

# Jews Pressure U.S. To Stop Spy Investigation

## Jew Spy Ring Global In Size

The Los Angeles Times reports that a high U.S. official reported: "The Israelis lied to us. This was no small-time rogue operation it was much more systematic than that. This was a very expensive operation."

It has been reported that two more Jews beside Jonathan Pollard will be indicted for spying against America. One is Israeli Air Force Brig. Gen Aviam "Avi" Sella. He was spying while fronting as a graduate student attending New York University. While Israel's Prime Minister Peres was claiming his government was "fully cooperating" with the U.S. they never mentioned Sella's name. IT WAS SELLA WHO FIRST RECRUITED POLLARD INTO THE JEWISH SPY RING AND WAS HIS MASTER CASE OFFICER.

## Mystery Spy Discovered

Now we learn that a millionaire professional Jew fundraiser will also be indicted along with Sella and Pollard!

Other non-indicted conspirators are Israeli Embassy MOSSAD spies Joseph Yagur and Irit Erb. The head of the spy ring in Israel is Rafi Eitan. We have been informed that U.S. military secrets, stolen by Israel, were turned over to our enemy IRAN! Not only that, but Israel has long been supplying Iran secretly and illegally with U.S. arms and spare parts even during the days when our hostages were held in Tehran. The Jews want to use Iran to defeat their long time enemy Iraq and then use the Ayatollah's religious fanatics to undermine and destabilize other Arab states just as the Jews have wrecked and destabilized Lebanon! Their plan of destruction in the Middle East is based upon the archaic rule of DIVIDE AND CONQUER!

## Want FBI Muzzled

The Jerusalem Post of June 21 reports that Jewish leaders asked Atty. Gen. Edwin Meese to stop the damaging leaks about the Pollard case. Meese quickly ordered the FBI Justice Dept., and the U.S. Attorney's Office in Washington to, stop the anti-Israeli leaks because they are straining American-Israeli relations.

Evans-Novak columnists reported that State Dept. lawyer, Jew Abraham Sofaer

## Jew Leaders Want Investigation Stopped

FBI Chief William Webster told reporters, "Israel has only given selective cooperation, this has been disappointing." Others leaked to the press the magnitude of this massive spy operation.

Shimon Peres

Israeli Prime Minister Peres sought to limit the damage stating, "This is an attempt to foul the atmosphere between Israel and the U.S."

## Fundraiser Is "The Third Man" Spy

(Below reproduced from "Jerusalem Post" 6/28/86)

### Fundraiser tied to Pollard

By WOLF BLITZER

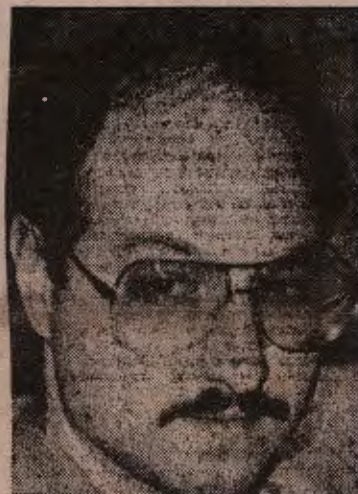

WASHINGTON. - An American Jewish fundraiser is believed to have introduced spy Jonathan Jay Pollard to Israeli Air Force Brigadier-General Aviam Sella, charged by the U.S. Justice Department with being Pollard's initial "handler."

The fundraiser, whose identity is known to U.S. prosecutors, is expected to be formally indicted by the Justice Department in the near future, authoritative sources told *The Jerusalem Post* last week. They did not reveal his name or the Jewish organization for which he works.

The U.S. indictment of Pollard charged that the former U.S. naval intelligence analyst, "in preparation for the unlawful conduct described herein, told an associate, whose identity is known to the grand jury, of Pollard's interest in meeting with an Israeli military officer, an acquaintance of the associate."

As a result of that conversation, the indictment continued, Pollard's "associate" arranged for Sella and Pollard to meet.

There was no mention in the *Times* of an indictment of the unnamed American "associate," but *The Post* was told that both men were now virtually certain of facing charges.

## Pollard Promised \$600,000!

### Big Money Operation

Jonathan Pollard, a Jew aged 31, infiltrated U.S. Naval Intelligence as an "analysis." Pollard said his particular spy operation was to last 10 years at a cost of \$600,000 (paid for by U.S. taxpayers.) He personally had received \$45,000 already and \$10,000 for a luxury trip to Paris to meet with Israeli intelligence officers. He also

took trips to Israel for similar strategy conferences.

Pollard turned over stacks of Top Secret U.S. Naval Intelligence documents every two weeks at clandestine meetings held in Washington with Jews working in the Israeli Embassy. The material included our Sixth Fleet Military Code, missile plans, satellite photographs and data on Arab countries friendly to

### Jew Fundraiser To Be Indicted

The Jerusalem Post of June 20 has announced that two more Jews will be indicted by a Federal Grand Jury in Washington for spying. One is Israeli Air Force Brig. Gen. Aviam Sella. The "third Man" will be a prominent millionaire fundraiser for a large and powerful national Jewish organization.

As of this writing this news has been suppressed by the daily press in the U.S. The Jerusalem Post often acts as a voice for the Jewish government. It has a worldwide circulation and warns Jews in advance of pending crisis. They announced four weeks before the election in Austria that Waldheim would win.

The indictment of the Jewish fundraiser may be handed down by the time you receive this newspaper but we are still the first American publication to announce this sensational news. We will do an indepth report on both the individual and the organization he works for as soon as it can be compiled. The Jewish spy scandal is now reaching the point of importance of the Rosenberg - Gold spy ring which was also all-Jewish. In that case Jews stole our Atomic Bomb secrets for Russia.

the U.S. Pollard confessed that the work of the Jewish spy ring "spans the globe!"

Rafael Eitan promised Pollard that he would only have to be a spy for 10 years and then could retire for life as a rich man in Israel. They told him \$30,000 a year would be put aside for him

# Kalb Tries To Overrule Top Officials

# Kalb Absolves Israeli Leaders

## Does Bernard Kalb Run U.S. Government?

Bernard Kalb is the Jewish "spokesman" for the State Department. He has issued a public statement clearing Israeli leaders of any responsibility in the Pollard spy case! Kalb even thanked his fellow Jews in Israel for all their help in the case and actually declared this made the successful prosecution of Pollard possible! What utter nonsense and double-talk!

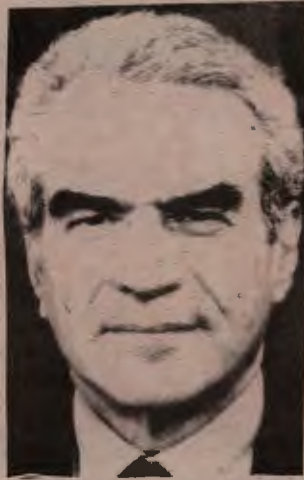

U.S. Atty Gen. Edwin Meese then stated that Kalb's remarks had not been approved. FBI Chief William Webster has accused Jew leaders of a coverup by only giving "selective cooperation" Kalb even had the "chutzpah", (Hebrew for unmitigated gall) to criticize Webster declaring,

"The U.S. position, as I have just set it forth, reflects the view of all elements of the administration." He then inferred that FBI Chief Webster's remarks are "uninformed and carry no weight."

## WHY DOESN'T REAGAN FIRE THIS ARROGANT KALB?

Does Bernard Kalb control the U.S. Government or do Reagan, George Shultz, Edwin Meese, etc?

Kalb does not sit in the President's Cabinet yet the way he speaks for the "U.S. position" and everyone else is way out of line if they counter the official Jew line from Tel Aviv! THE TIME HAS COME TO CLEAN HOUSE IN WASHINGTON OF BOTH JEW SPIES AND THEIR APOLOGISTS."

Bernard Kalb is guilty of a coverup for Jewish spy rings.

Israeli Gen. Bar-Amin handcuffs under arrest. He was the No. 2 officer in charge of Israel's brutal 1982 invasion of Lebanon.

Rabbi In Charge of Arms Deal Money

Also held in Bermuda: brothers Israel and Guri Eisenberg, owners of an Israeli company the USA charges tried to sell \$800 million in arms.

In Israel, Rabbi Yitzhak Hebroni, named but not yet arrested as treasurer of the company, denied any wrongdoing Sunday in an interview with Israeli radio.

"I'm just the money man," he said, "I have no connection with trade in weapons."

WASHINGTON (JTA) — The Departments of State and Justice are engaging in an increasingly public dispute over the extent of Israeli espionage activities in the United States.

State Department spokesman Bernard Kalb said his agency was standing by a statement delivered in the name of "all elements of the administration," asserting that Israel has cooperated in the Pollard investigation and that the United States has no evidence that Pollard was part of an extensive Israeli spying operation.

Justice Department spokesman Patrick Korten, however, denied that Attorney General Edwin Meese III had approved the statement, maintaining that his agency would never comment on the details of an ongoing investigation.

At the same time, officials were said to be standing by their off-the-record suggestions that there was evidence of a wider operation authorized by the Israeli government.

The statement by the State Department came in apparent response to Israeli anger over assertions to the press by unidentified Justice Department officials that the espionage activities of Jonathan Jay Pollard, who pleaded guilty recently to conspiring to sell state secrets to Israel, amounted to more than the "rogue" operation which the Israeli government has claimed them to be.

In addition, William Webster, head of the Federal Bureau of Investigation, was quoted as accus-

ing Israel of "selective cooperation" in the Pollard investigation.

In his statement, Kalb also commended Israel for assurances that it was not engaging in any spying activity against this country and for its renewed pledge to cooperate fully with the investigation.

"We also wish to note that the indictment and successful prosecution was made possible through the cooperation of the government of Israel," Kalb said. Asked about Webster's comment, he maintained that "Israel has cooperated in accordance with the terms of its agreement with the Department of Justice." He obliquely criticized both the Justice Department leaders and Webster for their remarks to the press.

"The U.S. position, as I have just set it forth, reflects the view of all elements of the administration," Kalb said, adding that "quotes from unidentified sources are entitled to no weight, and these and other uninformed statements do not represent the administration's views."

Israeli Prime Minister Shimon Peres accused elements in the Reagan administration of attempting to "foul up the atmosphere" with suggestions that Israel has engaged in extensive spying here.

