### NEW RAISE THE BANNER FORMAT

Starting with this issue RAISE THE BANNER will be printed in the form of a news-letter. This will be easier and more attractive than it's previous magazine format. In addition to our new format we are adopting a new distribution policy. RAISE THE BANNER will be mailed free-of-charge only to regular friends and supporters of Western Division. To insure that you receive the next monthly copy KEEP IN TOUCH!

### NEW COMMANDING OFFICER

As many of you already know the new commanding officer of Western Division is Lt. Bill Kirstein. National Leader Matt Koehl appointed Lt. Kirstein to this command following the transfer of Captain Ralph Forbes to National HQ in Arlington on 31 December.

Lt. Kirstein is a veteran of many battles against Jew-Communism and race-mixing. He participated in both the battle of San Francisco on 15 April and the battle against Marxists at the Pentagon on 21 October, 1967 ( see the Summer and Autumn issues of the STORMTROOPER). Lt. Kirstein was also personally decorated by Commander Rockwell with the Party's highest award for valor, the Order of Adolf Hitler.

We are confident that Lt. Kirstein will lead the National Socialist cause to victory in California.

### ON THE JEW PYNE SHOW

Lt. Kirstein was a guest on the Joe Pyne TV show on 3 February in a debate against Ron Korenga, a Black hoodlem who heads a "Black Power" street gang in Watts. In the program's tradition of true "free speech" and "fairness", the infamous racial sell-out, coward Joe Pyne ganged up with Korenga to heap lies, smears, and attacks on both Lt. Kirstein and the entire White Family. In spite of all this harassment Lt. Kirstein was able to get across several good points in proving how sub-human Niggers are.

At one point in the program Korenga and Pyne were both yelling at the top of their voices when Lt. Kirstein was distroying another smear, suddenly he leaned forward and said directly into the mic rophone, "A Nigger has been successfully bred with an ape." The whole show stopped dead. Pyne asked, "What?" Lt. Kirstein repeated himself and said that it was a matter of scientific fact. He then refered Pyne to the London Anthropological Institute and the case of Julia Pastrana, the name of this charming creature. From then on Pyne and Korenga were on the defensive.

### HEADQUARTERS REMODELING

We are now entirely remodeling the inside and outside of the HQ building at 4375 N. Peck Road in El Monte. The old literature room has been enlarged by incorporating another room. Then an attractive wood paneling was added by P/T Finkenbinder.

At this time we need ply-wood, paint and all other forms of materials and tools. If you wish to help with this project by either donating material or your own time please come to HQ or call 442-9021 and contact either Lt. Kirstein or Mr. Ryan.

### MAIL IS EXPENSIVE

One of our biggest expenses is postage. We ask that when you write to us you enclose 2 or 3 6¢ postage stamps. This will not cost you much, but it will be of great help to us. We also would like to urge all our friends who, for one reason or another, can not donate very much to our struggle to send us postage stamps. Thank you.

### STOKELY MUST GO

On 18 February Lt. Kirstein led a squad of Stormtroopers against a mass meeting of Niggers at the LA Sports Arena (in Coon section of the city). The Nigger's featured speaker was Stokely Carmichael.

There was no other opposition to the criminal-Coon meet. That afternoon we proved, as we have always proven that only the NSWPP EVER really does anything against Commies, Coons, Creeps, and Cruuds. Where was the John Birch Society, for instance? Probably holding an anti-Nazi meeting in some one's basement.

## PERSECUTED BECAUSE OF HIS RACE

P/T Jim Finkenbinder was recently fired from his job. The reason? Because he is a White man fighting for the White Race in the ranks of the American Nazi Stormtroopers.

## N S MEETING AND CLASSES

The NEW time for Party meeting has been changed from the first Saturday of each month to every Friday evening at 8:00. Special classes on National Socialist ideology will be held every Saturday evening at 7:30.

## FREE BOOKS

Everyone who donates \$5.00 or more will receive FREE these 3 books: ADOLF HITLER by Philip Bouhler, SEX VERSUS CIVILIZATION by Elmer Pen-dell, and NONE DARE CALL IT TREASON by John Stormer. In addition you will receive this news-letter for 6 months.

## KARL ALLEN AND JAMES WARNER

Just two weeks after Lt. Kirstein appeared on the Joe Pyne Show, Pyne's special guest was none other than Karl Allen, head of the so-called White Party in Washington DC. Allen was a member of the American Nazi Party until 1964 when he lead a mutiny against Commander Rockwell and attempted to re-organize the Party along Communist lines.

Since then Karl Allen lead his White Party, which he formed in order to work against the American Nazi Party (the National Socialist White Peoples' Party). Allen's White Party is made up almost entirely of people who we threw out of the American Nazi Party.

One such man was John Patler, who assassinated Commander Rockwell last August. When Patler was kicked out of our Party he immediately joined Allen's White Party. Patler, we might add was kicked out for his growing love for Castro and other Red "heros".

While Allen was in California to do the Pyne Show he met with "Dr." James Konrad Warner (who was also one of Patler's close friends) to form an agreement between their two groups. Warner is the "National Leader" of what he calls the "American Nazi Party". Most of his "officers" are men who were kicked out of the REAL American Nazi Party for Homosexual activities, drunkenness, theft, mutiny and various other charges; just like the members of Allen's Party.

We wish to remind our friends that we are in no way connected with Warner, a "major" Vincent, ACTION magazine or any address in the Hollywood-Los Angeles area. The ONLY two addresses used by the NSWPP (the REAL American Nazi Party) in California will remain 4375 N. Peck Road in El Monte and PO Box 738 in Glendale. The commanding officer of Western Division is Lt. William Kirstein, the REAL National Leader is Matt Koehl (who was picked by Commander Rockwell to take command if he were ever killed). Any other address of leaders are frauds. If you are solicited by either Karl Allen or James Warner, please let us know. Thank you.
