

Yes, White Christian Patriots have gotten the Cowen, Moye, Thompson's ZOG message. White racialists are to be utterly crushed with ruthless and unusual unequal application of illegal laws. The message of these tyrants is for patriots to cease and desist all resistance to ZOG directed destruction of the Rights of the White People. If you surrender you face FBI frame up trials and punishment long beyond the intent of the law. Thus Cowen (Cohen) is stating if you do surrender and play it by their game rules you face mandatory life imprisonment without hope of parole - in other words - Cohen is sending out the message to ALL WHITE AMERICANS, if you don't like our dictatorship - then you had better FIGHT AND NO SURRENDER — — —

Negro Appointed U.S. Attorney Over Georgia

The Reagan Administration last year appointed the first negro to be U.S. Attorney over the northern half of Georgia in history. He is Larry Thompson and is in charge of all criminal cases prosecuted by the federal government. Some people have forgotten the Reconstruction Era. This was the period after the Civil War when federal troops and the Black Militia occupied our Southland. They placed Black Power rule over the White people, denying

many whites the right to vote, making Senators, Congressmen, legislators, mayors, judges, jurors, sheriffs and police out of the lawless newly freed slaves. When a fanatical, White-hating black, like Larry Thompson is taken from his home in Hannibal, Mo., and made the Chief Prosecuting U.S. Attorney for northern Georgia you know we are back under reconstruction BLACK POWER RULE AGAIN!

Make no mistake about it, Larry Thompson is no ordinary negro. He has a vicious hatred for White Segregationists and has publicly vowed to crush us — if he can. The following are quotes from an interview he gave Atlanta Constitution reporter James Alexander, Jr., on Oct. 21. Thompson stated that despite the fact that only 3% of the 1,300 cases handled by his office last year were Civil Rights cases, we treat them very seriously. . . they have a high priority. . . they are repulsive" and will be prosecuted to the limit of the law.

From the punishment being handed down in such cases as Paul Wood's trial we know the ZOG government considers a "racial crime" more serious than murder, bank robbery, drug traffic, etc. Thompson said he was especially sensitive to such cases because his grandmother, who lived in a predominantly White town, 100 miles north of St. Louis had an intense fear of being the victim of a racially motivated attack. Thompson could not think of a single incident in which his grandmother had ever been attacked. HE SIMPLY HATES WHITE SEGREGATIONISTS!

Arrogant Negro Threatens Whites

Thompson admitted there were only 3 cases in Georgia last year which he considered racially motivated. One was in Gwinnett where 4 teenagers were arrested for burning a cross in front of a home blacks had just moved into an all-White neighborhood. (The blacks quickly moved out.) Thompson said he ordered the FBI to investigate even before the local police asked for help.

He bragged about convicting three working class White youths who ran two black families out of the Chattahoochee National Park last year. The other case was that of Paul Woods which is discussed on this page. Negro Thompson said his office maintains a full time FBI Civil Rights Squad to prosecute what he called "violence and terrorism" - the way in which he describes "racist acts." This is why White Patriots are for a Third Party. We want the Reconstructionists booted out as our forefathers did between 1865 to 1870.

ZOG — "Zionist Occupation Government"

Many people have asked just what is the meaning of the term ZOG! This is the abbreviation for "Zionist Occupation Government." It does not refer to the Reagan Administration or the Walter Mondale leadership of the Democratic Party. ZOG is the power which controls both political parties. Just as "Jerusalem Post" chief correspondent Wolf Bitzer has clearly stated: "It makes no difference which political party wins the Zionist influence in Washington will remain great."

Therefore, one would have to ask what are the chief forces of ZOG. Naturally, we would have to list the Israeli government along with all-powerful Presidents Council of Major Jewish Organizations headquartered in New York City. As for the actual arms of ZOG we would next have to list the main one which guides the U.S. Government-REGARDLESS OF WHAT POLITICAL PARTY HAPPENS TO BE IN OFFICE.

We are of course referring to the American-Israel Public Affairs Committee (AIPAC) or "The Jewish Lobby." This enemy agency by law should be registered under the foreign agents act as the arm of the Jew government in our nation's capital. Next we would have to list as AIPAC's action branches coordinating the activities of every organized Jewish community in every city in America as the Anti-Defamation League whose locations are listed on this page.

To a lesser extent the arms of ZOG include the American Jewish Congress, the World Jewish Congress, the American Jewish Committee and the Zionist Organization of America. Therefore the Zionist Occupation Government are the super rich Jews whose tenacles slip in and out of the White House representing organizations listed on this page. They clearly occupy the White House and control both houses of the Congress. Of course the control is not total, there are a small handful in the House and Senate who will buck the Jews on rare occasions and a few in the State Dept. and Defense Dept., who will object BUT EVERY TIME THEY ARE SLAMMED DOWN BY THE MAIL FIST OF ZOG!

Americans can FREE themselves from the control Jews have over our daily lives and we will show you the way. The location of ZOG's vipers dens are listed below!

Watch For This Arch-Traitor

The Traitor In Room 14

The betrayal of Bob Mathews and his second in command, Gary Yarborough, was the vile act of an FBI mole named Tom Martinez. In these pages we carry Bob Mathews last will and testament to the White American people

Tom Martinez was the only man who knew Bob Mathews was at the motel in Seattle. It was Martinez who informed the FBI so that they could launch a surprise attack by some 30 agents who had orders to KILL Mathews and not allow him to be taken alive. After a short fire-fight Mathews wounded one FBI attacker and his hand was nearly shot off. The FBI was firing away wildly and in their near panic because it is so unusual for anyone to resist. The terrified FBI actually shot and wounded the motel

Tom Martinez - His name will live in infamy.

manager! Thus it was easy for Bob Mathews to simply sprint away from this trap. All Patriots should closely note what Bob says of the traitor Tom Martinez. "If it takes ten years and we have to travel to the far ends of the earth we will find him. And true to our oath when we do find him, we will remove his head from his body!"

FBI - "Delta Force" - Nerve Questioned

Photo of FBI "secret" Emergency Operation Center on 6th floor of FBI building in Washington. This world-wide operation has yet to free any of the U.S. hostages still held in Lebanon!

What Kind of People In The FBI

The caliber of FBI agents has shrunk tenfold since the days of J. Edgar Hoover. The FBI is now racially mixed with black female agents working alongside White men, Asiatics and others of inferior races are in their ranks. Actually the FBI is made up of overweight bureaucrats who absolutely do not want to fight - UNDER ANY CIRCUMSTANCES!

