

VICTIMS OF JEWS

THIS SUNDAY, YOU WILL HAVE AN OPPORTUNITY TO SEE, IN PERSON, THE GREATEST TROUBLE-MAKERS OF ALL TIME --- THE JEWS. JEWISH MILITANTS HAVE VOWED "TO PHYSICALLY ATTACK THE NAZI HEAD-QUARTERS" THIS SUNDAY.

COME OUT AND SEE FOR YOURSELF THE SAME KIND OF CAMEL-FACED CREATURES WHO BUTCHERED MILLIONS OF WHITE PEOPLE IN LITHUANIA, POLAND, HUNGARY AND EAST GERMANY, LIKE THE JEWISH COMMISARS OF THE SOVIET SECRET POLICE. TAKE A GOOD LOOK AT THE REAL, BEHIND-THE-SCENES LEADERS OF THE RACE-MIXING MOVEMENTS IN AMERICA, FROM FORCED BUSING TO INTEGRATIONIST PROPAGANDA ON TELEVISION. THE JEWS ARE DOING TO AMERICA WHAT THEY DID TO EUROPE -- RUIN-ING IT FROM WITHIN!

WHEN NIGGER MILITANTS TRIED TO BREAK THE WHITE SPIRIT OF MARQUETTE PARK IN YEARS PAST, OUR COMMUNITY ROSE UP TO STRIKE THE INVADERS, AND THE MARTIN LUTHER COON MOVEMENT SUFF-ERED NOTHING BUT DEFEAT. NOW THE JEW LEADERS THEMSELVES ARE COMING IN TO BREAK US, THEIR BLACK STOOGES HAVING SO MISERABLY FAILED.

THE NAZIS ALONE AND AGAINST NUMERICALLY SUPERIOR ODDS ARE KEEPING MARQUETTE PARK WHITE! WITHOUT US, ALL OUR NEIGHBORHOODS WOULD HAVE FALLEN TO THE BLACK INVASION YEARS AGO. DESPITE EVERYTHING OUR ENEMIES -- YOUR ENEMIES -- CAN THROW AT US, WE STILL STAND AS THE FINAL BULWARK OF CIVILIZATION IN OUR CITY. WE ASK FOR NOTHING, EXCEPT THE HONOR OF FIGHT-ING FOR OUR BELOVED WHITE PEOPLE AND THEIR SUPPORT OF OUR STRUGGLE CARRIED OUT IN THEIR NAME.

COME OUT THIS SUNDAY, AT 71st STREET AND MAPLEWOOD, TO GET A CLOSE LOOK AT THE VILE ENEMIES OF OUR RACE AND NATION. FOR OURSELVES, IF WE ARE ATTACKED AND MUST DEFEND OUR SAFETY, WE WILL FIGHT TO THE LAST JEW!

FREE "WHITE POWER T-SHIRT" TO EVERY WHITE AMERICAN WHO STANDS WITH US THIS SUNDAY IN DEFENSE OF WHITE CHICAGO AND ITS HEADQUARTERS, ROCKWELL HALL!

WHITE VICTORY !

NSPA Rally in Blue Island

(quoted passages
in italics)

Some of us thought the rally in Blue Island would be the bloodiest one ever. All the odds seemed against us. The south suburban town was less than half White, with about one fifth Black and a third Mexican. Among these non-Aryan cesspools the Communists of the Progressive Labor Party were busy agitating the resident coons and spics. The Reds swept through the west end neighborhoods in a massive literature distribution, urging the local Third Worlders to "Smash the Nazis!" They were putting a lot of work into breaking us this time. They had to. Ever since their humiliating defeat in the streets of Berwyn last summer, the Marxists had been recuperating, offering us only token resistance at our subsequent rallies, saving their energies for their "Fall Offensive" against us. Their intentions were to completely crush us by winter. Of all their objectives, finishing off National Socialism was and still is the first and most important goal of the Progressive Labor Party and their allied criminal organizations. The "Offensive" was to be kicked off with their push against our Blue Island rally. They were suppose to learn from their past mistakes, and their strategy was laid out in greater detail: They hoped to have so great a crowd of sympathizers on hand that they could herd them through the police lines (the Reds couldn't have cared less how many of their own duped followers got hurt or arrested) like a human (?) battering ram, creating a breach through which they could descend on us with their lead pipes, hammers, brass knuckles and other tokens of affection.

The Reds were not the only trouble we had to contend with. Our relations with the Blue Island Police Department had been on the skids since 1976, when Party Leader Frank Collin ran for Congress. Blue Island was part of his third congressional district, and when N.S.P.A. members went door to door collecting signatures from registered voters for their nominating petitions, they were picked up by the cops, who insulted our men, frisked them and then ran them out of town with promises to arrest them on sight, should they ever return. Doubtless, these policemen imagined they acted in the best tradition of democracy. It seemed likely we would have to defend ourselves against both the Reds and the reactionaries.

But it was mainly because of the petition drive that we picked Blue Island for October's first rally. In the time allowed our men before the police closed in on them, response from the White residents was practically 100% favorable. Two years later, the sympathetic response was again confirmed, when we went to the White section of town to distribute our leaflets announcing Sunday's meeting. One more advantage in our favor was the head of the Illinois State Police, a true professional and strong anti-Communist, who was impressed by our willingness to cooperate with all reasonable requests, so long as our right to speak was not infringed. He put in a good word for us to the Blue Island police, and relations with the N.S.P.A. improved noticeably. Still, we never knew until we actually arrived at the park just how the police would conduct themselves. One pre-rally rumor had it that the Blue Island cops had secret orders to bust everyone, Nazi and Communist, permit or no permit, the moment trouble erupted.
