

Israeli Leaders Made Millions Off Iran Arms

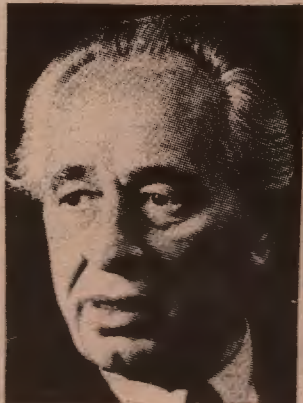

Israel Behind Iran Arms Scandal

The Jerusalem Post of Nov. 22, published in Israel and considered a voice of the Jewish government admits that former Prime Minister Peres and his underlings formulated the U.S. sale of weapons to Iran - WITH ISRAEL ACTING AS THE MIDDLE MAN. This resulted in millions of dollars going to the Jews for their "services." This has brought the Reagan Administration into disrepute and disgrace. Here we put together the shocking events which have been suppressed by the daily press.

Pres. Reagan's National Security adviser, Robert McFarlane was placed in charge of negotiating the release of American hostages in Lebanon. First we must remember that it is against the law for the U.S. to sell arms to Iran and official government policy is to never offer pay-offs to terrorists for the release of hostages (because it just leads to more hostage taking.)

Jew Money-Changers Make Millions Off Iran Deal

McFarlane sent the Jew Michael Ladeen to Israel to seek help from Prime Minister Peres. The Jews have long sold U.S. arms illegally to Iran in order to bring down their old enemy Gen. Hassan of Iraq which would destabilize the entire Arab Middle East. Ladeen has carried out secret missions aiding Israel under former Secy. of State Haig. Former Prime Minister Peres along

Israel's Prime Minister Peres designed arms deal.

Al-Schwimmer, (left) a MOSSAD arms merchant saw to it that millions were skimmed off the top of Iran arms sale. David Kimche, (right) was in charge of the money going to Swiss banks.

with the present Prime Minister Shamir and Defense Minister Rabin all met secretly - with Ladeen. Together these four Jews concocted a scheme which would involve Peres chief adviser Al Schwimmer and Foreign Minister David Kimche. It was Kimche who arranged for Ladeen and McFarlane to meet the powerful Iranian arms dealer whom the Jews have for so long illegally sold U.S. weapons. He is Manucher Ghorbanifar who operates out of London where the U.S. to Iran arms deal were completed.

Peres insisted that the transfer of U.S. arms must first go to the Jew Ya'acov (Jacob) Nimrodi in Israel. He would be the middleman who would in turn transport the weapons to Iran.

Jews Remain The Eternal Money Changers

Now the almighty dollar came into the deal. The Jews are masters at making money disappear in such mysterious transactions. Ya'acov Nimrodi is a high ranking MOSSAD agent. (Israel's notorious secret police.) He is in charge of undercover arms dealings with countries throughout the world (all of it free U.S. arms aid which the Jews turn around and sell to others at inflated prices resulting in enormous profits.)

Thus Nimrodi has personally emerged from all this shady business a multi-millionaire. Also his cohorts Shamir, Peres and Schwimmer have also made millions. David Kimche was made contact man for the collecting and dispersing of the money. Arms merchant Nimrodi concocted the following "deal" with fall guy McFarlane, and the Iranians.

The U.S. would ship millions of dollars in arms to Israel. Some say it was \$30 million worth, other reports have the figure up to \$45 million. David Kimche would in turn sell the arms to the Iranian Ghorbanifar at a much higher price ("10 to 12 times higher.") It was the old Jew scheme to make money fast - "Buy cheap - sell high." But in this case they got the arms at cost from the U.S. and sold it for many millions more. No one knows for sure how much money passed through Jewish hands!

Millions of Dollars Missing

Next, our "good friends," the Jews Nimrodi and Kimche promised McFarlane they would place \$12 to \$30 million in a secret Swiss bank account which would then go to the anti-communist Contras fighting in Nicaragua. Contra leaders claim they never got the money from the Jews!

U.S. Forced To Ship Diamond Equipment To Communist Angola

Ulterior Motives Behind Israel's Involvement

THE DIAMOND CONNECTION: Another secret part of the agreement McFarlane made with Peres was that the CIA would ship diamond mining equipment for the Jew Oppeheimer DeBeers Co. to communist Angola. The Jews control most of the world's diamond production and sales. Diamond cutting is today concentrated in Tel Aviv and this provides Israel with their most lucrative financial returns. Thus the highly classified CIA "Southern Air Transport" was used to work with communists to help the Jewish diamond trade!

THE JEWS HAVE LEFT NO STONE UNTURNED IN SQUEEZING EVERY DROP OF BLOOD THEY COULD EXTRACT OUT OF THE U.S. OVER OUR ARMS SALES TO IRAN!

Israel Controls The World Diamond Trade

A huge streamer over the top of the Diamond Bourse building in Ramat Gan screamed out the proud slogan: "Diamonds are Israel's number one export." The many thousands who drove by the busy thoroughfare undoubtedly got a lift from the slogan - a feeling that all was well with Israel's economy. That was true in the late '70s and in 1980 when Israel's polished diamonds exports reached a high of \$1,409.8 million.

The bright cherry on the cake was the dedication of the new Harry Oppenheimer Museum on the ground floor of the Maccabi Building at the Dia-

mond Exchange complex, by Harry Oppenheimer, recently retired head of De Beers Consolidated Mines Ltd., in the presence of Israel's top government officials. An emotional interlude was provided by the affixing of the mezuzah by Tel Aviv Chief Rabbi Yedidya Frenkel.

During the Congress, the Office of the Diamond Controller released current statistics that provided a bright sendoff to the guests from abroad. Israel exports of polished diamonds reached a record \$816 million in the first half of 1986, 40% higher than the same period in 1985. Exports of June 1986 were \$151 million compared to \$91 million in June 1985, an increase of a whopping 66%.

Southern Air flew from Dobbins on low-key missions to Angola

WASHINGTON - A Miami-based airline linked to secret White House arms shipments to Iran has been making regular flights to Cuba and Angola for several years, government records show.

Southern Air Transport, formerly owned by the Central Intelligence Agency, also flew tons of cargo from Kelly Air Force Base in Texas to Tel Aviv, Israel, at the same time American arms and spare parts were being shipped secretly to government factions in Iran.

Fewer flights to Angola appear on the records.

But on at least two occasions the company transported cargo from Dobbins Air Force Base at Marietta, near Atlanta, to the Angolan capital of Luanda on L-100 Hercules carriers, the civilian version of the C-130.

The flights to Angola were conducted on behalf of a private company and consisted of "airlift support" for the client's diamond-mining operations, Kress said.

Kress could not explain why the flights originated at an Air Force base in Georgia, but he speculated that the plane may have been serviced at the Lockheed-Georgia factory at the air base.

Southern Air also has been linked to shipments of arms and spare parts to Iran in support of factions in the Khomeini government. The shipments were made in February and May and, according to House Majority Leader Jim Wright (D-Texas), the cargo was assembled in San Antonio, Texas.

Jews Want All Christians Symbols Outlawed

By Dr. E.R. Fields

Why Jews Harbor A Violent Hatred For Christianity

The Talmud is the real "bible" of the Jews. It is without a doubt the most anti-Christian series of books ever written. Since "The Talmud" is in Hebrew and not for sale to the general public few people know what's in it. The Thundrebolt sells a book, "The Talmud Unmasked", by Father I.B. Pranaitis who was a professor and master of the Hebrew language. If you want to know what Jews are really taught by the rabbis regarding Christians order this book today, (Only \$2 per copy.)

On this page we reproduce a series of articles which speak for themselves. In each and every case we find Jews and Jewish organizations behind a diabolical assault designed to wipe out all public vestiges of anything Christian. The following is just a glimpse into what "The Talmud" teaches Jews regarding Christians. (We give book name and page number.)

Buxtorf 1, "May his name and memory be blotted out."

Genes 39, "It is forbidden to take part in the Christian feasts of Christmas and Easter because they are celebrated on account of him who was hanged."

Schabbath 104, "He (Jesus) was a fool and no-one pays attention to fools"

Sanhedrin 197, "Jesus seduced, corrupted and destroyed Israel."

Zohar III 282, "Jesus suffered an ignominious death by being hanged on a cross on the eve of the Passover. He was buried where they throw the dead bodies of dogs and asses."

Perusch 78, "And it is known that Christian people who follow Jesus are all worshippers of idols."

Choschen Ham 266, "A Jew may keep anything he finds which belongs to the Christian. For he who returns lost property to Christians sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy, however, to return lost property if it is done to honor the name of God, namely, if by so doing Christians will praise the Jews and look upon them as honorable people."

Choschen Ham 156, A Jew is allowed to lead Christians on (in business dealings) to deceive him and take his money. For the wealth of the Christian is to be regarded as common property and belongs to the first who can get it."

Is this a religion??? There is no other so-called religion in the world which teaches such hatred of other peoples and religions. This Jewish hostility is against all Gentiles be they White, Yellow, Black or Brown. The Jewish word "Goi", "Goy", "Goium" or "Gentile" - REFERS TO ALL NON-JEWS and is a degrading term which also can mean "Lowly cattle!"

Thus organized Jewry works night and day to subvert and abolish the Christian faith and all its public pronouncements and displays. Christians must awaken and work to take back their **Christian Nation** before it is turned into an official, atheist state as exists behind the Iron Curtain!

Scarsdale, N.Y. Christians are forced to erect a "disclaimer" in front of their nativity scene, built for their children. They hope to ward off suits by Jews.

case called boost in 'assault' on Zion seal

Atheist Robert I. Sherman yesterday hailed a U.S. Supreme Court ruling in a New Mexico case as a victory in his war against the village of Zion.