In case after case we have seen the FBI, ATF, and IRS agents turn and run when confronted by hard boiled men who refused to surrender. We all remember the glorified version of the FBI on the Elliott Ness TV series. "The Untouchables." Robert Stack and two other men would kick open a door, slap their subjects across the face, snap the handcuffs on, and march them away! Today these agents are not loyal to ZOG, the federal

government, or to any ideal. They are only putting in the days and hours UNTIL THEY CAN RETIRE AT HIGH PENSIONS AS YOUNG AS AGE 55!

These agents do not for a single moment want to go down in battle for a cause to which they owe no loyalty! This is why over 100 FBI and SWAT agents after a full day and a half could not capture Bob Mathews. That is why agents who tried to take Gordon Kahl, the tax protestor, ran away after their first encounter. The three who tried to crash a truck into Gary Yarborough's home took off running when he merely fired two shots into the air! Any time federal agents meet resolved resistance they will run.

This is why the Pentagon has set up the U.S. Army Delta Force of some 200 men in a "counterterrorist unit." The great fallacy in all this is that a

Beware of This Traitor

Patriots nation-wide are asked to be on guard for one of the most despicable, scummy, and treacherous men of our time. He is Tom Martinez of Philadelphia. Martinez became a Judas "pimp for hire" for the FBI. According to Washington Post writer Laura Parker of Dec. 12, Martinez "infiltrated Bob Mathews White American Bastion and provided the FBI with information linking it to three armed robberies in Seattle and northern California which netted more than \$4 million." He was the traitor in room I4 who set up Bob for an FBI assassination hit and he is the scum who revealed the location of the "safe house" on Whidbey Island.

Tom Martinez said he was able to learn the identity of some of the people in the WAB and turned them in to the FBI. Since then the rest have gone underground and amazingly enough new recruits have joined them since Bob Mathews' fiery death.

Tom Martinez would turn in anyone for money, even his own mother! The scoundrel is a rat of the very lowest order. He is comparable with the great traitors of all time from Benedict Arnold to Richard Sorge. May Tom Martinez conscience and soul never, ever, rest in peace, either in this life or in hell where he will spend eternity. Martinez is solely responsible for the murder of Bob Mathews!

hit-and-run underground army is not going to wait around until the FBI and shiftless Pentagon's Delta Force at Ft. Bragg, N.C. arrives at the point of action to pull the FBI's chestnuts out of the fire. Demoralized by race-mixing, corruption, and drugs federal agents and the military are not fit-to fight any type of battle. How would any of these forces stand up against a group of "country boys squirrel shooters" like the Greensboro, N.C. Boys. They were attacked by Jews and blacks from the Communist Workers Party in which 5 of the communists were shot dead in an open fire fight. Other communists were wounded but not one of the Greensboro boys suffered any injury at all.

Thus the federal forces are but a paper tiger and in no condition to defend this nation from any Soviet attack or from any serious uprising here at home. The entire nation's defense is a disgrace. This has ZOG worried because they can no longer depend on members of any government agency willing to personally lay down their lives defending communists or Zionists.

Stacked Federal Court Turns Down J.B. Stoner

J.B. Stoner Loses Last Appeal

Jews believe in symbolism. It was on Holocaust Day, April 20, 1983 when the Alabama Court of Appeals turned down J.B. Stoner's appeal of a conviction on a 20 year old case. Now, his final appeal to the 11th Federal Circuit Court in Atlanta, has been turned down on M.L. King's birthday, Jan. 15th. Thus the first defeat gave the Jews something to celebrate and the second gave the blacks reason to cheer.

J.B. Stoner knew what he was facing when he turned himself in, but being a lawyer by profession, he believed that justice would finally triumph. Mr. Stoner was tried on an old, obscure, bombing case in Birmingham, Ala., at a time when that city had gained the reputation of being called "Bombingham" because there were bombings nearly every weekend. Had J.B. Stoner simply practiced law or not been as outspoken in his views, **THE JEWS WOULD HAVE NEVER DEMANDED HIS TRIAL!**

How Was Panel Chosen?

Out of a possibility of 18 federal judges on the 11th Circuit Court of Appeals only three were picked to hear his appeal. There is only one black and one Jew in the 11th Federal Circuit Court. What are the odds against J.B. Stoner getting both the negro and Jewess on his panel? His lawyer, a good German named Larry Chrietzberg, sought to have negro judge Joseph Hatchett and Jewess Phyllis Kravitch excuse themselves because of inherent bias against Stoner. They refused!

Kravitch Lied Against Stoner

One of the chief points in the appeal was that the 20 year delay violated J.B. Stoner's right to the Constitutional protection of "due process" which means a trial within a reasonable time. The Jewess Kravitch personally wrote the court opinion rejecting Stoner's appeal. A key point was that the Asst. Atty. Gen. Joe Marston, for Alabama prosecuting Stoner, admitted before the three judge panel that the only reason Stoner was not tried back in 1958 was because no jury would have convicted him. He added that today "times have changed" making a conviction on circumstantial evidence easier. In her written "opinion" Kravitch declared that Stoner did not show that the prosecutors used the 20 year delay to gain "a tactical advantage" in order to obtain a conviction. **SHE FRAMED STONER BY DELIBERATELY IGNORING THEIR ADMISSION WHY THEY DELAYED FOR 20 YEARS!**

J. B. Stoner

J.B. Stoner believed in the law but those who administer the law today do not believe that Constitutional protection should apply to White people. They are reserved for blacks, Jews, etc., but not to White Christians. Here is just one more reason why White Patriots are saying "to hell with the system - we will fight for our own rights."

Since we no longer have our rights protected by the courts we will simply have to protect ourselves which is surely a much more sensible way to insure that no enemy treads under our freedoms. Our founding fathers, who wrote the U.S. Constitution, warned that despots would one day come to take away our rights for which our ancestors fought, bled and died in order that we be a free people. Over and over again they gave us the message that freedom can only be maintained through the barrel of a gun! That is why we have the right to KEEP AND BEAR ARMS.

J.B. Stoner has a parole hearing coming up in Sept., 1986. It is quite frustrating to know that all legal battles in appeal courts are a waste of time. We now demand a full pardon for J.B. Stoner. He will never be forgotten and the fight to free him one way or another will continue until the day he walks out of the Alabama prison a free man. The Jews can mark it down that sooner or later J.B. Stoner will be back and they will have to answer for his persecution.

**We Demand
A Full Pardon
For J. B. Stoner.**

Stoner Blasts Judges

By Merritt Cowart
Marietta Daily Journal Staff Writer

Avowed white supremacist J.B. Stoner of Marietta, serving time in an Alabama prison for his conviction for the 1958 bombing of a black Birmingham church, says the three-judge panel of the 11th Circuit Court of Appeals that heard his plea for release was "stacked."

