

On Sunday afternoon, October 2, 1960, four professional hoods appeared suddenly at an autumn festival and picnic, caught me a few moments when I was alone, and struck silently and efficiently. Before I knew what was happening, they smashed both of my eyes tightly shut, broke my nose, tore open my cheek, and beat me senseless and bloody to the ground. Then they disappeared before they could be stopped or identified.

..AND THEY CALL ME A "JEW SPY"!

This story and documentary photograph are not published for sympathy. We expect such brutal attacks from the enemies of our beloved America and our White Race!

We have suffered many such attacks in the past and know there will be many more, --and worse, --in the future. The enemy knows he cannot survive our forceful, dramatic and aggressive exposures in public. We are not selling literature to other patriots, or discussing Jewish treason in private meetings with people who already know "the score". For two years now we have been storming the streets and blasting Jew treason week after week out on the Mall in Washington, D. C., between the Washington Monument and the Capitol, where millions have heard us or heard of us! We are not talking about "waking up" America; we are **STANDING UP** ourselves and **FIGHTING**, and by our example, we are inspiring our people at last to **DEFY** the most monstrous tyrants the world has ever known! This is the **ONLY** way we can save our White Christian America! It is **TOO LATE** for talk and tricks and sly schemes or half-measures! Only a burning fanatical will to **FIGHT** can stop the half century of tragic losing by all the methods of all the "nice" conservatives, and even the steady

...on the mall between the Washington Monument and the Capitol: "BEHIND THE TROUBLE-MAKING NEGROES STANDS THE COMMUNIST JEW!!!!"

failure of the "baddies" like Gerald Smith!

The Jews have managed to bottle up all efforts except ours in their filthy "silent-treatment", so that they wind up talking to themselves year after year. Our swastika and dramatic methods have FORCED the Jews to spread OUR ideas in THEIR press, TV, etc! Those who keep advising us to "get rid of the swastika" have simply not yet recognized that this is NOT a battle of waking people up!

This is a battle to get people to STAND UP! Millions already know all about the Jews but imagine the conspirators are so powerful they control all the police, all the FBI, all the courts, all the administration, all the press, and it is impossible to DEFY them and survive. Like birds fascinated by a Jew-snake, our people are paralyzed by FEAR!!!

The Jews have got this beloved Country HYPNOTIZED, and our name and our swastika are the lightning and thunderclaps which alone can snap our drugged people to attention and FORCE them, even against their will, to face the nightmarish situation of America and the White Race! In spite of all the criticism of the know-it-alls that we can never "win" with our methods, we ARE winning! We have begun to gather hundreds of tough YOUNG men who, were it not for our existence, would be in the ranks of the ENEMY, getting ready to fight YOU, -American! Young people, fighting men, the men you so desperately need, will NEVER, NEVER join an old folks society of "patriots", no matter HOW "NICE" and "100% American" they are!

To get people to STAND UP, you must first STAND UP YOURSELF, -and this is just exactly what we are doing! It has cost us the kind of painful beatings you see here. (Just last night, as I write this, Roger Foss and two men with him were attacked by hoods with beer-can-openers and cruelly cut up. But I am proud and happy to report that their assailants got what they deserved. Roger and Roy James, one of the other Nazis, are not men to fool around with!) We have been jailed, sent to the insane asylum, kicked out of job after job, deprived of the love and companionship of our wives and families, starved, smeared, laughed at, mobbed and forced to live like animals! On the back page I have reproduced a photo of my wonderful wife and four little angels, so that you may see we are not monsters, but human beings like everybody else, with the difference that we would rather give up everything else, including home, family, comfort, job, reputation and money for the freedom and survival of WHITE CHRISTIAN AMERICA! We just can't stand any more pushing by Communist-Zionist-race-mixing JEWS!

So we have gone out into the streets and into the courts and exposed the WHOLE, deadly TRUTH and defended it with our LIVES! We have attracted a NEW kind of "patriot", fighting YOUNG MEN. And we have beaten and battled our way to the TOP of the Right Wing!!

It is understandable and right that the JEWS should raise millions and go all out to destroy us. It is them or us, and they know it!

But it is incredible and tragic that our OWN side should attack us and hurt us, even as we struggle for life or death, and for the life or death of our White Christian People!

Yet that is exactly what is going on!