"It's an all-out assault now," said Sherman, director of American Atheists of Illinois. "There's nothing to keep us from filing suit."

Monday, the high court let stand a finding that the official seal of Bernalillo County, N.M., breached the constitutional barrier between church and state.

The seal carries a cross and the slogan, "With this we conquer," in Spanish.

There are parallels between the New Mexico and north suburban cases. For example, the Zion seal bears a cross, other Christian symbols and the motto "God reigns."

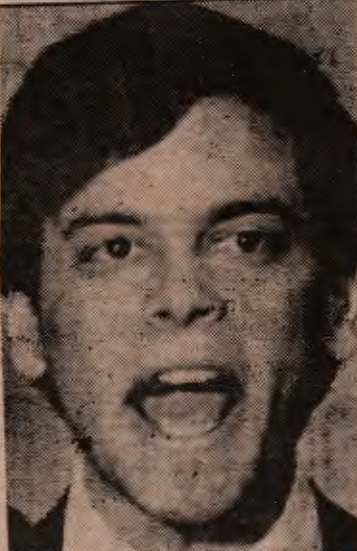

In a decision left untouched by the Supreme Court, a federal appellate court said the Bernalillo County seal "conveys the strong impression to the average observer that Christianity is being endorsed."

He will make similar requests of Rolling Meadows and Palatine, whose seals also have crosses, and Waukegan, where a city-owned cemetery displays crosses at its entrance.

Although he said he has been called a "Communist and a spy" and has received death threats, he said, "It is the American Atheists who are the true patriots."

Sherman said the national office would pay him \$1,000 a month, and he will try to raise an additional \$12,000 for an annual salary of \$24,000.

Jews have richly benefited from the commercialism of Christmas. Just as the Soviet atheist abolished the Christian celebration of Christmas they still left in tact the gift-giving which swirls around Uncle Frost (their version of Santa Claus.) This is exactly what the Jews have planned for America, They even promote the idea of taking the name of Christ out of Christmas

Robert Sherman, Jewish atheist leader wants all Christian symbols banned.

Zion, Illinois city seal - the cross is said to be an affront to all Jews.

Jews Fight To Ban Nativity Scene And Cross

The Jewish Anti-Defamation League is the largest organization working with the Jewish led ACLU seeking to ban the public observance of Christian celebrations. The Supreme Court in the case of Lynch vs. Donnelly ruled that privately financed Nativity scenes can be displayed on public property. At the same time they ruled it can be banned if public funds are used and if it is not part of a "display of other works".

The next important ruling was last month's decision by Federal Judge Frank McGarr in Chicago that a Nativity scene can be displayed in front of the City Hall. Rabbi Vernon Kurtz vigorously objected. Jew organizations say they will appeal this also to the Supreme Court. Another federal judge, James F. Holderman, ruled that an illuminated Christian Cross over the St. Charles, Ill., fire station was un-Constitutional and must be removed. The U.S. Supreme Court has upheld this order. In other cities Christians are erecting "disclaimers" stating nativity scenes are privately financed to try and avoid suits filed by anti-Christ Jews. Who would have dreamed even 10 years ago we would face such persecution. There can be no doubt this struggle will continue until America becomes a truly "Christian nation" once again.

Most U.S. Jews oppose school prayer

The nation's Jews are overwhelmingly opposed to a return to prayer in public schools, while the majority of Americans is for it, according to a Media General poll of 1,412 respondents released this week by the Associated Press in New York. The poll also showed that Jews, more than any other religious group, supported the constitutional concept of church-state separation.

Those who felt that church-state separation was a bad idea included nearly 30 percent of all Protestant respondents and 20 percent of Catholics. In contrast, nearly all Jewish respondents favored the constitutional principle of church-state separation.

The Media General-AP poll is said to have an error margin of 3 percentage points either way because of chance variations in the sample.

Will Christmas Become "Xmas"?

Jews Oppose Christmas Memphis, writer James Combs sends the following report:

"The Memphis Commercial Appeal carried a brief account of Jew Richard Blum's attitude toward Christmas. The article states, 'in fact, the 49 year old Burlington, Vt., lawyer and radio talk show host says he hated Christmas all his life. He is trying to recruit Christmas-haters to join his Noel-non, an organization of 'like-minded people.' It was founded by Blum for those who agree with him to help in 'kicking a nasty habit.'"

Combs adds: "Jews detest the U.S. observance of the birth of Christ and undoubtedly yearn for the time when the spiritual aspects of the day is confined to the name of Christ out of Christmas

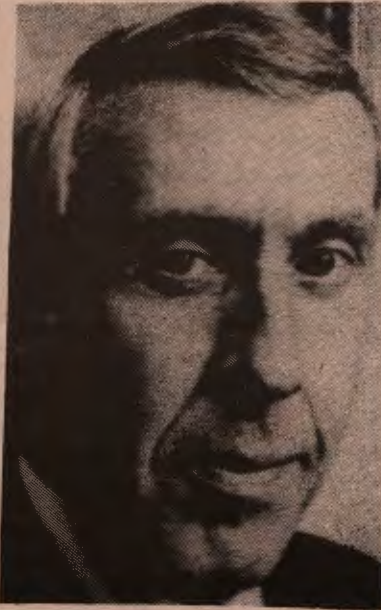

Boesky's Raiding Was Illegal Inside Trading

Biggest Inside Trader Crook In History

Ivan Boesky (Jew) has confessed to "insider trading" and been fined a total of \$100 million. This is the largest penalty ever meted down by the SEC. Still *Forbes Magazine* says he is worth an additional \$100 million! By coping a plea bargain he avoided a 5 year prison sentence and other charges for mail and wire fraud. Boesky was turned in by Dennis Levine. Now it is said Boesky is turning on his own super-rich friends including Carl Icahn! There is no loyalty among Jewish thieves. Boesky has close ties to Levine's firm of Drexel which is run by the king of "junk bonds", a Jew named Michael Milken.

William and Helen Boesky immigrated from Russia and little Jacob Boesky was born on March 6, 1937. At age 12 he was selling ice cream from a truck and on a good day could gross \$150. "He loved to make money," said a friend. Later, after changing his name to Ivan Boesky he said this "nickel and dime business taught me to appreciate the green kind."

Boesky told interviewers he graduated from the exclusive posh Cranbrook High School. The truth is he was expelled from the school in his sophomore year under mysterious circumstances which have never been explained. He bragged to others that he graduated from Harvard! The truth is he graduated from Detroit City

Ivan Boesky was not brilliant - all his deals came from secret inside knowledge.

Law School. There he met Seema Silberstein the daughter of Detroit's richest Jew!

Seema Boesky - it was her father's money, (raided by Boesky), which launched his infamous career.

"It's a sickness I have in the face of which I am helpless. Imagine it in one-dollar bills, or better yet, in a pile of silver dollars. I wonder how tall that would be. It would be like Jacob's ladder, wouldn't it? A Jacob's ladder of silver dollars. Imagine - wouldn't that be an aphrodisiac

experience, climbing to the top of such a ladder?"

"I can't predict my demise, but I suspect it will occur abruptly."

There can be no doubt Boesky is indeed money-mad. Still he had 100 employees, over \$1 billion in securities under his command. His office of elaborate computers and high-tech equipment made the place look like the Kennedy Space Control Center. He was said to have been difficult to work for - loud, harsh, aggressive, but in an instant could turn this to courtly charm when an important investor entered the office. Today this is all gone - but there are many other Jewish corporate raiders lurking around the corner ready to steal your company and sell off all its assets. The stock exchange laws in America must be drastically changed if we are to stop organized Jewry from BUYING AMERICA!

Pimp Behind The Raiders

Jewish Corporate Raiders Arrested

The headlines have been filled with news of the arrests, investigations and charges placed against more than a dozen New York investment bankers. What the daily press fails to mention is that in every single case the suspects have a common denominator - they are all Jews!

The case has resulted in the arrest of multi-millionaire Ivan Boesky and many think Carl Icahn is next on the list. But, it all began with Dennis Levine, 33. He was paid over \$1 million a year as a manager-director of the Jewish owned Drexel Burnham Lambert brokerage house. He personally made \$12.6 million using inside knowledge by secretly investing 54 impending mergers which drove up the value of stock.

Levine would give large sums of cash to the Jew Bernhard Meier who would fly to the Bahamas using a front account to buy the stock. Thus his "brilliant performance" on Wall Street was strictly due to his inside information. Levine could not wait to bask in his wealth. With his wife they bought an expensive Park Ave. apartment and a home in the countryside. He purchased an \$80,000 red Ferrari. His wife called him a "merchant prince," a title successful Jews love to adopt.

Greed Dominated His Life

The New York Times of May 14 described Levine as a man, "with an insatiable desire for success. He worked relentlessly to be the best in his field, to become rich, powerful, famous and a fixture in merger-acquisition transactions." It is

Dennis Levine was the "inside source" for many Jewish Corporate Raiders.

believed that Levine sought to flee the country when he learned that SEC investigators were closing in. Just before his arrest Levine sent a telegram to his Bahamian bank to wire \$10 million to an account in the Cayman Islands. There, no extradition treaty exists for "economic crimes." He never made it - the law got him first.

The Levine case resulted in insider trading charges against Ira Sokolow, 32, with Shearson Lehman Co., David S. Brown 31, with Goldman Sachs Co., Daniel Silverman, 23, accountant, Robert Wilkis, 37, Lazard Freres Co., Attorney Ilan K. Reich, 32, Rosen & Katz law firm, Michael David 27, Paul Weiss, Rifkin law firm, Morton Shapiro 24, Moseley Securities Corp., Robert Salisbury 27, Drexel, Burnham, Lambert, Investment banking, Andrew Solomon 27, Marcus, Schloss Co.

