ANPFOTO \* Jew goons attack our men from rear. Within seconds all were back on their feet & Jew terrorists were running down the street - screaming in pain.

## N.A.A.C.P. "Convention"

Never were so many niggers disturbed so much by so few. Last month there was an "N.A.A.C.P." Convention at the Statler Hilton Hotel in Los Angeles. On hand to greet the "delegates" was, of course, the American Nazi Party. If Kivvie Kaplan (Jew head of the organization) still seems a little upset, here's why....

1. One day he sees two "Liberal" Reporters as Roy Wilkins is interviewed
2. Then the next day he sees the same two in Nazi Storm-trooper Uniforms with other comrades in a pickup truck. He sees them pointing at him, as he crosses the street, chanting truthful slogans.
3. THEN during

niggers rushed the Bible student beating him, tearing his vestments, and stealing his watch. Trooper Smith (dressed in a suit) pushed the now dazed Kirstein toward a waiting car where Storm-leader Harry was. Kirstein shouted "Rockwell for President" as he got into the car, Smith was pulled back as Harry turned the ignition. Some niggers smashed in a side window showering the interior of the car with glass. There were so many niggers on the car it couldn't budge. The engine roared and the wheels just spun. Then the car "fish-tailed" away from the bloodthirsty mob. The niggers and their jew bosses didn't know what to do when Memb-

Forbes for Governor!

This rally will be the "kick-off" event for Capt. Forbes' campaign for governor. IF YOU ARE WHITE, HE IS YOUR CANDIDATE! All those who send in \$1 donation will get a "Forbes for Governor Election Kit".

a "church" meeting at 8th & Hope streets, one of the same two jumps up where he's sitting, points in his face, and calls him a "vile Communistic Jew." We wouldn't be surprised if sometimes at night he sees Hitler come out of the woodwork.

The involuntary reaction at the "church meeting" involved 3 Nazis vs. 3,000 niggers. Since P/ST Kirstein is a Bible student he wore his collar to this meeting. He was so enraged at the vile satanic "goings-on" that he involuntarily leaped on the stage where a nigger "bishop" had just finished speaking, pointed at Kivvie Kaplan, and called him a vile Communistic Jew among other things. Immediately a hoard of

ers of the American Nazi Party again picketed the Hubert Horatio Humphrey (of ADA & ADL) Meeting at the same nigger "church" the very next night.

#### S. F. Rally

Remember the rallies at Nurburg and Munich? Well, there's going to be one in San Francisco August 13 (the anniversary of the Watt's riots) at 7:30 p.m. in the downtown plaza. Lt. Vincent, the unit leader up there, is sending out approximately 40,000 notices to area residents. For more information, write Lt. Vincent at P.O. Box 5066, San Francisco.

#### Peace Creeps

The peace creeps have been holding "silent vigils" to protest American "war crimes". American "war crimes" are the same as German "war crimes" - just pure lies and imagination. Ours and the German's only "crime" was not to surrender instantly to Jew Communism. We have been protesting the peace creeps. Several times we have gone up to Santa Barbara, which is a hot bed of Communism. Our first time there we were attacked by a commie goon squad. Even though they struck with surprise and from behind, none of our men were hurt in the least- although several of the comrats regretted their indiscretion.

## Communications

Imagine, for a moment, you are coming down the freeway some evening. All of a sudden, the cars start jamming up and the traffic comes to a dead standstill. The lights of surrounding cities turn off. THERE IS A TOTAL BLACKOUT!! After about an hour you hear the car horns of irate motorists, then come the sounds of rifle fire!! What do you do now? Where are the police? Do you stay inside with windows rolled up, or do you get out and try to make it on foot? If you had communication with organized white fighters, you'd know what to do.

The Jews know that if you're spending all your time trying to get enough to eat, you won't have time to be concerned with their take-over of your country, much less contribute to us. We are supported by white working people. Most of them have been hit hard, so they've been contributing less. This really hurts. Please you contribute more to help make the difference. The worse things get, the more you need us.

---

WHITE WORKER, the time will come when the Jew will no longer have the death grip he now has on America. OUR DAY IS COMING!!!

## Nigger Cowboys

"Howdy, Brother," was the warm greeting extended to all by our official Nazi nigger cowboy. Storm Trooper Kieth Smith led several troopers in a picket of the Jew propaganda movie, DUEL AT DIABLO. A group of teen-agers possibly organized by the LSD pushing CORE organizer in Glendale rushed across the street to attack our men. Naturally the police arrested the Nazis. The next morning charges were dropped.

THERE IS NO SUCH THING AS SPONTANEOUS VIOLENCE... it's organize Ever since we picketed Dorothy

Citizens' Band Car Radio sets cost as low as \$5 per month. The A.N.P. is setting up a communications center here, and plans a system of car radio installations for those who wish to maintain mobil contact with headquarters, especially in case of an emergency. The Depression, Who's Affected?

The give away programs of our government, coupled with a lot of other factors, has caused our money to decrease in value. Who will this hit the hardest? YOU, THE WHITE WORKERS! As money values go down, prices go up and so does your cost of living.

Is Censorship Jewish?

If so then why do groups like the John Birch Society censor us? Surely such a "pro-American" group can't be run by the Jews, or can they? Groups such as this divert White Christians from fighting the real enemy. Birch tactics only benefit the Jews. Is the real name of this organization the B'nai B'irch Society? We, in truth, hope these people will see the error of their ways now that the jews are openly attacking them as they have attacked us for opposing Communism.

MISS & MRS. WHITE CALIFORNIA

Activation of "A California  
Committee"

Rev. William V. Fowler has been authorized to reactivate, at last, the organization called "A California Committee" (better known as the California Knights of the Ku Klux Klan) will hold a meeting at which will be burned an 80 foot cross. The meeting will be sometime this month. Speaking will be such patriots as Connie Lynch. All people interested should write Rev. Fowler at P.O. Box 312, La Crescenta, California.

The American Nazi Party is the activist POLITICAL Leadership of the White Workers, Farmers, small Businessmen, & middleclass. The

Ku Klux Klan is a Patriotic fraternal WHITE BROTHERHOOD for the benefit & protection of helpless oppressed White Folk. The White Guard is nothing more than individual White Men who have organized themselves to protect their own families, homes, & neighborhoods when the police are overrun by the commie led blacks. It is possible for you to support all three programs without any conflict of interests. There is no White man alive who doesn't have the sacred duty to support at least one of these programs.

Congratulations to the fighting Irishman, Mr. D.O. of Detroit, He wins a subscription to the STORM TROOPER Magazine for his caption.

"But Mao, ve're NOT white. Ve will giff you the U.S. for whole-sale already."

Captain Forbes creamed the jews so badly on Bill Brown's Channel 4 color News Conference that the jews will not allow it to be broadcast. The first and only time in the history of this hypocritical liberal show.

---

This is a photo of the nigger jew comrat mentioned in our last issue. He was photographed at a peace creep rally. Apparently, Jew pressure has forced KGRB to censor the historic debate where Captain Forbes scared this scum right out of the studio. We may be able to use a poor quality recording made by one of our men.