I have done my best to ignore and rise above the vicious attacks and innuendoes of Russell Maguire, Joe Kamp, Elizabeth Dilling, Don Bell, -and now Ron Gostick. But our success in smashing the Jewish "paper-curtain" while they wail about how "impossible" it is, -and by the very methods they laughed at and scorned, have not made them grateful that the enemies of our people are getting a drubbing, --but instead have made them mad at US! We are DOING what they have been TALKING about all these tragic years! They have been soliciting and wasting MILLIONS of dollars on "safe" methods of fighting Jewish tyranny, -and now that we are showing such paper-patriots and cellar-soldiers that you CAN smash the "silent treatment" if you are willing to dare the TOTAL terror of the Jews, the only reply of these veterans of forty years of losing, is to claim that I am a "JEW SPY"!!!!

Remember, I have not attacked THEM; they have spent two years attacking ME, while I begged them to fight in their own way and let me do the same. But I make it difficult or impossible for these political loafers to keep claiming that they are "fighting the Jews",

stories that we are Jew spies because they can think of no other way to explain their own cowardice or their long record of FAILURE!

I have sold my autobiography to a national publisher and it will be out in the early part of 1961. It will hit the right-wing like a bomb-shell! It minces no words, and will once and for all explain to the faithful supporters of the right-wing why they have been getting nothing for their years of support except WORDS, -why in spite of all the effort to "wake up" America for forty years, we are more Jew dominated than ever before, -and about to be finally smashed under a new Franklin Roosevelt!! Let the incompetent cowards who have been failing so long take warning! We don't care how feeble they are or how they hide in their cellars or behind their post-office box! Let them babble and whisper to their heart's content, -so long as they stay out of our way!

But those who spread the ignorant and cowardly lies that we are PAID by the very gang of criminals who have jailed us, smeared us, starved us and beaten us, --will reap the full fury of our attack! Let them reflect that we have beaten the Jews to their knees, in spite of their millions, their hoods and their press and TV. We invite every decent right-wing leader to come and investigate us to assure himself that we are sincere. And we warn those who have said or implied that we are "agents provocateur" to retract these despicable smears or to prepare themselves for the same kind of all-out public attack we have taught the Jew traitors to fear!

At the same time, we urge the loyal American patriots who have stood so steadfastly for our Nation and our race to have FAITH! You are almost sure to get "FDR" Kennedy, and another "Jew" Deal. You will see our beloved America and our perishing white race brought to the very bottom of disgrace and dishonor! But do not despair! It is this very catastrophe which is necessary to JOLT our people to ACTION!! And when they have had ENOUGH, --the American NAZI Party will be ready with the FIGHTING MEN, trained and organized to defend our people from their filthy red revolution, their race defilement and their Jew-Zionist tyranny.

It takes less money for us to make this fight than any other outfit in America, because we do almost EVERYTHING OURSELVES. I have written and set this in type myself, for instance. I did the layout, the art-work and even the photo enlargements. I will go to the little print shop when it closes tonight, and do the negatives and plates, and then print it too. This morning I entered our appeal in the case of the riot on the mall, -as my own attorney. Ordinarily it would cost the Party hundreds of dollars, but I do it for nothing. All the rest of the members work from early in the morning till late every night, -just because they love America and the White Race. When they can get jobs, they contribute every penny they do not need to eat or for car-fare! The Jews cannot understand how we do it, but the men at Valley Forge would have known. We are doing this almost 100% on GUTS, -and FAITH!

But it STILL takes some money, and we will not beg. We have captured on film, on tape and on paper some of the most thrilling, -and inspiring speeches, marches in the street, fights and orations ever heard or seen in America. The film showing battles with Jews on the mall, Nazi storm-troopers marching in the D. C. streets, -all in full color, and the tape of a rip-roaring speech where you can actually hear the crowd CHEERING wildly as we accuse and expose the Jew traitors will give you chills and goose pimples of inspiration and HOPE!

Fellow American WHITE MAN!

I wrote the enclosed piece as soon as I could see clearly after the beating which closed my eyes and filled the right one with blood. That was about ten days.

We had just started to print it when the Jews struck AGAIN!

The press was smashed in two places one night, and while it was being welded, --it was smashed again! The brave man who owns the little shop was called and threatened by the lovers of the free press, and his wife too was terrified by one of these "brotherhood" calls, as my wife used to be when she was here.

As you will see, we printed it anyway!

But the delay of almost a month without a mailing reminder of what we are doing has brought our trickle of funds to a stop. Only the desperate support of the same tiny group of financial heroes has saved us from catastrophe!

But we have not let this utter starvation and desperation slow down our FIGHT!