What do they all have in common? Each defendant charged with defrauding investors and all of the companies which employ them are Jewish!

Married For Money

Seema was overweight for a young girl and not very popular. BUT HER FAMILY WAS WORTH MILLIONS AS THE IMPOVERISHED BOESKY COULD EASILY SEE!

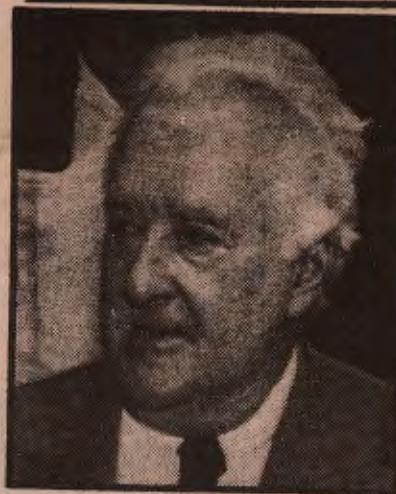

Ivan wanted to marry Seema right away but her father, Ben Silberstein, hated Boesky and always referred to him as "that bum." When eventually they did marry, Ben wisely said, "He married her for MY MONEY." When Silberstein died he left Seema a 48% interest in his Beverly Hills Hotel Corp. A 48% interest went to his other daughter Muriel and 4% to his sister. This is where the Boesky cunning style began. He bought out the sister's 4% and gained a controlling interest for his wife.

On April 1, 1975 Boesky had his wife loan him \$700,000, borrowed from the Hotel chain, to open the Wall Street office of Ivan F. Boesky & Co. Everyone thought Boesky was the genius of Wall Street. No one knew that the little Dennis Levine was lurking in the background feeding Boesky the secret insider information on which stocks would rise or fall tomorrow. Court records show that Levine called Boesky hundreds of times - often up to 20 calls per day.

Thus the obscene and illegal profits began to roll into Boesky. He made \$150 million on CBS-TV stock, \$9.2 million from Nabisco, \$50 million on General Foods, etc., etc. Today *Forbes Magazine* says he is worth over \$200 million.

Boesky Worships Money

When Boesky addressed the Columbia University School of Business he said his goal was to be worth \$500 million adding:

Victor Posner, Miami Jewish raider is fighting tax evasion charges.

Carl Icahn, another vile Jewish raider is a close friend of Boesky and Levine - he may be arrested any day!

Boesky - Active In Jew Community

(Below from press reports.)

Jewish Organizattions

For two years through 1985, Mr. Boesky, the son of a Jewish immigrant from Russia, was general chairman of the United Jewish Appeal-Federation of Jewish Philanthropies of New York, the highest position in its annual fund-raising campaign.

Ernest W. Michel, the agency's executive vice president, said Mr. Boesky served as chairman of the meetings of the steering committee every three weeks and attended many other meetings. Mr. Michel would not divulge the amount that Mr. Boesky had given the organization, but other reports have put his donations at more than \$1 million.

"He was always straight and direct," Mr. Michel said. "I think he was a committed Jew. He comes from a Jewish background, and he has always indicated to me his deep belief in the cause of U.J.A.-Federation and his desire to aid the Jewish people worldwide. This is a very important part of his life."

However, in an interview two years ago about being the group's general chairman, Mr. Boesky said that he was embarrassed to admit that he had never been to Israel.

Marjorie Wyler, a spokesman for the Jewish Theological Seminary, said Mr. Boesky's interest in a li-

brary building derived from his involvement with the seminary since 1980 and his interest in collecting rare books and Judaica. "He had a lot of money to play with and he was a discriminating collector," she said.

Menachem Schmelzer, the chief librarian, said of Mr. Boesky, "He is a great lover of Jewish books."

Ms. Wyler said that Mr. Boesky "came to meetings and he raised money for us and he contributed and that's what a board member is supposed to do."

Asked if his seminary position helped him make business contacts, she replied: "Nonsense. It was other members of the board who wanted to meet him. He was at the top. Everyone wanted to know Ivan Boesky and everyone wanted to invest with him. There are very few people who make that kind of money."

Interest in the Holocaust

Mr. Boesky's interest in the Holocaust was evinced in a number of activities. He was a patron of the Simon Wiesenthal Center, a member of the New York City Holocaust Memorial Commission, and was appointed to the United States Holocaust Memorial Council. He was also reported to have tried to have the Holocaust film "Shoah" put on video cassette so that it could have wider distribution.

Nobel Prize Promotes Holocaust

Elie Wiesel - Living Proof - There Was No Holocaust

The Nobel Peace Prize for 1986 was given to professional holocaust survivor Elie Wiesel. He has written 26 novels on the holocaust which have been lavishly promoted and made him a millionaire. The New York Times states that Wiesel was the first to coin the term "holocaust" to mean the killing of 6 million Jews. When challenged on this claim because more ethnic groups died during World War II than Jews (including Germans), Wiesel's standard reply is, "even though not all victims were Jews, all Jews were victims".

This could not be true because on June 30, 1965 the West German government announced that 3,375,000 Jewish "holocaust survivors" has applied for reparations money. In his novel Wiesel claims that the Germans instantly murdered all those not fit for work in the camps. Then, later, Wiesel states he was sent to an "extermination camp" at age 14 and was released at age 16. Wiesel says he was a frail child not good for work! Next he claims to have survived "four death camps including both Buchenwald and Auschwitz!"

If the Germans were so eager to exterminate Jews why would they spend all this time and money transporting a worthless Jew like Wiesel from camp to camp? Wiesel says he was also surprised to discover after the war that his two older sisters also were "lucky survivors!"

Wiesel's Hatred For German People

While the Nobel Peace Prize includes a check for \$280,000 to the "winner" the prestige value long ago wore off. Other winners have included Israel's Prime Minister Begin who ordered the murders of both British and Palestinians as head of the terrorist Irgun in the 1940s and approved the killings of thousands in the invasion of Lebanon. Other prize "winners" include communist agitators Martin Luther King and South Africa's jailed terrorist Nelson Mandela. Even the Jew Henry Kissinger was given the Nobel award for his "Peace" in Vietnam whereby he turned South Vietnam over to the Communists!

In Wiesel's novel, "Legends of Our Time", (Avon Books, published in 1968 the following can be found on pages 177-178.)

"Every Jew, somewhere in his being, should set apart a zone of hate - healthy, virile hate - for what the German personifies and for what persists in the German. To do otherwise would be a betrayal of the dead."

Note again that Wiesel does not single out "Nazies" who he claims to fight - BUT THE ENTIRE GERMAN PEOPLE!

Hailed By Zionist Leaders

Former Israeli Prime Minister Peres hailed the Nobel Prize award stating: "Elie is teaching the world a holy lesson by keeping the memory of the six million alive."

Current Prime Minister Shamir, formerly head of the terrorist Stern Gang which murdered many people in the 1940s stated: "You are the voice of constant struggle against anti-Semitism". Lilli Kopeky, secretary of the Public Council of Auschwitz Survivors said: "This was the right choice, especially in view of the current revisionist movement denying the holocaust."

Norwegian Nobel Committee chairman Egil Aarvik called Wiesel, "one of the most important spiritual leaders for peace, atonement and human dignity."

Insulted President Reagan

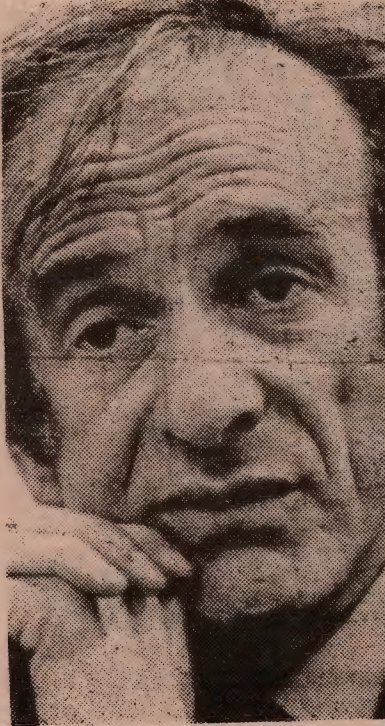

President Reagan named Wiesel chairman of the U.S. Holocaust Memorial Council (which was established by the Congress at taxpayers expense.) Next Reagan presented Wiesel with the Gold Congressional Medal of Achievement, (the highest honor bestowed on a civilian.)

On national TV Wiesel insulted the President in denouncing his planned trip to Bitburg, Germany to honor their war dead. Wiesel said, "that place, Mr. President is not your place. This issue here is not politics, but good and evil."

Wiesel Hailed By Communists

As Chairman of the Holocaust Commission Wiesel will hold an international conference of "survivors" in Washington the end of February. On Oct. 24 he traveled to Moscow at the invitation of the Soviet War Veterans Committee. While there he addressed some 2,000 Jews packed into the Choral-Synagogue (with 4,000 more outside listening to loudspeakers.) This was his fourth trip to Russia and the purpose this time was to arrange for communists to attend his upcoming conference.

Wiesel is quite a performer on stage. According to Charles Fenyvesi of U.S. News: "In public appearances, Wiesel insists on a certain kind of lighting; reflectors directed at him, the rest of the

Elie Wiesel, has made millions working to keep holocaust alive.

Carroll Campbell, Jr. won over Jewish slander campaign.

Columbia, S.C. - Republican candidate for Governor Carroll Campbell, Jr., was thought to be in trouble after the organized Jewish community accused him of "anti-Semitism." It seems that way back in 1978 Campbell was in a three way race with a Jew named Max Heller and Don Sprouse for Congress. It is alleged, that since Sprouse was

a minor candidate, his exposing the fact that Heller was a Jew was a plot financed by Campbell!