"I appealed my unjust conviction, and it was heard by a stacked three-judge panel of the U.S. Court of Appeals," Stoner said. "On the 11th Circuit are 12 regular and five senior judges for a total of 17. Since there is only one Jew and one Negro on that court, it is more than unusual when both of them get on my three-judge panel."

In a letter to The Marietta Daily Journal from his prison cell at St. Clair Correctional Facility at Odenville, Ala., Stoner said he plans to petition the U.S. Congress to seek the impeachment of one of the three judges who heard his case.

Stoner, 60, also said that after serving his 10-year prison term, he plans to "move my office out of Marietta and out of the metro (Atlanta) area...."

The 11th Circuit Court on Jan. 16 rejected Stoner's argument that 19 years was too long for him to wait before he was indicted and tried on charges of bombing the church. No one was injured in the explosion on the church property, and Stoner has consistently claimed he was not in Alabama when the explosion occurred.

Stoner also claimed there was insufficient evidence to convict him, accused prosecutors of misconduct and claimed the statute of limitations was unconstitutionally applied in his case.

The appellate court said Stoner "had not carried the burden of proving intentional delay for tactical advantage" and that "his due process claims must fail."

Stoner also charges his anti-black and Jewish views were used against him at trial, but the court said that

was not grounds for a charge of prosecutorial misconduct.

"I'm innocent," said Stoner. "Any time that politicians wait over 19 years without any new evidence to accuse a person, it is obvious that the real reason for the prosecution is different from the official reason."

The two-time unsuccessful Georgia gubernatorial candidate said the three-judge panel "deprived me of my fair day in court."

"Any fair panel would have ruled for me," Stoner said.

Stoner, a former attorney who was disbarred by the Georgia Supreme Court following his conviction, charges that the two judges on the panel whom he sought to have

removed before the appeal — Judge Phyllis Kravitch and Judge Joseph Hatchett — were "too unfair and too biased against me to step aside."

"They preferred to persecute me and to trample justice under their feet," Stoner wrote.

Kravitch is Jewish; Hatchett is black.

Stoner also charges that the judges, who heard arguments in May last year, purposefully waited until the anniversary of Dr. Martin Luther King Jr.'s birthday to deny Stoner's petition so that they could "send an unfair political message to me."

Stoner said he is "working on a petition to Congress" seeking the impeachment of Kravitch.

Stoner, who is part-owner of the National States Rights Party building which was his home on Cherokee Street in Marietta, said that after his release he plans to live outside Cobb County and metro Atlanta because "it is becoming too overcrowded."

"When Atlanta becomes larger than New York City, there will only be shopping malls and skyscrapers in Marietta," Stoner wrote. "I now have a greater appreciation of freedom. That is why I will live in the rural areas where there is quiet and very little traffic. On warm nights, I look forward to sleeping under the open sky."

(Note: Article below from A. P. May 23, 1984 quotes Hatchett and Kravitch as admitting prosecution used 19 year trial delay to gain a "tactical advantage" to convict Stoner)

Trial Delay Deliberate

By David Simpson
The Associated Press

ATLANTA — An Alabama official said Tuesday that prosecutors waited 19 years to charge J.B. Stoner with the bombing of a black church because they lacked evidence,

A lawyer for Stoner told the panel of the 11th U.S. Circuit Court of Appeals that prosecutors waited for the political climate to shift against Stoner's racist views, and then tried to "cloud the minds" of jurors by making inflammatory statements about him.

When Circuit Judge Phyllis Kravitch asked if the state's delay in prosecuting Stoner was an unconstitutional attempt to gain "a tactical advantage," Marston said state authorities had hoped to find

new evidence and continued the investigation.

"I didn't see a whole lot you did," said Circuit Judge R. Lanier Anderson.

Circuit Judge Joseph Hatchett said there was enough evidence to indict Stoner in 1958, and again posed to Marston the defense contention that "what you really waited for was a more favorable climate."

Chrietzberg had filed unsuccessful motions asking Ms. Kravitch and Hatchett to remove themselves from the case because Ms. Kravitch is Jewish and Hatchett is black.

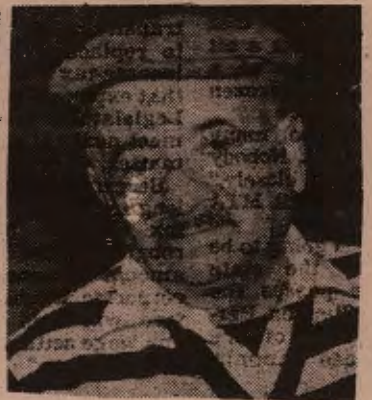

Chrietzberg argued that the delay in prosecution hurt Stoner because four alibi witnesses had died and at least one other defense witness could not be located.

News Flashes Mondale Stopped Daughter From Dating Negro

The Philadelphia Daily News, July 17, 1984, reported that Walter Mondale told his daughter Eleanor to stop dating a negro Washington Redskins tackle. He said news of their relationship would cost him not only the South but the vote of White union workers nationwide. She stopped dating him but it didn't help the far-left Mondale. While he catered to every minority and weird off beat sect he still didn't want his own daughter dating blacks.

Lillian Hellman Left Money To Reds

Lillian Hellman (Jewish writer) was one of those exposed as a communist during the McCarthy era. She fought these charges and after being "black-balled" during the 1950s was welcomed back by Hollywood. Two years ago Marxist Jane Fonda presented Miss Hellman with a special award from the Academy Awards. Miss Hellman recently died at 79 and left \$4 million to a foundation to perpetuate the Marxist political views of her late lover, author Dashiell Hammett. Los Angeles screenwriter, Jew, Peter Feibleman, will administer the estate.

David Katz says Auschwitz was safer than Brooklyn.

"Negroes Worse Than Nazis" Says Holocaust Survivor

Brooklyn tailor David Katz worked in the Auschwitz concentration camp during World War II. He says while he was able to "survive Auschwitz" he may not be able to live through the horrors of negro crime in New York. Katz, a Jew, was in his shop when seven black thugs burst in, beat him, and took his money.

It seems they were fleeing after robbing a passenger in a nearby subway station. As they ran from his shop, the police arrested the blacks. Now Katz has received calls from gang leaders threatening, "You're going to die." Katz said? "I am so scared I am crying. Nobody wants to think about dying so soon. It was safer when I lived in Auschwitz!"

White Uprising Spreads Across Nation

Signs greet Bernard Goetz, "The Subway Vigilante," as police escort him into the city reading: "Power To The Vigilante!"