Our brave lads in Los Angeles, the center of Jew treason in the West, stepped forth on their own with their swastika armbands and picketted that human monstrosity, that Kosher Coon, Sammy Davis, Jr. They barely escaped death at the hands of the Jewish "tolerance" mob and had to be rescued by sympathetic police! BUT THEY SPREAD THE WORD THAT AMERICA IS NOT GOING TO BE MONGRELIZED! Their heroism demonstrated as no "literature" ever could, --from Australia to Stockholm, that the WHITE MAN HAS HAD ENOUGH! They gave HOPE to millions!

In Canada, our Party Leader made Coast-to-Coast TV, and is now reaping the harvest of terror which was expected! Confidential Magazine has a long story full of smears this month on US, -but it is bringing us more strength and more fighting young men, --so we don't mind the smears! TRUE magazine is supposed to be out in a few days with a big spread on our fight for the White Man! In short, at the cost of jails and courts and insane asylums and beatings and smears, we have SMASHED the silent treatment! But HOW it has cost our courageous young lads! THEY ARE EATING STALE BREAD AND 10¢-A-POUND MEAT INTENDED FOR DOGS! THINK of that, White Man, as you sit down to eat the next meal! That is the TRUTH!

We know things are tough for everybody these days, and getting tougher! But we CAN'T believe they are so tough you WANT these boys to fight for you and our beloved Country while they STARVE and go to jail for lack of ten-dollar bail money, as Roger Foss has had to do, and as we will all do in the next few weeks!

We can't believe you WANT to watch America and our White Race go steadily down the drain while the talkers and pamphleteers keep selling you literature and making private speeches, --but NEVER GET OUT ON THE STREETS AND FIGHT FOR YOU!

We can't believe you WANT to keep listening to the same lullaby that "victory is just around the corner", -that THIS time, we will "throw the election into the house and elect a real WHITE MAN!" ---while we watch our race defiled and our America humbled and degraded and disgraced.

The White Man is like any other part of Nature, -any other organism, -such as your body.

When you are invaded by disease germs which might kill you, if you have the will to live, and the strength to FIGHT, your body makes "anti-bodies", -tiny FIGHT-ERS which attack and KILL the germs which are trying to kill YOU. If you can't muster the strength to fight and kill the germs, THEY KILL YOU!

The Jew-communist traitors and race-mixers are KILLING YOU, --not talking to you, White Man! In terms of history, you have only a little time LEFT! Unless you have the strength and the will to FIGHT, --or at least to support a fight, they will inevitably finish you off!

The "anti-bodies" you must have to survive are not papers and fine speeches, but FIGHTING MEN. If you can't stop your narcotic-like habit of spending what funds you have to keep publishing endless empty plans and words, while the enemy keeps using FORCE and TERROR to drive you to extinction, -you will deserve to die, and you WILL die. You ARE dying!

The "anti-bodies" you must have to survive are fighting YOUNG MEN, --young NAZIS! --And God knows we have them here, --they are coming all the time, more and more, as we give them HOPE. But you must NOT let them starve! They work all they can, -but it isn't easy to get jobs and march on picket lines with swastika arm-bands. If they can't count on your support, as the Jews in the ADI are supported by their people, they will be unable to fight. And if they can't fight because they are hungry and COLD, --as they are now (we have no money for the heat bill), --it is not just they who will lose, --but YOU, --and your children and the White Race!

Here is one of the clippings from all over the world showing the effect of the courage of the young men in Los Angeles! This is from Sweden, -and they are coming in from everywhere else, including Israel!!

feels the same way. If you agree, please put a ten dollar bill at least into an envelope for the fight, -along with your order for tapes, films, etc, --and back the "anti-bodies" of the White Man. PLEASE do it NOW, --and you will have earned the deep gratitude of the bravest, cleanest and toughest friends America, --and YOU, --ever had!

We can't and won't promise you any cheap, quick victory. It will take us many years to clean up this Country and once more make it pure and decent and safe for our White Women. But we WILL DO IT, we ARE doing it, -professionally, and with deadly determination. We don't mind paying the cost in blood and loss of our freedom in jails and insane asylums, -as we have been doing. But I, personally, do mind watching the unbelievably courageous young men we have here going HUNGRY while people call us "spies" and make excuses while they are safe from the terror of these devilish Jews, while they are warm and secure in heated homes, while they play with their children and enjoy the simplest things in life which are denied the fighting White Men here. I got these young lads into the battle, and I intend to see that they do not starve and freeze and go penniless to jail! I believe that every decent White American