Kalb has said the United States "has no evidence of any espionage ring involving Israeli officials other than the ones described in the indictment" of Pollard and his wife, Anne-Henderson Pollard, charged as an accessory.

(Below from press dispatches)

The retired Israeli general arrested for allegedly conspiring to sell \$2 billion in American weapons to Iran said yesterday that Israel's defense establishment knew of his actions, and he threatened to cooperate with U.S. authorities unless his country intercedes.

The Associated Press reported from Jerusalem that the daily newspaper Davar reached Bar-Am by telephone in Bermuda, where he is in custody. "The defense establishment knows about this group, of which I was an adviser," Davar quoted Bar-Am as saying. "And if the state of Israel does not help us, I won't sit here for a month for nothing. I'll give myself up to the United States."

United Press International quoted Bar-Am as saying on Israeli radio: "What we tried to sell was the state's equipment. Let's say there are many people involved in this deal, and in all of this we are only a small part." The broadcast said Bar-Am had a letter from Defense Minister Yitzhak Rabin autho-

rizing him to engage in arms sales but not specifically permitting sales to Iran.

The Israeli Embassy here was closed yesterday for the Passover holiday, and diplomatic officials could not be reached for comment. Embassy spokesman Yossi Gal said Tuesday, "The government of Israel has no connection or involvement with the matter."

The schemes, as described in court papers in New York, included five separate conspiracies, one involving the planned sale of \$800 million worth of American missiles, helicopters, tanks and fighter jets that have been delivered to Israel.

Meanwhile, U.S. law enforcement sources maintained that there was circumstantial evidence that the Israeli government may have known of the plot.

The sources said the defendants involved in the Israeli end of the conspiracy told undercover agents that "Israeli agents" advised them "not to enter the United States because it [the conspiracy] was illegal." Also, the sources said, the defendants claimed that they had used the Israeli intelligence service Mossad to check the backgrounds of some of the other conspirators.

One official added that the defendants could not have sold Israeli-owned arms without the government's knowledge. "It's impossible to plan to take that volume and ship it to Iran without someone in authority knowing," he said.

The court documents charge that one of the conspiracies involved Israelis Guri Eisenberg and Israel Eisenberg who planned to ship arms to Iran through their firm, B.I.T. Co. Ltd., based in Israel.

# Atomic Bomb Theft Solved

## Jew Spy Chief Directed Stealing of U.S. Uranium

Israel's espionage chief Rafael Eitan, who was in charge of Pollard's spy activities, is responsible for stealing a total of 793 pounds of U. S. Uranium. This information has been released by the "Washington Times" of June 17th. The Times reports that Eitan traveled to the Apollo, Pa., nuclear weapons plant in 1968, when the

Uranium disappeared. He visited his fellow Jew Zalman Shapiro who ran the facility.

The FBI investigated the disappearance for 15 years and only now do we know exactly who stole it. Security clearance for top secret projects should automatically exclude Jews because they simply are not loyal to America. THEY ARE LOYAL TO ISRAEL - FIRST - LAST - ALWAYS!

(Below reproduced from Jewish Post 10/16/85)

## Israel selling arms to Iran

Israel is continuing to supply Iran with arms, according to a report in a London-based newspaper, the Observer. The report states that Israel began supplying arms to Iran covertly and through third parties shortly after the beginning of the five-year-old Gulf war between Iran and Iraq. Details are given of the mysterious landing of a DC-8 aircraft at Ben-Gurion Airport recently, which the Observer report says flew from the U.S. to Israel and then on to Iran. There it is said to have unloaded its cargo of U.S.-made Hawk anti-aircraft missiles before returning to Israel. Arms trade dealers said that the Hawks were sold to Israel and then resold to Iran at twice the price.

# \$600,000 For Pollard

in a Swiss bank in the name of Danny Cohen. Eitan showed him a forged passport already prepared under his future name of Danny Cohen. He would be made a citizen of Israel to live a life of ease in a beach front house near Tel Aviv. While this savings built up, including interest, he would also receive \$2,500 a month while working inside U.S. Navy Intelligence.

The \$30,000 a year in the Swiss bank for 10 years comes to \$300,000 not including interest providing a handsome individual retirement account nest egg for a "retired spy." He also was to receive \$2,500 a month for 10 years while working as a spy for a grand total of \$600,000 courtesy of the poor, unknowing U.S. taxpayers.

# Sen. Specter Threatens Aid To Egypt

Pennsylvania's Jew Sen. Arlen Specter feels his senate seat is so secure that he had the nerve to threaten Egypt with a cut-off of aid if they didn't send their Ambassador back to Tel Aviv. Israel has refused to give Egypt the Taba resort area on the Dead Sea which they had

promised to return as part of their withdrawal from the Sinai Desert as agreed to in the Begin-Carter-Sadat Camp David Accord.

In the past Egypt received all its aid from Saudi Arabia. We got stuck with the bill when the Camp David agreement took Egypt out of the Arab orbit!

## Specter puts Egypt on notice

WASHINGTON (JTA)—Sen. Arlen Specter (R-Pa.) has put Egypt on notice that as a member of the Senate Appropriations Committee's Foreign Operations Subcommittee he will urge his colleagues not to approve any "substantial aid" for Egypt until it sends its ambassador back to Israel.

Specter made this warning directly to Egyptian Foreign Minister Esmat Abdel Meguid when Meguid met with the Senate Foreign Relations Committee last week.

Sen. Arlen Specter, runs as a Republican but is really a Marxist Democrat. He is for abortion, against school prayer and the balanced budget amendment!

# Enormous Growth of Jewish PACs Frightens Politicians

Sen. Robert Kasten says "Skys The Limit" on aid to Israel.

Sen. Bob Kasten received more money from Jewish PACs than any other Senator. He and Specter are two "Republicans" who richly deserve defeat in November!

## Power of The Jewish PACs

No one knows exactly how many Jewish Political Action Committees exist in America. None use names relating to Israel. "Jewish Week" of June 6th carried an article by Herz Strick secretary of the "Kings PACs" in Brooklyn. He says there are some 600 Jewish PACs. A PAC allows such an organized group to contribute as much as \$5,000 to any individual candidate for political office.

Theoretically all of these Jew PACs could give \$5,000 times 600 (or \$3 million to a single candidate). This has not yet occurred but huge sums running into the hundreds of thousands of dollars have been given to elect AIPAC stooges. The chief recipients are Senators Kasten, Specter and Cranston.

## Power of Jewish Lobby

Richard Lessner

Editorial Writer  
The Arizona Republic

### The Jewish lobby.

Critics attack its influence, its demonstrated ability to defeat or elect congressmen and senators, and to "deliver" the vote for the state of Israel.

Defenders deny America's Jews have unusual political influence, and scoff at the idea that there is even such a thing as "the Jewish lobby." Besides, they argue, any Jewish power in the nation's capital is blunted by the influence of 22 Arab embassies with their almost unlimited petro-dollars.

Despite disclaimers regarding the power and influence of the lobby on behalf of the Jewish state, the American Israel Public Affairs Committee is arguably the most effective lobby inside the Washington beltway. AIPAC's executive director, Tom Dine, regularly shows up on lists of the 100 most influential people in the capital.

The Arizona chapter of AIPAC held a day-long political action workshop Sunday at Phoenix's Embassy Suites Hotel. Dine was on hand from Washington along with Ralph Nurnberger, one of AIPAC's legislative liasons (read, lobbyist) and Marshall Brachman, AIPAC Southwest regional chairman and Texas political high-roller.

Along with workshops (which I was politely, but firmly, told were strictly off the record) on how to deal with the media, how to organize politically, enlist candidates for the pro-Israel cause and lobby on the state and national level, a parade of politicians and Washington hopefuls showed up to stroke AIPAC support.

On hand were Gov. Bruce Babbitt (who coyly suggested Israel annex the occupied West Bank which throughout he referred to as "Judea and Samaria"); Sen. Dennis DeConcini (who praised Israel's invasion of Lebanon, held Yasser Arafat responsible for all Arab terrorism and said arms sales to any Arab nation represent a

breakdown in U.S.-Israel relations); and Rep. John McCain (who said he was proud of AIPAC's past and future financial support).

You couldn't swing a cat in the hallways without striking a congressional would-be. By the time the primaries roll around, every Arizona candidate for Congress will have been taken to Israel for an AIPAC dog-and-pony show.

One candidate for John McCain's seat had just returned from a junket and was fairly bursting with effusive praise for Israel. In five days there, the only Arab the candidate managed to talk to was the Jerusalem correspondent for *Time* magazine.

A senatorial candidate from Georgia (Georgia?) turned up to accept praise from the podium for his staunchly pro-Israel voting record in the House.

While publicly denying the power of the Jewish lobby, in private AIPACers boast of the "bad" senators and congressmen they "got."

Despite its oil money, what the Arab lobby doesn't have that the Jewish lobby does, is a grass-roots political organization, and in American politics that is what counts. Pro-Israel activists are rabid single-issue advocates. The strategy: to support with dollars, volunteer labor and the vote any and all candidates — Republicans, Democrats, liberals, conservatives, right, left and center. All that matters is that the candidate "deliver" the vote in Congress for Israel. By supporting all candidates at the primary level, that vote is assured. In the world of PAC money it is a form of political prostitution.

AIPAC's underlying assumption is that the interests of Israel and the interests of the United States are identical. To suggest otherwise or advocate a balanced Mideast policy is to risk vigorous AIPAC opposition. When a proposed tax on imported oil was discussed, the debate focused solely on how it would benefit Israel strategically, not on how it would impact the U.S. economy.

It is, however, dangerous to uniformly identify the interests of a foreign country, any country, with American interests.

## Jew PACs Undermine Electoral System

### Lessner Says Jew Lobby Controls Congress

On this page we reproduce an important article from the "Arizona Republic" written by Richard Lessner. He says the Jewish Lobby American-Israel Public Affairs Committee (AIPAC) has the power to elect or defeat Senators and Congressmen. Jews cite Former Sen Charles Percy and Rep. Paul Fendley as examples of who they selectively defeated.