"Subway Vigilante" For Mayor

Bernard Goetz's parents were both born in Germany. In Jan. 1981 he was robbed of \$1,000 in electronic equipment and beaten. He decided that this humiliation would not be repeated. Goetz sought to purchase a gun in New York because being a private businessman he carried a lot of money. This reason was rejected by the police. (Note: Jew businessmen in New York City have no problem obtaining such permits.) Thus, while on vacation to Florida, Mr. Goetz was able to purchase a legal hand gun.

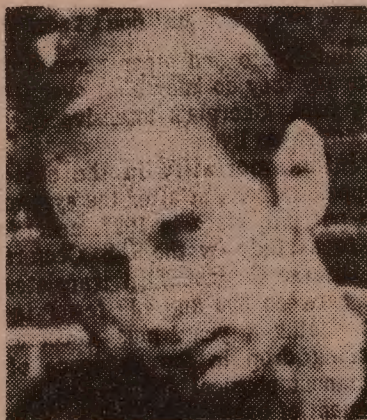

Back on the subway last month four teenage black thugs with long histories of violence approached the wrong man. They pulled sharpened screwdrivers on Goetz and demanded money. Goetz told them he had something for each of them. Standing up he

pulled a silver-plated .38 and put a bullet into each of his tormentors. Then he helped two elderly ladies to their feet and told them not be afraid. Goetz told a conductor the 4 blacks were trying to rob them. He then jumped onto the tracks and disappeared into the darkness of the subway tunnel.

"The System Must Be Maintained!"

The above quote was issued by Gov. Mario Cuomo. He criticized public support for self-protection. Why must the "system" be preserved when it is evil to the core and destroying American freedom? Cuomo said: "That vigilante spirit is dangerous and wrong." Jewish Major Ed Koch said: "This city will not tolerate vigilantism." He later stuck his finger up in the air to see what way the wind was blowing and quickly moderated that statement.

People phoned talk shows,

But the left still screamed with Daily News writer Jimmy Breslin warning, "people don't realize they are cheering pure racism - the kids were black - the shooter was White." The New York Times of Jan. 4th

ZOG System Breaking Down—People Approve "Subway Vigilante" Applaud Abortion Clinic Bombing Chicago's "Island" Kept White Bob Mathews spoke before tax strike groups as well to farmers and truckers who are financially being destroyed by the government. From these voices of protest Mathews decided the masses of our people were indeed ready to revolt. The big problem is that most do not yet realize who the real enemy actually is. Until that time arrives they will not know which specific power must be overthrown. Still Bob Mathews may well have been the man who launched our Boston Tea Party that will grow into the American Revolution.

There can be no doubt that the masses of our people are becoming fed up and want action to smash the "system" which rules our daily lives. Cases which prove this point include popular support of the following electrifying incidents. said, even though subway crime was up 3.5% with 38 reported felonies per day and despite 3,600 subway riding police unable to control blacks, "vigilantism" still cannot be tolerated.

Still the people cheered and one stated it was like the movie "Network." There a TV commentator began shouting a slogan which the masses picked up, chanting out their windows, "I'm fed up and I'm not going to take it anymore." Thus the revolt of the masses has already begun!

No. 1, Bernard Hugo Goetz, 37, the "Subway Vigilante" of New York City.

No. 2, Mathew J. Goldby who blew up 4 abortion murder clinics in Pensacola, Fla.

No. 3, The Cicero, Ill., working class people who, with aid of local police, ran a black couple out of their all-White neighborhood.

Let's take a brief look at these cases:

Holocaust Memorial Smeared

San Francisco Patriots were outraged over the unveiling of a \$500,000 statue of 10 "gassed" Jews at the Palace of the Legion of Honor art museum. The memorial was sprayed painted yellow with the words, "Is This Monstrosity Necessary?" Jewess Mayor Diane Feinstein increased police patrols in the area declaring this one of the worst crimes she had ever heard of!

Chicago Tribune writer Mike Royko on Nov. 14th wrote: "Why did this family move there in the first place? . . . I'm not going to stroll this evening on certain West and Southside streets. I might not survive because I'm White.

Whites have been shot for accidentally driving into certain dangerous black neighborhoods. These Whites don't want to lose homes they have worked a life time for. Racial integration has frightened these people because they have seen what it has done to other parts of Chicago. If you look at what has happened to other areas of town these people have reason to feel as threatened as they do.

White Fight To Keep Crime Out of Neighborhood

Chicago's "Island" Is Still White

Negro Spencer Goffer, 31, and his girlfriend Patricia Franklin, 28, moved into an apartment in the all-White Chicago suburb of Cicero. That was their big mistake. About 1 AM bricks, and bottles came flying through their windows from irate White citizens across the street. This continued until 9 AM when the couple fled the rented apartment.

This area is called "The Island" and is a crime free Cicero neighborhood surrounded by high crime all-black neighborhoods. The ethnic Italian, Polish and Irish working class people here have already been run out of other Chicago areas which were turned into black ghettos by racial integration. **THEY ARE TIRED OF RUNNING!**

Twice during the night in question Cicero police cars arrived on the scene. The bottle throwing stopped and the

Spencer Goffer and his girlfriend, Patricia Franklin, irate Whites demonstrate against FBI in front of Goffer's former apartment. Feds never could find who ran Goffer out!

police told the Whites to be "good boys" and they left. Then the active protests began with full fury again. Goffer and his mistress have left vowing never to return to Cicero. The message is out to all blacks and

it will be a long time before any try this stunt again.

Still the Zionist Occupation Government (ZOG) has demanded that this White uprising be suppressed and the White leaders of the revolt

made examples of. Thus the FBI has launched a full scale investigation - especially of the local police who did not stop the action of the Whites who simply wanted to keep their neighborhood WHITE.

The White People's Rebellion against the "system" still has a long way to go but the sparks have already been lit and the fire is beginning to glow - the end of ZOG is in sight!

Jews Are Disloyal

Jews Support Israel Not America

Massachusetts is the most left-wing state in America and this is in great measure due to the large Jew population there. Jews make up the richest and most influential element in the state. Due to their superior position Jews have become overtly contemptuous of everything that stands for America. They brazenly refuse to salute the American flag and refuse to recite the pledge of allegiance to the American flag. Two recent cases emphasize the Jews' loyalty to the State of Israel and not to America.

Jews Vote Down Pledge of Allegiance

Brookline, Mass., is a beautiful suburb of Boston which has been rapidly filling with wealthy Jews who made their money in the city. Town Meetings, dating back to colonial days, are still held in Brookline. Organized Jews attend the meetings to make up a majority because so many sleeping Christians had rather stay at home and watch the TV boob tube. Out of 55,000 residents (25% of whom are Jews) only about 250 people attend the town meetings.

