WHITE MAN... FIGHT

CONVENTION GREAT SUCCESS

Our first state Convention of the American Nazi Party was an unprecedented success. Naturally the jews pulled out all their tricks to try and stop us. They pressured the city to ban our Meeting Hall at the very last minute. Vicious rumors spread like wild-fire: "There will be no Convention at all." "Any one who shows up will be arrested." etc.

The jews' attack failed miserably. About 500 Party Members and supporters helped make our Convention a Milestone in our White Race' fight for life. We were so over-crowded that people from the Los Angeles area only stayed for short periods out of respect for our

Sunday morning, Commander Rockwell, Colonel Welch, & Captain Patler, all from National Headquarters, and a top Leader of the Dallas Nazi Unit were here.

Several score "old" Germans observed parts of the Convention. Noting the high spirit and great people they agreed our Convention was afire with the Spirit of Nuremburg. We know of no finer tribute.

Zionist youth organizations from local colleges and assorted Reds agitated newspaper attracted crowds. Thinking themselves anonymous by "hiding" in the darkness and milling crowd, cowards threw eggs, rocks, glass at Nazi speakers. They did not stop us, but only exposed themselves. Our cover picture shows Captain Patler minutes after he was knocked off the porch unconscious by a savagely thrown rock from the dark.

comrades who came from afar. We were proud to have two representatives with us from the Chicago Headquarters. Several car loads of wonderful people from the San Francisco, Oakland, and San Jose branches joined us. The Leaders of the now forming Santa Barbara unit attended. Leaders from the San Diego area were present. Thursday and Friday evening, as well as

NAZI UNABASHED DICTIONARY ----

CONSERVATIVE - A word derived from the prefix "to con" meaning in this case "easy to fool", "a push-over for the most illogical jew big lies;" and the root "servi" meaning "one who slavishly worships and serves the jews, eg. Wm. F. Buckley, Jr." (Buck up old man, we're only teasing you again.)

ANGRY WORDS AFTER PATLER IS

NAZIS SMASH REDS

LASKI is the #1 jew for the vile "re-organizing committee of the communist party" or some such silly "dialectical" name. This jew's marxinsanity is so rotten and extreme, the other jews, like Rosenblum, won't claim him as a fellow Red. Laski, whose Hq. is at 1313 E. Firestone, claims to have started the Watts Riots. Captain Forbes literally jumped at the chance to debate this vile bolshevik on radio station KG-RB. Laski apparently chickened out, he sent his two top agents. They were four hours late. One was a tall, skinny negro jew who appeared to be homosexual. The other was a tall skinny, ordinary khazar jew who used the name "Michael Egan?" He, to, appeared

to be homosexual. Neither appeared to have taken a bath within a reasonable length of time. They refused to allow their pictures to be taken, and fortunately there is no machine for the recording of odors. They claimed to represent the workers, but it is likely the two of them have never done a day's work between them. All the Nazis who saw them are workers, and not one of us wanted to be represented by these effete "revolutionaries." Laski's mucky-mucks used the first five minutes to prattle their marxist double-drool. Next Cap't Forbes politely shot straight from the shoulder with some hard, honest facts - even though he was saving the best for the rest of the hour. But, before we had even used our "equal" time to reply, the

brown and yellow comrades both turned pale green, whined in humiliation and fear, and ran from the room. The next day Laski was questioned as to why his troops deserted. Laski said Forbes' mention of "gas-chambers for traitors" terrified them. He then said that communists are not murderers like Nazis, and Forbes and all others who stick up for the White Workers should be lined up against a wall and shot. For some reason this historic debate was never broadcast. You have never heard anything like this. It is worth a million dollars, but it is available to all who send in a minimum donation of \$3.00.

WHITE SELF DEFENSE- National Headquarters will soon be publishing a booklet on the commie-led black revolution. Don't miss it.

ONLY A JEW would murder an innocent animal.

One of our faithful dogs was a beautiful German Shepherd named Blondi. One night, before we could afford locks for the gates, she was outside protecting the yard. The gates were securely tied with wire. The wire was cut - the gate opened - Blondi was baited out - right in front of a car idling by the curb! She died instantly. The next

day Mrs. Forbes got two anonymous calls threatening "Your kids will be next!"

One thing we know for sure about the ancient charge of Jew Ritual Murder. They are the only race capable of it.

WHAT WILL YOU DO WHEN THE COMMIE REVOLUTION STRIKES?

Will you be trapped in your own home? Without food, without water, electricity or gas?

Do you have some place to go? How will you get there? Will you have a full tank of gas, filling station gas pumps don't work without electricity? Will all the roads be blown up or jammed with stalled traffic? Will you be shot as a looter?