Lessner said AIPAC head Thomas Dine (Jew) is one of the 100 most influential people in Washington. He courageously calls politicians who surrender to the Jewish Lobby "political prostitutes." The big problem is that the daily press suppresses news that the Jewish Lobby even exists. Therefore Christians are unable to vote against the stooges of the lobby. You can help break through this iron curtain by purchasing extra copies of this issue for local distribution.

## Israel Gets Raise-Courtesy of The U.S. Taxpayer

### Jewish Lobby Wins Record Foreign Aid

America's foreign aid budget is \$15 billion for the year 1986. This aid is supposed to help 110 needy countries. The big scandal is that the truly poor nations actually receive very little because one war like nation is given the lion's share of our foreign aid.

Tiny Israel, smaller than Massachusetts, will receive \$3.75 billion which amounts to 25% of our entire foreign aid program. Also, we must count the 2.3 billion given to Egypt as part of the Camp David agreement - to pay them off to not cooperate with other Arab countries is actually part of the overall aid-to-Israel giveaway.

Note: REMEMBER, \$1 billion is the same as, one-thousand million dollars, which comes to \$1 million per day for tiny Israel where 90% of the Jews live in an area the size of the city of Indianapolis!

## Israel asks record \$3.5 billion U.S. aid

JERUSALEM -- Israel submitted to the United States on Wednesday a record request for \$3.5 billion in economic and military aid for the fiscal year beginning next October.

The request, delivered by Finance Minister Yitzhak Modai to U.S. Ambassador Thomas Pickering, coincided with the arrival here

of U.S. investigators to question Israeli officials thought to be involved with Jonathan J. Pollard, an American accused of spying for Israel.

and economic aid it sought for the current fiscal year.

Late last summer, Congress voted special emergency aid of \$1.5 billion to Israel, to be spread evenly between the 1985 and 1986 fiscal years. So the amount Israel will receive from the United States in this fiscal year will be \$3.75 billion, or slightly more than the amount requested for fiscal 1987.

Israel's request for aid is made every year in late November or early December. The figure in Wednesday's request is \$500 million above the \$3 billion in military

# News Bulletins From Throughout The Nation

## Bible Misinterpreted

WEST VIRGINIA

**Jews Out to Get Rep. Rahall**  
West Virginia's brave Rep. Nick Rahall is of Lebanese descent and a defender of the oppressed Palestinian people. The Jewish Lobby has directed its Political Action Committees (PACs) to raise hundreds of thousands of dollars to finance pro-Zionist Martin Miller against Rahall. Miller is seeking to twist Biblical scripture using the phony line that Jews, not Christians, are God's Chosen People. This is a Bible-Belt district and here is Miller's clever Jew line:

*"The nation of Israel is God's chosen people. Anybody who stands against the nation of Israel stands against God. When you stand against God, you stand against the U.S."*

The truth, of course, is that Jews rejected Jesus Christ while Christians accepted him.

Nick J. Rahall

Rep. Nick J. Rahall, Jewish lobby wants him purged.

Thus Christians are God's Chosen People. The state of Israel is one of the most anti-Christian countries in the world. People who stand against Zionism stand for God and America.

May God bless Rep. Nick Rahall - we pray that he is re-elected over the forces of evil!

## Stop Holocaust Taxes

**Apologizes For Speaking Truth**

Michigan state Senator Gilbert DeNello took the floor to oppose a bill for \$100,000 to finance programs for the Detroit Jewish Holocaust Memorial Center. The state is strapped financially and DeNello stated:

*"When you have people that are capable, monetarily speaking, multi-millionaires and multi-billionaires and you come to state government to*

*assist them for something they don't need in terms of money, then I think that's a travesty of justice. People who are genuinely interested in the Holocaust center are people that can most ably afford it."*

The Jewish Anti-Defamation accused Sen. DeNello of "anti-Semitism." Unfortunately, he apologized because, like others he is in fear of the Jews. What we need in this country is a "Separation of synagogue and State!"

## PLO Freedom Fight Justified

**Palestinians Have a Right to Fight For Freedom**

The illegal Jewish occupation of the West Bank of Palestine and Gaza Strip has now entered its 20th year. This brutal suppression of these peoples' rights has been defended by many pro-Jewish politicians in America in a disgusting display of outright cowardice. They believe the Palestinian people should remain abject slaves who have no right to fight against the invading oppressor like the courageous Afghan freedom fighters.

U.S. State Dept. director of Arabian Peninsula affairs, Gordon S. Brown, was

interviewed on WORLDNET satellite radio and stated: *"Some of the armed actions by the PLO might fall within our definition of legitimate acts of resistance within the occupied territories."*

Israeli Embassy spokesman Yossi Gal protested that defending the Arab's right to fight against the Jewish occupation is wrong. Quickly Michael Austrian, a State Dept., spokesman apologized to the Jews saying that Brown "misspoke." Why is it that anyone who speaks the truth about the Middle East is supposed to "apologize" to the Jews???

**Joe Kennedy Likes South Africa's Money**

Joseph P. Kennedy is running for Congress. The late Bobby Kennedy's son's financial report shows that he and his wife earned \$835,000 in interest and dividends over the

past two years from investments in firms doing business in South Africa. All the stock was sold AFTER this disclosure and young Kennedy said he favored all companies ceasing business in South Africa.

## Is This Your View?

**Polls-Good And Bad News**

We are always interested in polls. We want to know which way people are leaning on all subjects. The only problem is that the wording of a question can be "loaded" to provide a desired response. The following polls sound correct.

**First** the bad news: A USA Today poll asked, "what is your greatest pleasure? Some 68% said watching TV, next came enjoying friends and relatives, 61%, helping others, 59%, and going on vacations 58%. We believe that in a racially healthy society No. 1 should be "the joy of bearing and raising children." Now was that answer even given as a possible answer by the pollster?

**Second** a good news poll was taken by the American Jewish Committee and released last Nov. 30 by analyst Milton Himmelfarb. It found that 40% of the American people are tired of hearing about "the Holocaust" and believe that, "Jews should stop calling attention to the matter." Also, 49% said they believed the U.S. government should "stop hunting for so-called Nazi war criminals." (A minority of 40% favored the hunt while 11% expressed no opinion.)

## Anti-Porno Victory

**Porno Magazines Circulation Falls**

The National Federation for Decency is headed by Rev. Donald Wildmon of Tupelo, Miss. He has sponsored picketing and boycotts of convenience stores which sell pornographic magazines. Hugh Hefner of Playboy and Bob Guccione of Penthouse are crying many tears over the sharp 20% drop in their circulation. Thus far some 20,000 convenience stores have pulled such magazines off the shelves including, Revco Drug Stores, People's Drugs, Rite Aid Drugs, Dart Drugs, Stop-N-Go and now the giant 7-Eleven firm with 4,500 stores.

This boycott can put the porno magazines out of business because 96% of Penthouse sales are from newsstands and Playboy sells 1.6 million copies on newsstands. Once again we see how the work of one leader - Rev. Wildmon - and his militant band of followers have brought down the giants of the porno industry. LET'S KEEP IT UP!

## Wrong Winner In Calif.

Rep. Ed Zschau.

nominee to run against him is Rep. Ed Zschau who is totally beholden to organized Jewry.

Zschau won the California primary with only 37% of the vote. At age 46 he could remain in the U.S. Senate for 24 years. Here is why we don't need Zschau: As a millionaire he favors everything left-wing. Zschau supports the ERA, abortion, a nuclear freeze, sanctions against South Africa and aid to the Red Mozambique. He is against aid to the Contras, the MX missile and school prayer. We don't need Zschau!

**No Win In California**  
Sen. Alan Cranston may just as well remain in office until he retires in 1992. The Republican

## Joseph Coors On The Right

**Homosexuals Boycott Coors**

Boston's "Lesbian and Gay Focus" group has called for a nation-wide boycott of Coors Beer. Gay Civil Rights leader David Scondras, (a city council member), says Joseph Coors is anti-gay. Coors is a member of the Morality in Media group (naturally homos can't stand that) and advocates quarantining AIDS patients in the old leper colony in Boston Harbor.

Scondras also complains

that Mr. Coors questions people about their "sexual preference" on job applications and wants "to clean up America." Scondras reads this to mean "getting rid of gays." Last but not least he accuses Mr. Coors of giving financial aid to right-wing groups. As this particular "boycott" becomes better known no-doubt Coors sales will increase because Homos are not the most popular minority right now.

## U.S. Welfare In Caribbean

**Statehood for Jamaica**

The Jamaican-American Party has been organized to make that poverty struck island nation our 51st state. Organizer James Chisholm runs full page ads in The Gleaner paper and held a press conference in Kingston. He said the party will field 30 candidates in the next election all pledged to making Jamaica a state of the U.S.

Chisholm holds that the 50% unemployment rate is due to their \$3 billion foreign debt which can't be repaid. He said "we don't like being beggars but it is not safe here and foreign investment avoids us."

He says statehood would make the island's 2.3 million Negroes eligible for U.S. welfare, food stamps, medical care and public housing.

A survey in 1982 showed 43% of Jamaicans favored U.S. Statehood and the economic crisis is much worse today. He estimated that a majority now are in favor - the big question is how would the American people like it? What politician would oppose it? Would this lead to every two-bit "independent nation" in the Caribbean wanting to be a U.S. state? People will now have to organize and stand up openly for the Rights of White People!

## AJC Scores Gore Vidal

NEW YORK — The American Jewish Committee expressed regret over the reprinting by other media of an article in the March 22 issue of the *Nation* by Gore Vidal that contained "blatant anti-Semitism."

In a statement, David M. Gordis, the AJC's executive vice president, acknowledged Vidal's right to express disagreements with others on "political, social and lifestyle issues," but said he had "crossed the line of respectable discourse" with "lies and innuendoes" about American Jews, Jewish organizations and Israel.

# OSI Deceived Fedorenko Into Believing Soviets Grant Amnesty

By Dr. E.R. Fields  
Soviets Order Ukrainian Shot

Fyodor Fedorenko, 78, has been sentenced to death by firing squad after a kangaroo court trial in the town of Simferopol in the Soviet occupied Ukraine. He was accused of being a guard at the Treblinka camp in Poland. He was the first of some 300 East Europeans which the U.S. Justice Department's, "Office of Special Investigations" (O.S.I.), had targeted for deportation to either Russia or Israel for execution.