These charges were denied and thought to have been forgotten 8 years ago. But, Jews have a slogan, "Never Forgive - Never Forget." (Which is a totally un-Christian viewpoint.) Thus they brought up the issue again hoping to influence the shrinking number of Christians who still believe in the Jewish claim that, "Jews and not Christians are God's Chosen People!" This ploy failed and Campbell was elected Governor over Mike Daniel by 20,000 votes.

(Below from New York Press)

Carolina Controversy

Strong words are flying in South Carolina politics between Lee Atwater, a strategist for Vice President Bush, and Samuel Tenenbaum, a prominent Democratic fund-raiser and civic leader.

Mr. Atwater, who is also a campaign consultant to Representative Carroll A. Campbell Jr., the Republican nominee for Governor, has accused Mr. Tenenbaum, who is president of the Jewish Welfare Federation of Columbia, of using "Gestapo tactics" in trying to link him and Mr. Campbell to an anti-Semitic controversy in 1978, when Mr. Campbell was elected to Congress.

In that campaign Don Sprouse, an independent candidate, said that Max Heller, the Democratic candidate, who is Jewish, should not be elected because he was not a Christian.

Mr. Atwater was also quoted as saying: "It is a Gestapo tactic at its worst. Tenenbaum is obviously a Gestapo-style politician."

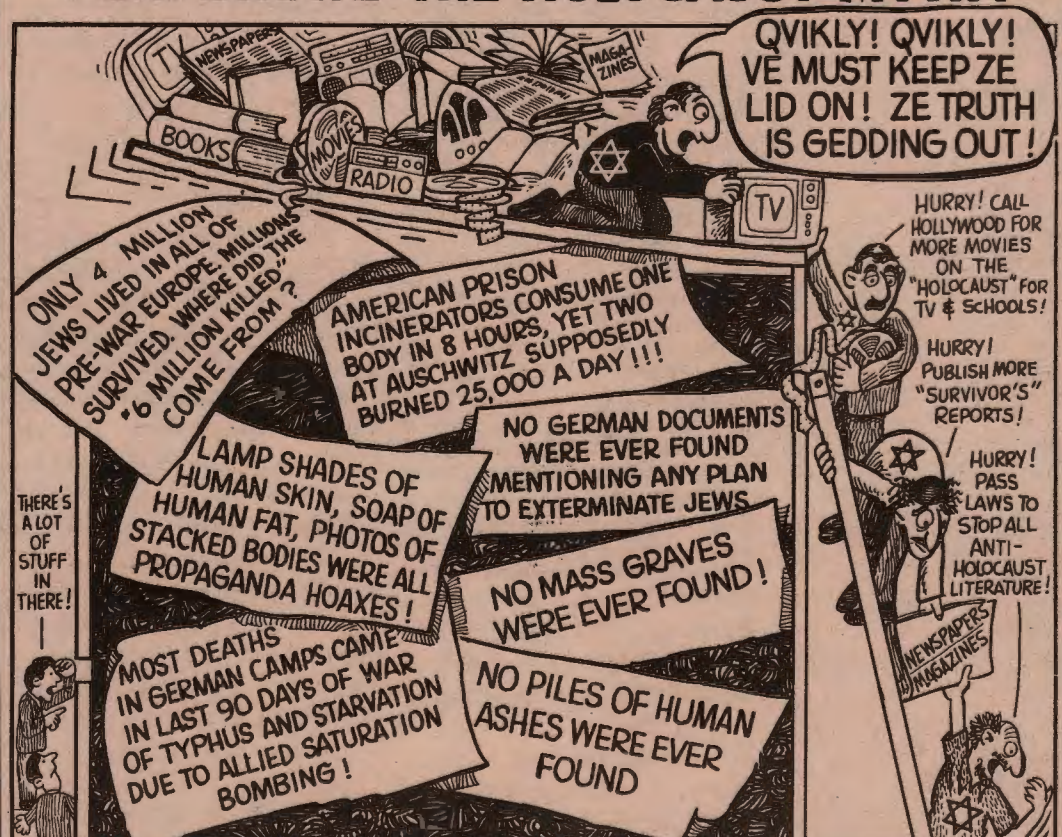

In the same news article, Mr. Tenenbaum was quoted as saying Mr. Campbell's political philosophy was that "the means justifies the end," adding, "These are the values that Mikhail Gorbachev, Fidel Castro and the Ayatollah Khomeini practice."

stage left dark. In his well-cut, dark suit, his small figure seems wraithlike. His voice lightly accented is a stage whisper."

Thus he is called "the prince of the holocaust." Wiesel can speak with a sharp tongue. He has even accused famed anti-communist Russian writer Alexander Solzhenitsyn of "anti-Semitism" for revealing that Stalin mostly picked bloodthirsty Jewish killers to run his Gulag concentration camps. Wiesel has urged resettlement of all "boat people" from Indochina in America and charged South Africa with being "Nazi like" for practicing Segregation of the races.

What can we do about this outrage - "Was There Really A Holocaust" - Truth Tract No. 1 is gaining a huge circulation. Each Patriot, doing just a little, adds up to a real lot! See page 10 for prices and keep this circle of truth ever growing. Polls show that a steadily increasing number of Americans are rapidly tiring of hearing Jews cry about their alleged holocaust.

QUESTION: HOW LONG CAN THE JEWS PERPETRATE THE HOLOCAUST MYTH?

ANSWER: NOT MUCH LONGER!

Expert Wants 6 Million Figure Reduced

Jewish Scholars Say Holocaust Figure Must Be Reduced

Jewish Anti-Defamation League director, Abraham Foxman, (himself a holocaust survivor - believe it, or not), says there are 20,000 books promoting the holocaust and only 200 books denying it. Still organized Jewry is worried! The big problem is with demographers who continue to object that there is no way 6 million Jews could have died during World War II.

University of Vermont has a holocaust course taught by Raoul Hilberg, one of the world's leading Jewish authorities on the subject. Hilberg wrote the massive three volume book, "The Destruction of the European Jews." It won the National Jewish Book Award.

6 Million Not there

Hilberg is quick to admit that the 6 million figure, "was adopted very early, was based mainly on hearsay, the true figure is between 5 million and 6 million Jews". He says there were no 6 million Jews living in Europe during the 1941 and 1945 period and the question is how many Jews resided in Western Russia who might have died?

"The Dissolution of East European Jewry" by Walter Sanning says the Soviet government removed some 3 1/2 to 4 million Jews from Poland, West Russia and the Baltic countries before the Germans overran those areas. Now we come to the following extremely interesting figures. Not counting the Soviet areas mentioned above - **NOMORETHAN 4 MILLION JEWS LIVED IN GERMAN OCCUPIED EUROPE!**

Millions of Survivors

The West German government on June 30, 1965 announced that some 3,375,000 Jewish holocaust survivors had applied for war reparations. We also have a report in The Canadian Jewish News of Dec. 11, 1981 that the figure of Jewish holocaust survivors applying for West German reparations payments had reached 4,433,378 Jews??? (This must include Russian Jews who remained far behind the lines. Since 1953 the Germans have paid these survivors over \$30 billion averaging \$700 million per year. **THERE IS NO ROOM FOR THE 6 MILLION FIGURE!**)

Now, all this brings us back to Prof. Raoul Hilberg. In The Jerusalem Post of June 28, 1986 he states that the 6 million

6 Million Figure Too High

NOW TO the numerical questions: How many victims? One need only look at the voluminous literature about Soviet resistance, French resistance and German resistance, or the unsupported statistics of military and civilian losses in Russia, Poland and elsewhere, to see that such questions are enveloped in symbols with which nations laboriously construct their historical memories.

Figures can become political footballs. Three million Poles died, the Russians lost 20 million soldiers and civilians. Everybody was a partisan. All these figures are taken from thin air.

Raoul Hilberg, Holocaust expert, suggests 5 million figure, says it sounds more reasonable.

Yet almost everybody has a figure for the total of Jewish dead. The well-established number of six million, however, was adopted very early. It was based mainly on the hearsay evidence of a Sturmbannfuhrer Hoettl, whose affidavit recording a conversation with Eichmann was made at Nuremberg in November 1945. More generally it is also based on the crude calculations of the Institute of Jewish Affairs and the World Jewish Congress, also going back to 1945 and 1946. Even so, the number of six million has been repeated in speeches, articles and popular books for 40 years.

The rounded toll of European Jewry is between five and six million. That there is still no accepted answer is largely due to the failure of historians to enlist the help of demographers.

Obviously, nothing pertaining to Soviet statistics is self-evident. Compounding the difficulty for the historian, who would like to know how many Jews were alive in Russia in 1945, is the absence of a Soviet census between 1939 and 1959. Nevertheless, an attempt could be made to derive a 1945 figure from the Soviet Jewish population trend disclosed in the census data of 1959, 1970 and 1979.

The omission of such calculations raises the suspicion that even historians do not wish to risk a finding of an overall total that would fall below the 5,500,000 threshold. "Maybe we have to rethink the figure of six million," notes Hilberg.

figure is just too high for researchers to accept. Hilberg suggests that this figure be officially lowered to, perhaps, 5 million. Then he adds that most Jewish historians, "do not want to risk a finding of an overall total that would fall below the 5,500,000 threshold - Maybe we have to rethink the figure of 6 million?"

Sept. 7, some 5,000 Holocaust survivors celebrate Holocaust Day at the foot of the Statue of Liberty.