Will you go out and attack the enemy? Who will protect your family and home while you're gone?

Have you prepared an impregnable fortress in the mountains? If you

can get to it do you have several years supply of food and other basic necessities stock-piled? What will you do when you emerge to find a bleak UN communist slave state and find you have an "absentia" death sentence for being a counter-revolutionary?

Most of us can barely buy food a few days ahead, much less afford a "fort". Nor do we wish to run like rabbits, live like rats, and see communism devour the world.

Communist jews are using the niggers to destroy America. With calculating Pavlovian techniques they are turning the blacks into an aggressive mob. With other cunning techniques developed by Pavlov they are conditioning our White Brothers to be a "panic

mob". They have scientifically studied REVOLUTION all over the world. They know a complex society like the U.S. is extremely vulnerable. Anyone who studies the human body knows that minimum pressure at key points can paralyze completely. Minor pressure on the nerve centers of our civilization can leave us helpless. This combination: A few thousand trained saboteurs paralyzing everything, a blood-crazed mob of 20,000,000 blacks & a terrified mob of 175,000,000 panicky Whites - and we will have hell on earth: TOTAL JUNGLE ANARCHY. After a sufficient dose of this terror, our jew masters will call in colored UN troops to "restore order". Like it says in the PROTOCOLS the survivors would rather submit to ANY

slavery rather than "go through THAT again."

It is obvious that the communists can NOT succeed, IF the Whites do NOT panic. Even 10,000 trained revolutionaries and 2,000,000,000 hysterical blacks could not endanger 175,000,000 determined White Americans. The blacks would be on a one way trip to Africa and the revolutionaries would be stuffed into gas-chambers quicker than Arthur Goldberg can recite the Communist Manifesto.

How do we stop the masses of jewized "sheep" from stampeding when the jew "wolves" and their dooped up spooks attack?

The American Nazi Party has the only program that can keep the masses from stampeding after the judas goats to the slaughterhouse. We purposely do daring and heroic things to attract the natural elite leaders among our people. We train and organize these future leaders and they in turn face death and devil to resist our people's enemies. Slowly we win irresistably the secret admiration and support of the masses of White workers and Youth. Healthy instinct will overpower the effect of years of jew brain-dirtying. The Swastika, the sacred symbol of our Race, is becoming known as the symbol of leadership and authority that the masses will crave when they have no other place to turn.

when the Reds start their revolution you and your fellow White leaders as Members of the American Nazi Party will be able to organize everyone around you to defend your own neighborhood and area. You will assign some men to protect all the women and children. No one will be trapped in their homes. They will be free to go and protect essential points such as power plants, water supplies, food stores, etc. Others will be free to supplement police and military forces not wiped out by Red terrorists.*

What will YOU do when the communists butchers start their bloody revolution? Do you feel the call to be a leader in this fight for your Race and Nation? What is holding you back?

Beside yourself? Many people use their family as an excuse, or their job, or ...! If you wait til it's too late you won't have a family, you won't have a job, or anything else. JOIN THE AMERICAN NAZI PARTY NOW!!

*Just as soon as we get enough money, about \$200 we will publish a detailed professional training course on every aspect of White Self Defense. Won't you help us get it out? It may save your life.

GGG

To all our misled friends of the conservative and liberal persuasions - someday soon you will cower in fear when you hear a knock on your door, AND YOU WILL PRAY TO GOD THAT IT IS AN AMERICAN NAZI COMING TO SAVE YOU.

El Monte, California

Dear Mr. Forbes:

Your application for a certificate of occupancy to use the building located at 4375 North Peck Road for the purpose of a meeting hall has been reviewed by the fire and building departments.

The following items are the minimum requirements specified by the fire and building codes to change the existing residential occupancy of a non-conforming structure to the classification of a meeting hall, private or other-wise, in fire zone II:

1. Exterior of Building (both floors), requires a minimum of one-hour fire resistive construction, eaves and overhangs included. (both state and city code).

3. Two (2) legal exits not less than 3'-0" in width, opening in the direction of egress and provided with 5" high lettered exit signs and panic hardware. The required exits must be separated by a minimum distance equal to one-fifth (1/5) of the perimeter of the room and shall open directly to the outside, or to an approved corridor, continuous and unobstructed leading to the outside and to a public way. (Sections: #3302, Table 33-A, #3312 in the Uniform Building Code) (33.17 Title 19).
4. Post a room capacity sign, of durable material, in a conspicuous place near the main exit. (Section #3301 (j)).