Fedorenko was drafted into the Red Army in 1941. He was taken prisoner and went over to the anti-communist German side. He served as a guard at three camps. Fedorenko was charged by the Communist Prosecutor with having "stripped Jews naked, stealing their belongings, beating Jews and forcing them into gas chambers."

In turn the A.P. reports Fedorenko testified that he neither saw nor participated in violence or murder adding "I have never struck a person in my life!"

Still the court reported, "he confessed to his crimes!" No defense was allowed outside his statement and obviously coached witnesses testified against him who were not cross-examined.

## A Recent War Criminal

When World War II ended Fedorenko found himself a refugee in Hamburg. In 1949 he immigrated to America to become a citizen in 1970. Beginning in 1961 Fedorenko wrote his wife and two sons (now in their 30s) in the Ukraine and sent them money while working in a Waterbury, Conn. factory. Then, in the 1970s the Soviets allowed him to make two trips to the Ukraine to visit his family. This is all before the witch-hunting OSI had been established by the Jewess Elizabeth Holtzman (then a Congresswoman).

Fedorenko won his first legal battle with the OSI before South Florida Federal Judge Norman C. Roettiger, Jr. He found Fedorenko innocent of the OSI charges and denounced their despicable activities stating the OSI had used: "despotic tricks, paid informers, hearsay as evidence, lack of documentation, blatantly perjured testimony, coaching of witnesses, trick photos and totalitarian type police methods totally unacceptable by American standards."

During the trial the terrorist "Jewish Defense League" picketed the court carrying signs declaring, "Death To Fedorenko," "Payment In Blood", "Impeach The Judge". They blocked the entrance to the courthouse and beat an elderly anti-communist Russian Countess visitor whom the Jews screamed was "a Nazi spy!"

Judge Roettiger observed that: "never in my six years on the bench has the government (OSI) spent so much money against a defendant. You would think they were prosecuting a Mafia don. It is important to bear in mind that no documentary evidence whatsoever was introduced by the government. Therefore the entire case rests on the credibility on the (Jew) witnesses from Russia, Israel and America - I-FIND THE DEFENDANT NOT GUILTY!"

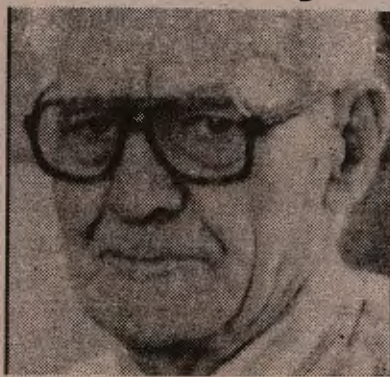

To the surprise of court observers the OSI appealed Judge Roettiger's verdict - something which almost never happens because it creates a situation of double-jeopardy. The case was then heard again before the left-wing 5th Circuit Court of Appeals in New Orleans. Judge Minor Wisdom overturned Roettiger's decision and from that point on Fedorenko's fate was sealed.

## OSI Tricked Fedorenko Into Going To Russia

Los Angeles Times correspondent, Robert Gillette, reported on the Fedorenko trial from Moscow. Last month we reprinted in full his four page documentary proving that the Soviet KGB has given faked and coached testimony for the OSI which they used KNOWING THIS WAS FALSE "EVIDENCE!" (You can read his report in full by ordering back issue No. 311 of The Thunderbolt.)

Mr. Gillette reported in the Times of June 20th that Fedorenko wanted to resist returning to Russia but was informed by OSI investigator Allen M. Ryan, Jr., that: "his case was likely to fall under an amnesty that the Soviet Union granted to some war criminals in the mid-1960s. Ryan also said that those who were convicted of war crimes tended to receive relatively light sentences of five to eight years in prison."

Thus the poor, persecuted, deserted, Fedorenko, financially broken by years of OSI trials and deportation hearings returned

Fyodor Fedorenko innocent victim of the depraved OSI which delivered him into the hands of the murderous Soviet KGB.

Allen M. Ryan, Jr. - guilty of tricking Fedorenko into returning to Russia for "amnesty."

# Canada war crimes probe hits snag

MONTREAL (JTA) — Canada's Deschenes commission has run into another snag in its efforts to gather information behind the Iron Curtain on suspected Nazi war criminals living within its borders. Yves Fortier, a lawyer for the

commission, has reported that an invitation extended by the Soviet Union had to be rejected because the Soviets failed to agree to allow Canadian investigators to interrogate witnesses in accordance with Canadian rules of evidence.

These include a promise to provide commission lawyers with access to original German documents, permit the use of independent interrogators, allow videotaping of all proceedings and allow examination of witnesses in accordance with Canadian rules of evidence.

to Russia. What demonic forces would subject elderly, retired, Christian anti-communists, who have been driven from their homelands, to go through such torment and despair in their twilight years???

Mr. Gillette wrote there is growing opposition to this hounding of elderly East Europeans, "Several U.S. District court judges have expressed similar reservations about the use of Soviet evidence in American courts."

Remember, Christian Patriots, cannot receive a "fair trial" in Russia or Israel where there are no juries and the defendant is found guilty and his sentence decided BEFORE ANY TRIAL IS HEARD! All political deportations to Russia and Israel must be stopped!

Join us in fighting against this inhuman injustice! WE DEMAND THAT THE SATANIC OSI BE ABOLISHED!

Collaboration between the Communists and Organized Jewry is proven by the accusation of Martin Mendelsohn of the OSI in 1983, which is almost word for word what the Red prosecutor charged in 1986. In attacking Mr. Fedorenko, Mendelsohn charged, "This man shot Jew prisoners, pushed Jew women into gas chambers and stripped Jew inmates."

Of course, as all Thunderbolt subscribers know from Truth Tract No. 1 on the Holocaust, there was never one single gas chamber in any prison camp operated by the Germans. Today Mendelsohn continues his holocaust hysteria as the "legal counsel for the Simon Wiesenthal Holocaust Center."

## Persecution Stopped

Ukrainian Patriots' Victory In Canada

"Canada Will Never Have An OSI," is a public pledge which East Europeans have made.

Organized Jewry has demanded the Canadian government begin extraditing anyone the Jews point a finger at to Russia or Israel for trial. The Simon Wiesenthal Holocaust Center in Los Angeles has stated there are 1,200 East Europeans in Canada who are "war criminals." This is part of the Jewish terrorist hate campaign designed to instill the "holocaust guilt complex" within all Christians.

Canadian East Europeans have not accepted these slanders and have fought back. The Jews succeeded in having their government establish the "Deschene Commission" to investigate Jew charges of war crimes. But the commission has rejected the Communist system of allowing "coached" witnesses who cannot be properly cross-examined to be used against Christian Patriots. This has blocked the Jewish conspiracy to set up a Canadian version of the despised OSI.

We congratulate Canadian Patriots for this great victory over this vindictive and anti-Christian conspiracy!

The conditions were formulated to allow the evidence to stand up in Canadian courts in the event suspected war criminals are tried.

Alexei Makarov, a consular official at the Soviet embassy in Ottawa, has said that Moscow endorses Deschenes' "main" demands

Fortier disagreed, however. "What they have told us is that interrogation would be done within the framework of criminal procedure of the USSR," he said. "Canadian lawyers would be given the opportunity to clarify from witnesses, questions of relevant interest. In other words, the examination would be conducted by the Office of the Procurator of the Soviet Union, and that is not acceptable."

Fortier also said the commission would reconsider its response if the Soviets modify their position or advise that they had been misunderstood. The same applies to Poland, which has advised the commission that the interrogation of witnesses would be by a Polish judge.

## "Kol Nidre" Explains Mystery of Jew Disloyalty

**Jews Are Not Loyal Americans  
Kol Nidre Absolves Jews of All Oaths**

Do Jews owe their primary loyalty to America or to Israel? The article by author Gore Vidal in this issue clearly shows that the Jews first thoughts on any political subject are: how can this project best be used to serve the interests of Israel, the religion of Judaism and the Jewish race. Everything else is secondary.

Nearly every Jew in America recites the "Kol Nidre," (All Vows), as the first prayer uttered on the "holiest day" of their new year, Yom Kippur, (Day of Atonement.) Note that the disavowal of all oaths applies to the FUTURE - the coming year - not the past!

During the period of the Spanish Inquisition, rabbis permitted Jews to undergo Baptism and pretend to be converted Christians while they continued to practice Judaism in secret. This gained them the name "Marranos," (or secret Jews.) The Jewish Encyclopedia states that Jews look forward to singing the Kol Nidre prayer, "with gripping earnestness and solemnity as it exercises a profound influence upon all Jews!"

## The Kol Nidre

The following is the exact wording of the Kol Nidre:

*"All vows, obligations, oaths, anathemas, whether called 'konam', 'okonas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, for this day of atonement until the next, we do repent. May they be deemed absolved, forgiven, annulled, and void and made of no effect: They shall not bind us, nor have power over us. The vows shall not be reckoned vows, the obligations shall not be obligatory: Nor the Oaths be oaths."*

It should be noted that rabbis for several centuries held the Kol Nidre be kept in verbal (unwritten) form in Hebrew, so that it would remain unknown to Christians. During later periods Jews were forbidden by several governments and Popes from reciting it. The Jew's real bible, "The Talmud" instructs Jews to use a disavowal anytime they want to void all promises and oaths made to Christians. The Kol Nidre does not apply to fellow Jews.

### Ban Jews From Jobs Requiring Oaths

The oaths and vows of a Jew are meaningless. They have already declared in advance that their promise to pay, swearing to tell the truth, oath of allegiance to flag and country, vow to uphold the law - ARE ALL WORTHLESS!

The Jews state that anything in the interest of Jews shall not be impeded by any oath they might be required to take. Thus, no Jew should be allowed to serve as a judge, on any jury, as a government official or in the military and CERTAINLY NOT IN ANY TOP SECRET MILITARY POST!

An oath to uphold, the U. S. Constitution and the secrets of U.S. security, to which Pollard was intrusted, is held in contempt by Jews. They remain a SEPARATE NATION WITHIN OUR NATION! The Jews are loyal ONLY to the Jewish nation and not to America or to any other country in which they are guests as Gore Vidal so eloquently points out in his article in this issue.