The Town Meetings have always been started with the Pledge of Allegiance to the American Flag. Last December the Moderator, Carl Sapers (a Jew) decided to forego the Pledge because he said some 30 Jew holocaust survivors had objected. The Jews contended "that demanding loyalty oaths was a throwback to Nazi Germany!"

Of course, the Jews were never loyal to Germany, France, England or any country they ever lived in. They have always been loyal only to the Jewish Nation and never to their host country. Thus John Bain called for a vote on the issue. At the next meeting Jews jammed into the hall. There was heckling and shouting between the Jews and American war veterans including some in wheelchairs. Martin Rosenthal led the opposition charging that to force people to state their loyalty to the flag was a throwback to the McCarthy Era. When the vote came the Jews won and John Bain resigned his seat on the Town Meeting. The Jews won the vote but they lost the battle because this story went out over the UPI wires and now many Christians know that the Jews ARE NOT NOW NOR HAVE THEY EVER BEEN LOYAL TO AMERICA!

Jew Student Refuses To Salute Flag

Randolph, Mass., is another suburb which has been nearly taken over by rich Jews fleeing negro crime wracked Boston. Jews complain that anti-Semitism increases in any area where they move - the following explains WHY THIS IS TRUE!

Susan Shapiro, 17, a Jew student at Randolph High. At 7:45 one morning the principal played The Star Spangled Banner and all students rose except Shapiro. The rest of her class looked shocked. Then her teacher, Jean Noblin, came over and asked what the problem was. Miss Shapiro replied, "The Flag don't mean nothing. It's important to some people, but not to me!" Mrs. Noblin ordered her to stand up but the arrogant little Jewess said: "Forget it, I'm going to sit." Mrs. Noblin said, "well, you would not like it if some one spit on the Star of David, Israel's flag?" With that Shapiro was sent home.

Backed By Parents

Any Christian child guilty of such misconduct would receive a well deserved spanking, but not Susan Shapiro. Her parents applauded their daughter's insolent and un-American behavior. Her father, Gerald Shapiro, charged Mrs. Noblin with anti-Semitism for comparing this to someone spitting on the Israeli flag. He said; "We applaud our daughters actions. We raised her to think for herself and will keep her home until security arrangements are provided."

Miss Shapiro tried to return to school but was greeted with Hitler salutes and heckling. A local policeman assigned to guard

Anti-American family Susan Shapiro and her parents, Gerald and Harriett. They encouraged her to refuse to stand and pledge allegiance to the American flag.

her in the school's halls refused to walk beside her. She returned home and her mother, Harriet, said they had asked the Jew run Marxist ACLU to sue both the school and city of Randolph for "child abuse, harassment, humiliation and mental anguish." Mrs. Shapiro said any Jew who did not support them was "a coward hiding under rocks." When told Susan might lose credits and not graduate Mrs. Shapiro retorted, "I would like to see them try."

The ACLU, liberal Harvard Law School Prof. Alan Dershowitz (Jew) and even singer Joan Baez offered their support. The ACLU threatened to sue the school and the city unless they promised "protection for Susan, disciplinary action against Mrs. Noblin along with a public apology from her." In the meantime Randolph High teachers signed a letter supporting Jean Noblin and students took up a petition defending her.

Case Backfires On Jews

Jews make up 30% of Randolph's 28,000 population, having flooded in from Boston. Some do not like the effect this case has had on Christians. They know Susan has a grocery bag full of letters stating, "If you don't like it here - go back to Israel", and "Don't say Never Again, but one more time" and "It can happen here - think about that Jew." Local Rabbi Loel Weiss said the case has hurt the local Jewish community. Jew Jack Rodell warned "In a community where different ethnic groups live Miss Shapiro's actions have brought friction and animosity endangering all Jews." Susan Shapiro and her parents, Gerald and Harriet, who went on local radio talk shows glorifying their stand appeared on two national TV programs and was reported by Dan Rather on CBS-TV.

Mrs. Jean Noblin is a 30 year veteran school teacher, a former U.S. Army WAC, wife of a veteran and daughter of a brigadier general. She says that Jews have made her life miserable with threatening calls attacking her as an anti-Semite. Still this case has awakened many who thought Jews are "just like every one else - loyal to America and the Flag."

Now they are witnessing the true side of Jewry - one that owes its loyalty to Israel and the Jewish Race. Jews look at America as a way to make money and at Christians as a people to be used in their pursuit of money and power. Similar incidents will continue to arise since the Jews have boasted that they today enjoy the height of power over America. Such positions in the past (Germany, Spain and England) preceded their quick downfall. LET US PRAY THEIR END IS ONE STEP CLOSER BY THE OUTRAGEOUS ANTI-AMERICAN ACTS OF SUSAN SHAPIRO AND HER PARENTS!

Teacher Mrs. Jean Noblin has been the victim of abuse from Jews for expelling Susan Shapiro from school.

Below reprinted from Jew "ADL Bulletin", Dec., 1984 proving Tony Alamo is an Anti-Catholic Jew.

Tony Alamo spends millions spreading false stories to confuse Right-Wing Patriots.

Interestingly enough, both Tony and Susan Alamo were born Jewish, he Bernie Lazar Hoffman and she Edith Opal Horn. In a 1983 leaflet, he wrote of "we, the Jews," and "my Jewish brothers and sisters." Susan converted to Christianity as a child and was instrumental in Tony's conversion in the 1960's.

Tony Alamo has denied that he is anti-Semitic. He has written in a leaflet: "I support Israel and am dismayed by the great move of anti-Semitism in this country."

Alamo Foundation was headquartered in Arkansas, with vast holdings, a multimillion dollar edifice as its world headquarters, as many as 29 businesses in Arkansas, and property and holdings around the country. The company in Arkansas contains offices, day-care facilities, dormitories, apartments and single family residences for its members. The Foundation's net worth has been estimated at between \$25 and \$60 million.

A typical adherent was described in a 1983 People magazine article as a "confused daughter rebelling against Jewish parents" who lived in an exclusive Los Angeles neighborhood.

Spread the truth about this Jewish Anti-Catholic campaign designed as a cover-up for the real race of people who do have actual domination over the news media and Hollywood through which a never ending stream of poison is emitted.

Anti-Catholic Drive Financed By Jew

Jews Behind

Anti-Catholic Posters

Major cities across the nation have been hit with large anti-Catholic posters plastered on vacant store fronts, walls, fences, etc. Followers of Tony Alamo are traveling full time across America pasting up these posters proclaiming, "The Vatican Owns CBS, NBC, ABC, The New York Times, The Washington Post," etc. Your Thunderbolt staff has been investigating this phenomenon to try and determine just what and who is behind this campaign.