5. Provide permanent conspicuous identification at main gas shut off valve. (Section #708).

6. Provide handrails on both sides of exterior landings and stairs. Handrail at landings shall be not less than thirty-six (36) inches high, and not less than thirty (30) inches nor more than thirty-four (34) inches on stairs. (Section #3305 (H)).

7. Provide one (1) hour fire rated assemblies for all openings between the assembly area and other dissimilarly classified portions of the building. (Section #503 (D)).

8. Substantiate adequacy of floor system to support required live loads of one hundred (100) pounds per square foot, plus dead weight. (Section #2304, Table 23-A).

9. Provide portable hand fire extinguishers in accordance with the fire department requirements. (Supplement by fire chief).

10. Install a new electrical service, (main switch and distribution panel), and an approved type grounded wiring system.

→ 11. Provide separate toilets for men and women, each to contain not less than two (2) water closets and one (1) lavatory.

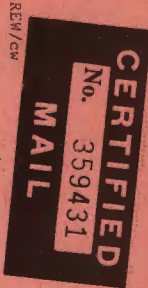

Walls of toilet compartments shall be of smooth finish cement plaster to a minimum height of 4'-0".

12. Obtain the necessary building, plumbing, and electrical permits to perform the required work. Plumbing and electrical work shall be done by state licensed contractors.

13. Window area of room shall be equal to one-eighth (1/8) of the floor area, one-half (1/2) of which shall be openable, unless a means of mechanical ventilation is provided.

→ 14. Provide nine (9) paved and marked individually accessible parking spaces each with a dimension of not less than nine (9) feet by twenty (20) feet. Parking to be located on same lot or within five-hundred (500) feet of the building. It will be necessary to provide two (2) plot plans of the parking layout to determine if further requirements are necessary regarding masonry walls at extremities of parking area.

Sincerely yours,

ing or a portion thereof for assembly purposes cannot be approved and is violative of the law.

In practical effect it denies us the right to use our own meeting hall. Decide for yourself whether the requirements are "reasonable" and "fair". We need help. We need financial help. Not only the large amount of money to make it "legal" to use our meeting hall.

For many years a Christian Church owned and used this meeting hall. The meeting hall was available to any REAL White Christian Patriots that couldn't get any other hall because of jew pressure. Now no one can use the meeting hall - not even the Church. The Church was paying half the rent. No more. This has effectively DOUBLED our monthly building expenses.

YOU must do your best to help us over come this extra burden, and win

the right legally to use our own meeting hall once more.

Many of you who get this are in a position to help substantially. For the sum of \$5,000.00 we could own this beautiful headquarters. I will NOT disclose who the owner of this headquarters is to anyone, unless they have donated enough money so the Party can buy it. The ADL would give anything to know. Yes, for US this is a mighty sum. For many kosher-conservatives, like Billy James Hoggis, it represents but a single donation after an "after-dinner" talk. Many of you have given LARGE amounts to people and organizations that have done NOTHING with your money. The American Nazi Party has given HOPE and inspiration to our "defeated" de-

moralized White Brothers and struck terror in the hearts of our enemies.

Yet, our support has been the big sacrifice of small amounts by people who barely have anything left after eating and paying their rent. Yes, we are asking YOU for money. Yes, we are asking for \$5,000.00 so we won't be forced to use all our efforts each month trying to raise enough for the rent. Many people will write in and say, "I'll put up \$1,000 (or \$500 or \$100) after you get four other people to each put up \$1,000 (or 50 to put up \$100, etc.). DON'T WAIT! Put YOU money up first. Then we can say to those who say "yes...if...after" "PUT UP NOW, we do have enough - just as soon as you make good your pledge."

If you are poor, don't feel left out. We need YOUR help, too. We need every bit of help we can get. There is NO one who can't do SOMETHING. Your dollar may make the difference between success and failure. You don't have to feel embarrassed about ANY amount you contribute if you're doing your best even if you think it's small. My three kids have each been born in all black county hospitals, and it looks like this one this summer will be too.

You and everyone can do your best. The American Nazi Party is not some "fly-by-night club" or "never been tried before gimmick". Deep down in your heart you know we are the last and only hope the White Race has on

this earth. If you don't do your best, you are betraying the opportunities so dearly won by the blood, sweat and tears of our fore-fathers and White Brothers. Those who betray their Race will deserve just what they are going to get. Don't you be a victim, do your best so you can be a victor.

RACE WAR IS COMING!!
WHITE MAN! GET READY!!!