More Survivors Organizing

The Jewish Press states that a holocaust program held last Sept. 7 representing the "American Gathering Federation" which has a membership of 55,000 holocaust survivors. On that same date 5,000 survivors celebrated "Holocaust Day" at the foot of the Statue of Liberty. That night according to JTA wire service 1,500 holocaust survivors dined and danced the night away in the Grand Ballroom of the Waldorf Astoria hotel.

All of this could be left unchallenged except for the fact

Middleweight Champ, "Marvelous" Marvin Hagler, left with the challenger, Sugar Ray Leonard promoting their April "title bout." Can they hold up that long.

Jews such as Hilberg know this 6 million business is utter nonsense. Look at it in this light. Many young Jews fled Europe for America and Canada before World War II broke out. Many of those left behind were elderly. The war has now been over for more than 40 years. Many "survivors" have died natural deaths in the meantime. Still there are hundreds of thousands of so-called holocaust survivors still alive in America - and similar numbers in Israel and other nations.

that Israel is able to demand over one-fourth of all U.S. foreign aid on the grounds they suffered during the holocaust! This same argument is used to silence those who criticize political Zionism and Jewish Political Action Committees (PACs), etc., etc. Jews argue that to question their financial and political goals is to "persecute the survivors of the holocaust."

More evidence has reached our desk in this unending battle to expose the holocaust. Organized Jewry already has an

organization called, "The Children of Holocaust Survivors." Now for the first time we have learned they are now forming a new group to be known as, "The Grandchildren of Holocaust Survivors!" This is too rich a plumb for the Jews to ever let go of.

Therefore we have no other choice but to chip away at the foundation of this myth because after all the pro-holocaust books, TV shows, movies, tapes, propaganda - and the real truth is fully broadcast - **WE WILL BRING THE HOLOCAUST HOAX CRASHING DOWN!**

how could Leonard be ranked as a contender when he "retired" 5 years ago after suffering a detached eye retina and brain damage. The "champ" Hagler is age 35 and said to be a has-been! Still boxing has reached the depths of wrestling and "big names" are hard to find which will draw a crowd.

But with the proliferation of gambling there is still big money to be made in boxing which today is a totally Jew run "business." Promoting this fight is the Jew Bob Arum who heads Top Rank. The fight will be "staged" in Jewish owned Caesar's Palace in Las Vegas. Arum says this "championship fight" should gross over \$100 million. Hagler and his managers will get \$12 million, and Leonard and his "handlers" \$11 million.

After this fight the Jews may resurrect Mohammed Ali and Leon Spinks.

Jews Crushed In Local Elections

While the daily press made much out of the defeat of conservatives in some Senate races they covered up the disastrous defeat Jews suffered in three Senate races and in local state elections. The latter occurred in areas where the Jewish population is large. These results prove beyond a shadow of a doubt that feelings against Jews run strongest where the Jewish population is heavy — WHERE A MAJORITY OF CHRISTIANS KNOW THE JEWS FOR WHAT THEY REALLY ARE!

Jews Lost Three Senate Races

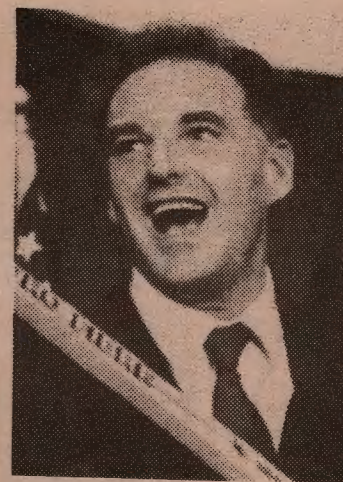

New York Sen. Alfonse D'Amato easily defeated Jewish "pretty boy" Mark Green. Jewish New York City went 3-to-2 for Green but the 4 suburban counties went 2-to-1 for D'Amato. The race state wide wasn't even close with D'Amato polling 2,330,734 votes to Green's 1,684,826.

Missouri, Harriett Woods (a Jewess running as a Democrat), when Democrats were sweeping the Senate races - LOST. With plenty of Jewish money, and a left-wing program endorsed by Jane Fonda, Ms. Woods was defeated by Christopher Bond, 776,790 to 698,210 votes.

Colorado Jew Ken Kramer running as a Republican was defeated by Tim Wirth 529,063 to 512,828.

Jews Spent Millions For Sheriff

Big Jewish Loss In Illinois

Cook County is made up of Chicago and its suburbs. It is so populous that its vote can often decide the fate of those running for state wide office. This is a democratic county and republicans lost races for Board President and County Clerk this year. STILL THEY BEAT JEW SHERIFF RICHARD ELROD WHO HELD OFFICE FOR 16 YEARS!

This was no minor race - organized Jewry contributed over \$1 million to Elrod's campaign. Here was the most expensive Sheriff's race in U.S. history. Note the articles on this page taken from the "Chicago Jewish Sentinel." They prove that the Jews went all out to ensure total Jewish support for Elrod's campaign.

Elrod controlled a vast staff of 5,000 employees with an annual budget of \$114 million. Elrod was also an important active leader in Jewish community support Israel. Still, he was beaten by former Chicago Police Superintendent Jim O'Grady.

Negro Mayor Washington went all out for Elrod mailing 900,000 leaflets for him and speaking before black college groups, going on TV and flashing "Vote For Elrod" signs at Bears football games. Still Elrod polled his lowest vote ever in Negro areas and was swamped in Polish, Italian, Irish, Slavic and East European ethnic neighborhoods: THERE CAN BE NO DOUBT THAT WHITE CHRISTIAN ETHNIC GROUPS HAVE TURNED AGAINST THE JEWS!

Right-Wing Revolt in Alabama

White Racial Victories

The Miracle Win In Alabama

Bill Baxley could not be beaten in his race for Governor of Alabama according to all the experts as late as August. Baxley ridiculed his opponent Republican Guy Hunt for having no college education, for being a door-to-door Amway salesman, having no political experience and for being a preacher in the Primitive Baptist Church.

After all, this was a "democratic year" in the South where the Republicans even lost war-hero Sen. Denton's seat in Alabama. But White people tend to have long memories. It was back in 1977, when as Alabama Attorney General, Baxley worked with the Jewish ADL to have two men indicted for two different church bombings. One was Bob Chambliss tried for the 1963 16th Street Church bombing in Birmingham. This was M. L. King's headquarters!

The other was well known White activist J. B. Stoner tried for the 1958 bombing of Black left-wing civil rights agitator Rev. Shuttlesworth's church. Both Chambliss and Stoner were convicted under the pressure of highly publicized trials based on the most flimsy "evidence" imaginable. Both men were innocent and victims of a vicious frameup by Baxley and the ADL. Stoner's indictment came 19 1/2 years after the incident on a charge carrying a three year statue of limitations - proving it

Gov. Guy Hunt buried Bill Baxley

was a frameup! Still the appeal courts refused to overturn the conviction!

In 1978 Bill Baxley waged his first race for Governor. He lost and later admitted that the prosecution of both Stoner and Chambliss cost him the race. He said that wherever he went on the campaign trail people would come up to him and say, "I can't vote for you because of the way you went after Chambliss and Stoner!"

This time he was carrying additional baggage. Baxley had stolen the primary run-off from Charles Graddick who actually won by 6,000 votes. Baxley was beaten by over 160,000 votes by Guy Hunt in the biggest defeat ever suffered by a Democratic candidate for Governor at the hands of a Republican in the history of the South! Baxley said, "I'd be very surprised if I ever ran for anything again." WE WOULD BE TOO!

Al DeShazo, big vote for new Right-Wing candidate.

Big Vote for Al DeShazo

Alabama voters in the 4th Congressional District gave Rep. Tom Bevill a scare. Long time incumbent, liberal, Bevill had a campaign war chest of \$500,000 to fight Right-Wing Patriot Al DeShazo who only had \$10,000 to campaign with. Still DeShazo gave Bevill a run for his money in a fight which presented issues instead of personalities.

When ballots were counted Rep. Bevill won with 130,000 votes to DeShazo's 40,000 (or 32%). Al DeShazo now has name recognition and is in this fight for the long haul. He is interested in corresponding with like-minded Patriots who want to see the RIGHT kind of people elected to public office as he intends to run again. His address is Al DeShazo, P.O. Box 362, Springville, Ala., 35146.

Californians For Death Penalty

More Right-Wing Victories

California voters, both Democrats and Republicans, including all racial groups, young and old people voted Rose Bird out as Chief Justice of the California Supreme Court. She was beaten by more than 2 to 1 in the first ouster ever of a Chief Justice. Defeated with her were Judges Cruz Reynoso and Joseph Grodin - a Jew. All three were appointed by left-wing Gov. Jerry Brown.

Ms. Bird voted against every death penalty appeal, (62 cases), to come before the court since she took office in 1977. No murderer has been executed including cases of torture and mass killings. This victory for law abiding citizens proves once and for all that the American people support the death penalty and will not tolerate liberals flouting the will of the majority.

N.J. Republican Rep. Dean Gallo easily defeated Jew Frank Askin (real name Askinazi - which means "Russian Jew.") Gallo polled 75,336 votes (68%), to Askin's 34,951 (or 32%).

Republican Matthew Rinaldo of Union, N.J. easily defeated Jewess June Fischer for Congress.

Republican Rep. Jim Courter swamped wealthy Jew David Crabiell 71,126 (or 64%) to 40,376 (or 36%). The Jewish problem must have been the decisive issues because Courter easily carried heavily Democratic Middlesex County!

Bella Abzug

Bella Abzug Loses In New York

Marxist Jewess "Loud Mouth" Bella Abzug spent over \$800,000 in her vain attempt to take Republican Rep. Joe DioGuardi's House seat in liberal Westchester County. She also had the active support of Barbara Streisand, Mary Tyler Moore, Shirley MacLaine, Harry Belafonte, Lily Tomlin, Marlo Thomas and Rudy Dee. Still it was all to no avail as Abzug lost her fourth straight effort to regain her seat in Congress.