Not only are these charges

totally false but they take the heat off the race of people who really do own the above propaganda mills. Jew William Paley has controlling stock ownership in CBS, the Sarnoff family has controlling stock ownership of RCA which in turn owns NBC. Long time head of ABC is still the Jew Julian Goodman. The New York Times is owned by the Sulzberger family and the Washington Post by the Jew Meyer family.

The December issue of the Jew Anti-Defamation League Bulletin reveals that the man behind all this false propa-

ganda, designed to discredit opposition to organized Jewry, is Tony Alamo - HIMSELF A JEW!

Alamo Spends Millions

Alamo claims to be a convert to Christianity but says he is still a Jew! His Alamo Foundation owns some 29 businesses worth up to \$60 million. The Jew Alamo's barnstorming crews have thus far posted 5 million copies of his false handbills and he threatens to distribute some 45 to 50 million more - WHY! First, Alamo is trying to discredit those of us who have actual evidence of Jew control over

the news media. Secondly, he hopes to entice Catholics into joining Jews in fighting "bigotry." Thirdly, Alamo and the Jews hope to have laws adopted in America restricting freedom of speech through passage of the Genocide Treaty. Thus we would be deprived of our First Amendment Constitutional Rights to alert White Christians to the unending assault by TV and press propaganda cleverly designed to destroy Christianity and mongrelize the White Race for the establishment of a Jewish Marxist State here in America!

Canada Seeks To Ban Freedom of Speech

Four Leading Rightist Leaders On Trial

B'nai B'rith's Canadian League for Human Rights is promoting new laws to make it easier than it already is to outlaw freedom. The present law, which the Jews supported, calls for 1 year in prison and a \$5,000 fine for anyone who violates the Anti-Hate Law. Thus it is a crime to "make a normal thinking and rational person, who had no previous hatred against the group, is converted after reading it."

This law says one who "knowingly" distributes "false news is a criminal." There are four major cases in Canadian courts at this very moment in which this law is being tested. We will briefly study them. It should be noted that the Jewish B'nai B'rith's branch of the ADL has asked the Canadian Parliament to stiffen the law so that even "unintentional" distribution of "false news" would be a crime with the penalty increased to 5 years in prison and a \$10,000 fine. Nothing is said about "The Star" and "National Enquirer" which carry false news and are sold all over Canada! It has also been stated that the TRUTH of the "hate" literature does not constitute a legal defense. COULD ANY DISPOTIC LAWS IN ISRAEL OR RUSSIA BE WORSE???

Nationalist Party of Canada Raided

Dear readers we must remind you that this discussion of persecution of Patriots is taking place - not in communist Poland - but in Jewish Dominated Canada! The highest legal officer of Canada, the national Atty. Gen. Roy McMurty, ordered the police to raid the home of a leading Patriot - Don Andrews. His home serves as the headquarters for the Nationalist Party which is a legal political organization that has been on the ballot. They also raided the Britannica Printing Co., which does business with the general public and is in no way owned by Mr. Andrews or his members. The only reason for this raid was for the INTIMIDATION effect - just the way the secret police do things in Poland, Russia and Israel.

Don Andrews reports that 17 boxes of books and literature were seized. He has been charged under the Anti-Hate Law but no date for trial has been set. Andrews says Canada is in "a prelude stage to being run by thought police. The Zionist domination of our politics and a crazy immigration policy of bringing in people from all over the world rather than White Europeans is a scheme to deliberately destroy our civilization."

John Ross Taylor accused of spreading "hate" over the telephone.

The John Ross Taylor Case
Feb. 1980, John Ross Taylor, leader of Western Guard Movement, was sentenced to a year in prison for airing a telephone tape message which questioned the authenticity of the holocaust. Then in Jan. 1984 he was found guilty again over a new tape message which charged that communism was founded by the Jews Karl Marx, implemented by the Jew Leon Trotsky and in 1984 headed by the Jew Soviet Premier Yuri Andropov. All of this is factual truth but still Taylor was convicted under the "Anti-Hate Law."

Rabbi Ben Kayfetz, says Christian Patriots should not have the right to appeal cases!!!

Taylor is now appealing his conviction and his attorney, Lauren Marshall, is arguing under Canada's Human Rights Act. This is a denial of his guarantee to freedom of thought, belief, opinion and expression. Interesting enough Rabbi Ben Kayfetz of Toronto's Beth Shalom Synagogue protested even against Mr. Taylor's right to appeal. Kayfetz said the appeal, "allows the continuing of the case which is itself a loophole because the hate-mongers still are free." The Rabbi wants Patriots sent immediately to prison without the right of a judicial appeal!

Schools Under Censorship

Jim Keegstra - School Teacher on Trial

Eckville, Canada's former Mayor, Jim Keegstra, has been fired from his teaching position for spreading "false news" among students. His lawyer went to court seeking dismissal of the charges under the anti-hate law because they abridge freedom. Judge F. H. Quigley ruled on Nov. 6 that "the Constitution does not guarantee absolute freedom, but rather allows reasonable limits to freedom."

Thus, just as in the countries behind the Iron Curtain and in Israel - criticism of the Jews is not protected by any so-called guaranteed freedoms! It is charged that Keegstra told his students the highly promoted "Diary of Ann Frank" was a hoax. (Note: the diary is supposed to have been written by a young Jewish girl during World War II in Holland. The problem is that it was written with a ball point pen - which was not invented until after the war!)

Among other things Keegstra dared to question the holocaust, said Pres. Roosevelt was a "dupe of Zionism," and the Jews use their money power to influence elected officials and entire nations. How can anyone deny the validity of these truths? Still Jim Keegstra will go on trial this April charged with violating the tyrannical Anti-Hate Laws.

Jim Keegstra, his academic freedom threatened.

Mr. Keegstra, like John Ross Taylor, is undaunted and has gone before the Canadian people defending his right to express his views as a FREE MAN. Addressing supporters carrying signs declaring, "Keegstra Is Being Crucified - Who's Next", and "The Government Is Run By Jews", Keegstra stated: "I expected the judge to order a trial, but this will be by a jury, which is good. I've always believed in the jury system because there's safety in numbers. I would much rather my fate be in the hands of the common citizen who is my peer than in the hands of one of these biased judges!" GOOD LUCK JIM!

Ernest Zundel Attacked By JDL

Ernest Zundel publishes literature which circulates worldwide defending the German people from slanders issued by Jews as well as exposing the holocaust hoax. In fact, one of the two Anti-Hate charges against him is distribution of the book, "Did Six Million Really Die?"

Organized Jewry has paraded Jew survivor after survivor across the witness stand. Christie has over and over again been able to show they have lied about their claims to have witnessed any gassings of Jews. In fact several professional holocaust survivors have been forced to admit that their stories are false! This has all been quite

Ernest Zundel, left in white jacket surrounded by bodyguards after JDL attack on first day of trial. At right, wearing sun glasses, is Nationalist Party Leader Don Andrews—always ready to fight the enemy!