Intelligent students of the Communist conspiracy expect a new wave of government persecution against Patriots. All signs indicate a major attack by Lynch, "The Lyncher", before this Fall's election. Step one will be news paper incited hysteria. Probably based

on a phoney staged sideshow, similar to the "shooting" of Meredith down in the South. Fbllowed by the usual railroad job where Anglo-Saxon descendants of this Nation's Founders are denied Constitutional Justice. Then much later the sentence will be over-turned in calmer times by blushing, red faced liberals ashamed of the twisting of the concepts of Justice by their bed fellows.

Like our Founding Fathers, we have pledged our lives, fortunes, and sacred Honor for our Race, Nation, and Ideals. No persecution is going to stop us! We are NOT a "private army", we are a POLITICAL PARTY. We know the present regime infested with thousands of traitors and incompetents have made sure that our police and military

WON'T be able to prevent anarchy. We say you have a God given, natural right for self preservation. We want to help save you and all our White Brothers from murder and enslavement under communism, so they will accuse us of being a "private army". Yes, O Yes, they will ignore sncc and all the rest. They will ignore the communist propaganda and agitation. They will ignore the communist arms. They won't ignore those 86,000 votes for open communist Dorothy Healy from the Fairfax and Watts areas! They

WILL try to Crucify US!

We will not back down from what we know is right. These are never before published pictures taken at the siege of our Headquarters during the Watts rioting of August, 1965. There is nothing legally or morally wrong in anything we've done, but it does not take a "Perry Mason" or a Dr Goebbels to see how an unscrupulous persecutor could use them to enflame a mob or a jury.

ROSENBLUM - GO HOME!

Dorothy Rosenblum, alias Dorothy Healy is the boss of the Commie Party in California. Kosher-conservatives invited her to speak in Glendale. She was at the main Civic Auditorium. A Christian Church with GUTS sponsored a protest of this Red Ratsess.

ALL Anti-communists were invited to join the protest. We helped the Church pass out thousands of pieces of literature exposing this disgraceful scandal. As usual ONLY American Nazis had enough guts & Patriotism to stand with the Church AGAINST Communism. Not even one of the so-called "responsible" organizations in Glendale protested! SHAME!!! But how they scream and hypocritically howl every time an Anti-Communist even breathes Glendale smog. Again, SHAME!!! Woe unto these hypocrites.

One other church was active, but FOR -- Healy! This other church which sometimes claims to be anti-communist is headed by the super,

jew lover CS or BS McBirney. His jew goon squad tore down Anti-Communist literature published by the REAL Christian Anti-communist Church. Despite all the help Healy got from McBirnie's boys and other judas goat kosher-conservatives, the comrats ran into opposition like they never had before. It will be a long time before the commies ever want to show up openly again in Glendale - the California Home of the American Nazi Party.

DOROTHY HEALEY, 49, Southern California CP district chairman, born Dorothy Rosenblum and also known as Dorothy Ray. A frequent speaker before California college groups, she is also a radio commentator over Pacifica "people's station" KPFFK, Los Angeles.

All you have to do is figure out how much you can afford to donate at regular periods and DO it. Remember to enclose your card with each donation. From time to time we will give special awards and recognition to all card carrying White Men who live up to their

word and pledge. For instance all those who pledge and make good for twelve months at least Ten Dollars per month will receive a beautiful exclusive copy of the STORY OF THE WESTERN DIVISION OF THE AMERICAN NAZI PARTY IN HEAD-LINES.

NAZI STRENGTH GROWS IN SAN FRANCISCO

Everybody is proud of our San Francisco Nazis. They are sharp, tough, and enthusiastic. We are extra proud, because (so far as we know) California is the FIRST state to have to successful, permanent Nazi units. A week before the Convention they picketed the disgusting jew, race-mixing, propaganda film, "A PATCH OF BLUE."

After the picket Lt. Vincent was attacked from the rear. The cowardly attacker was immediately arrested and taken to jail before anything worse happened to the jew. GGG

SAID THE SPIDER TO THE FLY

Santa Barbara is the home for the Fund for the Republic. Many wonder which Republic? Those of us who have studied communism, don't wonder at all. Perhaps because of FFR Reds from all over are attracted to this nest. We refuse to comment on whether or not this is all a "Nazi trap" to get all the Red Rats in one place. Recently Bishop Pike resigned from being "minister" to queers, commies, kikes, coons, & other assorted oddities to move to Santa Barbara* His

huge "pension" will be no consolation when he finds that a new Nazi unit is starting in Santa Barbara.

*It is rumored that he left the Bay area because the San Francisco Nazis "upset" him.

BAT MAN FOR GOVERNOR?

It makes just as much sense as

REAGAN FOR GOVERNOR

Many Patriots ask us "But how do you know for sure Reagan is phoney?" "Didn't he purge Hollywood of Reds?" A 'big deal' has been out of the fact that Reagan presided over the ritual removal over a handful of the most open Red Rats. Remember an aroused public was so sick of the most blatant arrogant comm-

unist propaganda they were screaming for rope and decorated lamp-posts.

