

Meet . . .

**ART
JONES**

The White People's Candidate

Mayor

||||| of Milwaukee |||||

Are you fed up...

- with runaway crime and unsafe streets?
- with soaring property taxes?
- with bigger and bigger Black welfare handouts?
- with forced busing and integrated jungles?
- with favoritism to non-Whites in job hiring and promotions?
- seeing White people pushed around?
- with the same old, sell-out politicians?

ARE YOU REALLY FED UP?

Well, so is ART JONES, the White People's candidate for Mayor of Milwaukee — and he wants to DO something about it.

The Symbol of America

THE WHITE PEOPLE

Here's where Art Jones stands:

CRIME: Milwaukeeans should be able to walk the streets of their city at any time of day or night without fear of being mugged, robbed, raped or murdered. As Mayor I would make this town *unsafe* for the depraved subhumans who now prey on defenseless persons in our community — as well as for the drug pusher, the pimp, the deviate and the smut merchant.

GUN CONTROL: I am a firm believer in the right to keep and bear arms. As Mayor I would oppose any attempt to disarm law-abiding citizens.

BUSING: I am totally opposed to the insanity of forced busing. As Mayor I would block any and all attempts at court-ordered busing and forced integration.

WELFARE: There should be generous help for truly needy persons — like our senior citizens and the severely handicapped — but not one cent for all the shiftless minority parasites now freeloading off the White taxpayers of this city.

REVERSE DISCRIMINATION: Every qualified White person should have a fair crack at all job openings, regardless of any racial-quota system. As Mayor, I would work actively to end all discriminatory anti-White practices in the city.

SPENDING: We should sharply trim unnecessary city spending, starting with pay cuts for all city executives. A public official should serve the people, not live off of them. My goal is to make Milwaukee a *model* of fiscal responsibility and self-service. If we live within our means, we don't have to go the way of New York or any other mismanaged city.

STATESMANSHIP: I believe in a government of, by and for the people of Milwaukee — *not* for special minorities, sell-out politicians, social experimenters and Communist subversives. I will not yield the interests of the White majority of this city to any minority interest or federal dictate.

LE'S CANDIDATE

Ancient Symbol of the White Race

● Born in Beloit, Arthur Joseph Jones was educated in that city's schools and at the Whitewater campus of the University of Wisconsin, where he majored in political science.

● After graduating from high school, Jones entered the U.S. Army and served as a combat infantryman against the Communists in the central highlands of South Vietnam.

● Since his honorable discharge from the service, he has lived and worked in Milwaukee. As a former metal worker and machinist in several area plants, he knows the problems and concerns of the average White workingman and his family.

● Recognizing that the two major parties are more concerned about racial bloc votes than the vital interests of the White majority, Jones became active with the National Socialist White Peoples Party, and is presently its Local Secretary.

● Long concerned with the well-being of America and the White race which built it, he has received numerous citations for outstanding community service and patriotic activity.