Ernest Zundel, 46, is a commercial artist, with a large personal following. On the first day of his trial he was attacked by 25 members of the Jewish Defense League (JDL), his 15 supporters, wearing hard hats, fought them off and 4 Jews were arrested. Since then the Jews have kept a safe distance from Zundel as he enters the courtroom.

The trial has been going on for three weeks at press time and is expected to continue on for yet another month. Thus far Zundel's brilliant lawyer, Doug Christie, (who is also defending Jim Keegstra), has turned the trial into a challenge against the holocaust advocates.

embarrassing to the Jews but from the articles reproduced on this page you can see that if the jury is honest they will come in with a verdict clearing Zundel and declaring the outrageous holocaust a gigantic hoax. Remember the real "blackjack" the Jews hold over the heads of Christians in demanding more and more aid for Israel and support of their 18 year occupation of the Arab West Bank of Palestine is that they are the poor, persecuted, victims of a holocaust. Once this myth is debunked they will be stripped of their chief lever used to blackmail this nation out of billions and billions of dollars in so-called "foreign aid."

Holocaust Never Proven By Science

Holocaust expert Dr. Raul Hilberg yesterday conceded no scientific study or autopsy has ever been done to prove the existence of Nazi gas chambers.

Hilberg also said an American judge's report that 137 Germans had been kicked in the testicles "beyond repair" to extract confessions of killing Jews may be true.

"One is hard put to say something did not happen," Hilberg told defence counsel Doug Christie, of Victoria, B.C.

Christie read aloud a *Washington Daily News* article quoting U.S. Judge Edward van Roden, one of three members of the Simpson Army Commission which was appointed to investigate the methods of justice at the Dachau trials.

"The investigators would put a black hood over the accused's head and then punch him in the face with brass knuckles, kick him and beat him with rubber hoses," it said.

"All but two of the Germans in the 139 cases we investigated, had been kicked in the testicles beyond repair. This was standard operating procedure with our American investigators."

Christie suggested that confessions extracted by torture lacked credibility.

(From Toronto Sun, Jan. 24, 1985—

Holocaust Expert "Invented" Gassings

A concentration camp survivor yesterday admitted he never witnessed anybody being gassed to death and his book about Auschwitz-Birkenau is only "an artistic picture . . . not a document for a court."

Rudolf Vrba, now an assistant professor at the University of B.C., told the Ernst Zundel trial that his written and pictorial descriptions of the Auschwitz crematoria and gas chambers are based on "what I heard it might look like."

FBI Ignores Jew Terrorist Attacks

FBI Does Not Investigate Jew Terrorists

The Jewish Defense League (JDL) has been waging a campaign of terror against the Los Angeles area based Institute for Historical Review for the past 5 years. They have picketed the IHR Torrance, Calif., office, threatening employees, slashing tires, and phoning death threats. They have carried signs proclaiming, "We Will Kill Nazi Pigs", "Next Time You Die", "We Watch You Every Day", etc., etc. Neither the police nor the FBI are the least bit interested.

Irv Rubin-JDL Terrorist

July 4, 1984, American Independence Day, saw the Institute's office burned to the ground by the JDL. Over \$400,000 in books, typesetting equipment, typewriters, office furniture, supplies, etc. was destroyed. Irv Rubin, JDL officer, held a press conference stating how happy he was. This Jew terrorist has been arrested for all sorts of offenses, 22 times, and brags he has never spent a day in jail.

FBI and police protection for Christian Patriots no longer exists in Jew run areas and this includes entire states and all major U.S. cities. The criminals guilty of this arson crime are well known to the police but the authorities side with the Jews who as God's "self-chosen people" can do no wrong. Tom Marcellus, IHR director, says they have been the victims of such attacks because they dare to tell the truth about the greatest HOAX in world history — that the Germans never killed 6 million Jews during W.W.II.

This was not the first attack upon the IHR office but the third. All were reported to the police but no serious investigation was ever begun. Besides Irv Rubin, his sidekick, Mark Levy is also a suspect in these attacks. The IHR has offered a \$50,000 reward for the apprehension of those responsible for these crimes. With the FBI now more concerned with protecting Jew Leaders of ZOG, individual JDL Jews, believe they can attack Gentiles with impunity.

Senn Fein (meaning "Our-selves Alone") certainly applies to such cases. Only WE can protect our own kind from alien attack. Let the JDL and their fellow-travelers be on notice that a new day has arrived. No longer will White Patriots be pushed around, persecuted, tormented, harassed, and attacked. From now on it shall be an all new game - if we are attacked - WE WILL FIGHT AND NO QUARTER WILL BE GIVEN!

Thousands of Patriotic books burned in IHR fire cheered by JDL.

Tom Marcellus of the IHR surveys total destruction of their office equipment.

Rabbi Meir Kahane, founder of the JDL, writes in his book, *The Story of the JDL*, "If an American Nazi party leader poses a clear and present danger to American Jews, then not to assassinate such a person would be one of the most immoral courses I could imagine."

Shall we listen to the Rabbi or repeat the same mistakes our people made 40 years ago?

The need for a Jewish underground, headed and run not by amateurs but rather by professionals, is now.

So I state emphatically, the JDL is not an "underground." It is an "aboveground" organization, an activist, ideological movement which operates in full view of the public and police. Militant and sometimes violent? Yes, in the defense of Jews. Militant and sometimes violent? Yes, we take after Moses, King David, Bar Kochba, Jabotinsky and Dayan.

But a void, a gap needs to be filled within the complex make-up of the American Jewish community today. As I stated above, what is needed is a secret, underground strike-force which will eliminate those individuals that threaten our very existence. The time is long overdue for the birth of such a group.

Don't Double Israeli Aid

By
Patrick Buchanan
Syndicated columnist

WASHINGTON — For calendar year 1985, Israel has requested of the Reagan administration a virtual doubling of foreign aid — up to between \$5,000 and \$8,000 for every family in Israel.

In our own national interest, and Israel's as well, the United States should say no.

Eighteen months ago, when this writer last spent a week in Israel, inflation was galloping at 100 percent; this October it was running at an annual rate in excess of 1,200 percent. Then, Israel's foreign debt was already among the highest in the world, three times per capita the size of Argentina's debt, five times as large as oil-rich Mexico's. As Israel's current trade deficit is still running close to \$5 billion annually, that debt has since expanded.

