ANNIVERSARY

YOU ARE INVITED TO ATTEND A VERY MOMENTOUS MEETING

SATURDAY, DECEMBER 2nd, IS A VERY IMPORTANT MEETING. WE ARE COUNTING ON YOU TO COME.

We're only 15 minutes from down town L.A. Just take the North Peck Rd. exit off the San Bernadino Freeway. Your Headquarters address is 4375 N. Peck Rd., El Monte. We'll start at 8:30 pm, but try to get here by 8:00 pm so you won't miss anything. We have some important things to tell you. If you just can not make it then we shall send a special report to everyone who sends in a donation to help us do all the important projects coming up.

The Month of December marks a most important event for us in California. Three years ago Commander Rockwell made headlines around the world by announcing the opening of our Headquarters here in Los Angeles.

THE BATTLES RAGED: Molotov Cock tails! Riots! Mobs! Shootings! Court fights! Evictions! No electricity! Daily headlines inciting mob violence against us! YES, THE BATTLES RAGED, AND WE WON THEM ALL!

The Victory of opening our NEW Headquarters which is twice as big as the one in Glendale. The literal ODYSSEY of miraculously overcoming overwhelming odds at the last minute time after time. The Triumphs and Trophies we have won and shared, and tears we have shed, are our Heroic Heritage. Our Glories of the past were won by discipline and determination. We will not win more by resting on our laurels. We must set our faces to the future and the present or our past sacrifices will be in

vain. Until TOTAL VICTORY is ours our banners shall not proclaim Victory, but only FIGHT!

"The weapon of the superior White man and the superior individual who led the White Men was never physical strength alone, but always the Power of ORGANIZATION - which is the supreme form of the human WILL in action."

THIS TIME THE WORLD, p. 403

Commander Rockwell taught us the main thing that made us superior to the rest of the Right Wing is DISCIPLINE. The AUTHORITY upon which PARTY DISCIPLINE is based and gives us strength comes only from the LOYALTY, HONOR, and RESPECT of all true National Socialists. We give no pay, in fact we demand sacrifices from all our people. We can't lock up in a brig anyone who refuses to recognize Party Leadership, but masquerades as a National Socialist while acting as anything but one of us. Even Judas Patsalas pretended to be one of us. He fooled many and betrayed us all. In MEIN KAMPF Adolf Hitler taught us that LOYALTY can be shown only by actions and not by mere words. The Commander taught us to ruthlessly stamp out the slightest disrespect for Party Discipline. It is our National Socialist Duty

THE STRONG MAN IS MIGHTIEST ALONE

What today we call by the words 'folkish split-up' owes its existence, as already pointed out, exclusively to the second cause I mentioned: ambitious men who previously never had ideas of their own, far less goals of their own, felt themselves 'called upon' precisely at the moment when they saw the success of the N.S.G.W.P. undeniably ripen.

Suddenly programs originated which were completely copied from our programs, ideas were fought for that were borrowed from us, goals were established for which we had been fighting for years, ways were chosen which had long been pursued by the N.S.G.W.P. One tried to explain by all means why one had been compelled to found these new parties, despite the long existing N.S.G.W.P.; however, the more noble the pretended motives were, the less true were these phrases.

In truth one sole reason had been decisive: the founders' personal ambition to play a rôle for which their own dwarfish bearing was not equipped except for a great audacity to take over others' thoughts, an audacity which otherwise, in civil life, is usually called thievish.

In those days there existed no conceptions and ideas of other people that such a political kleptomaniac would not have collected for his new business within the shortest time. Those who did so were the same people who later, with tears in their eyes, deeply deplored the 'folkish split-up' and who uninterruptedly talked of the 'necessity of unity,' with the silent hope that after all they would be able to cheat the others to the effect that, tired of the eternally accusing clamor, they would throw to the thieves, in addition to the stolen ideas, also the movements that had been created for their execution.

But if they did not succeed in doing so and if the profitableness of the new enterprises, thanks to the scanty mental capacity of their owners, did not turn out as they had expected, then they usually reduced their prices and were happy even if they could wind up in one of the so-called Workers' Communities.

Everything that in those days was too weak to stand on its own legs came together in such *workers' communities*; probably starting from the belief that eight lame people, arm in arm, will certainly make a gladiator.

But if among the lame ones there ever was a healthy one, then he needed his whole energy in order to keep the others on their legs and by this he himself was finally paralyzed.

One never understood that the strength of a political party lies by no means in a mentality, as great and as independent as possible, of the individual members but rather in the disciplined obedience with which its members follow their intellectual leadership.

to attack and reject anyone who would attempt to disintegrate the finest and ONLY weapon the White Man has: OUR PARTY LEADER SHIP AND IRON DISCIPLINE.

"Here too it has not only the right but also the duty of stressing most sharply the fact that any attempt to represent the Folkish Idea outside of the frame of the National Socialist Party is impossible and in most cases based on downright fraud.

MEIN KAMPF, p. 684

"The most deadly enemy of the Jew is ORDER and National Health."

THANK YOU

Major Koehl has asked me to return to Arlington to rejoin the National Headquarters Staff. Of course I will comply. There are still a few legal ends for me to wrap up here. 1st Lt. Harry is trained and capable to do an excellent job of Command Leadership. Lt. Vincent is doing his best to get public White Power rallies in the Hollywood area. Lt. Stewart will be leading some heroic street actions in the next few weeks. We have plenty of talented people in all areas. Major Koehl will have one of our finest senior Party Officers from National Headquarters come out here. So rest assured that the ONLY thing we need to keep us on the road to Victory is YOUR 100% support. To all of you who have worked so hard and sacrificed so much, I want to take this opportunity now to THANK YOU from the bottom of my heart in case I don't get the chance to see or write you personally.

This is **YOUR**

HEADQUARTERS

It took the Party over four years to establish our first open Headquarters in Los Angeles. To get it and **KEEP** it has cost plenty in terms of risk and sacrifice as well as money. We ask you to do all you can to help keep our Headquarters, not just because of the great sacrifices given for it in the past years, not just because our presence defiantly tells the world "**COMMANDER ROCKWELL LIVES!**"

But, because **YOUR** help may be the "nail" that saved the "shoe" that saved the "horse" that saved the war, etc. And this Headquarters and this war is **YOURS** even if you have never done anything before.

The mere fact that **YOU ARE WHITE** in 20th Century America puts you in a war **YOU** never asked for, but that you must win. And Your Headquarters will help **YOU** win. So...

This is the Symbol of
OUR FAITH

This is the Symbol of
OUR COUNTRY

This is the Symbol of
OUR PEOPLE

The American Nazi Party is

FOR

- The **WHITE RACE** of People
- Western Christian Culture
- The American Constitutional **REPUBLIC**.
- Private Property and Free Enterprise with **SOCIAL JUSTICE** for all!

To Achieve These Goals We Fight

AGAINST

- **RACE-MIXING**
- **TREASON**; Communist and Zionist.
- **DEGENERACY** Moral and Physical.
- **EXPLOITATION** of the Workers.