Jews have been accused of holding a dual loyalty to both the nation which is their host and to the nation of Israel. The truth is that Jews have a SINGLE LOYALTY - and that is to Israel and international Jewry. There has never been a spy scandal before which only involves ONE SINGLE HOMOGENEOUS GROUP. Remember, all these people are of the same race, nation, and religion.

### Tracing Pollard's Spy Connections

Jonathan Pollard told friends in college his life long ambition was to one day become an officer with Israeli intelligence. He later contacts a "Jewish fundraiser" and tells him he wants to be a spy for Israel. Next Pollard is turned over to a Jewish secret agent in charge of recruiting spies while the agent was attending college as a front. Pollard is taken to Israel and trained to be a spy by the Jew MOSSAD secret police. Then he is turned over to two Jewish contact agents who work right in the Jewish Embassy in Washington, and massive stealing of U.S. secrets begins. Just as he was about to be arrested by the FBI Pollard's "Jewish control agent" tries to make it possible for him to escape to the Jewish state of Israel where he is promised asylum and riches for life along with being made an officer in the Jewish spy agency.

## 66 Senators-356 In House Controlled By Lobby

**Reagan Wins Arms Sale To Saudi Arabia - But Jewish Lobby Got Most Votes!**

Pres. Reagan wanted to sell our ally Saudi Arabia \$265 million in weapons but the arrogant Jewish Lobby said NO! The President has the power to allow the sale but the Congress can override him with a two-thirds vote veto. When it came up for a vote 66 Senators voted for the Jewish Lobby and only 34 against - thus the sale passed by a one vote margin.

Still, what we see here is that the Jews control nearly two-thirds of the U.S. Senate and House. In the House 356 Congressmen voted for the Jewish Lobby and only 62

voted for the arms sale. It only takes one body to pass the measure. It should be noted Saudi Arabia and Jordan PAY for all their weapons while the Jews get them FREE!

During the fight to pass the arms measure Pres. Reagan had to call in Jewish community leaders nationwide to the White House and literally BEG and PLEAD with them to allow the sale to go through. Reagan told the Jews, "we can't afford to lose every last ally we have in the Arab world." Reagan even agreed to remove Stinger surface to air missiles from the sale. Still, many of these arrogant Jews thought nothing of insulting the President to his face.

The Jew Sen. Rudy Boschwitz even brought in the vile, hunch-backed cripple, wheel chair confined Jew, Michael Goland of Los Angeles to threaten Congressman. It was AIPAC "hit man" Goland who spent \$1.2 million of his own money to defeat Sen. Charles Percy because he dared to vote against Israel on just two bills. Sen Cranston admits in the article on this page that "Goland's presence strikes terror into the hearts of senators" who fear the millions of dollars Jews can spend to defeat them. Ms. Georgia Geyer admits in this article that the Jews CONTROL THE U.S. CONGRESS!

## Goland Terrorizes Congress With Money

By Georgie Anne Geyer

Recently, the Washington Post had some telling articles on what was happening on the Hill on the eve of the \$354 million Saudi arms sale presentation to Congress. All those congressmen concerned with American interests were demonstrating their customary independence and courage on this crucial issue.

The Post related how Sen. Rudy Boschwitz invited two congressmen to meet a friend in an ornate reception room off the Senate floor. The friend was Michael R. Goland, the wealthy pro-Israel California real estate developer whose out-of-state contribution of more than \$1 million in 1984 was probably decisive in defeating Sen. Charles H. Percy, one of the country's most honorable public servants.

Goland, according to the Post

and others, urged the senators to vote against the arms sale to Saudi Arabia, the conservative Arab state

which has been a friend to the United States since World War II. The clear intimation was that the out-of-state "independent" money (a new tactic) could be used to coerce again, and to defeat again, anyone who questioned any policy of the moment of the Israeli lobby.

Other senators, such as California Democratic Sen. Alan Cranston, who votes always with the

Michael Goland

lobby, publicly recalled for the Post the classic case of then-Sen. Roger Jepsen who, under intense Reagan pressure, reversed his vote on AWACS to the Saudis a few years ago—and was defeated with Israeli lobby money. The Jepsen example, Cranston was quoted as saying, "has sort of struck terror into the hearts of senators about switching."

Indeed, the Post article said, as others have said, that Congress now simply supports any Israeli lobby-wish automatically—originally out of conviction but mostly, now, out of fear.

• Congress is showing clearly that the Israeli lobby no longer reflects the Israeli government's need, but that it has become a group that enjoys flexing its power over American foreign policy in general.

### MINNESOTA

Sen. Rudy Boschwitz

There are those who apologize for the Jews saying they didn't mean to steal U.S. secrets and that Jew leaders in Israel didn't know about it! The federal prosecutors in Washington say this is a lie. Can anyone think of any other country with a spy agency based upon world-wide communities of tightly organized people of the same religion, race and nationality?

There can be but one conclusion and that is Jews CANNOT BE TRUSTED in any sensitive post of government. Look at Bernard Kalb speaking for the U.S. government when in truth he only speaks for Jews and Israel. The time has come for all true loyal Christian Americans to demand a house cleaning in Washington and this means RIDING THE U.S. GOVERNMENT OF JEW INFILTRATORS BECAUSE THEY ARE ALL POTENTIAL SECURITY RISKS!

# Jewish Committee Smears Liberals Who Reject Pro-Israel Line

## Gore Vidal Blasts Disloyalty of Zionist Jews

By Dr. E.R. Fields

### Jews Seek To Silence Gore Vidal

A split has developed in the ranks of liberal writers, (intellectuals), and radical Jew Zionists. Gore Vidal is America's most popular novelist, author of "Myra Breckinridge", "Lincoln," etc., and is a famous screen writer. He wrote an article for the leftist magazine "The Nation" taking strong issue with Jews who place Israel first and America last.

Norman Podhoretz edits Commentary Magazine which is subsidized by its owner, The American Jewish Committee. The Jew Podhoretz used this position to lash out at Vidal and other liberal writers who have dared to question the power which the pro-Israel lobby wields over America. Podhoretz has attacked Los Angeles Times writer William Pfaff, National Review senior editor Joseph Sobran and even Jewish author Norman Mailer for their daring to criticize Israel.

Podhoretz wrote 30 other well known liberal intellectuals to sign a statement condemning Vidal for his alleged "anti-Semitism." Only six agreed! Organized Jewry is brazenly seeking to silence all prominent writers who have the courage to publicly disapprove the placing of Israel's interests ahead of America's best interests.

### What Did Vidal Write Which So Upset Jews?

The attacks by American Jewish Committee editor Norman Podhoretz upon Vidal have been carried and commented on in some of the largest publications in America. Most have carefully avoided repeating what Gore Vidal actually wrote in The Nation. Below is a summary of his comments.

### The Empire Lovers Strike Back by Gore Vidal

...Norman (Poddy) Podhoretz and his wife, Midge Decter, checked in. The Lunts of the right wing (Israeli Fifth Column Division), they are now, in their old age...He is the editor of Commentary, circulation 55,000 and allegedly failing: paid for by the American Jewish Committee...Poddy has, like his employers, the AJC; moved from those liberal positions traditionally occupied by American Jews (and me) to the far right of American politics. The reason for that is simply in order to get Treasury money for Israel (last year \$3 billion). Pro-Israel lobbyists must see to it that America's 'the Russians are coming' squads are in place so that they can continue to frighten the American people into spending enormous sums for 'defense' which also means the support of Israel in its never-ending wars against just about everyone.

...Why asked Poddy, 'are you writing a play about, of all things, the Civil War?' I explained to him that my mother's family had fought for the Confederacy and my father's for the Union, and that the Civil War was - and is - to the United States what the Trojan War was to the Greeks, the great single tragic event that continues to give resonance to our Republic.

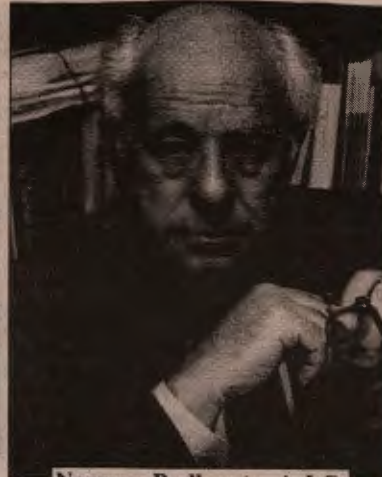

'Well, to me,' said Poddy, 'the Civil War is as remote and as irrelevant as the War of the Roses.' (a long forgotten 15th century struggle between two branches of the Royal Family for control of the British Crown). I realized then that he was not planning to become an 'assimilated American', to use the old-fashioned terminology; but rather, his first loyalty would always be to Israel. Yet, he and Midge stay on among us, in order to make propaganda and raise money for Israel - a country they don't seem eager to live in. Jewish joke, circa 1900: A Zionist is someone who wants to ship other people off to Palestine...But then, like most of our Israeli fifth columnists Midge isn't much interested in what goyim were up to before Ellis Island. She also likes the ad hominem attack...Since my last Hollywood film, 'The Best Man,' was made in 1964, I have been 'paid' by that American public that buys my books about the American past, a subject of no demonstrable interest to Midge and Poddy and their friends.

...Midge, is not, because in the Middle East another predatory people is busy stealing other people's land in the name of an alien theocracy. She is a propagandist for these predators (paid for), and that is what all this nonsense is about...All in the interest of supporting the likes of Sharon and Begin as opposed to the Peace Now Israelis whom they disdain. There is real madness here: mischief, too.

...Poor, Midge, of course I like my country. After all, I'm its current biographer. But now that we're really leveling with each other. I've got to tell you I don't much like your country, which is

Gore Vidal, tosses caution to the wind, hits Israel First propagandists

Norman Podhoretz, A.J.C. hatchet man, fails to enlist leading writers against Vidal.

(Below - by Norman Podhoretz - from "Washington Report")

## Ominous Anti-Semitism

About a month ago, a letter was sent to 30 prominent friends and supporters of the leftist weekly, The Nation, which had earlier published an article by Gore Vidal that was perhaps the most blatantly anti-Semitic outburst to have appeared in a respectable American periodical since World War II.

These 30 people were asked whether they had seen fit to protest the article, either in private or in public. Of the 30, 21 never responded. Of the nine who did, only six expressed disapproval of the article. The other three all voiced indignation not at the article but at the letter of inquiry, and one of them associated himself entirely with Vidal's sentiments.