DioGuardi said, "I feel very good to win, but the big winners in this race are the voters. My victory is a statement that America is alive and well."

Bella Abzug spoke to a tearful crowd of about 300 Jews stating: "I know it's always sad to lose but I will not stray far from the political arena."

Gannett News Service political observer Carol Bradley wrote: "The size of Abzug's defeat, close to 10% of the vote may mean that her firebrand style of liberalism is hopelessly out of step with the electorate."

New Jersey White Ethnics Defeat Jews

Northern New Jersey has one of the heaviest Jewish populations in the nation. They have long held powerful positions in local government. Activities of the Jewish Defense League in terrorizing elderly East European anti-communists along with the Jewish run OSI which seeks their deportation to Russia and Israel for execution and local issues finally caught up with the Jews. There was a great Jewish "weeping and gnashing of teeth" when they awoke to these shocking results!

Amato Defeats Shapiro

Essex County N.J. Executive Officer is the highest post in this large, industrialized county. The Jew Peter Shapiro, 34, was called the "boy wonder" of Garden State politics. He was a Democrat in a strong Democratic county. Shapiro was an entrenched politician running for his third term as the County Chief Executive. Republican Nicholas Amato beat Shapiro by 112,619 to 92,649 votes (or 55% to 45%). "It was a great victory," said a joyous Amato. Even more interesting was that Amato landed 40% of the black vote in Newark. MORE EVIDENCE THAT JEWS ARE CONTINUING TO LOSE BLACK SUPPORT!

McDowell Buries Feldman

Bergen County, N.J. state Senator Matty Feldman was predicted an easy winner by a local newspaper in this populous county where many wealthy Jews reside. Former Republican Sheriff Bill McDowell also thought his chances looked dim. BUT LOW AND BEHOLD — HE SWAMPED FELDMAN!

The vote shocked all the political experts. McDowell, 59, had won by 115,598 to 95,808 votes. He said, "I thought I might win by 5,000 votes, but never by 20,000 votes!"

Feldman, 67, had been a powerful state senator for 15 years and previously was mayor of Teaneck for 8 years. Proof that this was an anti-Jewish vote is the fact that Feldman ran as a Democrat but was still beaten in Bogota and Carlstadt where Democrat Rep. Robert Torricelli easily won re-election by a 2 to 1 vote!

Feldman Cried Foul

Matty Feldman faced federal felony charges of "commercial bribery" (not uncommon for Jews) back in 1967. He pled guilty and was let off with a mere fine. No challenger had since dared to raise the issue in a campaign. This time McDowell had the guts to ask the question "Can We Trust Feldman? For this Feldman accused McDonald of "scurrilous tactics."

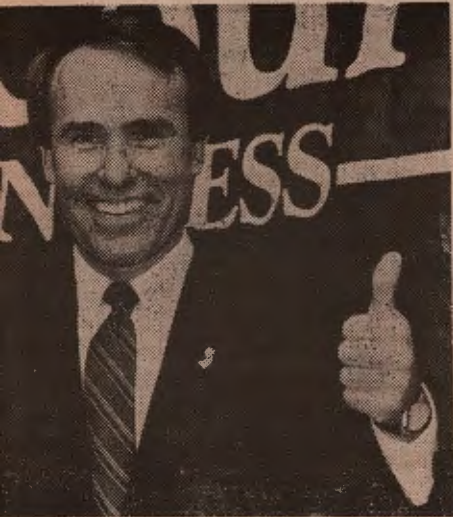

The Feldman family controls whiskey distribution in N.J. He runs the operation with his 3 uncles. This control goes way back to the Abe (Longey) Zwillman, the Jewish bootlegger gangster, of the 1930s. During prohibition they worked with Canadian liquor czar Sam Bronfman of Seagrams to dominate the criminal underworld. TO THIS DAY NOTHING HAS CHANGED. The same Jews control the lucrative whiskey business in N.J. Finally, at last they have been kicked, unceremoniously, out of public office.

Bill McDowell declared victory over Feldman with his wife Jean and 5 children standing beside him stating: "The only one who thought this great victory was possible was my wife. Even I was surprised."

Pro-White Voting In Governor Races

RICHARD ELROD

Let's act together and re-elect Richard Elrod

While our non-Jewish friends, are our friends, and good friends at that, there are times when we must band together to help one of our own.

Sheriff Elrod has a staff of 5000 and an operating budget of \$114 million dollars.

Dick needs our help. We owe it to him. He has done much service for our Jewish community both here and for the State of Israel.

We can re-elect him.

SEYMOUR J. ABRAMS Sentinel

Many Election Victories For Right-Wing Patriots

There were dozens of races in which Christians defeated Zionist Jews which were not reported in the national press. In every case the Jews were overconfident because of their financial capabilities. It was mainly White ethnic groups which are more alert to the fact that Jewish candidates do not place the best interests of America First. Note the statement in the "Chicago Jewish Sentinel" that all Jews must give total support to Jewish Sheriff Elrod because "he is a supporter of Israel!" WHAT HAS THAT GOT TO DO WITH BEING A SHERIFF???

We Jews have made many positive contributions to federal, state and local politics, but if you look at the list of Jewish elected officials in Cook County government, you find only one, the sheriff. And he wasn't elected because of his being a Jew, but because he was eminently qualified.

Dick's involvement in Jewish causes is legendary; chairman of Israel Bonds for two successive years, member of the Board of Governors, Man-of-the-Year for so many Jewish organizations, etc. You know it all, you've seen him at every important function, chairman or co-chairman.

Where once there was a strong Jewish vote, we were respected by the leaders of the Democratic Party, but it appears as if we are no longer considered critical to its success. Case in point, we no longer have a Jew on the Cook County Board, and not one was even slated. Up until 1982, a Jew was a commissioner on the Board of (tax) Appeals. No longer. That leaves us with only one Jewish candidate, for the office of sheriff, but make no mistake about it he's the best.

There was always an old saying in Chicago politics, that, 'a Jew had to be gold, to be considered silver.'

Although Elrod has the support of Mayor Washington, Chairman Vrdolyak and the Democratic Party, Senators Paul Simon and Alan Dixon, plus many distinguished civic, labor and religious leaders, the burden falls on you, as a Jew, to make sure that Dick Elrod is retained as sheriff.

Don't be timid! This is the time to carry the message, whether you are a Democrat or Republican, to your family, relatives, friends, both Jew and non-Jew. You cannot afford to sit on your hands. You owe it to your own "ethnic pride." Be sure to punch 112 on Nov. 4th.

Peace Advocate-Kidnapped-Faces Hanging in Israel

Behind The Story Of Israel's Kidnapping

The world's press headlined the news that Israel's secret police - MOSSAD - had kidnapped one of its own nuclear technicians. Mordechai Vanunu, 31, had grown disillusioned with Zionism. He had joined a group advocating a free Palestinian state on the West Bank. After working for 10 years at Israel's secret atomic bomb plants in the Negev Desert he quit and moved to Australia.

With his conscience bothering him Vanunu later said he "wanted to do something for peace - the world should know what Israel is doing!" Vanunu was converted to Christianity by Anglican priest, Rev. John McKnight. A journalist in Sydney convinced him to tell his story to The Sunday Times of London. He flew to England with the promise of a front page story and a contract to write a book with an advance of \$456,000.

Israel - Nation of Lies

Vanunu had made 60 photographs inside the underground bunker of the Atomic plant which has 6 underground levels. For 20 years the Jews have been secretly (and against international agreements) producing Atomic weapons. Vanunu said they had from 100 to 200 such war-heads, making tiny Israel the six most powerful nation in the world, behind the U.S., Soviet Union, Britain, France and China.

Israel's reaction represents their typical reputation for being the master of lies.

Lie No. 1) For years Israel has denied MOSSAD agents stole tons of uranium in the 1960s from a U.S. warehouse in Pennsylvania.

Lie No. 2) The Jew state has long denied that it had secretly developed the capability of producing nuclear weapons.

Lie No. 3) Israel-denies it has tested atomic weapons in the Antarctic.

Lie No. 4) Jewish leaders have always stated they would never be the first to introduce atomic weapons into the Middle East.

Lie No. 5) Israel's Premier Shamir at first denied the Vanunu kidnapping stating, "We do not know anything about this matter." That story changed after The Jerusalem Post editorialized, "Telling obvious and stupid lies is not a viable political action."

Lie No. 6) Former Prime Minister Peres, sought Britain's Prime Minister Margaret Thatcher's approval of his plan to return Vanunu to Israel for trial. As a cover-up, to protect her, a story was "leaked" to the press that Vanunu was lured on a "love boat" into international waters by a beautiful female MOSSAD agent - and then captured. According to British Member of Parliament Anthony Beaumont-Dark, he was informed that Vanunu, "was seized in London, drugged, and bundled out of the country in a crate marked "Diplomatic baggage."

MOSSAD'S History of Banditry

Adolph Eichmann's kidnapping from Argentina was protested by that country as a violation of all recognized acceptable extradition laws. Since he was an alleged "war criminal" that violation of international law was soon forgotten. But, what about the Nigerian diplomat in July, 1984 who was found drugged, tied hand and foot, in a crate about to be loaded aboard a plane. With him was an Israeli physician and two armed guards. He had been kidnapped from his London hotel.

Then Home Secretary Leon Brittan, a pro-Zionist politician, allowed the three convicted MOSSAD terrorists to be "deported" to Israel instead of serving the long prison sentences they received in court.