A Nazi would have used public indignation to root out the alien influences behind the deadly poison that spreeds out of Hollywood. Reagan suddenly ceased his own open Left Wing extremist activities and was "discovered" by the Leftists to be a "Right Wing Leader" - so naturally he was put in charge of cleaning up Hollywood. Reagan's "purge" satisfied the once again betrayed public, and of course Hollywood is still as rotten as ever.

In his own autobiography, he ADMITS his best friends were Humphrey Bogart, and the "lovable" Emanuel Goldensen alias Edward G. Robinson. Apparently this perverted relationship of a "Right-

Winger" befriending scum like that blinded poor Ronnie to their crimson blood RED records. His obsequious loving of negroes and groveling at the feet of jews is more fitting a character in one of Leroi Jones insane "plays". "But, he is only being clever," say the drowning men who will clutch at ANY straw-even one that is dragging them down. CLEVER? The negroes are much smarter than the conservatives, because Reagan isn't fooling them. Attend any one of his rallies and see the khazars running the show. "Show" is right. The corny jewishness of his "patriotic" side shows is repugnant to anyone with White Man's instincts at all.

Last but not least is the fact that he was married to a jewess. This is part

of a dangerous syndrome. It could be meaningless, but even the most casual student of the communist conspiracy knows it is a sign as important as the skull and cross-bones on a bottle of POISON!

For Right-wingers to elect Reagan is comparable to the sheenies in so-called "Israel" electing Eichman to install showers in their kibbutzim. Say, how about Robin for Attorney General?

FORBES FOR GOVERNOR write-in votes have Reagan and the jews all shook up. They don't think Forbes really could win, but they remember what the koshers did to Commander Rockwell in Virginia last year. They fear Forbes could draw away enough White Christian votes to keep him out of Sacramento. Many conservatives have asked Captain Forbes not to run for just that reason. They say, "Anything is better than Brown again - even Reagan." But others with a longer view are tired of being forced always to choose between the "lesser" of two

evils. That same old technique has kept the jews draining us dry for years. We don't want to be dragged off in the bushes again. That is why so many wrote Forbes' name in.

Captain Forbes has not announced yet whether he will run or not. There is a strong chance that nigger rioting will awaken and p-o enough White voters to sweep him in. In any case he could use the hard-core White bloc vote to force Reagan to pledge not to betray the White Workers and White middle class. We want him for Governor. Write to our El Monte Headquarters and use your influence to persuade him to run.

**LITTLE WHITE LIES?
OR BIG BLACK LIES.***

Most of the students who go to Citrus College are good White Christians. They devote much time and energy to studying their chosen subjects, nevertheless, some left-wing joker decided to impose a lesson in niggerology by a genuine coon on them. The niggerologist "explained" that everything good came from blacks, and everything bad from Whites - however, the ungrateful Whites took credit for the progress initiated by the coons. Many members and supporters of the American Nazi Party were present in the audience. They politely asked cogent questions critical of the speaker's view-point.

Apparently he was used to creepy liberals who uncritically worshipped his "arguments" as infallible merely because his skin was black. When challenged it turned out that the idol of niggerology had feet of clay, "nigger black clay."

LEFT WINGERS CENSOR NAZI VIEWS

The White Christian students of Citrus and all colleges have the right to hear the ideas of the American Nazi Party. Left-wingers who try to deny these students their Right to Freedom of speech, and to know, and to think for themselves will be surprised to have their "Berkeleys" back-fire on them. They will find that thousands of students passionately demand to

know the TRUTH about America and the White Race.

In all the countries where they said, "It could never happen here," the police were the first to be wiped out! This is standard comrat operating procedure. You want to do more than support your local police. You want to be sure that cop is on his own two feet shooting back when the reds make their big mistake. The best investment you can make (assuming you already have a gun and have contributed to the American Nazi Party) is to get a copy of CROWD & RIOT CONTROL by Col. Appelgate published by Stackpole, Harrisburg, Pa. @ \$6.75. You may order directly from Sons of Liberty, Box 1896, Hollywood, Calif., or we will get it for you. This book is the greatest thing on offensive techniques for being communism in the streets in all its phases from "passive resistance" to guerilla warfare. Do yourself a favor. Get this book and have someone who presents a favorable appearance deliver it personally to the head of detectives in your local police department. This will help establish good relations with your local police (you may be fighting for your life along side them some day), it will save alot of police lives, and IT WILL HELP STOP COMMUNISM!