As it happens, my wife, Midge Decter (who runs the Committee for the Free World), and I were the main targets of Vidal's diatribe. But the vile accusations he made against us were so obviously directed at all American Jews who support Israel, which means the vast majority of the Jewish community, that even some of our worst enemies were horrified.

Vidal's main point is that most American Jews are "Israeli fifth columnists" who "stay on among us, in order to make propaganda and raise money for Israel." Yet the full flavor of his piece cannot be conveyed by citing even this libelous accusation of treason or the incredibly impudent statement that Jews born in the United States are only living here on sufferance as guests and had therefore better shut up about "the politics of the host country." Vidal's every word is drenched in hatred of Jews, whom in the best traditions of anti-Semitic thinking he portrays as all-powerful conspirators manipulating "us" to further their own nefarious purposes.

Israel. Although there is nothing wrong with being a lobbyist for a foreign power, one is supposed to register with the Justice Department. Also, I should think that tact would require a certain forbearance when it comes to the politics of the host country. But tact is unknown to the Podhoretzes. Joyously they revel in the politics of hate.

All in all, the latest Podhoretz diatribes have finally convinced me that the time has come for the United States to stop all aid not only to Israel but to Jordan, Egypt and the rest of the Arab world. The Middle Easterners would then be obliged to make peace, or blow one another up, or whatever. In any case, we would be well out of it. After all, the theological and territorial quarrels of Israel and Islam are as remote to 200 million Americans as - what else? "The War of The Roses."

"Los Angeles Times" Writer - William Pfaff - Answers Podhoretz

The American Jewish Committee's paid hatchet man, Norman Podhoretz, has slandered a dozen writers because they do not give total blind support to Israel. One is William Pfaff who runs the Times office in Paris. The following, in part, represents his comments on the Podhoretz smear campaign:

"I have more recently been denounced myself by Podhoretz as anti-Semitic because of things I wrote about Israel's conduct during the siege of Beirut in 1982...America's relations with Israel are extremely important to Jews. The Zionist state might not be able to survive if the U.S. abandoned it. On the other hand, America does not need Israel!

America's primary interests of security and prosperity can be assured without Israel. It is in the interest of U.S. foreign policy to seek good relations with the oil producing Arab states and Israel has alienated us from these former loyal friends. This was the policy of the U.S. State Department in the 1940s and 1950s before our 'special commitment' was made to Israel.

What is in the best interest of America differs from Israel's interests. Still, pro-Zionist political leaders place the interests of Israel ahead of what is best for America! Israel has not been fighting the Arab nations since 1948 in order to save the Middle East from communism or block the policies of the Soviet Union, or advance the interests of the U.S. When Israel has backed American interests it was because they know that the tie to the U.S. is important to their country's survival."

We applaud Bill Pfaff's views. In regards to all Middle East policy our nation's leaders must do only that which places the interests of America first. We must never place the interests of Israel ahead of our own to the detriment of our global foreign policy.

## Jews Demand Congress Overturn Yarmulke Ban

### Supreme Court Bans "Yarmulkes"

The Supreme Court in a close 5-to-4 ruling, has banned Jews in the U.S. military from wearing the Yarmulke skullcap. In 1981 U.S. Air Force captain Simcha Goldman was ordered by the base commander to stop wearing his yarmulke while on duty and to wear his regulation service cap. Goldman refused to obey the order. He was then reprimanded and told he faced court-martial for disobedience.

Goldman resigned his commission and filed a suit against the U.S. Air Force charging his First Amendment rights to free exercise of religion had been violated. Ruling for the U.S. Air Force were Supreme Court Justices Rehnquist, Burger, White Powell and Stevens. Ruling for the Jews were Justices Sandra Day O'Connor, Thurgood Marshall, Brennan and Blackman.

Justice Rehnquist wrote the majority opinion stating: "The military authorities must be able to foster instinctive obedience, unity, commitment and esprit de corps. Uniforms encourage a sense of hierarchical identity by tending to eliminate outward individual distinctions except for those of rank."

Marshall and Brennan countered that this "presents Orthodox Jews with a painful dilemma - the choice between fulfilling a religious obligation and serving their country." (Note: No other religious group has ever similarly sought to interfere with U.S. military conduct.)

Further Brennan argued that this "dress regulation favored mainstream Christians over other faiths." (Note: He did not explain how this favored Christians who have never asked for special favors. This is in itself a slur against Christians.)

On the other side Powell said to allow Jews to wear yarmulkes would mean Shikhs could wear turbans, Rastafarians wearing dreadlocks and Yogis wearing saffron robes! (What about soldiers who are Klansmen wearing their traditional hoods???)

### Will Congress Over Rule Court?

New York Sen. Alfonse D'Amato, who is running for re-election, has introduced a bill which would overturn the Supreme Court ruling against yarmulkes. D'Amato charged

Sen. Alfonse D'Amato and Rep. Schumer introduce bills allowing skullcaps.

the army regulation was "callous and demeaning to religious Jews. I question whether we can afford to preclude their centuries-old legitimate religious beliefs concerning the wearing of certain types of religious apparel."

Jewish Rep. Charles Schumer is from an Orthodox Jewish section of New York City and has introduced a similar bill in the House. Schumer announced: "As a member of the House Judiciary Committee, I plan to introduce legislation which will prohibit the military from banning the wearing yarmulkes while in service uniform. The Court ruling now forces Jews to choose between duty to their country and duty to their religious beliefs."

The truth of the matter is that Jews place their so-called "religion," (which is like no other religion in the world), above the law of the land! They support the Supreme Court when it takes prayer and bible

## minority report

Rabbi David Polish

Below from New York "Jewish Press."

## Was Supreme Court yarmulke ruling based on Christian views of religion?

When the Supreme Court upheld the reprimand of a Jewish military man for wearing a yarmulke while on duty, it continued a process which bodes ill for American Jewry. To appreciate what is happening, we must understand two things; first, the radical Religious Right continues to press relentlessly for the restoration of the United States to its role as a Christian nation;

We may as well recongize that the American nation began as a Christian nation, As recently as 1931, the court held that "we are a Christian people." It is about to creep toward that doctrine?

The direction it is taking became evident about two years ago when the court ruled that Christian symbols may be displayed on public property. Stripped of its

## Israeli Bonds "Honor" Sen. Nunn

Organized Jewry held yet another dinner to collect money and give out awards to Shabez Goys (Gentile stooges). Marvin Goldstein headed the Israel Bonds committee dinner in the posh Atlanta Regency Hyatt Hotel. He gave Sen. Sam Nunn Israel's "Peace Medal." On the face of it one would think this means the Jews want peace in the Middle East. NO - the "Peace Medal" represents "Israel fight to exist in peace" meaning endless wars against their Arab neighbors. Thus to the Jews manner of thinking "peace means war!" More double talk for which the Jews are famous.

When it came down to actual Israeli bond sales the dinner generated over \$600,000 in sales to individual businessmen. For banks the Mount Vernon Savings & Loan Assn., bought \$250,000 and the C & S Bank bought \$500,000. (Earlier in the year C & S bought \$1 million of the low paying 5% interest bonds.) What this means is that investors in the bank and even customers are

reading out of the schools and bans Christian displays. But when they dare to end this outrageous flaunting of "Jewishness" the Jews demand the Court be overruled to grant them special privileges!

Rabbi David Polish

legal rhetoric and appalling logic, the court said in effect that minorities, referred to as "others," must accept the religious preferences of the majority. This was in keeping with the insistence by the Religious Right that the First Amendment was never intended to create a "wall of separation" between church and state.

Since the Jewish way of life is primarily one of daily conduct, we can see trouble ahead. What if the Religious Right and the Attorney General were to decide that Jewish ritual-slaughter is inhumane? Will we have to defend this practice some day and be told to stop it? The devotion by some right-wing antagonists to Israel and their "Christian America" views are not paradoxical.

## Sen. Sam Nunn Accepts Award From Ripoff Israeli Bonds

By Dr. E.R. Fields

Marvin Goldstein (left) presents Sam Nunn with Israel's Peace Medal award.

Sen. Nunn smiles as he is presented with a Jewish award at a million dollar dinner. Forcing banks, pension funds, Labor unions, etc., to buy these alien low yields bonds is a great disservice to the American people.

being ripped off by this poor, low yielding investment, of our MONEY!

Israeli Bonds are a ripoff, pure and simple. Labor unions and banks are the biggest victims, as they are just about the only ones the Jews are able to blackmail into buying these so-called "bonds."

Sen. Sam Nunn addressed the Jewish gathering praising Israel for being "the only democracy in the Middle East and a great strategic ally of the

U.S." Truth is Israel is NOT A DEMOCRACY AND WAS NEVER SO INTENDED! Israel treats Arabs like slaves and even discriminates again Sephardic (North African) Jews. The Arab states are far better located strategically than Israel and would actually fight a Soviet invasion.

Israeli leaders have made it clear that in the event of war with Russia they will remain "neutral." WHAT KIND OF "ALLY" IS THAT???

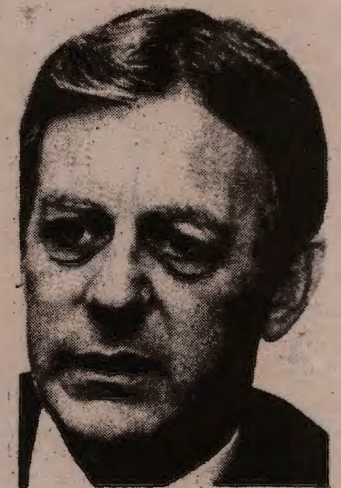

## Gov. Harris Orders Holocaust Courses In Georgia Schools

### Jewish Influence in Georgia Gov. Harris Proclaims "Holocaust Week"

The holocaust has been made an official part of the Jewish religion. This week long observance is called Yom Hashoa. Now organized Jewry seeks to force Christians to observe it.

Gov. Joe Frank Harris led the ceremony in the rotunda of the State Capitol. He set up a commission for the purpose of "encouraging observances of Yom Hashoa in cities throughout the state and to pursue new avenues of holocaust education state-wide."