Today's British Home Secretary, has resisted calls by members of Parliament for an investigation of the kidnapping of Vanunu saying they have no proof he didn't leave of his own free will! Still editors for The Sunday Times fear for Vanunu's life. Also, Vanunu is being held incommunicado for a secret trial where the penalty is DEATH!

Israel Threatens World War III

We pity poor Vanunu. Why haven't Christian church leaders spoken out in his behalf in America or England? Vanunu's father is Rabbi Solomon Vanunu. He has disowned his own son for converting to Christianity. Rabbi Vanunu pronounced him "dead" in the Orthodox religious ceremony held for those who would dare to leave Judaism. The father said, "He is not my son anymore. He should be punished."

And what of all the Atomic weapons Vanunu has proven Israel now holds? Thomas Firedman of the New York Times writes: "Israel could use them as a tactical weapon in a ground war. Or, they could be used as a last-ditch weapon should Israel be attacked."

Mordechai Vanunu, courageously stood up for the rights of the Palestinians. Here he demonstrates two years ago carrying a sign reading-"Israel-Palestine. Two States For Two Peoples."

Vanunu in London giving his story about Israel's atomic bomb plant. Two days later he was kidnapped.

The headlines which shocked the world. At left the outside atomic dome and at night the control room deep underground. An even bigger shock was the MOSSAD kidnapping of the author, who now faces a secret trial and secret death.

defeat. The U.S. knows that if Israel ever feels outnumbered or overwhelmed by the Arabs it might have to resort to that option in the bunker. So, to avoid that the U.S. better make sure Israel has enough conventional weapons to make it feel secure." AMERICA IS BEING BLACKMAILED!

The International Atomic Energy Agency chief physicist Prof. Mihaly Balint states: "Israel's lawless actions have torn apart the fabric of the international atomic control system. . . . The strategy of successive Israeli governments was simply to build up the largest covert nuclear weapons stockpile in the world. . . . Israel has opened the floodgates to nuclear proliferation by the smaller nations. The worst terrorism humanity confronts is the menace of outlaw nuclear weapons. Israel is now unquestionably the one terrorist state that has raised this specter over the world."

This shocking threat means a possible World War III with the Jews threatening a real nuclear holocaust. They already have the atomic warheads to knock-out most of the major cities in the world. And just think, Congress recklessly gave-away billions in U.S. foreign aid money to Israel and financed this grave threat to world peace! Very few people realize that Israel receives OVER ONE-FOURTH OF ALL U.S. FOREIGN AID!

Israel Stole U.S. Uranium

UNITED PRESS INTERNATIONAL

Rafael Eitan, the Israeli named recently as part of an espionage ring in the United States, traveled in 1968 to a nuclear plant in Apollo, Pa., where large amounts of weapons-grade uranium disappeared and was allegedly diverted to Israel, according to documents released yesterday.

Mr. Eitan, a former chief of operations for the Mossad, the Israeli intelligence agency, was one of four Israelis who received U.S. clearance to meet with officials at the NUMEC nuclear plant in Apollo, Pa., on Sept. 10, 1968, according to information in declassified FBI documents.

"There is no conceivable reason for Eitan to have gone [to the Apollo plant] but for the nuclear material."

Holocaust Lies

Simon Wiesenthal

One of the biggest lies told by Simon Wiesenthal and used to promote his Los Angeles Holocaust Center is that at the Mauthausen Concentration Camp he "was one of only 34 prisoners out of a total of 150,000 who had been sent there during the life of the camp still alive" when liberated. The book, "History of a Death Camp" by Evelyn Le Chene quotes official records stating 64,000 internees were alive and another 28,000 escaped or had been transferred elsewhere by the Germans during the closing days of the war.

Rafi Eitan, master spy - headed both the Pollard spy ring and the plot to steal U.S. Atomic material.

Mr. Eitan is a celebrated Israeli intelligence agent who was a member of a team that snatched Nazi war criminal Adolf Eichmann off a Buenos Aires street in 1960.

The small Apollo processing plant was the subject of a decades-long U.S. investigation into the suspected diversion of hundreds of pounds of enriched uranium to Israel. Code-named "Divert," the probe was first launched in 1966 when the government found that 206 pounds of enriched uranium had vanished from the plant without a trace.

While Mr. Shapiro headed the nuclear plant in Pennsylvania, 267 kilograms, or 587 pounds of uranium turned up missing.

Mr. Cordesman said, "There is no question that material leaked from the NUMEC plant was used in the original Israel nuclear weapons." By some well-regarded intelligence estimates, Israel is said to have at least 100 nuclear weapons.

Churchill called Molotov "coldblooded, slab faced." Trotsky said he was "mediocrity incarnate" and Lenin called him, "the best file clerk in Russia." Yes, his files bulged with the lists of those who were liquidated. Molotov was called Stalin's "servant."

All but one of the heads of the NKVD (K.G.B.) were Jews. In Robert Conquest's book, "The Great Terror," the Jewish secret police head, Yezhov would submit lists of prisoners including military personnel, office workers, wives of suspected state enemies, etc. He would write, "I am sending for your approval lists of people to be tried before the Peoples Court. I request sanction to convict all in the first degree - Yezhov."

The Beginnings of Molotov
Molotov was born March 9, 1890. His father was a middle-class shopkeeper and the family name was Scriabin. In school, at age 16, he joined a Marxist study group which was part of the Bolshevik Party. Later he was to change his name to Molotov which means hammer. Likewise Stalin's adopted name means "steel."

Lenin controlled the party newspaper "Pravda" from exile in Europe. Molotov got a job writing for the paper and corresponded with Lenin. Stalin was also connected with the newspaper and found Molotov to be one of the few comrades he trusted. In 1917 Molotov chanced to be in St. Petersburg when the revolution broke out. He became a senior member of the Party Central Committee and helped plot the Bolshevik seizure of power on Nov. 7, 1917. Upon the death of Lenin in 1924 Molotov wisely sided with Stalin in his fight for power against Trotsky. Thus he became Stalin's most trusted aid and was rewarded with full membership in the Politburo in 1926. This brought Molotov to power for the next 35 years as Prime Minister and Foreign Minister.

Banks Still Financing Communism

Big Banks Loaning Millions to Russia

In 1979 the U.S. Government instructed the big banks to stop loaning money to Russia because of their invasion of Afghanistan. Now, all of a sudden, they have begun making such loans again when many doubt the long-term ability of the Soviet Union to repay. Their foreign currency reserves are down to \$7 billion. Russia's only exports are oil and gold and the prices of both

are way down. On top of that Soviet oil production is dropping each year (down from 12.3 million barrels a day to 11.8 and production difficulties continue this decline.)

The banks loaning Russia \$400 million are First National of Chicago and the New York banks of Morgan Guaranty, Bankers Trust and Irving Trust. Also of note is that the Communists are going to get unheard-of low interest rates of only 7 3/4%

LONDON, July 15.—(AP)—Joe Stalin's favorite daughter, Svetlana, was reported today to have been married in Moscow amid a two-weeks show of glitter and flowing vodka.

The London Sunday Express and two Italian publications reported that the black-haired daughter of the Soviet Dictator had married Mihail Kaganovich, son of Politburo member Lazar Kaganovich.

Svetlana, 27, had been married before. The three publications which reported the marriage did

KAGANOVICH

One of the most frequent arguments used to disprove the Jewishness of Russia's present day leadership, strangely enough, revolves around Lazar Kaganovich. Propagandists are fond of pointing him out as "the only Jewish member of the Politburo," the suggestion being that since the Politburo contains only one Jew, it is plainly

The excerpt to the right is taken from Life magazine (July 14, 1941). It identifies Lazar Kaganovich as (1) "probably the ablest man on the politburo"; (2) Stalin's brother-in-law (3) "the most eligible looking member of the politburo"; (4) a Jew. Facts like these are considered "anti-Semitic," are seldom printed by the American press.

not Jewish controlled. But this argument will not stand the light of day; it completely ignores the fact that both Premier Stalin and vice premier Molotov have Jewish wives. And it conveniently overlooks the fact that the solitary Jew, Kaganovich, is doubly related to Stalin by marriage. Kaganovich is no

Svetlana Stalin's elaborate marriage to Mihail Kaganovich was reported by the Associated Press on July 15, 1951. Facts concerning the origins of Soviet rulers are not only censored in Russia, but in the U.S. as well. Any American publication revealing that Stalin has a Jewish wife and a Jewish son-in-law would be accused of "bigotry" and "hate mongering."

just another member of the Politburo—he is Stalin's brother-in-law and his chief advisor and trouble shooter. The Stalin-Molotov-Kaganovich combination which rule Russia today is just as solidly Jewish as was the original Lenin Zinoviev-Kamenev-Trotsky government.

KAGANOVICH

Lazar Moisseyevich Kaganovich, 48, probably the ablest man on the Politburo, is now Commissar for Oil. He developed the Donets Basin and built the Moscow subway, has specialized in heavy industry, the railways and oil. The Czar's jails caught him young. Tall, charming and intelligent, he comes of a poor Jewish family of five brothers, three of whom are now commissars. A sister Rosa first lived with Stalin, then after the suicide of his second wife is supposed to have married Stalin. The only capt Political Commissar Moldits, he likes the movies of Charlie Chaplin and Harold Lloyd. Though he needs a shave at left, he is one of the most eligible-looking members of the Politburo. He is a close Stalin man and copies Stalin's dress and mustache even more closely than the others.

The above excerpt is taken from Life magazine, July 14, 1941.

MOLOTOV's wife is the sister of the Jew, Sam Karp, owner of the Karp Export-Import Co., Bridgeport, Conn.

SVETLANA MOLOTOV, half-Jewish daughter of Russia's vice-premier, was betrothed to Vassili Stalin when this picture was taken in 1951.

