

VICTIMS OF JEWS

THIS SUNDAY, YOU WILL HAVE AN OPPORTUNITY TO SEE, IN PERSON, THE GREATEST TROUBLE-MAKERS OF ALL TIME --- THE JEWS. JEWISH MILITANTS HAVE VOWED "TO PHYSICALLY ATTACK THE NAZI HEAD-QUARTERS" THIS SUNDAY.

COME OUT AND SEE FOR YOURSELF THE SAME KIND OF CAMEL-FACED CREATURES WHO BUTCHERED MILLIONS OF WHITE PEOPLE IN LITHUANIA, POLAND, HUNGARY AND EAST GERMANY, LIKE THE JEWISH COMMISARS OF THE SOVIET SECRET POLICE. TAKE A GOOD LOOK AT THE REAL, BEHIND-THE-SCENES LEADERS OF THE RACE-MIXING MOVEMENTS IN AMERICA, FROM FORCED BUSING TO INTEGRATIONIST PROPAGANDA ON TELEVISION. THE JEWS ARE DOING TO AMERICA WHAT THEY DID TO EUROPE --- RUIN-ING IT FROM WITHIN!

WHEN NIGGER MILITANTS TRIED TO BREAK THE WHITE SPIRIT OF MARQUETTE PARK IN YEARS PAST, OUR COMMUNITY ROSE UP TO STRIKE THE INVADERS, AND THE MARTIN LUTHER COON MOVEMENT SUFF-ERED NOTHING BUT DEFEAT. NOW THE JEW LEADERS THEMSELVES ARE COMING IN TO BREAK US, THEIR BLACK STOOGES HAVING SO MISERABLY FAILED.

THE NAZIS ALONE AND AGAINST NUMERICALLY SUPERIOR ODDS ARE KEEPING MARQUETTE PARK WHITE! WITHOUT US, ALL OUR NEIGHBORHOODS WOULD HAVE FALLEN TO THE BLACK INVASION YEARS AGO. DESPITE EVERYTHING OUR ENEMIES -- YOUR ENEMIES -- CAN THROW AT US, WE STILL STAND AS THE FINAL BULWARK OF CIVILIZATION IN OUR CITY. WE ASK FOR NOTHING, EXCEPT THE HONOR OF FIGHT-ING FOR OUR BELOVED WHITE PEOPLE AND THEIR SUPPORT OF OUR STRUGGLE CARRIED OUT IN THEIR NAME.

COME OUT THIS SUNDAY, AT 71st STREET AND MAPLEWOOD, TO GET A CLOSE LOOK AT THE VILE ENEMIES OF OUR RACE AND NATION. FOR OURSELVES, IF WE ARE ATTACKED AND MUST DEFEND OUR SAFETY, WE WILL FIGHT TO THE LAST JEW!

FREE "WHITE POWER T-SHIRT" TO EVERY WHITE AMERICAN WHO STANDS WITH US THIS SUNDAY IN DEFENSE OF WHITE CHICAGO AND ITS HEADQUARTERS, ROCKWELL HALL!

WHITE VICTORY !

above the rest, as Collin stepped before the microphone. Then followed a renewed salvo of rocks and eggs, all deflected by the shields of the men in brown.

"Those oppose free speech who have the most to fear from it! These Communists of the Progressive Labor Party you see here are afraid that if you, the White people of America, learn just how filthy they are, you will rise up to wipe them out. And they're right!"

"Death! Death! Death to the Nazis!," came the hackneyed slogan, but our p.a. system swamped their effort.

"Let me tell you a little about these enemies of ours," Collin went on.

"Most likely you've never seen creatures like them before. These are the same people who agitated in the streets during the Viet Nam war for Communist victory. Meanwhile, some of us who you see here today were fighting the Reds in Southeast Asia. Others of us, myself included, fought the same enemy on State Street and along Wacker Drive, when we were the only Americans who tore down the Communist flags, and went to jail for our patriotism. Yes, my fellow White Americans, these creeps you see before your very eyes are open, admitted Communists, the enemies of everything good and decent in our country. And we National Socialists are the only Americans who are fighting them! They hate us more than anyone or anything else, because they know how dangerous we are to them. "

Pointing to the CBS Television camera truck behind the Reds, Collin said, "After filming this meeting today, CBS will not report to its millions of viewers that these scum are Communists. CBS will not report what these degenerates are saying. Instead, CBS will tell the world that 'The Nazis were opposed by counter-demonstrators', that these 'counter-demonstrators' made up Collin's audience, while none of what we say here will be quoted, except perhaps out of context. And why is that? Because the same spirit of Marxism which motivates these ragged creeps to throw and shout their garbage is the same spirit which moves the masters of the newsmedia to promote race-mixing, anti-Americanism and decadence! And behind the newsmedia, are the kindered spirits of the wealthy politicians and businessmen. When these more 'respectable' powers fail to ban us, as they have, they call out their lackeys, their street goons of the Progressive Labor Party, to stop us. But they should learn from history: We National Socialists survived the Second World War. We will certainly survive the likes of these college punks, who have never worked a day in their lives, just like their founder, Karl Marx --- these great 'apostles of the workers', who have never seen the inside of a factory."

By this time, the Reds began to see the uselessness of their chanting, drowned out as they were by our superior loudspeakers. While the accuracy of their stone and egg throwing was improving, they still scored no significant hits, except on one Blue Island cop, who took a rock in the face at close range. We saw him stagger back with the impact, his face shield shattered.

The cowardly attacker disappeared into the crowd. In a new ploy, the Marxists

attempted to lead a walkout, urging the audience to show their contempt for