This new "State Holocaust Commission" is made up of both Jewish and Gentile businessmen, clergy, holocaust survivors, state and local officials and educators. They will lead a continuing year round campaign to instill a guilt complex within all Christians bombarding us with holocaust propoganda. They want no one to dare raise their voice in protest against this vicious hoax. The truth is that NOT ONE SINGLE JEW

# Politicians Place Jew Vote Above Christians

## Pat Robertson Ducks

### The Big Question

"The 700 Club" TV evangelist Pat Robertson is off and running for President on the GOP ticket. His political committee is called "The Freedom Council" and has a paid staff of 40 employees with 200,000 financial contributors. With federal matching funds it is estimated he could raise \$15 million for the campaign.

Last Oct., Pat Robertson was addressing the Jewish Lobby, (American-Israel Public Affairs Committee), when he told the mostly Jewish audience that he supports Israel without any reservations - (In other words he will blindly follow the dictates of the Jews.)

The Spotlight columnist, Stan Rittenhouse, then stood up and posed the following

## Fowler Campaigns In Arizona???

### Politics - 1986 Elections Is Rep. Wyche Fowler A Racist?

Georgia's Senatorial race is underway with Rep. Wyche Fowler running after both the Liberal and Conservative vote at the same time. On Feb. 10 Fowler, (a democrat), joined with Rep. Jack Kemp, (a republican), in sponsoring a bill making it easier for Russian Jews to immigrate to America.

The Arizona Republic newspaper of Feb. 15 carried an article about that state's chapter of the all-powerful Jewish Lobby (called-the American Israel Public Affairs Committee-AIPAC). They held a meeting for their leader, Jew Thomas Dine. ONLY ONE OUT OF STATE POLITICIAN ATTENDED! Guess who he was???

Informed Georgians guessed right - IT WAS REP. WYCHE FOWLER! The Arizona Republic wondered, "what in the world is Rep. Fowler doing out here?" Well, there is only one answer. Fowler is outmaneuvering his rivals in capturing the Jew vote in Georgia as well as Jewish financial support.

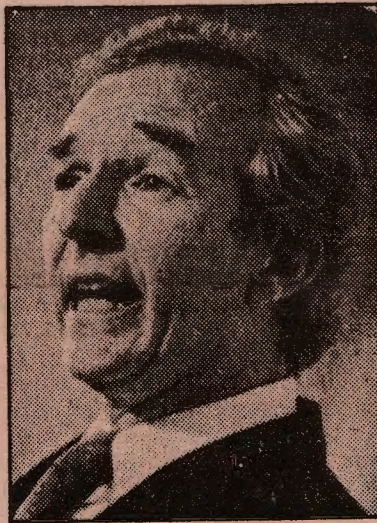

Bill Shipp, an editorial writer for the Atlanta Constitution stated that some of Fowler's opponents in his race are guilty of "racism". Shipp explains they dared to suggest that Fowler is a "liberal" just because he represents the majority black city of Atlanta in the U.S. House. Fowler ALWAYS votes pro-minority,

Pat Robertson confused on Christianity

question to Robertson: "Do you believe that God the Father has two types of chosen people; the Christians who accept His Son, Jesus Christ, and the Zionist Jewish people who reject Jesus Christ?"

Robertson appeared stunned and said the question was too involved to be answered. After stumbling over a few more words the moderator announced the program was adjourned!

Rep. Wyche Fowler courts Jew votes and Jew money

wouldn't that make him a "racist liberal"? Well, we would like to ask Mr. Shipp if Fowler cannot more correctly be called a "pro-Jew racist" for going so far out of his way to corner the bloc vote of the Jewish RACE with his unusual journey to Phoenix, Arizona?

### Kasten Top Recipient of Jew Money

Wisconsin's phony "conservative" and recently convicted drunk driver, Sen. Bob Kasten, has received more money from Jewish Political Action Committee's (PAC's) than any other candidate. Thus he must be extremely important to Jewish plans for the future. Kasten can be dumped in November if Patriots will vote against him in mass. Next down the list is Sen. Dale Bumpers of Ark. Bumpers says he opposes all arms sales to anti-communist Arab countries - and believes that, "Israel is the only democracy in that area of the world!"

(Below reproduced from "Chicago Jewish Sentinel.")

## Jack Kemp feels that supporting Israel is the American thing to do

Congressman Jack Kemp (R-N.Y.), who is closely identified with President Reagan's economic program, says that he would not freeze aid to Israel even if an overall budget freeze was adopted. In an exclusive interview with Near East Report, Kemp asserted that aid to the Jewish State is a United States defense expenditure and that

Rep. Jack Kemp

levels of aid "should be predicated on strategic considerations," not budgetary ones.

He says that defense expenditures must be determined after consideration "of the threat the nation faces....From my standpoint aid to Israel is in the national defense orbit. It is security assistance, not only for Israel, but for the United States....I view it in almost the same framework as a naval base."

It is his support for Israel, in fact, that converted Jack Kemp from opposition to foreign aid to support for it. First elected to the House in 1972, the former Buffalo Bills and San Diego Chargers quarterback opposed foreign aid as a giveaway. That was the prevailing view among Republican conservatives and it was Kemp's as well—until he made his first trip to Israel that same year.

to Poland, decided that he wanted to visit Auschwitz. None of his colleagues was interested in going with him so he "hired a driver and car and drove" himself there.

Seeing the horrors of Auschwitz convinced Kemp that he had to go on to Israel. In Israel, he met then-Air Force Gen. Ezer Weizman who "made sure that I visited every strategic area of Israel, from Sharm-el-Sheikh, to the Canal, to the fortifications along the Jordan, to the Lebanese border."

Kemp recalls that on that first trip "I just fell in love with Israel." The country reminded him of "what America must have been like in the early days of the Republic." He began to understand the strategic value of Israel to the United States and "what an ally Israel is."

Last year, he was one of the leaders of the successful effort to convert U.S. aid to Israel from loans to grants.

Kemp, reflecting on his evolution from an opponent of foreign aid to a champion of aid to Israel and other nations, says that the 1972 visit to Israel "changed my political life."

That may be an overstatement. Kemp was keenly aware of the importance of Israel—and of Jewish concerns in general—long before that visit. He comes from the Fairfax section of Los Angeles, an area that has been heavily Jewish for more than 30 years. He attended Fairfax High School which, he recalls, had a student body that was 85 percent Jewish.

"I was raised in a Christian family in a Jewish neighborhood. I played ball at the Westside JCC. My friends in school, in sports, my dates, were Jewish."

It was from these friends that Kemp first gained a "sense of what it means to be a Jew, why anti-Semitism is so evil, and that you can't understand the state of Israel without an understanding of the Holocaust and of the diaspora experience."

Kemp has been to Israel several times since his 1974 visit. He believes that Israel has almost "unbelievable economic potential" and is troubled by the current economic crisis. He thinks that the United States can help Israel through the crisis by "working with the Israelis to help them restructure their debt and continue the expansion of their industrial base."

An early advocate of the establishment of a U.S.-Israel Free Trade Area, Kemp believes that the no-tariff zone will encourage Israel to further develop its high-technology industries.

Kemp does not believe that the United States should link additional aid to Israel to Israel's commitment to engage in stringent budget-balancing.

He says that "tightening belts is one thing but telling everybody that they've got to reduce their standard of living is no way to motivate a people."

Kemp clearly has his doubts about the State Department. Asked about the likelihood that the Reagan administration will propose new arms sales to Jordan or Saudi Arabia, Kemp said that "every State Department wants to sell arms to the Arabs without quid pro quos." Kemp has opposed all recent arms sales to Arab states at war with Israel.

## Rep. Jack Kemp In The Jewish Camp

Many Conservative Republicans are turning to Jack Kemp as an "alternative candidate" to Vice-President Bush whose many "misstatements" have made him vulnerable in the race for the GOP nomination. On this page we reproduce a very interesting article published in "The Chicago Jewish Sentinel."

Note that Rep. Kemp favors unlimited aid to Israel and pushed the bill to make it a free grant (or free gift which means they do not have to pay the money back as required of other nations!) Kemp says he saw the "horrors of Auschwitz!" What does he mean? The place had been turned into a beautiful park for tourists at the time of his visit!

Kemp says he "dated Jewesses" and found that "anti-Semitism is so evil!" Also he says that while Americans must "tighten belts for budget cutting" - THIS SHOULD NOT APPLY TO JEWS IN ISRAEL!

Not only that but Kemp has opposed every single bill Pres. Reagan has sent to the Congress for the sale of arms to anti-communist Arab nations. Kemp is directly responsible for forcing King Hussein of Jordan - WHO HAS ALWAYS OPPOSED COMMUNISM - to go to Moscow for arms! WHY - because Rep. Jack Kemp has sold his soul to the tiny bandit state of Israel for the financial backing of Jews back here in the U.S.A.

## Awards For Kemp

Ben-Gurion University of Israel gave Kemp an "honorary fellowship" at their Sept. 13 annual dinner for his all-out support of Israel.

## Death Penalty Supported

The Gallup Poll reports that 70% of the American people support the death penalty while only 22% oppose. This is a dramatic jump from 1966 when 47% approved and 42% opposed. Thus capitol punishment is favored 3-to-1 by Americans for convicted murderers. The time has come for every state to adopt the death penalty as a deterrent to those who would take the lives of innocent people.

**-Now Showing-**

**"The House of Rothschild" - starring Boris Karloff, Loretta Young and Robert Young - This Long Suppressed Movie Is Back In Video!**

**The House of Rothschild**

This highly interesting video was produced in 1934 for the sole purpose of glorifying the international Jew banking family of Rothschild. It was written by the Jew Alfred Werker and directed by the well-known Jew film maker Darryl F. Zanuck. The producer was the Jew Joseph M. Schenck. The movie was intended to show the Jews in the best possible light - but it was made from the Jews point of view and this turned out to be a very great mistake!

**Features Popular Stars**

This was a big budget film starring Boris Karloff, Loretta Young and Robert Young - (who is still seen on TV today). There are large sets, hundreds of extras, vast scenes - in other words this was one of the major productions of its time!

It begins with the "poor" Rothschild coin dealer in Hamburg. It shows how he cleverly cheats the tax collector and teaches his five sons to always get the best of any financial deal. Then they plan to open a bank with branches in Hamburg, Vienna, Rome, Paris and London each headed by one of the sons. They become immensely wealthy through financing wars and revolutions.