Molotov's wife, Polina S. Zhemchuzhina in 1936 photo. For nearly 30 years she was considered "The First Lady of Communism."

Stalin and The Jews

Today it is often stated that

Stalin persecuted the Jews and even "hated Jews." The truth is that Stalin suffered from paranoia and was suspicious of many people. Still he surrounded himself with Jews! One of Stalin's wives was a Jewess. His daughter Svetlana married a Jew. He just happened to be the son of Lazar Kaganovich who was very close to Stalin as head of all heavy industry. He held power even after Stalin's death as did the Jew Beria who ran the murderous NKVD (now the KGB).

Molotov was married in 1920 to the Jewess Polina S. Zhemchuzhina (who came from a wealthy Jewish family.) She was also an official in the Communist Party. She became the head of the perfume and cosmetics industry in Russia. Polina visited the U. S. in the 1930's to gain new ideas and stayed with her brother who was a Jewish businessman in Connecticut. She also at one time was Minister of Fisheries under Stalin.

Stalin imagined Polina to be an enemy toward the end of his life. Molotov attended the Politburo meeting which voted to approve the arrest of his wife. Molotov did not defend her and abstained from voting. Still it is written that he signed his own wife's arrest warrant. Later, upon Stalin's death in 1953, Polina was released and returned to live with Molotov until her death in 1970.

Robert Conquest writes that in his heyday Molotov would smile, shake hands, and kiss his comrades while acting as chairman of their committee meetings — KNOWING ALL THE WHILE THAT SOME ALREADY HAD THEIR NAMES ON DEATH WARRANTS HE HAD ALREADY SIGNED!

Molotov remarked, "they were dead men who were still talking!"

Jews to Run Atlanta Newspapers and WSB-TV

By Dr. E.R. Fields

Jew Takes Over Atlanta Newspapers

Anne Cox Chambers, owner of the \$2 billion empire called "Cox Enterprises, Inc." has named the Jew Bill Kovach as the new editor of "The Atlanta Constitution-Journal." Kovach headed the Washington Bureau of the Jewish owned New York Times. He concentrated on writing about "poverty and civil rights subjects." Kovach has already struck fear into the hearts of many employees at the Atlanta paper. He has asked all top writers to submit a one page description of their jobs because Kovach is going to make massive changes, "to straighten things out."

Insiders tell us that many will get the ax and Sunday Editorial Page Editor Bill Shipp is at the top of the list. Reason - he simply has not been "liberal enough." A lot of new names will be seen in the editorial, features and business sections of the paper. Not only that but plans are in the works to eliminate the evening Atlanta Journal once and for all. This will leave us with only The Atlanta Constitution which has long been referred to as the "Daily Worker" red paper of the South.

It is reported that writer and author Lewis Grizzard held a champagne party for former editor Jim Minter who was "kicked upstairs" by Kovach. The tab at the Creekside Lounge ran into the four-figures range and the tip into the hundreds. Grizzard wisely put the whole thing on his Atlanta Constitution credit card - after all he won't be there long either - smart thinking Lewis!

Ms. Chambers, age 66, was born with a silver spoon in her mouth - never had to do a day's lick of work in her life! Forbes Magazine lists her as the richest woman in America worth over \$1 billion. She and her sister Barbara inherited the wealth from their late father Gov. James Cox of Dayton, Ohio. He ran for Vice-President with Franklin D. Roosevelt in 1920. The ticket was defeated.

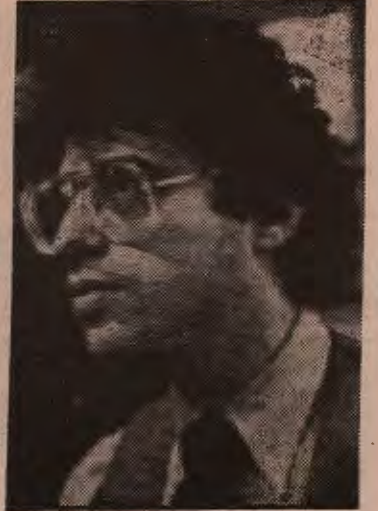

There are 22 newspapers in the Cox chain along with 8 TV stations and 12 radio stations. The Atlanta Constitution is the flagship paper earning the most money. Atlanta's WSB-TV is the lead station. Ann is divorced. Her sister Barbara, age 63, is on her third husband, Garner Anthony, age 57.

Bill Kovach named head of "Atlanta Constitution-Journal." Plans to "retire" more Christian employees.

Anne Cox Chambers, owner of Atlanta papers - some hint there must be a stain of Jewish blood in her family tree.

Andy Fisher, Jew, appointed by owner Ms. Chambers to run WSB-TV as "General Manager."

"N.Y. Times" Was a Christian Paper

Total Jew Control of New York Times

The Times is the most influential pro-Zionist newspaper in America. It can be purchased on the newsstands in every major city. This is the third national daily along with U.S.A. Today and The Wall Street Journal - (the latter is also Jew owned.)

The New York Times was originally owned by a Christian family. It was bought out by wealthy Adolph S. Ochs. Slowly, but surely, members of his family

removed every single Christian from top management posts and today it is 100% Jew run. The reason this is interesting is because the Jewish Anti-Defamation League constantly harps on the issue that Jews are discriminated against in not being appointed to executive positions in heavy industry. The truth is that once Jews do obtain such positions they tend to hire and promote their fellow Jews as the New York Times story proves.

Job promotions were announced at the Times. ALL CHANGES INVOLVED JEWS ONLY! A. M. Rosenthal retires as editor and Jew Max Frankel is promoted to his post. The Jew owner of The Times announced the appointees of Arthur Geld, Jack Rosenthal, Leslie Gelb. But, how come not one single Christian was appointed to anything at all? IS THIS NOT CLEAR EVIDENCE OF JEW DISCRIMINATION AGAINST CHRISTIANS???

Rogues Gallery of Jewish Heads of "N.Y. Times"

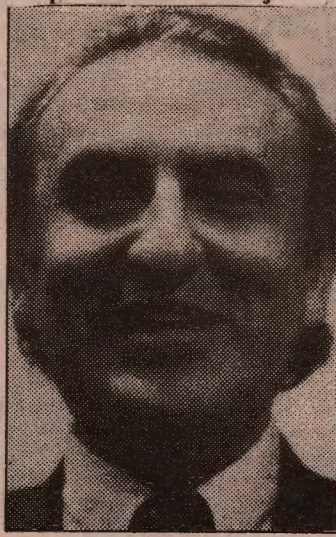

Here is proof positive of Jewish job discrimination against Christians!

A. M. Rosenthal - retiring Executive Editor.

Max Frankel - new Executive Editor.

Arthur Gelb - new Managing Editor.

Jack Rosenthal - new Editorial Page Editor.

Leslie H. Gelb - new Deputy Editorial Page Editor.

Promotions for Arthur Gelb, Jack Rosenthal and Leslie H. Gelb

A. M. Rosenthal is leaving his position as executive editor of the New York Times and will be succeeded by Max Frankel, who has been editor of the editorial page. The changes were announced yesterday by Arthur Ochs Sulzberger, the paper's publisher.

Mr. Sulzberger also announced the appointments of Arthur Gelb as managing editor, Jack Rosenthal as editor of the editorial page and Leslie H. Gelb as deputy editor of the editorial page.

Arthur Gelb has been The Times's deputy managing editor, and Jack Rosenthal has been deputy editor of the

editorial page. Leslie Gelb has been national security correspondent, based in Washington. (Leslie Gelb is not related to Arthur Gelb; A. M. Rosenthal and Jack Rosenthal are not related.)

Mr. Gelb succeeds Seymour Topping, 64, who was appointed last month to be director of editorial development for The New York Times Company's regional newspapers.

City College Graduate

A. M. Rosenthal was born on May 2, 1922, in Sault Ste. Marie, Ontario. He became a United States citizen in 1951.

Max Frankel was born in Gera, Germany, on April 3, 1930. Educated in New York City, he had decided on a journalism career by the time he entered Columbia College.

Jack Rosenthal was born on June 30, 1935, in Tel Aviv and was raised in Portland, Ore. He received an A.B. in history in 1956 at Harvard, where he was executive editor of the student newspaper, The Crimson.

ERA - In Final Defeat

Vermont, one the most liberal states in the Union defeated a state ERA Amendment. Supporters claimed polls showed they would win by a 20% margin but they lost by 48% of the vote to 52%. Phyllis Schlafly, who successfully waged a national fight which defeated a federal Constitutional ERA Amendment declared, "If they can't win in Vermont, I'm sure they can't pass it anywhere."

The House of Rothschild

This highly interesting video was produced in 1934 for the sole purpose of glorifying the international Jew banking family of Rothschild. It was written by the Jew Alfred Werker and directed by the well-known Jew film maker Darryl F. Zanuck. The producer was the Jew Joseph M. Schenck. The movie was intended to show the Jews in the best possible light - but it was made from the Jews point of view and this turned out to be a very great mistake!

Features Popular Stars

This was a big budget film starring Boris Karloff, Loretta Young and Robert Young - (who is still seen on TV today). There are large sets, hundreds of extras, vast scenes - in other words this was one of the major productions of its time!

The House of Rothschild movie initially premiered in New York, London and Paris at the same time amidst great fanfare. Then, after a short film run, the Jews quickly became aware of the fact that, while all this worshiping of money and lording money-power over all the nations of Europe looked good and praise worthy to Jews - Christians were stunned! It started everyone thinking about Jews backing both sides in war time (as they did in World War One) and making vast profits over the destruction of entire nations.

People who saw the movie immediately became "Jew conscious" and anti-Jewish. The film was suddenly withdrawn and never released again. Thanks to World Service Films we have The House of Rothschild on high quality video tape.