Israel, in short, is in a horrendous and deepening economic crisis. Over extended economically and geographically, she is living far beyond her means. The new coalition has refused to address the crisis with the urgency it deserves; and the United States will do its friend no favor by shipping off fresh billions of tax dollars that will only postpone Israel's overdue rendezvous with reality.

But the principal cause of Israel's economic crisis may be summed up in a single word; socialism.

"We are the most socialist nation this side of the Iron Curtain," free marketer Ezra Zohr told me 18 months ago, "Our major problem is this socialist state which drives Jews from Israel."

The degree of state intervention and control of the economy is almost beyond the imagination of an American citizen. Income taxes escalate rapidly to 60 percent. Everything from housing to farming is dependent upon the political favor of the ruling powers. From food to gasoline, it seems everything is subsidized. Wages are indexed for inflation, as are savings accounts; the government simply prints the shekels necessary to cover the national deficit. The Israeli currency rivals the Argentina peso as the most worthless in the world.

The coalition government of Labor and Likud had pledged to impose austerity before coming to the U.S. for increased aid. It has barely made an effort. Some \$400 million, or 1.6 percent, has been cut from the national budget, while the U.S. is being asked to provide, in outright grants in calendar 1985, a sum 12 times as large.

Given Israel's political clout in Congress, conceivably she may end-run the Reagan administration, and win the near \$5 billion in aid the White House is unwilling to budget. However, at a time when U.S. farmers, students and government workers are being asked to take cuts in subsidies, a doubling of Israel's aid would likely be a Pyrrhic victory, drawing down capital far more precious than money — i.e. the goodwill Israel enjoys among the American people.

Needed — A Jewish Underground

By Brett Becker, JDL National Director

The following paragraphs will shock many. In fact, I can just imagine our so-called Jewish leaders and do-nothing synagogue Rabbis squirming in their cushioned chairs behind their monstrous desks in their luxurious offices saying, "My G-d, what will the non-Jews say?" as they read what I have written.

Yet I feel it is in the best interest of the American Jewish community that someone promote the idea of the vital necessity of having a modern day LECHI quietly and professionally eliminate those modern day Hitlers who are becoming an ever increasing threat to our very existence.

I believe what is needed for our survival in America is the establishment of a secret, Jewish strike-force: an underground, that will quietly and professionally eliminate those Jew-haters that are both a threat and a danger to our existence. It should be led by sane individuals who realize that such a group would not have an office or a phone and not even take credit for their actions. To do what must be done yet say nothing.

Does Israel not eliminate those PLO leaders it considers dangerous? Does Israel, being the only Jewish State, act as the guardian of world Jewry when it refuses to eliminate those haters who pose a threat not to Israeli Jews, but to American or British Jewry. Or does Israel shirk responsibility?

Let us remember what Isser Harel, head of the Israeli Secret Service until 1963 and mastermind of the Eichmann kidnapping said regarding Adolf Hitler: "Had there been an Israeli Secret Service when Hitler came to power, I would have sent a commando to assassinate him." Can anyone not agree this is what should have been done? Think how history would have been written today. Think of how many millions could have been spared the agony of World War II. Imagine how many Jews could have been saved.

MEMBERSHIP APPLICATION

I am a loyal, White Christian American citizen who believes in the Preservation of the White Race and hereby apply for membership in the National States Rights Party. Upon my word of honor, I pledge my loyalty to this political party and its great patriotic principles and I will never betray same. I support the party platform which calls for the U.S. Congress to limit immigration to White Christians only, Segregation of the Races, for America First, and the elimination of all job quotas and preferential hiring which discriminates against White workers.

RESTORE WHITE PEOPLE'S RIGHTS

I oppose the twin evils of Communism and Zionism which are both Jewish dominated movements aimed at the enslavement of the White Christian Western World. We urge the use of the U.S. Army to protect and defend America's borders from the present onslaught invasion by Third World peoples who now threaten to over-run our land and destroy our standard of living. We oppose the movement of industry out of America to backward foreign nations for cheap labor which costs U.S. workers their jobs. We favor an end to all foreign aid to Israel and stiff trade protection laws to stop any and all imports which compete with U.S. produced goods that results in the loss of any jobs for our people.

I believe that I can best serve my Race and Nation by becoming an active member of this great political party.

Cut Aid To Isreal Not Social Security

American farmers are losing their farms to the IRS and to the banks and student's loans are cut. Now the cost of living increases for citizens on Social Security are to be cut to save the government \$6 million. **AT THE SAME TIME FOREIGN AID TO ISRAEL IS TO BE NEARLY DOUBLED!**

Even the U.S. Defense Dept., is facing budget cuts, but only one program is going to be drastically increased and that is aid to Israel. The Jews want \$4 billion this year - up from \$2.6 billion last year. All will be in grants, in other words, FREE GIFTS, which do not have to be repaid. **IF WE CUT AID TO ISRAEL THERE WOULD BE NO NEED TO CUT SOCIAL SECURITY!**

The time has come for Americans to take a stand on this issue. The ZOG Israeli Lobby has too much power in Washington. Our cringing cowardly politicians are, as the Bible says, running "In Fear Of The Jews."

Why should America suffer just because Jews are parasites and want only to work other people and remain in the temple as the eternal money changers. Parasites cannot live off other parasites just as money-changers cannot live off other money-changers. Israel is a dead state which cannot exist and cannot continue the enslavement of over 1 million innocent Arabs on the West Bank without American taxpayers' dollars. **LET'S CUT OFF THEIR MONEY!**

Remember, the U.S. foreign aid program is now \$12 billion per year for the entire world and the Jews want one-fourth! Just think, a tiny nation smaller than New Jersey wants more foreign aid money than Africa and South America combined. Write your Senator, % Senate Office Bldg., Washington, D.C. or your Congressman, % House Office Bldg., Washington, D.C. to **CUT OUT AID TO ISRAEL!**

By WOLF BLITZER

Jerusalem Post Correspondent
WASHINGTON. — Israeli officials were somewhat embarrassed last week by the publication in *The Wall Street Journal* of Israel's \$12 billion request for U.S. economic and military aid over the next three years.

Details of the record Israeli request have been published in Israel in recent weeks, but disclosure in a major American newspaper — at this time of intensive pressures to cut the U.S. federal budget — was seen as embarrassing to Israel.

The *Journal*, like several Israeli newspapers, had obtained the confidential 80-page Israeli "white paper" on aid submitted in December to the Reagan administration. The newspaper said the three-year request "will stir controversy in this budget-cutting year and could aggravate U.S. relations with Egypt."

Israel is seeking \$4.1b. in economic and military grants for the 1986 fiscal year, which begins on October 1, 1985. In the "white paper," Israel projected a similar need for the 1987 and 1988 fiscal years. Thus, the total projected needs come to over \$12b.