The actors talk about money - money - money and declare money to be the most effective weapon of the Jew! They state that wars cannot be won without the financial backing of the Jew. They praise the "Jewish race" and instruct all to work together as "brothers for the advancement of the Jewish race!"

**London Stock Exchange Captured**

Soon the entire world lies at the feet of the House of Rothschild. They can bring down Kings and Emperors with the power of their purse. **Money is all!** The film has a number of historical inaccuracies in order to make the Jews look like heroes when they are not. One has Rothschild supposedly risking all his money to try and save a failing London Stock Exchange.

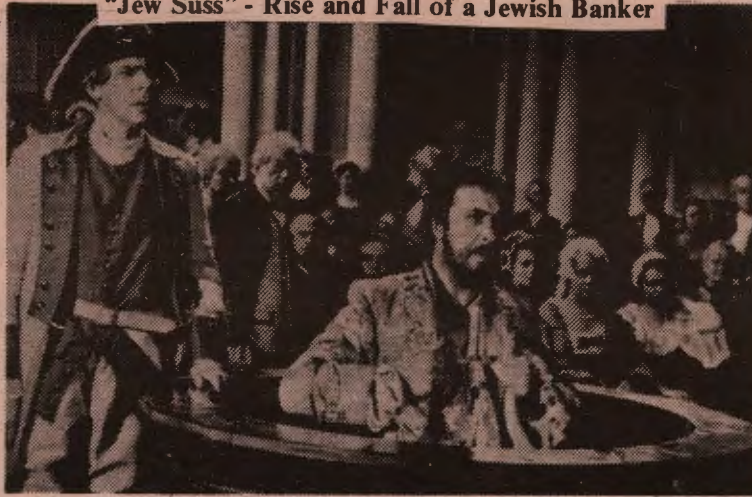

The truth is that the members of the stock exchange had been tricked through an agent of Rothschild into believing Napoleon had defeated Wellington at Waterloo. Actually the exact opposite took place. Rothschild learned of this news through carrier pigeon. When he knew Wellington had won for England Rothschild bought up all the stock for pennies on the dollar and became overnight the richest man in the world. The film does not show this truth but it is extremely interesting how the Jews distort this actual historical event.

The House of Rothschild movie initially premiered in New York, London and Paris at the same time amidst great fanfare. Then, after a short film run, the Jews quickly became aware of the fact that, while all this worshipping of money and lording money-power over all the nations of Europe looked good and praise worthy to Jews - Christians were stunned! It started everyone thinking about Jews backing both sides in war time (as they did in World War One) and making vast profits over the destruction of entire nations.

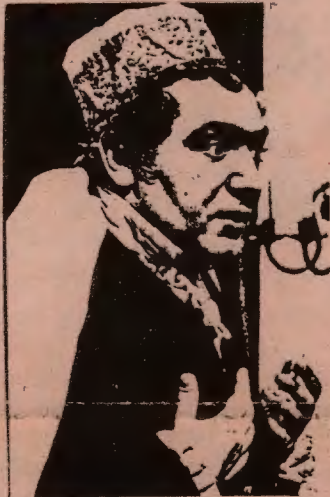

People who saw the movie immediately became "Jew conscious" and anti-Jewish. The film was suddenly withdrawn and never released again. Thanks to World Service Films we have The House of Rothschild on high quality video tape. This is a video from which you will learn much despite the fact it is written and produced by Jews - **THEY STILL COME OUT LOOKING VERY SINISTER!**

This movie is a real eye-opener, one you will find more enlightening each time you view it. Order your copy today! 120 minutes.

**"Jew Suss" - Rise and Fall of a Jewish Banker**

**The Jew Suss on trial for bribery, usury, corruption and stealing. He began as the financial advisor to a Baron, became his treasurer, and then moved to total control of the Barony - before being brought to justice. This is a big, spectacular movie!**

**Rothschild himself - from "House of Rothschild."**

**Other Valuable Rare Videos Now Available**

**The Jew Suss** - starring the famous German actor Werner Kraus. Tells the true story of a Jew who becomes a powerful banker and then corrupts the state. Here is another "big movie" with many stars, large numbers of extras, palatial sets and fancy costumes. 98 minutes

**Triumph of The Will**, the masterpiece by Leni Riefenstahl, who is hailed as the greatest woman movie producer of all time. (She is still alive and just made a wildlife film in Africa last year.) Here is the indepth look at the Nuremburg rallies which were the largest and most spectacular ever held in all history. It is powerful, moving and inspiring. 120 minutes

Here is the original film which inspired Margaret Mitchell to write "Gone With The Wind." See many scenes she copied. History film critics still say this is the greatest movie ever made.

**The Birth of A Nation** by D.W. Griffith. One of the greatest films ever made - hailed as a masterpiece world-wide. Vast Civil War battle scenes, the Old South of slave days - scenes of the colonial mansion - with the dances and parties including the twins - all of which were copied later by Gone With The Wind. The Reconstruction, when the tyrannical Freedman's Bureau Agency (FBA) takes over a defeated and prostrate Southland.

The Black Militia strikes fear into the hearts of the people. Then you view the origins of the Knights of the Ku Klux Klan and how from a handful they become a mighty army of thousands. There follows the fighting and sacrifice to defeat the Reconstruction of the South. The White people are liberated and regain their freedom. This is a classic your friends will want to view over and over again. 150 minutes.

**Jews say this is the most anti-Jewish film ever made. They have asked governments to order it banned!**

**The Eternal Jew** - without a doubt the most anti-Jewish film ever made - AND IT IS ALL NEWSREELS! This extremely interesting video was made by German army newsreel photographers after the defeat of Poland. The Germans get along fine with the Jews in the ghetto. They open their homes, shops, synagogues, AND KOSHER SLAUGHTER HOUSE to the photographers.

The life of the Jew is closely studied from inside the areas of their activities. You see the haggling over the price of goods, money-changing, their constant squabbling and then the "religious" chanting inside the synagogue with the rabbi reading The Talmud. Then comes the K kosher Ritual Slaughter of poor

animals who are not stunned first as Christians require.

Your editor still has not been able to bring himself to view this horror. But it is all here in its shocking TRUTH. This film could easily be called - **INSIDE JEWRY!** Unfortunately it is a **HORROR SHOW** but still one of the most valuable films ever made depicting the Jews as they really are in their daily lives!

You will not forget The Eternal Jew as long as you live. The Jews to this day say here is the most damaging movie ever filmed about them - and it is simply newsreels. 80 minutes in German. You will receive a translation script to follow to make it easy to understand all that takes place.

# Our "Loyal Ally" Holds Up U.S. Radio

**One Year Later-Israel Still Stalls Voice of America**  
 On March 4, 1985 it was announced in Washington that our "loyal ally" and "the only democracy in the Middle East" had finally-after long negotiations-agreed to allow the Radio "Voice of America" (VOA) to build a powerful transmitter in Israel to broadcast into Russia. (Our radio station of long standing in Turkey was closed over Washington's anti-Arab policies.)

The American people have been brainwashed day and night to the effect that unlimited foreign aid should be pumped into Israel because she is our "only ally" in the Middle East. This story of the VOA station is important because it thoroughly debunks that BIG LIE! JEWISH LEADERS HAVE CLEARLY INFORMED WASHINGTON THAT IN THE EVENT OF A WAR WITH RUSSIA ISRAEL WILL REMAIN NEUTRAL!!!

**Will Not Fight For U.S.**

The Jews, for nearly two years now, have stalled the building of the VOA station because, as the "Jewish Telegraph Agency" stated: "Israel does not want to become embroiled in a superpower conflict."

The ironic part of all this is

Below from "The Jerusalem Post"

## Israel at odds with U.S. over VOA station

By LIORA MORIEL BEERSHEBA. - Differences with the U.S. over the scope and operations of the Voice of America relay station scheduled to be built near Hatseva in the Arava are holding up construction. "But we are going to meet again next month for the third time," Communications Ministry Director-General Yoram Alster told the press.

Israel wants the station to be built as far as possible by Israelis. It also

that the Arab nations violently oppose communism. They would fight to the death as their brothers are doing in Afghanistan should Russia invade the Middle East. The only reason they accept weapons from Russia is because the all-powerful Jewish Lobby in Washington will not allow our Congressmen to vote for arms sales to these countries.

**One Year Later-Still No VOA**

Just recently the article reproduced here appeared in The Jerusalem Post. Note it states the building of the radio station is still being held up because of the following demands by the Jews. 1) It must be constructed by Jews, who will no doubt overcharge us. 2) Jews must be allowed to operate the U.S. radio station. 3) The VOA must buy Jew produced programs they demand we broadcast.

wants access to the powerful equipment when it is not in use by VOA and wants Israelis to operate the station.

The relay station is to pick up satellite broadcasts and transmit them to Eastern Europe. It will also buy Israeli radio broadcasts, Alster said.

The station will be the second largest in the world, Alster said. After construction is approved the station will take at least four years to complete.

The report states the Jews will meet for a third time on the subject. TODAY THE JEWS HAVE STILL NOT AGREED TO ALLOW US TO BUILD THE VOA. Yet they still demand one-fourth of all our foreign aid money because "Israel is our best ally in the Middle East." With allies like the Jews-we don't need any enemies!

Voice of America workers installing antenna in West Europe. Thus far our so-called "best ally" Israel has halted this program.

### Evans and Novak

**Bush In Trouble?**

WASHINGTON - A remark by an aide that Vice President George Bush does not share "gut feelings" for Israel with President Reagan and Rep. Jack Kemp threatens trouble from the Jewish community during the 1988 presidential campaign.

Don Gregg, the vice president's national-security adviser, concedes that his quote to the Washington Post was not as precise as he wishes it had been. Although Bush always has been friendly with Israel, Gregg told us the vice president thinks the moderate Arab states are important to the U.S. He will travel to Israel soon to offset his recent tour of Persian Gulf Arab states.

But Israel and the pro-Israel lobby like total support, such as Reagan's and Kemp's, from the politicians it backs. Unless Bush can prove he duplicates Reagan's support for Israel as much as he claims to share the president's other positions, Israel's worry about him could hurt him in the Jewish community.
